REF: Block 153 Parcels – Property Disposition

Dear Interim Chancellor St. John:

Enclosed you will find a resolution requesting approval for UAB to enter into an agreement with Daniel Realty Company, LLC for the disposition of two (2) parcels situated on Block 153, located on northern side of UAB’s campus. These parcels are not presently programmed for a future UAB use and the disposition of the parcels will allow near-term redevelopment of the parcels into uses complementary to UAB’s campus.

This item has been thoroughly reviewed and has my endorsement. With your concurrence, I ask that this be included on the September 21st Board Executive Committee meeting agenda.

Please let me know if there are any questions.

Sincerely,

[Signature]  
Ray L. Watts, M.D.  
President  
The University of Alabama at Birmingham

MEMORANDUM

TO:       Allen Bolton, Senior VP of Financial Affairs & Administration

FROM:     Kevin Jaquess, Real Estate Officer

DATE:     August 11, 2018

RE:       Disposition of Block 153 Properties - UAB Project No. 180020RE

Over the last several years, several new re-developments including Railroad Park and Regions Field has transitioned the northern edge of campus from a historically industrial area into a vibrant residential, retail, office, and entertainment destination now known as the Parkside District. As a result of the continued redevelopment activity, property values have significantly increased. The University is poised to sell non-adjacent as well as under-utilized properties and take advantage of the land appreciation as well initiate the process of transitioning the properties to a use more consistent with the surrounding area. The properties include three parcels, two owned by the University (the “Property”) and one owned by the UAB Educational Foundation. Together, all three properties include approximately 56,000 square feet and is equivalent to one-half of a city block (Block 153). The Property is situated on 3rd Avenue South, one block beyond the northern boundary (4th Avenue South) of UAB’s Campus Formation Map, which was updated and approved by the Board of Trustees in 2016. Currently, the Property is used by UAB’s Landscaping/Grounds group. Plans are underway to relocate the current use to another location on campus.

Per Board Rule 415, the Property was marketed for sale by JH Berry & Gilbert, a local, licensed commercial real estate firm. As anticipated, the Property generated significant interest from the development community and several offers were received. After extensive consideration of each offer as well as the proposed new use of the Property, the decision was made to proceed with the Daniel Realty offer. Daniel Realty is a local developer as well as a full-service real estate company with a diverse portfolio of office, multifamily, hospitality, medical and retail properties. Daniel’s offer price was consistent with appraised value. Also, Daniel’s plan to develop a high end, mixed-use project on the Property will complement UAB’s campus as well as the Parkside District.

Proceeds from this disposition could be utilized for the strategic acquisition of properties currently located within the approved Campus Formation Map, eliminating the need for an equivalent amount of new bond funding.

I recommend that disposition of this Property be forwarded for consideration to the Physical Properties Committee and the Board of Trustees at its next regular meeting.

EXECUTIVE SUMMARY
PROPOSED REAL ESTATE DISPOSITION
BOARD OF TRUSTEES EXECUTIVE SUBMITTAL

MEETING DATE: September 21, 2018

CAMPUS: University of Alabama at Birmingham  UAB Project # 180020RE

PROJECT NAME: Disposition of Block 153 Properties (Parcels 2 & 3)
LOCATION: 3rd Avenue South
Birmingham, Alabama 35233

ACQUISITION METHOD: ☐ Gift  ☐ Purchase  ☐ Other

Price: To Be Determined

LEGAL DESCRIPTION:

PARCEL 1: Owned by UAB Ed. Foundation (the “UABEF Parcel”)

Tract I: The South 22 feet of Lot 1, except the Westerly 5 feet thereof, in Block 153, according to the present plan and survey of the City of Birmingham, as made by Elyton Land Company. Situated in Jefferson County, Alabama.

Tract II: The North 70 feet of Lots 2 and 3, the West 5 feet of Lot 1, and the West 5 feet of the South 30 feet of Lot 3, in Block 153, according to the present plan and survey of the City of Birmingham, as made by Elyton Land Company. Situated in Jefferson County, Alabama.

Tract III: Lot 4, in Block 153, according to the present plan and survey of the City of Birmingham, as made by Elyton Land Company. Situated in Jefferson County, Alabama. (Tax ID No. 22-00-36-3-037-002.000)

PARCEL 2: Owned by UAB

Lots 5, 6, 7, 8, 9 and 10, in Block 153, according to the present plan and survey of the City of Birmingham, as made by Elyton Land Company. Situated in Jefferson County, Alabama. (Tax ID No. 22-00-36-3-037-003.000)

PARCEL 3: Owned by UAB (Parcels 2 and 3 collectively the “UAB Parcels”)

The North 18 feet of the East 95 feet of Lot 1; the South 30 feet of Lot 2; and the South 30 feet of the East 45 feet of Lot 3; all in Block 153, according to the present plan and survey of the City of Birmingham as made by the Elyton Land Company. (Tax ID No. 22-00-36-3-037-005.000)

Locator Map (Attachment No. 1)
LOT SIZE: The UABEF Parcel and the UAB Parcels (collectively the “Parcels”) compose a half-block of Block 153 with a total of 56,000 square feet.

Parcel 1 – Owned by UABEF 16,440 square feet
Parcel 2 – Owned by UAB 35,000 square feet
Parcel 3 – Owned by UAB 4,560 square feet

IMPROVEMENTS: Current improvements include temporary buildings that have been used for storage and office space by UAB’s Landscaping/Grounds group for several years. The remainder of the properties is used for storage of landscaping materials.

CONDITION OF PROPERTY: Considering the age of the improvements, they are in good condition. In recent years, Railroad Park, Regions Field (home of the Birmingham Barons) and other residential developments were developed in surrounding area. The properties’ current use has become inconsistent with these and other developments nearby.

TENANTS: UAB’s Landscaping/Grounds group, which will be relocated to another UAB property.

SALE PRICE: Parcel 1 – Owned by UABEF - $1,144,928.57
Parcels 2 & 3 – Owned by UAB - $2,755,071.43
Total - $3,900,000.00
Sales Contract (Attachment No. 2)

APPRaisal VALUE: $3,900,000 – Appraised November 21, 2017. Appraised Value is the total for both the UABEF Parcel and the two UAB Parcels.
Appraisal (Attachment No. 3)

LICENSED APPRAISER: CB Richard Ellis
One Chase Corporate Center
Birmingham, Alabama 35244
Daniel A. Lincoln, MAI
State Certified General Real Property Appraiser (G01129)

PURCHASER(s): Daniel Realty Company, LLC

JUSTIFICATION FOR DISPOSAL OF PROPERTY: UAB has owned the UAB Parcels for more than 30 years and has most recently used the property for its Landscaping/Grounds group. Over the last five years, with the development of Railroad Park and Regions Field, the Parkside District has evolved from a historically industrial area into a vibrant residential, retail, office, and entertainment destination. Recent residential developments to include 20 Midtown Apartments, LiV at Parkside, The Venue and the Flats on 4th added more than 650 new residential units to the area. The 20 Midtown development, which included Publix Supermarket has been a great stimulus for new retail uses. Phase II of the 20 Midtown project is projected to begin in 2018 with over 38,000 square feet of new retail and 243 apartment units. Hilton opened a dual branded hotel recently to include a total of 210 new hotel rooms. The former Merita Bread property was transformed into a new office development and two additional nearby...
buildings have been acquired and are projected to be redeveloped for office use.

As a result of recent redevelopment activity, property values have risen significantly. This activity provides an excellent opportunity to sell the Parcels and realize value appreciation. Proceeds from the disposition of the Parcels could be utilized for the strategic acquisition of properties currently located within the approved Campus Formation Map, eliminating the need for an equivalent amount of new bond funding. The Parcels are located one block beyond the northern boundary (4th Avenue South) of UAB’s Campus Formation Map, which was updated and approved by the Board of Trustees in 2016. The Parcels are not programmed for a future UAB use. Plans are underway to relocate UAB’s Landscaping/Grounds group to another location on campus.

The proposed purchaser, Daniel Realty is an experienced local developer with a diverse portfolio of office, multifamily, hospitality, medical and retail properties. Daniel’s offer price was consistent with appraised value and its desire to develop a high end, mixed-use project on the site will complement UAB’s campus as well as the Parkside District.

AGREEMENT FOR PURCHASE AND SALE
UAB – AGREEMENT FOR PURCHASE AND SALE

THIS AGREEMENT FOR PURCHASE AND SALE (this "Agreement") is by and between THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ALABAMA ON BEHALF OF THE UNIVERSITY OF ALABAMA AT BIRMINGHAM, a public constitutional corporation of the State of Alabama ("Seller"), and DANIEL REALTY COMPANY, LLC, an Alabama limited liability company or its assignee, as hereafter provided ("Buyer"). The effective date of this Agreement, for purposes of calculating any time periods set forth in this Agreement, shall be deemed to be the last date upon which this Agreement has been fully executed by both parties, as set forth on the signature pages hereto (the "Effective Date").

WHEREAS, Seller desires to sell, transfer and convey to Buyer and Buyer desires to buy and receive from Seller on the terms and conditions set forth herein, the Property hereafter described.

NOW, THEREFORE, for and in consideration of Ten Dollars ($10.00) cash in hand paid, the premises contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

ARTICLE I; PURCHASE AND SALE OF PROPERTY.

1.1 Property. Seller hereby agrees to sell, transfer, assign and convey to Buyer, and Buyer hereby agrees to purchase, accept and receive from Seller at Closing, (i) approximately 35,000 square feet of land located at 1401 3rd Place North, Birmingham, Jefferson County, Alabama, and (ii) approximately 4,560 square feet of land located at 306 15th Street South, Birmingham, Jefferson County, Alabama, each as more particularly described or depicted on Exhibit "A" attached hereto (collectively, the "Real Property"), together with all of Seller's rights, privileges and easements, if any, to any and all improvements, appurtenances, benefiting, belonging or pertaining to the Real Property, and in and to any land lying in the bed of any street, road or highway in front of or adjoining said Real Property, together with any strips or gores relating to said Real Property (the Real Property and the easements and interests described above being hereinafter referred to collectively as the "Property").

ARTICLE II; PURCHASE PRICE.

2.1 Purchase Price. The purchase price for the Property shall be Two Million Seven Hundred Fifty-Five Thousand Seventy-One and 43/100 Dollars ($2,755,071.43) ("Purchase Price"). The Purchase Price, after credits, deductions and set offs, if any, shall be payable in cash at Closing by wire transfer or other immediately available funds.

2.2 Earnest Money.

(a) Within three (3) Business Days of the Effective Date, Buyer shall deliver an earnest money deposit in the amount of Twenty-Five Thousand and No/100 Dollars ($25,000.00) (the "Initial Earnest Money"), to Land Title Company of Alabama, Inc., 600 20th Street North, Suite 100, Birmingham, Alabama 35203, Attn: Cindy Lambert (sometimes referred to herein as "Escrow Agent"). A "Business Day" is defined as any day other than a Saturday, Sunday or legal holiday under the laws of the State of Alabama or as recognized by
the University of Alabama at Birmingham. If the final date of any period which is set out in any provision of this Agreement falls on a Saturday, Sunday or legal holiday under the laws of the State of Alabama or as recognized by the University of Alabama at Birmingham, then in such event, the time of such period shall be extended to the next day which is not a Saturday, Sunday or legal holiday.

(b) **Additional Earnest Money.** If the Buyer provides to Seller notice of its desire to seek an Extended Closing Date (as defined herein) in accordance with the requirements of **Section 6.1**, the Buyer will, no later than five (5) Business Days following the provision of the Buyer’s notice to extend the Closing Date, deposit with the Escrow Agent (as defined herein) the additional sum of Fifty Thousand and No/100 Dollars ($50,000.00) (the “**Additional Earnest Money**”). The “Initial Earnest Money,” and if applicable, any “Additional Earnest Money,” are collectively referred to herein as the “Earnest Money”.

(c) The Earnest Money shall be held by Escrow Agent pursuant to the terms of an escrow agreement, the form of which is attached hereto as **Exhibit "B"** (the "**Escrow Agreement**"). Escrow Agent shall retain possession of the Earnest Money until delivery or return thereof is permitted or required under this Agreement. The Earnest Money will be applied against the Purchase Price upon Closing or otherwise disbursed as provided in this Agreement.

**ARTICLE III; DUE DILIGENCE PERIOD**

3.1 **Buyer’s Investigations.**

(a) Commencing on the date Seller has advised Buyer in writing that it has obtained approval of this Agreement by its Board of Trustees (as provided in **Section 5.2** hereof) and for a period of one hundred twenty (120) days thereafter (the "**Due Diligence Period**"), Buyer may elect to perform or have performed, solely at its expense, such studies and investigations of the Property as Buyer deems desirable, including, without limitation: (a) the physical condition of the Property; (b) surveys, environmental studies; and (c) such other matters relating to the Property as Buyer deems appropriate. Seller hereby grants to Buyer, and its representatives, agents, and employees, upon written notice to Seller and in coordination with Seller, access to the Property at all times to permit Buyer access for the purposes permitted hereunder. Access and all studies and investigations and any inspections related thereto shall be conducted so as not to interfere with the use of the Property by Seller or its tenants or any other agreement affecting the Property. Buyer shall promptly restore any damage to the Property caused by Buyer’s access, studies and investigations of the Property, in order to return the Property to substantially its prior condition prior to such access, studies and investigations. Buyer shall indemnify, hold harmless, and, upon Seller’s request, defend Seller from and against any and all costs (including reasonable attorneys’ fees and costs), damages and liabilities, claims, causes of action, or threats thereof, incurred by or asserted against Seller as a result of studies or investigations conducted by or on behalf of Buyer, or as a result of the access to the Property by Buyer or its agents, employees, or contractors, including, without limitation, claims for personal injury, property damage, and services rendered or materials furnished to or for the account of Buyer.
(b) Buyer shall also have the right to apply for any zoning or conditional use approvals, zoning variances, site permits, tax abatement and/or other economic development incentives available to the Property, and any other approvals that might be necessary for Buyer's development of the Property and the property more particularly described in the Related Contract (as hereafter defined) (collectively, the "Approvals"). Seller shall cooperate, where reasonably necessary, with Buyer during Buyer's pursuit of the Approvals. Buyer shall pay all expenses related to Buyer's pursuit of the Approvals.

3.2 **Termination Right.** If, on or prior to the expiration of the Due Diligence Period, Buyer determines that the Property is not acceptable for any reason, or for no reason, as determined by Buyer in its sole and absolute discretion, then Buyer shall have the option to terminate this Agreement by written notice to Seller and to the Escrow Agent (the "Termination Notice"), given on or before the expiration of the Due Diligence Period, in which event, the Earnest Money will be returned to Buyer promptly on such termination, and Seller and Buyer will be relieved of all further liability hereunder, except for those matters specified herein as surviving termination or Closing. If upon the expiration of the Due Diligence Period, Buyer has not provided written notice to Seller of Buyer's election to terminate this Agreement, the Earnest Money shall be nonrefundable to Buyer; provided, however, the Earnest Money shall be refunded to Buyer as otherwise expressly provided herein upon a Seller default or failure of any of the Buyer's Conditions Precedent as set forth in Section 5.1(a) hereof.

3.3 **Insurance.** During the term of this Agreement, Buyer shall maintain commercial general liability insurance with limits of at least $1,000,000 for bodily and personal injury, death and property damage in a combined single limit and $2,000,000 in the aggregate, naming Seller as an additional insured. Buyer also agrees that any contractor or consultant entering upon the Property at the request of Buyer for the purpose of conducting any environmental assessment of the Property shall maintain professional liability coverage (including pollution coverage) of no less than $1,000,000 per occurrence and such policy or policies shall name Seller as an additional insured.

ARTICLE IV; TITLE AND SURVEY

4.1 **Title and Survey.** During the Due Diligence Period, Buyer shall obtain from Land Title Company of Alabama, Inc., 600 20th Street North, Suite 100, Birmingham, Alabama 35203, Attn: Cindy Lambert (the "Title Company"), a commitment (the "Title Commitment") to issue an owner's title policy covering the Property and a survey of the Property which shall be certified to Buyer and to Buyer's lender, which shall in sufficient in form and substance to enable the Title Company to remove its standard survey exception (the "Survey"), and otherwise acceptable to Buyer and Buyer's lender in all respects. Buyer shall have the right to object, in its sole and absolute discretion, to any exceptions to the Title Commitment or to any matter shown on the Survey, by giving written notice to Seller and the Title Company no later than the expiration of the Due Diligence Period, stating the matters to which Buyer objects and the reasons therefor, time being strictly the essence thereto (the "Title Objection Notice"). If Buyer fails timely to provide such Title Objection Notice, then Buyer shall be deemed to have approved all matters affecting title to the Property and the Survey as of the date of the Title Commitment or the Survey, as applicable (the "Permitted Exceptions"). If Buyer so objects to any matter affecting title or the Survey, then Seller shall, within ten (10) Business Days after receipt of such
Title Objection Notice, elect in writing, in its sole and absolute discretion, either to (a) endeavor (without any obligation to do so) to cure or remove any one (1) or more of such objections, or (b) to notify Buyer that it will not cure such objections. Notwithstanding the foregoing or any other provision of this Agreement, Seller shall be required to satisfy, at Seller’s expense, all requirements set forth in Schedule B-I of the Title Commitment (i.e., other than those requirements which are required to be satisfied by Buyer), and Seller shall remove at Seller’s expense (i) the liens of all mortgages affecting the Property and all delinquent real estate taxes, if any, (ii) all construction liens, broker liens, or judgment liens affecting the Property, (iii) all other encumbrances affecting the Property that are susceptible to discharge by the payment of money in an amount that is fixed or readily ascertainable, (iv) all delinquent real estate taxes, if any, and (v) all encumbrances which Seller shall have voluntarily placed or permitted to be placed of record between the Effective Date and the date of Closing, unless the same has been approved by Buyer (the "Required Title Cures"). Except for the Required Title Cures, in the event Seller fails or refuses to cure or remedy the items giving rise to Buyer’s objections to the Title Commitment and the Survey within five (5) Business Days prior to Closing, Buyer may, at its election in writing on or before Closing, either (i) terminate this Agreement, in which event the Earnest Money shall be immediately refunded to Buyer, and Seller and Buyer shall have no further obligations hereunder, except for those obligations which are expressly stated to survive termination or (ii) waive the objections to the Title Commitment and the Survey and close the transaction contemplated by this Agreement.

4.2 Title Objections. If Seller elects to endeavor to cure or remove any title objection or Survey matter, Seller shall have a reasonable time determined by Seller from time to time, not to exceed thirty (30) days, to endeavor to cure or remove such title objection or Survey matter, which cure period shall extend the Closing Date. For purposes of this Agreement, the term "cure" shall include, without limitation, either of the following actions taken by Seller at Seller’s sole cost and expense: (a) "bonding off" an objection or posting a letter of credit in connection therewith; or (b) obtaining an appropriate endorsement to Buyer’s title policy and/or Title Commitment for the Property that reasonably protects Buyer from an objection. Seller shall have no liability to Buyer for any defects in or objections to title or the Survey or for failure to cure or remove any such defects or objections, except as set forth in the following sentences. Buyer’s sole remedies with respect to any defect or objection that is not a Required Title Cure shall be the termination of this Agreement pursuant to this Section, whereupon Buyer shall receive a return of the Earnest Money along with any accrued interest. Buyer’s sole remedies with respect to any defect or objection that is a Required Title Cure shall be the termination of this Agreement pursuant to this Section, whereupon Buyer shall receive a return of the Earnest Money along with any accrued interest.

ARTICLE V; CONDITIONS PRECEDENT.

5.1 Favoring Buyer. In addition to any other conditions precedent in favor of Buyer as may be expressly set forth elsewhere in this Agreement, Buyer’s obligations under this Agreement are subject to the timely fulfillment of the conditions set forth in this Section 5.1 on or before the Closing Date, or such earlier date as is set forth below. Each condition may be waived in whole or in part only, by written notice of such waiver from Buyer to Seller.
(a) Seller performing and complying in all material respects with all of the terms of this Agreement to be performed and complied with by Seller prior to or at the Closing.

(b) On the Closing Date, all of the representations and warranties of Seller set forth in Section 9.1 hereof shall be true, accurate and complete in all material respects.

(c) At Closing, the Title Company shall issue to Buyer a "marked" Commitment or proforma owners title policy committing the Title Company to issue an ALTA FORM 2006 Owner's Policy of Title Insurance ("Title Policy") insuring Buyer's fee simple title to the Property for the sum equal to the Purchase Price subject only to the Permitted Exceptions and any other exceptions approved in writing by Buyer.

(d) There is no material adverse change in the physical condition of the Property from the end of the Due Diligence Period through the Closing Date.

(e) Buyer shall have obtained all Approvals needed for Buyer's intended development of the Property.

(f) Contemporaneously with the Closing, Buyer shall have acquired fee simple title to those certain parcels of real property specified in that certain Agreement of Purchase and Sale dated of even date herewith between Buyer and The UAB Educational Foundation (the "Related Contract"), it being agreed and understood that Buyer would not be willing purchase the Property without also purchasing the property that is more particularly described in the Related Contract in accordance with the terms and conditions of the Related Contract.

5.2 Favoring Seller. In addition to any other conditions precedent in favor of Seller as may be expressly set forth elsewhere in this Agreement, Seller's obligations under this Agreement are subject to the timely fulfillment of the conditions set forth in this Section 5.2 on or before the Closing Date, or such earlier date as is set forth below. Each condition may be waived in whole or in part only, by written notice of such waiver from Seller to Buyer.

(a) Seller obtaining acceptance of and approval by the Board of Trustees of the University of Alabama on behalf of the University of Alabama at Birmingham, or the board of a related entity (collectively the "Board"), at the first regularly scheduled meeting of the Board presently set in September 2018, subject to the schedule for submitting items to the Board agenda. If this Agreement is not accepted, conditionally accepted, or not approved or not considered by the Board at this meeting, Seller may terminate this Agreement by giving written notice to Buyer (the "Seller's Termination Notice"). Upon delivery of the Seller's Termination Notice, the Earnest Money shall be returned to Buyer and this Agreement shall be null and void and of no further force or effect with Buyer and Seller having no further rights, obligations or liabilities hereunder, except as otherwise specified herein. However, if the Agreement is not accepted, conditionally accepted or not approved or not considered by the Board, the parties may, by mutual consent, continue with negotiations to alleviate any concerns or issues concerning the Agreement. The Board's approval of this Agreement shall not be deemed a waiver of any other term and condition of this Agreement.
(b) Buyer performing and complying in all material respects with all of the terms of this Agreement to be performed and complied with by Buyer prior to or at the Closing, including payment of the Purchase Price.

(c) On the Closing Date, all of the representations and warranties of Buyer set forth in Section 9.1 hereof shall be true, accurate and complete in all material respects.

ARTICLE VI: CLOSING AND POSSESSION DATES

6.1 Closing Date. The purchase and sale contemplated hereby and by the Related Contract (which must be closed contemporaneously) (the "Closing") shall be closed within ninety (90) days after the end of the Due Diligence Period (the "Closing Date"); however, that Buyer shall have the right, its sole discretion, upon written notice to the Seller, to extend the Closing Date for an additional sixty (60) days (for a total of one hundred and fifty (150) days after the end of the Due Diligence Period) (the "Extended Closing Date") solely for the purpose of finalizing its Approvals.

6.2 Seller's Instruments. On the Closing Date, Seller shall deliver or cause the following to be delivered to the Escrow Agent for the benefit of Buyer (which shall be acknowledged where required) with respect to its ownership interest in the Property:

(a) A Statutory Warranty Deed (the "Deed") substantially in the form attached as Exhibit "C" hereto conveying to Buyer the Property;

(b) Such resolutions, certificates of existence or good standing, incumbency certificates and other evidence of authority with respect to Seller if and to the extent reasonably required by the Escrow Agent and any other customary documentation (in a form reasonably acceptable to Seller) required by the Escrow Agent to permit issuance to Buyer of an owner's title insurance policy, including a Seller's/Owner's Affidavit to the Escrow Agent to issue its owner's basic title insurance policy and delete the standard exceptions and insure the "gap" period;

(c) An affidavit in the form prescribed by Treasury Regulation 1.1445-2 stating Seller's taxpayer identification number, and confirming that Seller is not a foreign person within the purview of 26 U.S.C. Section 1445 and the regulations issued thereunder;

(d) A Closing Statement evidencing all adjustments and prorations to the Purchase Price;

(e) An Affidavit in the form provided by the Alabama Department of Revenue that Seller is exempt from withholding under said Ala. Code § 40-18-86 (1975); however, if Seller does not qualify for exemption thereunder, then the Affidavit of Seller's Gain (Form NR-AF2) as required under Ala. Code § 40-18-86 (1975), together with both the Withholding on Sales or Transfers of Real Property and Associated Tangible Personal Property by Nonresidents (Form WNR) and the Payment Voucher (Form WNR-V) if required under said Ala. Code § 40-18-86 (1975);
(f) A Real Estate Sales Validation form as required under Ala. Code § 40-22-1;

and

(g) Such other reasonable and customary documents as are necessary to effect the Closing.

6.3 **Buyer’s Instruments.** On the Closing Date, Buyer shall deliver the following to Seller:

(a) Payment of the Purchase Price as required by Section 2 of this Agreement;

(b) Such limited liability company resolutions, certificates of good standing, incumbency certificates and other evidence of authority as appropriate with respect to Buyer as may be reasonably requested by the Escrow Agent and any other customary documentation (in a form reasonably acceptable to Buyer) required by Escrow Agent to permit issuance to Buyer of an owner’s title insurance;

(c) A Closing Statement evidencing all adjustments and prorations to the Purchase Price; and

(d) Such other reasonable and customary documents as are necessary to effect the Closing.

6.4 **Possession.** Seller will tender possession of the Property to Buyer on the Closing Date.

**ARTICLE VII; SALES EXPENSES**

7.1 **Seller’s Expenses.** Seller’s expenses shall include Seller’s attorneys’ fees and one half (1/2) of the expense of the closing attorney (the “Closing Attorney”).

7.2 **Buyer’s Expenses.** Buyer’s expenses shall include Buyer’s attorney’s fees, all fees and costs associated with the due diligence investigations performed by Buyer, the cost of the owner’s title insurance policy, all costs to record any mortgage or other financing costs, and any endorsements to the owner’s or mortgagee’s title policy, the cost of the Survey, costs or expenses for the transfer tax and other similar tax and recording fees incurred due to the conveyance of the Property and recording of the Deed, and one half (1/2) of the expense of the Closing Attorney.

7.3 **Prorations.** Prorations to the Closing Date shall include: all current taxes and assessments, charges for solid waste removal and sewage, utilities, assessments for maintenance, and other charges attributable to use of the Property. The basis for proration of taxes shall be the last known actual taxes payable. However, if such taxes are not based on a full assessment of the present Property improvements, the portion shall be based on the current tax rate and the assessed value as shown on the assessor’s record at the time of settlement. Purchaser and Seller agree to adjust the tax proration post-Closing once the final tax bill for the tax year of Closing has been received. All past due taxes, rollback taxes, and special assessments certified as a lien
on the Property as of the Closing Date shall be paid by the Seller. Seller shall remain obligated to pay all ad valorem taxes arising out of the use of the Property, attributable to periods of time prior to Closing that may be imposed on the Property which may arise due to a lapse of any agricultural exemption or otherwise.

7.4 **Survival.** The obligations set forth in this Article VII shall survive Closing.

**ARTICLE VIII; RISK OF LOSS**

8.1 **Risk of Loss by Condemnation.** In the event at any time prior to Closing, any portion of the Property is taken or is threatened to be taken by eminent domain or similar taking, then Buyer shall have the option, in its sole discretion, of (a) terminating this Agreement, in which event the Escrow Agent shall refund to Buyer the Earnest Money and all accrued interest earned thereon, and neither party shall have any further rights or obligations hereunder, or (b) purchasing the Property, in which event Seller shall assign to Buyer all rights and remedies it may have with regard to the such condemnation proceeding, including, without limitation, the proceeds of such condemnation, whether received or anticipated to be received.

**ARTICLE IX; REPRESENTATIONS, WARRANTIES, AND COVENANTS**

9.1 **Seller's Representations and Warranties.** Seller hereby represents, warrants, and covenants that at the Closing Date, all of the following will be true in all material respects:

(a) **Title.** Seller has good and marketable title to the Property to be conveyed hereunder, subject to the Permitted Exceptions, easements and other matters of record on the date of execution of this Agreement.

(b) **Authorization.** Subject to the provisions of Section 5.2, Seller has full power and authority to execute and deliver this Agreement and perform all of its obligations under this Agreement. All consents, authorizations and approvals which may be required in order for Seller to enter into this Agreement or consummate the transactions contemplated hereby have been obtained. The person executing this Agreement on behalf of Seller has been duly authorized and empowered to bind Seller to this Agreement.

(c) **No Conflict with or Breach of Other Agreements.** Neither the execution and delivery of this Agreement, nor the incurrence of the obligations herein set forth, nor the consummation of the transactions provided for herein, nor compliance with the terms of this Agreement, conflict with or result in a breach of any of the terms, conditions, or provisions of, or constitute a default under, any bond, note, or other evidence of indebtedness, or any indenture, mortgage, deed of trust, loan agreement, lease, or other material agreement or instrument to which Seller is a party or by which the Property may be bound, provided that this representation shall not apply to any agreement, rights or governmental permits or authorizations which are not assignable by Seller (whether by their terms, at law or otherwise) without consent of a third party or as to which the failure to obtain same would not have a material adverse effect on the operation or value of the Property.
(d) **Not a Foreign Person.** Seller is not (A) a "foreign person," as such term is defined in Section 1445(f)(3) of the Internal Revenue Code of 1954, as amended, or (B) a "disregarded entity" as such term is defined in Section 1.1445-2(b)(2)(iii) of the Code of Federal Regulations.

(e) **No Condemnation.** There are no condemnation or eminent domain proceedings pending or, to the actual knowledge of Seller, threatened against any portion of the Property.

(f) **Possession.** Seller has not granted to any party any license, lease, or other right relating to the use or possession of the Property or any part thereof, other than the Leases described on the Rent Roll.

(g) **Notices.** Seller has not received any written notice from any public authority or any governmental authority or regulatory agency concerning the existence of any violation of any ordinance, public regulation or statute of any municipal, state or federal government or agency with respect to the Property. If Seller shall receive any such written notice it will promptly provide a copy of it to Buyer.

(h) **Litigation.** There is no action, suit or proceeding by or before any court, governmental instrumentality or agency now pending or, to Seller’s knowledge, threatened against or affecting Seller, or any of the assets to be sold by Seller to Buyer hereunder which might materially or adversely affect the operation of the Property or otherwise impair any of the real or personal property being purchased herein.

(i) **Environmental Matters.** Seller has received no written notification from any governmental agency that the Property is in violation or alleged violation of any applicable Environmental Laws (as hereafter defined). As used in this Agreement, "Environmental Laws" shall mean any local, state, or Federal law, rule, or regulation pertaining to environmental regulation, contamination, clean-up or disclosure, including, without limitation, the Comprehensive Environmental Response Compensation and Liability Act of 1980, the Superfund Amendments and Reauthorization Act of 1986, the Resource Conservation and Recovery Act, the Toxic Substances Control Act, the Federal Insecticide, Fungicide and Rodenticide Act, as amended.

9.2 **Survival of Seller’s Representations.** The representations and warranties set forth in Section 9.1 of this Agreement shall survive the Closing and the delivery of the Deed for a period of twelve (12) months from the Closing Date. If Seller obtains knowledge during the term of this Agreement of any matters that render any of its representations or warranties under Section 9.1 of this Agreement to be untrue, Seller shall promptly disclose such matters to Buyer in writing. If Buyer obtains knowledge during the term of this Agreement of any matters that render any of Seller’s representations or warranties under to be untrue, Buyer shall promptly disclose such matters to Seller in writing.

9.3 **Buyer’s Representations and Warranties.** Buyer represents and warrants as follows;
(a) **Good Standing.** Buyer is a limited liability company organized, validly existing and in good standing under the laws of the State of Alabama. Buyer now has, and at Closing Buyer will have the requisite power and authority to enter into and perform the terms of this Agreement. Buyer now has, and at Closing Buyer will have, all power and authority to conduct its business being conducted and to own and lease all of the properties owned and leased by it including the Property.

(b) **Due Authorization.** The execution and delivery of this Agreement by Buyer and the consummation of the transaction contemplated hereby have been duly authorized by all necessary parties, and no other proceedings on the part of Buyer are or at Closing will be necessary in order to permit it to consummate the transaction contemplated hereby. This Agreement has been duly executed and delivered by Buyer and is a legal, valid and binding obligation of Buyer enforceable against Buyer in accordance with its terms.

(c) **Anti-Terrorism.** Buyer is not and shall not become a person or entity with whom Seller is restricted from doing business under regulations of the U.S. Office of Foreign Asset Control of the U.S. Department of the Treasury, including but not limited to, Executive Order No. 13224 dated September 24, 2001 Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism or under other governmental action. This Subparagraph 9.3(c) shall survive the Closing without any limitation of time.

9.4 **Continuation of Buyer’s Representations and Warranties.** The representations and warranties of Buyer contained in Section 9.3 of this Agreement shall be deemed remade on and as of Closing and shall survive for a period of twelve (12) months after the Closing.

**ARTICLE X; ADDITIONAL TERMS.**

10.1 **Broker.** Buyer represents and warrants to the Seller that Buyer has entered into any agreement which might result in the obligation to pay any brokerage commission, finder’s fee or other similar compensation with respect to the transaction contemplated hereby. However, Seller shall pay its broker, J.H. Berry & Gilbert (the “**Seller’s Broker**”), at Closing per that separate agreement between Seller and Seller’s Broker. Seller and Buyer shall indemnify each other and hold each other harmless from and against any losses, liabilities, damages, costs and expenses (including attorney’s fees) incurred by the other by reason of any breach or inaccuracy of the representation and warranty contained in this paragraph. The provisions of this paragraph shall survive the Closing, or if the Closing does not occur, the termination of this Agreement.

10.2 **Default; Remedies.** If Buyer shall default in the performance of any part of this Agreement and such default is not cured within ten (10) days of written notice by Seller to Buyer, Seller may elect to waive such default or Seller may elect to terminate this Agreement by written notice to Buyer. In the event this Agreement is terminated by Seller, the Earnest Money shall be forfeited as Seller’s entire liquidated damages and Buyer shall have no other responsibility or liability of any kind to Seller by virtue of such default. In the event Closing fails to occur due to Seller’s default in its performance obligations under this Agreement prior to or on the Closing Date, or Seller’s failure to comply with any obligation imposed on it herewith
for any reason, or the representations and warranties of Seller set forth in this Agreement shall not be true and correct in any material respect as and when made in accordance with their respective terms, Buyer may, as its sole and exclusive remedy, either (i) enforce specific performance hereof and seek such other relief as may be provided by law or equity or (ii) terminate this Agreement and receive all of the Earnest Money held by the Escrow Agent plus all accrued interest earned thereon, thereby releasing Seller and Buyer from this Agreement.

10.3 Notices. Any and all notices, elections or demands permitted or required to be made under this Agreement shall be made in writing, signed by the party giving such notice, election or demand, and shall be delivered to the other party at the address set forth below or at such other address as may be supplied in writing by one of the following methods: (a) personal, in hand delivery to the named recipient; (b) registered or certified mail, return receipt requested; (c) overnight courier; or (d) by electronic mail transmission directly to the named recipient followed immediately thereafter by a copy mailed by U.S. Mail. The date of delivery or the date of mailing, as the case may be, shall be the effective date of giving of such notice, election or demand.

The address of the Seller is:

Burr & Forman LLP
420 20th Street North, Suite 3400
Birmingham, AL 35203
or such other address as any party hereto may give the other pursuant to the provision hereof.

10.4 **Market Withdrawal.** From and after the Effective Date and solely during the term of this Agreement, Seller agrees it will not solicit or accept other offers or enter into any other negotiations or contracts to sell the Property.

10.5 **Entire Agreement.** This Agreement constitutes the entire agreement between the parties with respect to subject matter hereof and supersedes all prior agreements and understandings of the parties in connection herewith. No covenant, warranty, representation, condition or undertaking not expressed herein, or in any certificate, instrument or documents delivered pursuant hereto, shall affect or be effective to interpret, change or restrict this Agreement. No modifications, waiver, discharge, cancellation or other agreement shall affect the terms hereof unless in writing and signed by the parties hereto.

10.6 **Non-waiver.** Failure on the part of either party to insist upon strict compliance by the other with any of the terms, covenants or conditions hereof shall not be deemed a waiver of such terms, conditions and covenants, unless otherwise provided herein.

10.7 **Binding Effect.** This Agreement shall be binding upon and shall inure to the benefit of the parties hereto, their respective heirs, executors, administrators, legal representatives, successors, transferees and assigns.

10.8 **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Alabama.

10.9 **Assignment.** Buyer shall be permitted to assign its rights under this Agreement without the Seller’s prior written consent to a special purpose entity formed for the purpose of owning the Property or to any other party. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto, and their respective permitted successors and assigns.

10.10 **Effective Date.** This Agreement will be considered effective on the date last signed by Buyer or Seller.

10.11 **Construction.** This Agreement shall not be interpreted or construed more strictly against one party or the other merely by virtue of the fact that it was drafted by counsel to Seller or Buyer; it being hereby acknowledged and agreed that Seller and Buyer have both contributed materially and substantially to the negotiations and drafting of this Agreement.

10.12 **Counterparts.** This Agreement may contain more than one counterpart of the signature page and this Agreement may be executed by the affixing of the signatures of each party to one of such counterpart signature pages; all of such counterpart signature pages shall be read as though one, and they shall have the same force and effect as though all of the signers had signed a single signature page.

10.13 **Severability.** In the event that any condition or covenant herein contained is held to be invalid or void by any court of competent jurisdiction, the same shall be deemed severable.
from the remainder of this Agreement and shall in no way affect any other covenant or conditions herein contained. If such condition, covenant or other provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

10.14 Dispute Resolution. Notwithstanding anything herein to the contrary, in the event of any dispute arising out of or relating to this Agreement, or to a breach thereof, including its interpretation, performance or termination, the Parties shall try to settle such conflicts amicably between themselves. In the event the Parties are still unable to resolve the dispute or conflict by negotiation, the dispute or conflict may then be submitted by a Party to a mediator, mutually agreed to by the Parties, for nonbinding mediation in Birmingham, Alabama. The Parties shall split the cost of the mediator and cooperate with the mediator in an effort to resolve such dispute. Buyer acknowledges that the Seller is a division of The Board of Trustees of The University of Alabama, is a public constitutional corporation of the State of Alabama, and as a state agency, cannot waive immunity conferred by Ala. Const., Article 1 § 14. Buyer agrees that the exclusive forum for asserting any legal or equitable claims against Seller regarding this Agreement shall be solely vested in the Alabama State Board of Adjustment.

10.15 DISCLAIMER - REAL PROPERTY PURCHASED “AS-IS”. EXCEPT FOR THE SELLER’S REPRESENTATIONS CONTAINED IN THE DEED AND THOSE SELLER REPRESENTATIONS THAT SURVIVE THE CLOSING AS SET OUT HEREIN, BUYER ACKNOWLEDGES AND AGREES THAT SELLER HAS NOT MADE, DOES NOT MAKE AND SPECIFICALLY NEGATES AND DISCLAIMS ANY REPRESENTATIONS, WARRANTIES, PROMISES, COVENANTS, AGREEMENTS OR GUARANTEES OF ANY KIND OR CHARACTER WHATSOEVER, WHETHER EXPRESS OR IMPLIED, ORAL OR WRITTEN, PAST, PRESENT OR FUTURE, OF, AS TO, CONCERNING OR WITH RESPECT TO (A) THE VALUE, NATURE, QUALITY OR CONDITION OF THE PROPERTY, INCLUDING WITHOUT LIMITATION, THE WATER, SOIL AND GEOLOGY, (B) THE INCOME TO BE DERIVED FROM THE PROPERTY, (C) THE SUITABILITY OF THE PROPERTY FOR ANY AND ALL ACTIVITIES AND USES WHICH BUYER MAY CONDUCT THEREON, (D) THE COMPLIANCE OF OR BY THE PROPERTY OR ITS OPERATION WITH ANY LAWS, RULES, ORDINANCES OR REGULATIONS OF ANY APPLICABLE GOVERNMENTAL AUTHORITY OR BODY, (E) THE HABITABILITY, MERCHANTABILITY, MARKETABILITY, PROFITABILITY OR FITNESS FOR A PARTICULAR PURPOSE OF THE PROPERTY, (F) THE MANNER OR QUALITY OF THE CONSTRUCTION OR MATERIALS, IF ANY, INCORPORATED INTO THE PROPERTY, (G) THE MANNER, QUALITY, STATE OF REPAIR OR LACK OF REPAIR OF THE PROPERTY, OR (H) ANY OTHER MATTER WITH RESPECT TO THE PROPERTY, AND SPECIFICALLY, THAT SELLER HAS NOT MADE, DOES NOT MAKE AND SPECIFICALLY DISCLAIMS ANY REPRESENTATIONS REGARDING COMPLIANCE WITH ANY ENVIRONMENTAL PROTECTION, HAZARDOUS MATERIALS, POLLUTION OR LAND USE, ZONING OR DEVELOPMENT OF REGIONAL IMPACT LAWS, RULES, REGULATIONS, ORDERS OR REQUIREMENTS, INCLUDING THE EXISTENCE IN OR ON THE PROPERTY OF HAZARDOUS MATERIALS. BUYER FURTHER ACKNOWLEDGES AND AGREES THAT HAVING BEEN GIVEN THE OPPORTUNITY TO INSPECT THE PROPERTY, BUYER IS RELYING SOLELY ON ITS OWN INVESTIGATION OF THE PROPERTY AND NOT ON ANY INFORMATION.
PROVIDED OR TO BE PROVIDED BY SELLER OR ITS AGENTS AND AT THE CLOSING AGREES TO ACCEPT THE PROPERTY AND WAIVE ALL OBJECTIONS OR CLAIMS AGAINST SELLER (INCLUDING, BUT NOT LIMITED TO, ANY RIGHT OR CLAIM OF CONTRIBUTION) ARISING FROM OR RELATED TO THE PROPERTY OR TO ANY HAZARDOUS MATERIALS ON THE PROPERTY. BUYER FURTHER ACKNOWLEDGES AND AGREES THAT ANY INFORMATION PROVIDED OR TO BE PROVIDED WITH RESPECT TO THE PROPERTY WAS OBTAINED FROM A VARIETY OF SOURCES AND THAT SELLER HAS NOT MADE ANY INDEPENDENT INVESTIGATION OR VERIFICATION OF SUCH INFORMATION AND MAKES NO REPRESENTATIONS AS TO THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION. BUYER FURTHER ACKNOWLEDGES AND AGREES THAT TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE SALE OF THE PROPERTY AS PROVIDED FOR HEREIN IS MADE ON AN "AS IS", "WHERE IS" CONDITION AND BASIS WITH ALL FAULTS. THE PROVISIONS OF THIS SECTION 10.15 SHALL SURVIVE THE CLOSING.
IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized representatives on the date and year set forth below.

ESCROW AGREEMENT

THIS ESCROW AGREEMENT is executed this ______ day of ________, 2018, among LAND TITLE COMPANY OF ALABAMA, INC. (the "Escrow Agent"), THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ALABAMA ON BEHALF OF THE UNIVERSITY OF ALABAMA AT BIRMINGHAM (the "Seller"), and DANIEL REALTY COMPANY, LLC (the "Buyer").

Recitals

A. Seller and Buyer have entered an Agreement for Purchase and Sale Agreement dated __________, 2018, a copy of which is attached hereto as Exhibit A (the "Agreement").

B. Under the terms of the Agreement, the Escrow Agent is to hold the Earnest Money (as defined therein), subject to the terms of this Escrow Agreement.

C. Unless otherwise defined herein, capitalized terms used in this Escrow Agreement shall have the meanings assigned to them in the Agreement.

Agreement

NOW, THEREFORE, in consideration of the Recitals, the parties agree as follows:

(1) The Escrow Agent acknowledges receipt of the wire for the Earnest Money.

(2) The Earnest Money shall be deposited by the Escrow Agent in an insured account held at __________ and the proceeds held and disbursed in accordance with the terms of the Agreement. Upon Closing, the Escrow Agent shall deliver the Earnest Money to Seller. In all other cases, if either party makes a demand upon Escrow Agent for delivery of the Earnest Money, Escrow Agent shall give notice to the other party of such demand. If a notice of objection to the proposed payment is not received from the other party within seven (7) Business Days after the giving of notice by Escrow Agent, time being of the essence, Escrow Agent is hereby authorized to deliver the Earnest Money to the party who made the demand. If Escrow Agent receives a notice of objection within said period, or if for any reason Escrow Agent in good faith elects not to deliver the Earnest Money, then Escrow Agent shall continue to hold the Earnest Money, and thereafter pay it to the party entitled when Escrow Agent receives (i) a notice from the objecting party withdrawing the objection, (ii) a notice signed by both parties directing disposition of the Earnest Money, or (iii) a judgment or order of a court of competent jurisdiction.

(3) In the event of any dispute or doubt as to the genuineness of any document or signature, or uncertainty as to Escrow Agent’s duties, then Escrow Agent shall have the right either to continue to hold the Earnest Money in escrow or to pay the Earnest Money into court pursuant to relevant statute.
(4) The Buyer agrees to defend (by attorneys selected by Escrow Agent), indemnify and hold harmless Escrow Agent against and from any claim, judgment, loss, liability, cost or expense resulting from any dispute or litigation arising out of or concerning Escrow Agent's duties or services hereunder, unless due as a result of the negligence or willful misconduct of Escrow Agent. This indemnity includes, without limitation, disbursements and reasonable attorneys' fees either paid to retain attorneys or representing the fair value of legal services rendered by Escrow Agent to itself. The Seller, jointly with Buyer, agrees to be responsible for any claim, judgment, loss, liability, cost or expense resulting from any dispute or litigation arising out of or concerning Escrow Agent's duties or services hereunder, unless due as a result of the negligence or willful misconduct of Escrow Agent. This responsibility requirement does not include the payment of attorneys' fees.

(5) Escrow Agent shall not be liable for any error in judgment or for any act done or step taken or omitted in good faith, or for any mistake of fact or law, except for Escrow Agent's own gross negligence or willful misconduct.

(6) The parties acknowledge that Escrow Agent is merely a stakeholder. Upon payment of the Earnest Money pursuant to Paragraph 2 hereof, Escrow Agent shall be fully released from all liability and obligations with respect to the Earnest Money.

(7) Escrow Agent shall serve without compensation.

(8) The signing of this Escrow Agreement by Escrow Agent is only to evidence Escrow Agent's acceptance of the terms and conditions of Paragraph 3 of the Agreement.

[Signature Pages to Follow]
IN WITNESS WHEREOF, the undersigned have executed this Escrow Agreement as of the date first set forth above.

RE: Appraisal of 3rd Avenue South Properties
306 15th Street South, 308 15th Street S & 1401 3rd Avenue S
Birmingham, Jefferson County, Alabama
CBRE, Inc. File No. 17-341AT-3797-1

Dear Mr. Jaquess:

At your request and authorization, CBRE, Inc. has prepared an appraisal of the market value of the referenced property. Our analysis is presented in the following Appraisal Report.

The subject is a 1.28-acre (55,757 sq. ft.) tract of vacant land located along the south margin of 3rd Avenue S between 14th and 15th Street S. The site is currently utilized as a storage and staging area for the University of Alabama at Birmingham’s landscape maintenance department. Although partially improved with a 4,800 square feet Quonset style building, the current configuration is considered an interim use and a potential developer would not attribute any value to the current improvements.

Based on the analysis contained in the following report, the market value of the subject is concluded as follows:

<table>
<thead>
<tr>
<th>MARKET VALUE CONCLUSION</th>
</tr>
</thead>
<tbody>
<tr>
<td>Appraisal Premise</td>
</tr>
<tr>
<td>As Is</td>
</tr>
</tbody>
</table>

Compiled by CBRE

The report, in its entirety, including all assumptions and limiting conditions, is an integral part of, and inseparable from, this letter.

The following appraisal sets forth the most pertinent data gathered, the techniques employed, and the reasoning leading to the opinion of value. The analyses, opinions and conclusions were developed based on, and this report has been prepared in conformance with, the guidelines and recommendations set forth in the Uniform Standards of Professional Appraisal Practice (USPAP), the requirements of the Code of Professional Ethics and Standards of Professional Appraisal
Practice of the Appraisal Institute. It also conforms to Title XI Regulations and the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA) updated in 1994 and further updated by the Interagency Appraisal and Evaluation Guidelines promulgated in 2010. The intended use and user of our report are specifically identified in our report as agreed upon in our contract for services and/or reliance language found in the report. No other use or user of the report is permitted by any other party for any other purpose. Dissemination of this report by any party to non-client, non-intended users does not extend reliance to any other party and CBRE will not be responsible for unauthorized use of the report, its conclusions or contents used partially or in its entirety.

It has been a pleasure to assist you in this assignment. If you have any questions concerning the analysis, or if CBRE can be of further service, please contact us.

Respectfully submitted,

Compiled by CBRE

STRENGTHS, WEAKNESSES, OPPORTUNITIES AND THREATS (SWOT)

Strengths/Opportunities
- The subject has good frontage and access from three roadways
- The subject is located directly across 3rd Avenue S from Regions Field, a major entertainment venue within the CBD.
- Excellent access to Interstate 65.
- Proximity to the CBD as well as Children’s Hospital and UAB

Weaknesses/Threats
- None noted
EXTRAORDINARY ASSUMPTIONS
An extraordinary assumption is defined as “an assumption directly related to a specific assignment, as of the effective date of the assignment results, which if found to be false, could alter the appraiser’s opinions or conclusions.” ¹

- None noted

HYPOTHETICAL CONDITIONS
A hypothetical condition is defined as “a condition, directly related to a specific assignment, which is contrary to what is known by the appraiser to exist on the effective date of the assignment results, but is used for the purposes of analysis.” ²

- None noted

Introduction

OWNERSHIP AND PROPERTY HISTORY
Title to the property is currently vested in the names of the University of Alabama – Birmingham (parcels 22-00-36-3-037-005.000 and 22-00-36-3-037-003.000) and the UAB Medical Education Foundation (Parcel 22-00-36-3-037-002.000). The University of Alabama – Birmingham acquired title to parcel .005 on July 1, 1990 for $36,500 and parcel .003 on February 1, 1990 for $275,000. The UAB Medical Education Foundation acquired title to the remaining parcel on June 1, 1985 for $340,000 for a combined purchase price of $651,500.

To the best of our knowledge, there has been no ownership transfer of the property during the previous three years.

INTENDED USE OF REPORT
This appraisal is to be used for internal decision making, and no other use is permitted.

INTENDED USER OF REPORT
This appraisal is to be used by University of Alabama Birmingham, and no other user may rely on our report unless as specifically indicated in the report.

Intended Users - the intended user is the person (or entity) who the appraiser intends will use the results of the appraisal. The client may provide the appraiser with information about other potential users of the appraisal, but the appraiser ultimately determines who the appropriate users are given the appraisal problem to be solved. Identifying the intended users is necessary so that the appraiser can report the opinions and conclusions developed in the appraisal in a manner that is clear and understandable to the intended users. Parties who receive or might receive a copy of the appraisal are not necessarily intended users. The appraiser’s responsibility is to the intended users identified in the report, not to all readers of the appraisal report. ³

PURPOSE OF THE APPRAISAL
The purpose of this appraisal is to estimate the market value of the subject property.

DEFINITION OF VALUE
The current economic definition of market value agreed upon by agencies that regulate federal financial institutions in the U.S. (and used herein) is as follows:

The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeable, and assuming the price is not affected by undue stimulus. Implicit in this

³ Appraisal Institute, The Appraisal of Real Estate, 14th ed. (Chicago: Appraisal Institute, 2013), 50.
definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

1. buyer and seller are typically motivated;
2. both parties are well informed or well advised, and acting in what they consider their own best interests;
3. a reasonable time is allowed for exposure in the open market;
4. payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and
5. the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.  

**INTEREST APPRAISED**

The value estimated represents a Fee Simple Estate Interest and defined as follows:

*Fee Simple Estate* - Absolute ownership unencumbered by any other interest or estate, subject only to the limitations imposed by the governmental powers of taxation, eminent domain, police power and escheat.  

**SCOPE OF WORK**

This Appraisal Report is intended to comply with the reporting requirements set forth under Standards Rule 2 of USPAP. The scope of the assignment relates to the extent and manner in which research is conducted, data is gathered and analysis is applied. CBRE, Inc. completed the following steps for this assignment:

**Extent to Which the Property is Identified**

The property is identified through the following sources:

- postal address
- assessor’s records
- legal description

**Extent to Which the Property is Inspected**

CBRE, Inc. inspected both the subject site, as well as its surrounding environs on the effective date of appraisal.

---

4 Interagency Appraisal and Evaluation Guidelines; December 10, 2010, Federal Register, Volume 75 Number 237, Page 77472.

5 Dictionary of Real Estate Appraisal, 78.
Type and Extent of the Data Researched

CBRE reviewed the following:

- applicable tax data
- zoning requirements
- flood zone status
- demographics
- comparable data

Type and Extent of Analysis Applied

CBRE, Inc. analyzed the data gathered through the use of appropriate and accepted appraisal methodology to arrive at a probable value indication via each applicable approach to value. The steps required to complete each approach are discussed in the methodology section.

Source: Moody’s Economy.com
RECENT PERFORMANCE
Birmingham-Hoover is on firmer ground than it was at the start of 2017, but it remains a below-average performer. The economy is benefiting from steady gains in services and a turn up in goods industries, led by construction. Recent gains bring job growth and the unemployment rate nearer to those nationally. Job creation is not only stronger but also more broad-based with the share of private industries adding workers rising to a multidecade high. One exception is healthcare, which has given back about half of last year’s job gains. Also, wages have been slow to increase, holding back stronger income growth and the housing market. House price appreciation is steady and exceeds the U.S. average, but single-family residential building has slipped this year.

BIRMINGHAM GOES PRO
Birmingham’s service industries are on the move, and the outlook is especially bright for professional/business services. Birmingham is the leading source for industry employment in the state, boasting almost one-third of Alabama’s jobs in professional, scientific and technical services and more than half of its headquarters jobs. The latter positions make up a smaller share of jobs but are important since workers in this group earn 90% more, on average, than those in other nonfarm industries.

   Financial services are also poised for stronger growth. Lower unemployment will boost demand for financial products, and higher interest rates will bolster returns for banks and insurers. Birmingham is Alabama’s financial hub, with financial activities playing a larger role than they do nationally. Republican lawmakers’ policy agenda of more relaxed capital and lending standards has been cheered by financial institutions, but legislation has been slow to materialize.

THE MAGIC CITY
An improving state economy and aggressive urban renewal policies will help fuel solid job growth in leisure/hospitality. The industry is putting on a strong showing, accounting for two-thirds of the net new jobs in the last three months. The 15% annualized rise in payrolls from March to June was the strongest for any three-month period since 2011. Leisure/hospitality is proving much more resilient than retail, which is suffering from e-commerce competition and a lack of pricing power. To increase its appeal to tourists and boost arts, entertainment and recreation, the city is looking to improve transportation infrastructure and livability while reducing blight. In the past year, it has razed more than 800 abandoned homes and absorbed 10,000 properties into its land bank.

HEALTHCARE HOLDUP
The failure of the healthcare repeal effort in Congress and the governor’s abandonment of major Medicaid reforms will give medical providers more confidence to hire. The industry cut workers last quarter in response to proposed changes to Medicaid and reduced federal subsidies that
would have lowered citizens' ability to pay for services. The status quo still presents risks, however. The state legislature and governor are still looking for reforms to control Medicaid costs, and Birmingham's providers are also dealing with the reality that there is only one insurer on the state's healthcare exchange. If Blue Cross withdraws from parts of the state served by Birmingham's firms, it will reduce coverage rates and demand for health services.

CONCLUSION

Bigger gains in professional/business and financial services and leisure/hospitality will help Birmingham-Hoover, but the economy will remain a below-average near-term performer. In the long run, growth will trail the U.S. average because of slow population growth and an undereducated workforce that will hinder Birmingham's ability to expand its core of higher-value-added services.
Neighborhood Analysis

LOCATION
The subject is in the City of Birmingham and is considered an urban location. The City of Birmingham is situated in southern Jefferson County, and the subject is centrally located within the Birmingham Central Business District due south of the recently developed Regions Field.

BOUNDARIES
The subject neighborhood is not differentiated or exact, and we have identified the neighborhood as the area within an approximate five-mile radius from the subject property.

LAND USE
The University of Alabama at Birmingham (UAB) is located south of the subject in the southwest portion of the CBD. The campus has approximately 18,500 students, including approximately 15,000 full-time students. In addition, Samford University, which is located approximately three miles south of the subject property, has approximately 4,571 students.
The neighborhood is completely built out with few remaining parcels of undeveloped land. Land uses immediately surrounding the subject include industrial warehouse/distribution facilities, loft style offices and residences as well as traditional multi-tenant office buildings, hotels, and some limited retail.

GROWTH PATTERNS

Perhaps more than any other Alabama city, Birmingham's downtown is being transformed through a combination of office, residential, park and entertainment districts. The City Center Master Plan lays the foundation for planning and economic development initiatives and incentives by the public sector to encourage private sector development and urban vitality and is a formally adopted ordinance of the City Council. The Master Plan allowed proposals that complement those portions of the City Center already under development. These "initiative areas" include the UAB campus, the Loft District, the HOPE VI urban neighborhood, the Birmingham-Jefferson Convention Center, and the downtown core. This allows a concentration of resources for development that should then spur in-fill projects, in effect "connecting the dots" to create a whole, vibrant City Center. The Civil Rights district, for example, is envisioned as supporting residential and mid-rise, multi-use developments concentrated around Kelly Ingram Park, the Birmingham Civil Rights District and the 16th Street Baptist Church, in what is a historically residential area.

An important piece in the Master Plan is the development of a Railroad Reservation Park running from 14th Street to Sloss Furnaces. The City-owned, 14-acre parcel between 14th Street and 18th Street is a major component of the linear park, allowing it to become the focus of a district that includes the blocks west of 19th Street on both the north and south sides of the adjoining park. The concept is to make the Railroad Corridor a "seam" rather than a barrier between downtown and the Southside. Residential buildings, UAB, and UAB-related facilities, and restaurants and other services would predominate south of the Railroad Reservation Park, and a
Theater District and mix of technology, business, and other businesses would characterize the north side of the Railroad Reservation.

Streets are important elements in the Master Plan as well. The elevated portion of I-59/20, between the Elton Stephens Expressway and I-65 junctions that separates the BJCC from the rest of the City Center has been identified as a weakness by many community stakeholders. However, that stretch of roadway will need to be reconstructed in a few years due to its age, which provides an opportunity. Traffic engineers have suggested channeling the highway beneath the interchanges and surfacing with service roads on either side. This arrangement would dampen traffic noise and allow a series of wide streets connecting the BJCC with downtown cultural district. In fact, the portion of the highway between 19th Street and Richard Arrington Blvd could be covered to allow the construction of a plaza. Traffic engineers also recommend reducing the number of one-way streets to make the City Center easier for visitors to navigate, more pedestrian-friendly and shops and restaurants more accessible. However, many of these suggestions pose cost-feasibility issues, so the likely outcome is the improvement of existing interstate roadways throughout the downtown area.

Several new development/redevelopment projects have recently been completed or are currently under construction in the Birmingham CBD. On the north side of the CBD, the redevelopment of the Pizitz Building is nearing completion along with the Thomas Jefferson Tower and Empire Hotel, a Marriott Autograph Collection property. On the south side of the CBD near the subject, The Venue, a luxury apartment complex, was completed in early 2016 along with Liv Parkside in 2015. 20 Midtown, a mixed-use development, first phase is complete with a Publix grocery store and 81 apartments above. Construction is on-going for a dual-branded Hilton hotel development in the Parkside area.

ACCESS

Interstates 65 and 20/59 provide primary access to the subject neighborhood. Interstate 65 is located one half mile to the west and provides access to the northern suburbs of Birmingham (Gardendale, Fultondale, etc.) to the north and Hoover and the southern suburbs to the south. Interstate 20/59 is located approximately one mile to the north and provides access to Tuscaloosa to the southwest and the airport and Interstate 20 to the east. US Highways 31/280, 11, and 78 provides secondary access to the neighborhood.
DEMOGRAPHICS

CONCLUSION

Birmingham's recovery will remain subdued if its public-sector struggles. However, growing demand for private services, the recovery of the housing market, and rising production of manufactured goods will sustain the recovery. The outlook for the neighborhood is for continued growth over the next several years, as redevelopment of existing uses continues.

With respect to the subject property we believe the site is well located and afforded good visibility and access from roadway frontage. The site is conveniently located with respect to employment centers and major roadways. Overall, there are no known factors which are considered to prevent the developable portion of the site from development to its highest and best use.

Source: Various sources compiled by CBRE
INGRESS/EGRESS
The subject site is situated along the south side of 3rd Avenue South directly between its intersection with both 14th and 15th Street S., in the southern portion of the Birmingham Central Business District. Therefore, there is access and frontage along all three roadways. 3rd Avenue South is improved with three eastern one-way lanes and street lighting. 14th and 15th Street South is improved with one lane in each direction.

The components of the site are all rectangular in shape and each exhibits level topography, at street grade. No part of the site is within a FEMA designated flood plain.

ENVIRONMENTAL ISSUES
CBRE, Inc. is not qualified to detect the existence of potentially hazardous material or underground storage tanks which may be present on or near the site. The existence of hazardous materials or underground storage tanks may affect the value of the property. For this appraisal, CBRE, Inc. has specifically assumed that the property is not affected by any hazardous materials that may be present on or near the property.

CONCLUSION
The site is well located within the city limits of Birmingham in the heart of the Central Business District. The size of the site is typical for the neighborhood, and there are no known detrimental uses in the immediate vicinity. Overall, there are no known factors which would prevent the site from development to its highest and best use, as if vacant, or adverse to the existing use of the site.
Flood Hazard Zones

- Blue: 1% Annual Chance Flood Hazard

ANALYSIS AND CONCLUSION

The improvements represent a legally conforming use. Additional information may be obtained from the appropriate governmental authority. For purposes of this appraisal, CBRE has assumed the information obtained is correct.
Tax Assessment Data

The following summarizes the local assessor’s estimate of the subject’s market value, assessed value, and taxes, and does not include any furniture, fixtures or equipment. The CBRE estimated tax obligation is also shown.

Source: Assessor’s Office

The subject’s current assessment is lower than our market value estimate, but appears reasonable based on a review of the tax values of surrounding properties in the immediate vicinity. According to a representative of the Jefferson County Tax Assessor, tax values typically lag market value and there are no back taxes. If the subject sold for the value estimate in this report, a reassessment at that value could, but would most likely not, occur.

According to a representative of the Jefferson County Tax Assessor, all taxes are current.
Highest and Best Use

In appraisal practice, the concept of highest and best use represents the premise upon which value is based. The four criteria the highest and best use must meet are:

- legally permissible;
- physically possible;
- financially feasible; and
- maximally productive.

The highest and best use analysis of the subject is discussed below.

AS VACANT

The property is zoned for commercial use and is of sufficient size to accommodate various types of development. The immediate area includes various older light industrial uses along with new multi-family and retail/office uses. Considering the surrounding land uses, location attributes, legal restrictions and other factors, it is our opinion that mixed-use development would be reasonable and appropriate. Therefore, it is our opinion that the highest and best use would be for a mixed-use development, time and circumstances warranting.
Appraisal Methodology

In appraisal practice, an approach to value is included or omitted based on its applicability to the property type being valued and the quality and quantity of information available.

COST APPROACH
The cost approach is based on the proposition that the informed purchaser would pay no more for the subject than the cost to produce a substitute property with equivalent utility. This approach is particularly applicable when the property being appraised involves relatively new improvements that represent the highest and best use of the land, or when it is improved with relatively unique or specialized improvements for which there exist few sales or leases of comparable properties.

SALES COMPARISON APPROACH
The sales comparison approach utilizes sales of comparable properties, adjusted for differences, to indicate a value for the subject. Valuation is typically accomplished using physical units of comparison such as price per square foot, price per unit, price per floor, etc., or economic units of comparison such as gross rent multiplier. Adjustments are applied to the physical units of comparison derived from the comparable sale. The unit of comparison chosen for the subject is then used to yield a total value. Economic units of comparison are not adjusted, but rather analyzed as to relevant differences, with the final estimate derived based on the general comparisons.

INCOME CAPITALIZATION APPROACH
The income capitalization approach reflects the subject’s income-producing capabilities. This approach is based on the assumption that value is created by the expectation of benefits to be derived in the future. Specifically estimated is the amount an investor would be willing to pay to receive an income stream plus reversion value from a property over a period of time. The two common valuation techniques associated with the income capitalization approach are direct capitalization and the discounted cash flow (DCF) analysis.

METHODODOLOGY APPLICABLE TO THE SUBJECT
In valuing the subject, only the sales comparison approach is applicable and has been used. The Income and Cost Approaches are not applicable because the subject’s improvements do not contribute to value, as they have reached the end of their useful lives and do not represent the highest and best use of the property.
Land Value

The following map and table summarize the comparable data used in the valuation of the subject site. A detailed description of each transaction is included in the addenda.

Compiled by CBRE
DISCUSSION/ANALYSIS OF LAND SALES

Land Sale One
This comparable represents the sale of a .32-acre site at the corner of 18th Street South and 2nd Avenue South. This site is generally level and rectangular in shape. The parcel is currently improved with a warehouse that has been completely stripped to its columns (including the removal of all windows, flooring, etc.) and does not contribute to value. The site has been listed for over five years and sold in May 2017 for $1,100,000, or $78.57 per square foot. The site is across the street from the newly developed dual Hilton-branded hotels.

The downward adjustment for size reflects this comparable's superior feature with respect to economies of scale regarding parcel size. Overall, this comparable was deemed superior in comparison to the subject and a downward net adjustment was warranted to the sales price indicator.

Land Sale Two
This comparable represents the sale of a 1.29-acre site along 1st Avenue South in Birmingham, Jefferson County, Alabama, across from Railroad Park and Liv Parkside, a mixed-use apartment/retail development. The site is currently improved with various warehouse/industrial uses, which do not contribute to value. While the proposed development has not been announced, the property was purchased by the same entity that developed Liv Parkside, so a mixed-use, mid-rise apartment complex could be expected. The property was purchased in November 2016 for $3,700,000, or approximately $66.07 per square foot.

Due to its highly similar features, no net or absolute adjustments were required for this comparable when compared to the subject property.

Land Sale Three
This comparable reflects the sale of an entire city block within Birmingham, AL's Parkside district. The 2.73-acre block is bound by 2nd Ave S, 17th Street, 3rd Ave S, and 18th Street. The site was used as a parking lot for the nearby medical district at the time of purchase. The property was purchased for $6.25 million dollars in September of 2015 or $52.54 per square foot. The parking lot was purchased from an adjacent hospital and will be developed into a dual branded Hilton Hotel. The site sits in heart of the Parkside district, an emerging mixed use urban corridor in a historically industrial neighborhood.

The upward market conditions (time) adjustment reflects the improved market conditions since the date of sale. The upward adjustment for size reflects this comparable's inferior feature with respect to economies of scale regarding parcel size. Overall, this comparable was deemed inferior in comparison to the subject and an upward net adjustment was warranted to the sales price indicator.
Land Sale Four

This comparable represents the purchase of a 7,000-square foot lot improved with a two-story free-standing office building located in the Birmingham, Alabama Central Business District. The property is situated along the south side of 3rd Avenue South between 18th Street South and 19th Street South. The improvements consist of 1,500 square feet of first floor office space, 3,400 square feet of first floor warehouse space, and 4,900 square feet of open second floor space. Per the buyer, he plans to demolish the building and use the site to develop a parking lot. The property is under contract for $425,000 or approximately $60.71 per square foot of land area ($43.37 per square foot of building area). The demolition cost has been estimated at $15,000, therefore, the total adjusted sale price is $440,000 or approximately $62.86 per square foot. The property was previously under contract to a different buyer at the same price but that contract fell through. There is a vacant lot adjacent to the west that the buyer plans to lease and develop with additional surface parking spaces. The buildings on the adjacent lots to the east are currently being demolished and redeveloped with parking lots by a separate owner. These are separate transactions but show the current demand for parking in the area and support the conclusion that the purchase represents a land value with no contributory value to the improvements.

The upward market conditions (time) adjustment reflects the improved market conditions since the date of sale. The downward adjustment for size reflects this comparable's superior feature with respect to economies of scale regarding parcel size. In terms of corner, this comparable was judged inferior due to its interior location and received an upward adjustment for this characteristic. Overall, this comparable was deemed inferior in comparison to the subject and an upward net adjustment was warranted to the sales price indicator.

Land Sale Five

This comparable represents the sale of a 1.63-acre parcel intended for the development of The Venue at the Ballpark Apartments in the Birmingham CBD adjacent to Regions Field. The developer, Inland (REIT), purchased the site for the 236-unit multifamily project. The site sold in May 2014 for $3,100,000, or approximately $13,136 per unit.

The upward market conditions (time) adjustment reflects the improved market conditions since the date of sale. The upward adjustment for highest & best use was considered reasonable due to its inferior intended use. Overall, this comparable was deemed inferior in comparison to the subject and an upward net adjustment was warranted to the sales price indicator.

Land Sale Six

This comparable represents the sale of a 1.28-acre parcel of land located in the Birmingham, Alabama Central Business District. The property is situated along the south side of 1st Avenue South, the west side of 17th Street South and the east side of 18th Street South. The site has a rectangular shape with 400 feet of frontage along 1st Avenue South and 140 feet of frontage along both 17th Street South and 18th Street South. The property is directly across the street from Railroad Park and is one block from the Birmingham Barons baseball stadium. The site is level
and at street grade. At the time of the sale the property was improved with two small storage buildings that did not have any contributory value. The property was purchased in February 2014 for $2,500,000 or approximately $44.64 per square foot. The property was purchased for the development of a 228-unit apartment complex known as LIV Parkside.

The upward market conditions (time) adjustment reflects the improved market conditions since the date of sale. The upward adjustment for highest & best use was considered reasonable due to its inferior intended use. Overall, this comparable was deemed inferior in comparison to the subject and an upward net adjustment was warranted to the sales price indicator.

**SUMMARY OF ADJUSTMENTS**

Based on our comparative analysis, the following chart summarizes the adjustments warranted to each comparable.

Compiled by CBRE
CONCLUSION

Based on the preceding analysis, Comparables 1, 2 and 3 were the most representative of the subject site, and warranted greatest consideration because of its similar intended use and location. In conclusion, a price per square foot indication towards the middle of the range was most appropriate for the subject. The following table presents the valuation conclusion:

Reconciliation of Value

In valuing the subject, only the Sales Approach is applicable. The Income and Cost Approaches are not applicable because the subject’s improvements do not contribute to value, as they have reached the end of their useful lives and do not represent the highest and best use of the property.

Based on the foregoing, the market value of the subject has been concluded as follows:

<table>

Assumptions and Limiting Conditions

1. Unless otherwise specifically noted in the body of the report, it is assumed that title to the property or properties appraised is clear and marketable and that there are no recorded or unrecorded matters or exceptions to title that would adversely affect marketability or value. CBRE, Inc. is not aware of any title defects nor has it been advised of any unless such is specifically noted in the report. CBRE, Inc., however, has not examined title and makes no representations relative to the condition thereof. Documents dealing with liens, encumberances, easements, deed restrictions, clouds and other conditions that may affect the quality of title have not been reviewed. Insurance against financial loss resulting in claims that may arise out of defects in the subject’s title should be sought from a qualified title company that issues or insures title to real property.

2. Unless otherwise specifically noted in the body of this report, it is assumed: that the existing improvements on the property or properties being appraised are structurally sound, seismically safe and code conforming; that all building systems (mechanical/electrical, HVAC, elevator, plumbing, etc.) are in good working order with no major deferred maintenance or repair required; that the roof and exterior are in good condition and free from intrusion by the elements; that the property or properties have been engineered in such a manner that the improvements, as currently constituted, conform to all applicable local, state, and federal building codes and ordinances. CBRE, Inc. professionals are not engineers and are not competent to judge matters of an engineering nature. CBRE, Inc. has not retained independent structural, mechanical, electrical, or civil engineers in connection with this appraisal and, therefore, makes no representations relative to the condition of improvements. Unless otherwise specifically noted in the body of the report: no problems were brought to the attention of CBRE, Inc. by ownership or management; CBRE, Inc. inspected less than 100% of the entire interior and exterior portions of the improvements; and CBRE, Inc. was not furnished any engineering studies by the owners or by the party requesting this appraisal. If questions in these areas are critical to the decision process of the reader, the advice of competent engineering consultants should be obtained and relied upon. It is specifically assumed that any knowledgeable and prudent purchaser would, as a precondition to closing a sale, obtain a satisfactory engineering report relative to the structural integrity of the property and the integrity of building systems. Structural problems and/or building system problems may not be visually detectable. If engineering consultants retained should report negative factors of a material nature, or if such are later discovered, relative to the condition of improvements, such information could have a substantial negative impact on the conclusions reported in this appraisal. Accordingly, if negative findings are reported by engineering consultants, CBRE, Inc. reserves the right to amend the appraisal conclusions reported herein.

3. Unless otherwise stated in this report, the existence of hazardous material, which may or may not be present on the property was not observed by the appraisers. CBRE, Inc. has no knowledge of the existence of such materials on or in the property. CBRE, Inc., however, is not qualified to detect such substances. The presence of substances such as asbestos, urea formaldehyde foam insulation, contaminated groundwater or other potentially hazardous materials may affect the value of the property. The value estimate is predicated on the assumption that there is no such material on or in the property that would cause a loss in value. No responsibility is assumed for any such conditions, or for any expertise or engineering knowledge required to discover them. The client is urged to retain an expert in this field, if desired.

We have inspected, as thoroughly as possible by observation, the land; however, it was impossible to personally inspect conditions beneath the soil. Therefore, no representation is made as to these matters unless specifically considered in the appraisal.

4. All furnishings, equipment and business operations, except as specifically stated and typically considered as part of real property, have been disregarded with only real property being considered in the report unless otherwise stated. Any existing or proposed improvements, on or off-site, as well as any alterations or repairs considered, are assumed to be completed in a workmanlike manner according to standard practices based upon the information submitted to CBRE, Inc. This report may be subject to amendment upon re-inspection of the subject subsequent to repairs, modifications, alterations and completed new construction. Any estimate of Market Value is as of the date indicated; based upon the information, conditions and projected levels of operation.

5. It is assumed that all factual data furnished by the client, property owner, owner's representative, or persons designated by the client or owner to supply said data are accurate and correct unless otherwise specifically noted in the appraisal report. Unless otherwise specifically noted in the appraisal report, CBRE, Inc. has no reason to believe that any of the data furnished contain any material error. Information and data referred to in this paragraph include, without being limited to, numerical street addresses, lot and block numbers, Assessor's Parcel Numbers, land dimensions, square footage area of the land, dimensions of the improvements, gross building areas, net rentable areas, usable areas, unit count, room count, rent schedules, income data, historical operating expenses, budgets, and related data. Any material error in any of the above data could have a substantial impact.
on the conclusions reported. Thus, CBRE, Inc. reserves the right to amend conclusions reported if made aware of any such error. Accordingly, the client-addresssee should carefully review all assumptions, data, relevant calculations, and conclusions within 30 days after the date of delivery of this report and should immediately notify CBRE, Inc. of any questions or errors.

6. The date of value to which any of the conclusions and opinions expressed in this report apply, is set forth in the Letter of Transmittal. Further, that the dollar amount of any value opinion herein rendered is based upon the purchasing power of the American Dollar on that date. This appraisal is based on market conditions existing as of the date of this appraisal. Under the terms of the engagement, we will have no obligation to revise this report to reflect events or conditions which occur subsequent to the date of the appraisal. However, CBRE, Inc. will be available to discuss the necessity for revision resulting from changes in economic or market factors affecting the subject.

7. CBRE, Inc. assumes no private deed restrictions, limiting the use of the subject in any way.

8. Unless otherwise noted in the body of the report, it is assumed that there are no mineral deposit or subsurface rights of value involved in this appraisal, whether they be gas, liquid, or solid. Nor are the rights associated with extraction or exploration of such elements considered unless otherwise stated in this appraisal report. Unless otherwise stated it is also assumed that there are no air or development rights of value that may be transferred.

9. CBRE, Inc. is not aware of any contemplated public initiatives, governmental development controls, or rent controls that would significantly affect the value of the subject.

10. The estimate of Market Value, which may be defined within the body of this report, is subject to change with market fluctuations over time. Market value is highly related to exposure, time promotion effort, terms, motivation, and conclusions surrounding the offering. The value estimate(s) consider the productivity and relative attractiveness of the property, both physically and economically, on the open market.

11. Any cash flows included in the analysis are forecasts of estimated future operating characteristics are predicated on the information and assumptions contained within the report. Any projections of income, expenses and economic conditions utilized in this report are not predictions of the future. Rather, they are estimates of current market expectations of future income and expenses. The achievement of the financial projections will be affected by fluctuating economic conditions and is dependent upon other future occurrences that cannot be assured. Actual results may vary from the projections considered herein. CBRE, Inc. does not warrant these forecasts will occur. Projections may be affected by circumstances beyond the current realm of knowledge or control of CBRE, Inc.

12. Unless specifically set forth in the body of the report, nothing contained herein shall be construed to represent any direct or indirect recommendation of CBRE, Inc. to buy, sell, or hold the properties at the value stated. Such decisions involve substantial investment strategy questions and must be specifically addressed in consultation form.

13. Also, unless otherwise noted in the body of this report, it is assumed that no changes in the present zoning ordinances or regulations governing use, density, or shape are being considered. The property is appraised assuming that all required licenses, certificates of occupancy, consent, or other legislative or administrative authority from any local, state, or national government or private entity or organization have been or can be obtained or renewed for any use on which the value estimates contained in this report is based, unless otherwise stated.

14. This study may not be duplicated in whole or in part without the specific written consent of CBRE, Inc. nor may this report or copies hereof be transmitted to third parties without said consent, which consent CBRE, Inc. reserves the right to deny. Exempt from this restriction is duplication for the internal use of the client-addresssee and/or transmission to attorneys, accountants, or advisors of the client-addresssee. Also exempt from this restriction is transmission of the report to any court, governmental authority, or regulatory agency having jurisdiction over the party/parties for whom this appraisal was prepared, provided that this report and/or its contents shall not be published, in whole or in part, in any public document without the express written consent of CBRE, Inc. which consent CBRE, Inc. reserves the right to deny. Finally, this report shall not be advertised to the public or otherwise used to induce a third party to purchase the property or to make a “sale” or “offer for sale” at any “security”, as such terms are defined and used in the Securities Act of 1933, as amended. Any third party, not covered by the exemptions herein, who may possess this report, is advised that they should rely on their own independently secured advice for any decision in connection with this property. CBRE, Inc. shall have no accountability or responsibility to any such third party.

15. Any value estimate provided in the report applies to the entire property, and any pro ration or division of the title into fractional interests will invalidate the value estimate, unless such pro ration or division of interests has been set forth in the report.
16. The distribution of the total valuation in this report between land and improvements applies only under the existing program of utilization. Component values for land and/or buildings are not intended to be used in conjunction with any other property or appraisal and are invalid if so used.

17. The maps, plats, sketches, graphs, photographs and exhibits included in this report are for illustration purposes only and are to be utilized only to assist in visualizing matters discussed within this report. Except as specifically stated, data relative to size or area of the subject and comparable properties has been obtained from sources deemed accurate and reliable. None of the exhibits are to be removed, reproduced, or used apart from this report.

18. No opinion is intended to be expressed on matters which may require legal expertise or specialized investigation or knowledge beyond that customarily employed by real estate appraisers. Values and opinions expressed presume that environmental and other governmental restrictions/conditions by applicable agencies have been met, including but not limited to seismic hazards, flight patterns, decibel levels/noise envelopes, fire hazards, hillside ordinances, density, allowable uses, building codes, permits, licenses, etc. No survey, engineering study or architectural analysis has been made known to CBRE, Inc. unless otherwise stated within the body of this report. If the Consultant has not been supplied with a termite inspection, survey or occupancy permit, no responsibility or representation is assumed or made for any costs associated with obtaining same or for any deficiencies discovered before or after they are obtained. No representation or warranty is made concerning obtaining these items. CBRE, Inc. assumes no responsibility for any costs or consequences arising due to the need, or the lack of need, for flood hazard insurance. An agent for the Federal Flood Insurance Program should be contacted to determine the actual need for Flood Hazard Insurance.

19. Acceptance and/or use of this report constitutes full acceptance of the Contingent and Limiting Conditions and special assumptions set forth in this report. It is the responsibility of the Client, or client's designee, to read in full, comprehend and thus become aware of the aforementioned contingencies and limiting conditions. Neither the Appraiser nor CBRE, Inc. assumes responsibility for any situation arising out of the Client's failure to become familiar with and understand the same. The Client is advised to retain experts in areas that fall outside the scope of the real estate appraisal/consulting profession if so desired.

20. CBRE, Inc. assumes that the subject analyzed herein will be under prudent and competent management and ownership; neither inefficient or super-efficient.

21. It is assumed that there is full compliance with all applicable federal, state, and local environmental regulations and laws unless noncompliance is stated, defined and considered in the appraisal report.

22. No survey of the boundaries of the property was undertaken. All areas and dimensions furnished are presumed to be correct. It is further assumed that no encroachments to the realty exist.

23. The Americans with Disabilities Act (ADA) became effective January 26, 1992. Notwithstanding any discussion of possible readily achievable barrier removal construction items in this report, CBRE, Inc. has not made a specific compliance survey and analysis of this property to determine whether it is in conformance with the various detailed requirements of the ADA. It is possible that a compliance survey of the property together with a detailed analysis of the requirements of the ADA could reveal that the property is not in compliance with one or more of the requirements of the ADA. If so, this fact could have a negative effect on the value estimated herein. Since CBRE, Inc. has no specific information relating to this issue, nor is CBRE, Inc. qualified to make such an assessment, the effect of any possible non-compliance with the requirements of the ADA was not considered in estimating the value of the subject.

24. Client shall not indemnify Appraiser or hold Appraiser harmless unless and only to the extent that the Client misrepresents, distorts, or provides incomplete or inaccurate appraisal results to others, which acts of the Client approximately result in damage to Appraiser. Notwithstanding the foregoing, Appraiser shall have no obligation under this Section with respect to any loss that is caused solely by the active negligence or willful misconduct of a Client and is not contributed to by any act or omission (including any failure to perform any duty imposed by law) by Appraiser. Client shall indemnify and hold Appraiser harmless from any claims, expenses, judgments or other items or costs arising as a result of the Client's failure or the failure of any of the Client's agents to provide a complete copy of the appraisal report to any third party. In the event of any litigation between the parties, the prevailing party to such litigation shall be entitled to recover, from the other, reasonable attorney fees and costs.

603 CBRE
This comparable represents the sale of a 1.29-acre site along 1st Avenue South in Birmingham, Jefferson County, Alabama, across from Railroad Park and Liv Parkside, a mixed-use apartment/retail development. The site is currently improved with various warehouse/industrial uses, which do not contribute to value. While the proposed development has not been announced, the property was purchased by the same entity that developed Liv Parkside, so a mixed-use, mid-rise apartment complex could be expected. The property was purchased in November 2016 for $3,700,000, or approximately $66.07 per square foot.

**Map & Comments**

This comparable reflects the sale of an entire city block within Birmingham, AL's Parkside district. The 2.73 acre block is bounded by 2nd Ave S, 17th Street, 3rd Ave S, and 18th Street. The site was used as a parking lot for the nearby medical district at the time of purchase. The property was purchased for $6.25 million dollars in September of 2015 or $52.54 per square foot. The parking lot was purchased from an adjacent hospital and will be developed into a dual branded Hilton Hotel. The site sits in heart of the Parkside district, an emerging mixed use urban corridor in a historically industrial neighborhood.

### Map & Comments

This comparable represents the purchase of a 7,000 square foot lot improved with a two-story free-standing office building located in the Birmingham, Alabama Central Business District. The property is situated along the south side of 3rd Avenue South between 18th Street South and 19th Street South. The improvements consist of 1,500 square feet of first floor office space, 3,400 square feet of first floor warehouse space, and 4,900 square feet of open second floor space. According to the buyer, he plans to demolish the building and use the site to develop a parking lot. The property is under contract for $425,000 or approximately $60.71 per square foot of land area ($43.37 per square foot of building area). The demolition cost has been estimated at $15,000, therefore, the total adjusted sale price is $440,000 or approximately $62.86 per square foot. The property was previously under contract to a different buyer at the same price but that contract fell through. There is a vacant lot adjacent to the west that the buyer plans to lease and develop with additional surface parking spaces. The buildings on the adjacent lots to the east are currently being demolished and redeveloped with parking lots by a separate owner. These are separate transactions but show the current demand for parking in the area and support the conclusion that the purchase represents a land value with no contributory value to the improvements.

Transaction Type: Sale
Buyer: Parkside Residences, LLC
Seller: CRD RR, LLC
Price: $2,500,000
Price/ac and /sf: $1,944,617 / $44.64
This comparable represents the sale of a 1.28 acre parcel of land located in the Birmingham, Alabama Central Business District. The property is situated along the south side of 1st Avenue South, the west side of 17th Street South and the east side of 18th Street South. The site has a rectangular shape with 400 feet of frontage along 1st Avenue South and 140 feet of frontage along both 17th Street South and 18th Street South. The property is directly across the street from Railroad Park and is one block from the Birmingham Barons baseball stadium. The site is level and at street grade. At the time of the sale the property was improved with two small storage buildings that did not have any contributory value. The property was purchased in February 2014 for $2,500,000 or approximately $44.64 per square foot. The property was purchased for the development of a 228 unit apartment complex known as LIV Parkside.

**BUSINESS CYCLE STATUS**

- Expansion
- Recovery
- At Risk
- Moderating Recession
- In Recession

**STRENGTHS & WEAKNESSES**

**STRENGTHS**

- Central location in Alabama with strong infrastructure linkages.
- Research and healthcare facilities at UAB.

**WEAKNESSES**

- Low educational attainment.
- Slow population growth, especially for a large southern metro area.
- Few jobs in high-tech, higher-value-added services.
- Below-average per capita income.

**FORECAST RISKS**

**SHORT TERM**

**UPSIDE**

- Federal trade and infrastructure policies increase steel prices for BIR producers.
- BIR's new port authority leads to more jobs in transportation and warehousing.

**DOWNSIDE**

- Renewed financial difficulties in Jefferson County trigger another budget crisis.
- Uncertain healthcare funding and insurance market cost more jobs.

**ANALYSIS**

**Recent Performance.** Birmingham-Hoover is on firmer ground than it was at the start of 2017, but it remains a below-average performer. The economy is benefiting from steady gains in services and a turn up in goods industries, fueled by construction. Recent gains bring job growth and the unemployment rate nearer to those nationwide. Job creation is not only stronger but also more broadly based with the share of private industries adding workers rising to a multi-decade high. One exception is healthcare, which has given back about half of last year’s job gains. Also, wages have been slow to increase, holding back stronger income growth and the housing market. House price appreciation is steady and exceeds the U.S. average, but single-family residential building has slipped this year.

**Birmingham goes pro.** BIR's service industries are on the move, and the outlook is especially bright for professional/business services. BIR is the leading source for industry employment in the state, boasting almost one third of Alabama’s jobs in professional, scientific and technical services and more than half of its headquarters jobs. The latter positions make up a smaller share of jobs but are important, since workers in this group earn 90% more, on average, than those in other nonfarm industries.

Financial services are also poised for stronger growth. Lower unemployment will boost demand for financial products, and higher interest rates will bolster returns for banks and insurers. BIR is Alabama’s financial hub, with financial activities playing a larger role than they do nationally. Republican lawmakers’ policy agenda of more relaxed capital and lending standards has been cheered by financial institutions, but legislation has been slow to materialize.

The Magic City. An improving state economy and aggressive urban renewal policies will help fuel solid job growth in leisure/hospitality.

The industry is putting on a strong showing, accounting for two-thirds of the net new jobs in the last three months. The 15% annualized rise in payrolls from March to June was the strongest for any three-month period since 2011. Leisure/hospitality is proving much more resilient than retail, which is suffering from e-commerce competition and a lack of pricing power. In an effort to increase its appeal to tourists and boost arts, entertainment and recreation, the city is looking to improve transportation infrastructure and livability while reducing blight. In the past year, it has razed more than 800 abandoned homes and absorbed 10,000 properties into its land bank.

**Healthcare holdup.** The failure of the healthcare repeal effort in Congress and the governor’s abandonment of major Medicaid reforms will give medical providers more confidence to hire. The industry cut workers last quarter in response to proposed changes to Medicaid and reduced federal subsidies that would have lowered citizens’ ability to pay for services. The status quo still presents risks, however. The state legislature and governor are still looking for reforms to control Medicaid costs, and BIR’s providers are also dealing with the reality that there is only one insurer on the state’s healthcare exchange. If Blue Cross withdraws from parts of the state served by BIR’s firms, it will reduce coverage rates and demand for health services.

**Bigger gains in professional/business and financial services and leisure/hospitality will help Birmingham-Hoover, but the economy will remain a below-average near-term performer.** In the long run, growth will trail the U.S. average because of slow population growth and an undersized workforce that will hinder BIR’s ability to expand its core of higher-value-added services.

MOODY'S ANALYTICS / Précis® U.S. Metro / South / July 2017
About Moody's Analytics

Moody's Analytics helps capital market and credit risk management professionals worldwide respond to an evolving marketplace with confidence. With a team of economists, the company offers unique tools and best practices for measuring and managing risk through expertise and experience in credit analysis, economic research, and financial risk management. By offering leading-edge software and advisory services, as well as the proprietary credit research produced by Moody's Investors Service, Moody's Analytics integrates and customizes its offerings to address specific business challenges.

Concise and timely economic research by Moody's Analytics supports firms and policymakers in strategic planning, product and sales forecasting, credit risk and sensitivity management, and investment research. Our economic research publications provide in-depth analysis of the global economy, including the U.S. and all of its state and metropolitan areas, all European countries and their subnational areas, Asia, and the Americas. We track and forecast economic growth and cover specialized topics such as labor markets, housing, consumer spending and credit, output and income, mortgage activity, demographics, central bank behavior, and prices. We also provide real-time monitoring of macroeconomic indicators and analysis on timely topics such as monetary policy and sovereign risk. Our clients include multinational corporations, governments at all levels, central banks, financial regulators, retailers, mutual funds, financial institutions, utilities, residential and commercial real estate firms, insurance companies, and professional investors.

Moody's Analytics added the economic forecasting firm Economy.com to its portfolio in 2005. This unit is based in West Chester PA, a suburb of Philadelphia, with offices in London, Prague and Sydney. More information is available at www.economy.com

Moody's Analytics is a subsidiary of Moody's Corporation (NYSE: MCO). Further information is available at www.moodysanalytics.com

About Moody's Corporation

Moody's is an essential component of the global capital markets, providing credit ratings, research, tools and analysis that contribute to transparent and integrated financial markets. Moody's Corporation (NYSE: MCO) is the parent company of Moody's Investors Service, which provides credit ratings and research covering debt instruments and securities, and Moody's Analytics, which encompasses the growing array of Moody's nonratings businesses, including risk management software for financial institutions, quantitative credit analysis tools, economic research and data services, data and analytical tools for the structured finance market, and training and other professional services. The corporation, which reported revenue of $3.5 billion in 2015, employs approximately 10,400 people worldwide and maintains a presence in 36 countries.

Addendum E

QUALIFICATIONS
Daniel Lincoln, MAI
Seniors Housing & Healthcare | National Practice

Professional Background

Daniel Lincoln is a Vice President for CBRE Valuation & Advisory Services and a member of the Seniors Housing & Care specialty practice. His focus is third-party valuations, operational and market due-diligence, and consulting assignments specific to the seniors housing space. Daniel’s primary focus is in the Southeast and he has market experience throughout the United States with more than 120 seniors housing valuations performed annually.

Based in Birmingham, Daniel has practiced with CBRE for over seven years, providing a broad range of valuation and consulting services. Daniel’s experience includes market and feasibility studies, agency reporting (HUD, Fannie Mae, Freddie Mac), and valuations of single assets to institutional portfolios.

Daniel graduated from the University of Alabama with a Bachelor of Science in Finance in May 2008 and a Master of Science in Finance in December 2009.

PROFESSIONAL PROFILE

Gregory "Brent" Kelley is an Appraiser for CBRE Valuation & Advisory Services. Based in Birmingham, Alabama, Brent has 15 years of appraisal experience. He joined CBRE in September of 2017 after spending the previous 14 years with a national senior housing healthcare firm where he served as the director of the Birmingham office since 2010. His primary focus is third-party valuations of single assets and institutional portfolios, operational and market due-diligence, and consulting assignments. Geographically, Brent's primary focus is in the State of Alabama, but he has market experience throughout the entire US, with a specific focus in the Southeast and Midwestern US.

Brent graduated from The University of Alabama with a Bachelor of Science in Commerce and Business Administration in December 1996, with a major in Finance. After completing his undergraduate studies, he worked for Regions Financial Corporation as a Corporate Loan Examiner and Corporate Banking Officer before transitioning into the appraisal field in 2002.

FIRST AMENDED AND RESTATED BYLAWS

OF

The University of Alabama in Huntsville Research
and Technology Corporation Bylaws

an Alabama nonprofit corporation
(the “UAH RTC”)

ARTICLE I
OFFICES

The principal office of the UAH RTC in the State of Alabama shall be located in Madison County. The UAH RTC may have such other offices, either within or without the State of Alabama, as the Board of Directors may designate. The registered office and registered agent of the UAH RTC shall be as stated in the Certificate of Formation of the UAH RTC (the “Certificate”) or as changed in accordance with law. Capitalized terms not otherwise defined in these Bylaws shall have, when used herein, the respective meanings accorded to them in the Certificate.

ARTICLE II
BOARD OF DIRECTORS

Section 1. General Powers. The affairs of the UAH RTC shall be managed by its Board of Directors.

Section 2. Number, Tenure and Qualifications. The number of voting members of the Board of Directors (herein, each a “director” and collectively, “directors”) shall be twelve (12), consisting of five (5) internal directors from within The University of Alabama in Huntsville (UAH), the Chancellor of The University of Alabama System (Chancellor) or the Chancellor’s designee, two (2) members from the Board of Trustees of the University of Alabama (Board of Trustees), and four (4) external directors from outside UAH or The University of Alabama System. The number of directors may be changed in accordance with the provisions of the Certificate or by resolution of the Board of Directors adopted at any regular meeting by the vote of two-thirds (2/3) of the then members of the Board of Directors and subject to the prior approval of The Board of Trustees, provided that the Board of Directors shall never consist of less than seven (7) voting members and no decrease shall have the effect of shortening the term of any incumbent director. Each director shall hold office until his or her successor shall have been appointed.

The internal directors shall include the President of UAH (herein, “the President of UAH”; “the President,” as otherwise used herein, refers to the President of the UAH RTC Board of Directors), the Provost and Executive Vice President for Academic Affairs at UAH, the Vice President for Research and Economic Development at UAH, the Vice President for University Advancement at
UAH, and the Vice President for Finance and Administration of UAH, all of whom shall serve as ex officio internal directors with all the rights and privileges thereof.

The President of UAH may, at his or her discretion, nominate up to three (3), non-voting members of the Board of Directors from within UAH as well, subject to approval of, and appointment by, the Board of Trustees.

The words “director” or “directors” as used herein refer to voting members of the Board of Directors.

Section 3. **Meetings.** The annual meeting of the Board of Directors shall be held during the UAH RTC’s fiscal year, as determined by the Board of Directors, at the principal office of the corporation in Madison County, Alabama, or at such other place within or without the State of Alabama as may be deemed advisable by the Board of Directors. Special meetings of the Board of Directors may be called by the President or Vice President of the Board of Directors.

Section 4. **Notice.** Notice of any meeting of the Board of Directors shall be given as the Board of Directors shall, from time to time, determine. Notice shall be deemed to be delivered when received. Any director may waive notice of any meeting. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Any one or more directors may participate in a meeting by means of conference telephone or similar communications equipment by means of which all persons participating can hear each other at the same time, and such participation shall constitute presence in person at the meeting for all purposes of this Article II.

Section 5. **Appointment of Directors.** The Board of Trustees shall have the power to appoint members of the Board of Directors. Unless otherwise stated in these provisions, the directors shall each serve a term of one (1) year and shall serve no more than six (6) consecutive terms. At a minimum, the Board of Directors shall consist of the President of UAH, the Provost and Executive Vice President for Academic Affairs at UAH, the Vice President for Research and Economic Development at UAH, the Vice President for University Advancement at UAH, the Vice President for Finance and Administration of UAH, and the Chancellor of The University of Alabama System, or his or her designee. With respect to the members listed in the immediately preceding sentence, their respective terms shall immediately terminate upon their resignation or other termination of their respective positions above. The successor to that person’s position, whether appointed in interim or regularly, shall ipso facto become a member of the Board of Directors. When an interim appointee to the position of an ex officio Director has been replaced by a regular appointee, then the membership of the interim appointee on the Board of Directors shall automatically cease and the regular appointee shall automatically become the Board of Directors’ member in that person’s stead. Also, at least two (2) members of the Board of Trustees shall be offered membership on the Board of Directors. Unless otherwise stated in these provisions, the two (2) directors appointed from the Board of Trustees of the University of Alabama shall each serve a term of two (2) years and may be re-elected to an unlimited number of consecutive terms. The four (4) external directors from outside UAH or The University of Alabama System shall also
each serve a term of two (2) years and may be re-elected for one (1) additional consecutive two (2) year term. However, to balance continuity with new perspective, the terms of the external directors are to be staggered whereby two (2) of the external directors shall serve an initial term of one (1) year and may be re-elected for one (1) additional consecutive two (2) year term.

Section 6. **Quorum.** The presence of at least one-third in number of the voting members of Board of Directors then fixed in accordance with Section 2 of Article II of these Bylaws, if such number is not less than three (3), shall constitute a quorum for the conduct of business. If a quorum is present when a meeting of the Board of Directors is convened, the directors present may continue to transact business, taking action by a vote made in accordance with Section 7 of Article 2, until adjournment, notwithstanding the withdrawal of enough directors to leave less than a quorum.

Section 7. **Vote Requirement.** No action shall be taken by the Board of Directors unless authorized by the vote of a majority of directors who are present and entitled to vote on such matter.

Section 8. **Vacancies.** Except as provided for herein, vacancies on the Board of Directors shall be filled by appointment made by the Board of Trustees.

Section 9. **Compensation.** By resolution of the Board of Directors, the directors, and any non-voting members of the Board of Directors may be paid their reasonable expenses of attendance, if any, at each meeting of the Board of Directors. No such payment shall preclude any director or any non-voting members of the Board of Directors from serving the UAH RTC in any other capacity and receiving compensation therefor, provided however that such service and additional compensation shall only be permitted if approved by a resolution of the Board of Directors and consent from UAH.

Section 10. **Committees.** The Board of Directors, by resolution adopted by a majority of the directors in office, may designate one or more committees, each of which shall consist of two or more directors. To the extent designated by the Board of Directors, the executive committee shall have and exercise all the authority of the Board of Directors in the management of the UAH RTC and may have power to authorize the seal of the UAH RTC to be affixed to all papers that may require it, except that the executive committee shall not have the authority of the Board of Directors with reference to amending, altering or repealing these Bylaws; electing, appointing or removing any member of the executive committee or any director or officer of the UAH RTC; amending the Certificate, restating the Certificate, adopting a plan of merger or adopting a plan of consolidation with another corporation; authorizing the sale, lease, exchange or mortgage of all or substantially all the property and assets of the UAH RTC; authorizing the voluntary dissolution of the UAH RTC or revoking proceedings therefor; adopting a plan for the distribution of the assets of the UAH RTC; or amending, altering or repealing any action or resolution of the Board of Directors that by its terms provides that it shall not be amended, altered or repealed by such committee. Other committees not having and exercising the authority of the Board of Directors in the management of the UAH RTC may be designated by a resolution adopted by the Board of Directors. Such committee or committees shall have such name or names as may be determined.
from time to time by resolution or resolutions adopted by the Board of Directors. The designation of any such committee or committees and the delegation thereof of authority shall not operate to relieve the Board of Directors, or any member thereof, of any responsibility imposed upon the Board of Directors or the members thereof by law.

Section 11. **Informal Action.** Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting if a written consent thereto is signed by all members of the Board of Directors or of such committee, as the case may be.

Section 12. **Removal of Directors.** One or more directors or non-voting members of the Board of Directors may be removed, with or without cause, by the Board of Trustees, and the Board of Trustees shall appoint a successor for the unexpired term of each removed director or non-voting member of the Board of Directors.

Section 13. **Dissent of Director to Action of the Board.** Any director who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action unless such director's dissent shall be entered in the minutes of the meeting or unless such director shall file a dissent to such action with the Secretary of the meeting before its adjournment or shall forward such dissent by registered or certified mail or personal delivery to the Secretary of the UAH RTC immediately after the adjournment of the meeting. Such right of dissent shall not apply to a director who voted in favor of such action.

**ARTICLE III**

**OFFICERS**

Section 1. **Number.** The officers of the UAH RTC shall be a President, a Vice President, a Secretary, a Treasurer, and such other officers and assistant officers as may be deemed necessary by the Board of Directors.

Section 2. **Election and Term of Office.** The officers of the UAH RTC to be elected, and who are not ex officio officers, by the Board of Directors shall be elected annually by the Board of Directors at the first annual meeting of the Board of Directors held in each calendar year. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as conveniently may be. Each officer shall hold office until such officer's successor shall have been duly elected and shall have qualified or until the death, resignation or removal (in the manner hereinafter provided) of such officer, except that ex officio officers shall remain in office in accordance with Article II, Section 5, and removal provisions in these Bylaws.

Section 3. **Removal.** Any officer or agent elected or appointed may be removed by the persons authorized to elect or appoint such officer whenever in their judgment the best interests of the UAH RTC will be served thereby.

Section 4. **Vacancies.** Unless otherwise provided for in these Bylaws, a vacancy in any office for any reason shall be filled by the Board of Directors, or any committee, or superior
officer to whom authority in the premises may have been delegated by these Bylaws or by the Board of Directors.

Section 5. President. The President of the UAH RTC shall be ex officio the UAH Vice President for Research and Economic Development. The President shall be the principal executive officer of the UAH RTC and, subject to the control of the Board of Directors, shall in general supervise and control all of the business and affairs of the UAH RTC and have such other duties as may be prescribed by the Board of Directors that are not in conflict with the duties of the Vice President for Research and Economic Development at UAH. The President or Vice President may sign, with the Secretary or an Assistant Secretary, any deeds, mortgages, bonds, contracts or other instruments that the Board of Directors has authorized to be executed, except in cases where the signing and execution thereof shall be expressly delegated by the Board of Directors or by these Bylaws to some other officer or agent of the UAH RTC, or shall be required by law to be otherwise signed or executed; and in general shall perform all duties incident to the office of President and such other duties as may be prescribed by the Board of Directors from time to time. If no Treasurer has been designated, the President shall also have the duties and powers of the Treasurer prescribed in Section 10 below.

Section 6. Vice President. The Vice President of the UAH RTC shall be ex officio the UAH Provost and Executive Vice President for Academic Affairs. In the absence of the President or in the event of his or her inability or refusal to act, the Vice President shall perform the duties of the President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. The Vice President shall perform such other duties as from time to time may be assigned to such officer by the President or the Board of Directors that are not in conflict with the duties of the Provost and Executive Vice President for Academic Affairs of UAH.

Section 7. Secretary. The Secretary shall be elected by the Board of Directors and shall (a) keep the minutes of meetings of the Board of Directors in one or more books provided for that purpose; (b) see that all notices are duly given in accordance with the provisions of these Bylaws or as required by law; (c) be custodian of the corporate records and of the seal of the UAH RTC and see that the seal of the UAH RTC is affixed to all documents the execution of which on behalf of the UAH RTC under its seal is duly authorized; and (d) in general perform all duties incident to the office of Secretary and such other duties as from time to time may be assigned to such officer by the President or by the Board of Directors that are not in conflict with any duties he or she may have in any other personal or professional capacity.

Section 8. Treasurer. The Treasurer of the UAH RTC shall be ex officio the Vice President for Finance and Administration of UAH. The Treasurer shall (a) have charge and custody of and be responsible for all funds and securities of the UAH RTC, receive and give receipts for moneys due and payable to the UAH RTC from any source whatsoever, and deposit all such moneys in the name of the UAH RTC in such banks, trust companies or other depositories as shall be selected from time to time by the Board of Directors; and (b) in general perform all the duties incident to the office of Treasurer and such other duties as from time to time may be assigned to such officer by the President or by the Board of Directors that are not in conflict with duties of the Vice President for Finance and Administration of UAH.
Section 9. **Assistant Secretaries and Assistant Treasurers.** The Assistant Secretaries and Assistant Treasurers shall perform such duties as shall be assigned to them by the Secretary or the Treasurer, respectively, or by the President or the Board of Directors that are not in conflict with any duties they may have in any other personal or professional capacity.

**ARTICLE IV**

**CONTRACTS, LOANS, CHECKS AND DEPOSITS**

Section 1. **Contracts.** The Board of Directors may authorize any officer or officers or agent or agents of the UAH RTC to enter into any contract or execute and deliver any instrument in the name of and on behalf of the UAH RTC, and such authority may be general or confined to specific instances.

Section 2. **Loans.** No loans shall be made by the UAH RTC and no evidences of indebtedness shall be issued in its name unless authorized by a resolution of the Board of Directors. Such authority may be general or confined to specific instances. No loans shall be made by the UAH RTC to its directors or officers.

Section 3. **Checks, Drafts, etc.** All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the UAH RTC shall be signed by at least two officers or agents of the UAH RTC and in such manner as shall from time to time by determined by resolution of the Board of Directors.

Section 4. **Deposits.** All funds of the UAH RTC not otherwise employed shall be deposited from time to time to the credit of the UAH RTC in such banks, trust companies or other depositories as the Board of Directors may select.

Section 5. **Investment Securities.** Unless otherwise ordered by resolution of the Board of Directors, the President and the Treasurer are authorized and empowered jointly to buy and sell stock held or owned by the UAH RTC, for such consideration as shall meet their approval, and to that end they are further authorized to execute all bills of sale, transfers, assignments, and other writing necessary or convenient for effectuating such purposes. The President and the Treasurer are further authorized to give or have given the proper notices of any such action, have all such dispositions registered and noted on the books and records of this or any other corporation or partnership where required, and to do all other things necessary or convenient to accomplish such purchase or sales.

Section 6. **Voting Securities.** Unless otherwise ordered by resolution of the Board of Directors, the President shall have full authority on behalf of the UAH RTC to attend, to act, and to vote at any meeting of the stockholders, bondholders, or other security holders of any corporation, trust, or association in which the UAH RTC may hold securities. At any such meeting, the President shall possess all of the rights and powers incident to the ownership of such securities, which, as owner thereof, the UAH RTC might have possessed if present, including the authority
to delegate such authority to a proxy. The President may confer like authority upon any other person or persons.

ARTICLE V
FISCAL YEAR

The fiscal year of the UAH RTC shall begin on the first day of October and end on the last day of September in each year, unless the Board of Directors shall provide to the contrary by resolution.

ARTICLE VI
ACCOUNTING RECORDS

The UAH RTC shall maintain or cause to be maintained accounting records of the business and affairs of the UAH RTC, which records shall be open to inspection by the directors and officers of the UAH RTC or The University of Alabama System auditor at all reasonable times.

ARTICLE VII
NO DIVIDENDS

No dividends shall be paid and no part of the income or profits of the UAH RTC shall be distributed to its directors or officers. The UAH RTC may pay compensation in a reasonable amount to directors, officers and other employees for services rendered.

ARTICLE VIII
SEAL

The Board of Directors shall provide a corporate seal which shall be circular in form and shall have inscribed thereon the name of the UAH RTC, the state of incorporation and the words “Corporate Seal.” If such a seal is not obtained, the words “Corporate Seal” following the signature of one or more officers on behalf of the UAH RTC shall constitute proper affixing of the seal.

ARTICLE IX
WAIVER OF NOTICE

Whenever any notice is required to be given to any director of the UAH RTC under the provisions of these Bylaws, the Certificate, or applicable provisions of Alabama law, a waiver thereof in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

ARTICLE X

7

631
AMENDMENTS

The Board of Directors shall have power to alter, amend and repeal the Bylaws of the UAH RTC or adopt new Bylaws for the UAH RTC at any regular or special meeting of the Board by a vote of no less than a majority of all directors on the Board and upon the approval of the Board of Trustees.

Adopted as of this 9th day of August, 2018, by the Board of Directors.
Representative Phil Williams was elected in a special election in 2009 to represent House District 6 in Madison County.

He was born and raised on a small farm in Alabama, graduated from The University of Alabama in Huntsville with a degree in International Business, and speaks fluent French.

Representative Williams has been involved with the development of small businesses for most of his career through recruiting economic and industrial development to Alabama.

After working with contract negotiations in the Small Business and Contracts offices as a Contract Specialist with the U.S. Army, Phil co-founded several businesses:

- 3D Research Corporation
- Synapse Wireless, and
- Soldier 1 Corporation

Representative Williams' volunteer activities include:

- serving as a Director of the Alabama Archives Board for Alabama History
- mentoring, without pay, to small businesses in the Huntsville area
- serving as an active board member of Huntsville's Heritage Foundation
- participating in the Madison County/Huntsville Leadership Program, including fund raising so that any “at-risk” young person in Madison County would have the fees to prepare for and take the GED test.

Phil and his wife, Lisa, live in Huntsville with their son.
Beth Sippel
Market President

A lifelong banker, Beth is also a leader in volunteering her experience to help make our
community stronger. "I can't think of a better place to raise my family," she says. In
recognition of her many years of community service, she received our William B. Turner
Humanitarian Award in 2012.

Mr. Tim Thornton,
Chief Executive Officer/
President

Mr. Thornton has thirty-five years of technical, management, and marketing experience supporting government and industry customers. His experience has ranged from advisory services, system development, commercial products, and international programs. He founded rLogic and serves as Chief Executive Officer & President. Earlier, he founded Torch Systems, a wholly-owned subsidiary of Torch Technologies, and served as President. Prior, he was a Vice President and Member of Board of Directors for Davidson Technologies. His previous positions include Director of Advanced Technologies for System Studies and Simulation, Division Manager of Advanced Technologies for Coleman Research Corporation, and a Research Technician (Co-op) for Georgia Tech Research Institute. He has served on several Boards of Directors including Huntsville/Madison County Chamber of Commerce; Better Business Bureau (BBB); Huntsville Association of Small Businesses in Advanced Technology (HASBAT); Army Space and Missile Defense Association (ASMDA); Character Foundation of North Alabama (CFNA); Cyber Huntsville Advisory Council; and Huntsville Hospital Foundation (HHF). He is a graduate of Leadership Huntsville/Madison County Class 29. He is recipient of the Russell G. Brown Executive Leadership Award from the Huntsville/Madison County Chamber of Commerce. He was recognized as HASBAT Professional of the Year and National Defense Industrial Association (NDIA) Professional of the Year. He was recognized as Aerospace & Defense Entrepreneur of the Year by American Business Awards. He is a graduate of the Business Owners Council “Birthing of Giants” Fellowship Program. He was recognized as Southern Business Leader by Forbes Magazine and as Second-Stage Entrepreneurship Rockstar by Lowe Foundation. He was selected as a College of Business Administration Fellow by the University of Alabama in Huntsville (UAH). He serves on the UAH College of Business Dean’s External Advisory Board and College of Engineering Dean’s Engineering Advisory Board. He earned a Master of Science in Electrical Engineering and Bachelor of Science in Electrical & Computer Engineering both from The University of Alabama in Huntsville with Summa Cum Laude honors.
FIRST AMENDED AND RESTATED BYLAWS

OF

The University of Alabama in Huntsville Research and Technology Corporation Bylaws

an Alabama nonprofit corporation
(the "UAH RTC")

ARTICLE I
OFFICES

The principal office of the UAH RTC in the State of Alabama shall be located in Madison County. The UAH RTC may have such other offices, either within or without the State of Alabama, as the Board of Directors may designate. The registered office and registered agent of the UAH RTC shall be as stated in the Certificate of Formation of the UAH RTC (the "Certificate") or as changed in accordance with law. Capitalized terms not otherwise defined in these Bylaws shall have, when used herein, the respective meanings accorded to them in the Certificate.

ARTICLE II
BOARD OF DIRECTORS

Section 1. General Powers. The affairs of the UAH RTC shall be managed by its Board of Directors.

Section 2. Number, Tenure and Qualifications. The number of voting members of the Board of Directors (herein, each a "director" and collectively, "directors") shall be twelve (12), consisting of five (5) internal directors from within The University of Alabama in Huntsville (UAH), the Chancellor of The University of Alabama System (Chancellor) or the Chancellor’s designee, two (2) members from the Board of Trustees of the University of Alabama (Board of Trustees), and four (4) external directors from outside UAH or The University of Alabama System. The number of directors may be changed in accordance with the provisions of the Certificate or by resolution of the Board of Directors adopted at any regular meeting by the vote of two-thirds (2/3) of the then members of the Board of Directors and subject to the prior approval of The Board of Trustees, provided that the Board of Directors shall never consist of less than seven (7) voting members and no decrease shall have the effect of shortening the term of any incumbent director. Each director shall hold office until his or her successor shall have been appointed.

The internal directors shall include the President of UAH (herein, "the President of UAH"; "the President," as otherwise used herein, refers to the President of the UAH RTC Board of Directors), the Provost and Executive Vice President for Academic Affairs at UAH, the Vice President for Research and Economic Development at UAH, the Vice President for University Advancement at
UAH, and the Vice President for Finance and Administration of UAH, all of whom shall serve as ex officio internal directors with all the rights and privileges thereof.

The President of UAH may, at his or her discretion, nominate up to three (3), non-voting members of the Board of Directors from within UAH as well, subject to approval of, and appointment by, the Board of Trustees.

The words “director” or “directors” as used herein refer to voting members of the Board of Directors.

Section 3. Meetings. The annual meeting of the Board of Directors shall be held during the UAH RTC’s fiscal year, as determined by the Board of Directors, at the principal office of the corporation in Madison County, Alabama, or at such other place within or without the State of Alabama as may be deemed advisable by the Board of Directors. Special meetings of the Board of Directors may be called by the President or Vice President of the Board of Directors.

Section 4. Notice. Notice of any meeting of the Board of Directors shall be given as the Board of Directors shall, from time to time, determine. Notice shall be deemed to be delivered when received. Any director may waive notice of any meeting. The attendance of a director at a meeting shall constitute a waiver of notice of such meeting, except where a director attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Any one or more directors may participate in a meeting by means of conference telephone or similar communications equipment by means of which all persons participating can hear each other at the same time, and such participation shall constitute presence in person at the meeting for all purposes of this Article II.

Section 5. Appointment of Directors. The Board of Trustees shall have the power to appoint members of the Board of Directors. At a minimum, the Board of Directors shall consist of the President of UAH, the Provost and Executive Vice President for Academic Affairs at UAH, the Vice President for Research and Economic Development at UAH, the Vice President for University Advancement at UAH, the Vice President for Finance and Administration of UAH, and the Chancellor of The University of Alabama System, or his or her designee. With respect to the members listed in the immediately preceding sentence, their respective terms shall immediately terminate upon their resignation or other termination of their respective positions above. The successor to that person’s position, whether appointed in interim or regularly, shall ipso facto become a member of the Board of Directors. When an interim appointee to the position of an ex officio Director has been replaced by a regular appointee, then the membership of the interim appointee on the Board of Directors shall automatically cease and the regular appointee shall automatically become the Board of Directors’ member in that person’s stead. Also, at least two (2) members of the Board of Trustees shall be offered membership on the Board of Directors. Unless otherwise stated in these provisions, the two (2) directors appointed from the Board of Trustees of the University of Alabama shall each serve a term of two (2) years and may be re-elected to an unlimited number of consecutive terms. The four (4) external directors from outside UAH or The University of Alabama System shall also each serve a term of two (2) years and may be re-elected for one (1) additional consecutive two (2) year term. However, to balance continuity with new
perspective, the terms of the external directors are to be staggered whereby two (2) of the external directors shall serve an initial term of one (1) year and may be re-elected for one (1) additional consecutive two (2) year term.

Section 6. **Quorum.** The presence of at least one-third in number of the voting members of Board of Directors then fixed in accordance with Section 2 of Article II of these Bylaws, if such number is not less than three (3), shall constitute a quorum for the conduct of business. If a quorum is present when a meeting of the Board of Directors is convened, the directors present may continue to transact business, taking action by a vote made in accordance with Section 7 of Article 2, until adjournment, notwithstanding the withdrawal of enough directors to leave less than a quorum.

Section 7. **Vote Requirement.** No action shall be taken by the Board of Directors unless authorized by the vote of a majority of directors who are present and entitled to vote on such matter.

Section 8. **Vacancies.** Except as provided for herein, vacancies on the Board of Directors shall be filled by appointment made by the Board of Trustees.

Section 9. **Compensation.** By resolution of the Board of Directors, the directors, and any non-voting members of the Board of Directors may be paid their reasonable expenses of attendance, if any, at each meeting of the Board of Directors. No such payment shall preclude any director or any non-voting members of the Board of Directors from serving the UAH RTC in any other capacity and receiving compensation therefor, provided however that such service and additional compensation shall only be permitted if approved by a resolution of the Board of Directors and consent from UAH.

Section 10. **Committees.** The Board of Directors, by resolution adopted by a majority of the directors in office, may designate one or more committees, each of which shall consist of two or more directors. To the extent designated by the Board of Directors, the executive committee shall have and exercise all the authority of the Board of Directors in the management of the UAH RTC and may have power to authorize the seal of the UAH RTC to be affixed to all papers that may require it, except that the executive committee shall not have the authority of the Board of Directors with reference to amending, altering or repealing these Bylaws; electing, appointing or removing any member of the executive committee or any director or officer of the UAH RTC; amending the Certificate, restating the Certificate, adopting a plan of merger or adopting a plan of consolidation with another corporation; authorizing the sale, lease, exchange or mortgage of all or substantially all the property and assets of the UAH RTC; authorizing the voluntary dissolution of the UAH RTC or revoking proceedings therefor; adopting a plan for the distribution of the assets of the UAH RTC; or amending, altering or repealing any action or resolution of the Board of Directors that by its terms provides that it shall not be amended, altered or repealed by such committee. Other committees not having and exercising the authority of the Board of Directors in the management of the UAH RTC may be designated by a resolution adopted by the Board of Directors. Such committee or committees shall have such name or names as may be determined from time to time by resolution or resolutions adopted by the Board of Directors. The designation
of any such committee or committees and the delegation thereof of authority shall not operate to relieve the Board of Directors, or any member thereof, of any responsibility imposed upon the Board of Directors or the members thereof by law.

Section 11. Informal Action. Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting if a written consent thereto is signed by all members of the Board of Directors or of such committee, as the case may be.

Section 12. Removal of Directors. One or more directors or non-voting members of the Board of Directors may be removed, with or without cause, by the Board of Trustees, and the Board of Trustees shall appoint a successor for the unexpired term of each removed director or non-voting member of the Board of Directors.

Section 13. Dissent of Director to Action of the Board. Any director who is present at a meeting of the Board of Directors at which action on any corporate matter is taken shall be presumed to have assented to the action unless such director’s dissent shall be entered in the minutes of the meeting or unless such director shall file a dissent to such action with the Secretary of the meeting before its adjournment or shall forward such dissent by registered or certified mail or personal delivery to the Secretary of the UAH RTC immediately after the adjournment of the meeting. Such right of dissent shall not apply to a director who voted in favor of such action.

**ARTICLE III**

**OFFICERS**

Section 1. Number. The officers of the UAH RTC shall be a President, a Vice President, a Secretary, a Treasurer, and such other officers and assistant officers as may be deemed necessary by the Board of Directors.

Section 2. Election and Term of Office. The officers of the UAH RTC to be elected, and who are not ex officio officers, by the Board of Directors shall be elected annually by the Board of Directors at the first annual meeting of the Board of Directors held in each calendar year. If the election of officers shall not be held at such meeting, such election shall be held as soon thereafter as conveniently may be. Each officer shall hold office until such officer’s successor shall have been duly elected and shall have qualified or until the death, resignation or removal (in the manner hereinafter provided) of such officer, except that ex officio officers shall remain in office in accordance with Article II, Section 5, and removal provisions in these Bylaws.

Section 3. Removal. Any officer or agent elected or appointed may be removed by the persons authorized to elect or appoint such officer whenever in their judgment the best interests of the UAH RTC will be served thereby.

Section 4. Vacancies. Unless otherwise provided for in these Bylaws, a vacancy in any office for any reason shall be filled by the Board of Directors, or any committee, or superior officer to whom authority in the premises may have been delegated by these Bylaws or by the Board of Directors.
Section 5.  President. The President of the UAH RTC shall be ex officio the UAH Vice President for Research and Economic Development. The President shall be the principal executive officer of the UAH RTC and, subject to the control of the Board of Directors, shall in general supervise and control all of the business and affairs of the UAH RTC and have such other duties as may be prescribed by the Board of Directors that are not in conflict with the duties of the Vice President for Research and Economic Development at UAH. The President or Vice President may sign, with the Secretary or an Assistant Secretary, any deeds, mortgages, bonds, contracts or other instruments that the Board of Directors has authorized to be executed, except in cases where the signing and execution thereof shall be expressly delegated by the Board of Directors or by these Bylaws to some other officer or agent of the UAH RTC, or shall be required by law to be otherwise signed or executed; and in general shall perform all duties incident to the office of President and such other duties as may be prescribed by the Board of Directors from time to time. If no Treasurer has been designated, the President shall also have the duties and powers of the Treasurer prescribed in Section 10 below.

Section 6.  Vice President. The Vice President of the UAH RTC shall be ex officio the UAH Provost and Executive Vice President for Academic Affairs. In the absence of the President or in the event of his or her inability or refusal to act, the Vice President shall perform the duties of the President, and when so acting, shall have all the powers of and be subject to all the restrictions upon the President. The Vice President shall perform such other duties as from time to time may be assigned to such officer by the President or the Board of Directors that are not in conflict with the duties of the Provost and Executive Vice President for Academic Affairs of UAH.

Section 7.  Secretary. The Secretary shall be elected by the Board of Directors and shall (a) keep the minutes of meetings of the Board of Directors in one or more books provided for that purpose; (b) see that all notices are duly given in accordance with the provisions of these Bylaws or as required by law; (c) be custodian of the corporate records and of the seal of the UAH RTC and see that the seal of the UAH RTC is affixed to all documents the execution of which on behalf of the UAH RTC under its seal is duly authorized; and (d) in general perform all duties incident to the office of Secretary and such other duties as from time to time may be assigned to such officer by the President or by the Board of Directors that are not in conflict with any duties he or she may have in any other personal or professional capacity.

Section 8.  Treasurer. The Treasurer of the UAH RTC shall be ex officio the Vice President for Finance and Administration of UAH. The Treasurer shall (a) have charge and custody of and be responsible for all funds and securities of the UAH RTC, receive and give receipts for moneys due and payable to the UAH RTC from any source whatsoever, and deposit all such moneys in the name of the UAH RTC in such banks, trust companies or other depositories as shall be selected from time to time by the Board of Directors; and (b) in general perform all the duties incident to the office of Treasurer and such other duties as from time to time may be assigned to such officer by the President or by the Board of Directors that are not in conflict with duties of the Vice President for Finance and Administration of UAH.
Section 9. Assistant Secretaries and Assistant Treasurers. The Assistant Secretaries and Assistant Treasurers shall perform such duties as shall be assigned to them by the Secretary or the Treasurer, respectively, or by the President or the Board of Directors that are not in conflict with any duties they may have in any other personal or professional capacity.

ARTICLE IV
CONTRACTS, LOANS, CHECKS AND DEPOSITS

Section 1. Contracts. The Board of Directors may authorize any officer or officers or agent or agents of the UAH RTC to enter into any contract or execute and deliver any instrument in the name of and on behalf of the UAH RTC, and such authority may be general or confined to specific instances.

Section 2. Loans. No loans shall be made by the UAH RTC and no evidences of indebtedness shall be issued in its name unless authorized by a resolution of the Board of Directors. Such authority may be general or confined to specific instances. No loans shall be made by the UAH RTC to its directors or officers.

Section 3. Checks, Drafts, etc. All checks, drafts or other orders for the payment of money, notes or other evidences of indebtedness issued in the name of the UAH RTC shall be signed by at least two officers or agents of the UAH RTC and in such manner as shall from time to time be determined by resolution of the Board of Directors.

Section 4. Deposits. All funds of the UAH RTC not otherwise employed shall be deposited from time to time to the credit of the UAH RTC in such banks, trust companies or other depositories as the Board of Directors may select.

Section 5. Investment Securities. Unless otherwise ordered by resolution of the Board of Directors, the President and the Treasurer are authorized and empowered jointly to buy and sell stock held or owned by the UAH RTC, for such consideration as shall meet their approval, and to that end they are further authorized to execute all bills of sale, transfers, assignments, and other writing necessary or convenient for effectuating such purposes. The President and the Treasurer are further authorized to give or have given the proper notices of any such action, have all such dispositions registered and noted on the books and records of this or any other corporation or partnership where required, and to do all other things necessary or convenient to accomplish such purchase or sales.

Section 6. Voting Securities. Unless otherwise ordered by resolution of the Board of Directors, the President shall have full authority on behalf of the UAH RTC to attend, to act, and to vote at any meeting of the stockholders, bondholders, or other security holders of any corporation, trust, or association in which the UAH RTC may hold securities. At any such meeting, the President shall possess all of the rights and powers incident to the ownership of such securities, which, as owner thereof, the UAH RTC might have possessed if present, including the authority
to delegate such authority to a proxy. The President may confer like authority upon any other person or persons.

ARTICLE V
FISCAL YEAR

The fiscal year of the UAH RTC shall begin on the first day of October and end on the last day of September in each year, unless the Board of Directors shall provide to the contrary by resolution.

ARTICLE VI
ACCOUNTING RECORDS

The UAH RTC shall maintain or cause to be maintained accounting records of the business and affairs of the UAH RTC, which records shall be open to inspection by the directors and officers of the UAH RTC or The University of Alabama System auditor at all reasonable times.

ARTICLE VII
NO DIVIDENDS

No dividends shall be paid and no part of the income or profits of the UAH RTC shall be distributed to its directors or officers. The UAH RTC may pay compensation in a reasonable amount to directors, officers and other employees for services rendered.

ARTICLE VIII
SEAL

The Board of Directors shall provide a corporate seal which shall be circular in form and shall have inscribed thereon the name of the UAH RTC, the state of incorporation and the words "Corporate Seal." If such a seal is not obtained, the words "Corporate Seal" following the signature of one or more officers on behalf of the UAH RTC shall constitute proper affixing of the seal.

ARTICLE IX
WAIVER OF NOTICE

Whenever any notice is required to be given to any director of the UAH RTC under the provisions of these Bylaws, the Certificate, or applicable provisions of Alabama law, a waiver thereof in writing, signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

ARTICLE X
AMENDMENTS

The Board of Directors shall have power to alter, amend and repeal the Bylaws of the UAH RTC or adopt new Bylaws for the UAH RTC at any regular or special meeting of the Board by a vote of no less than a majority of all directors on the Board and upon the approval of the Board of Trustees.

Adopted as of this 9th day of August, 2018, by the Board of Directors.

The University of Alabama
Coleman Coliseum • 2017
THE UNIVERSITY OF ALABAMA®

SUMMER CONVOCATION
of the
ONE HUNDRED EIGHTY-SEVENTH COMMENCEMENT

August 5, 2017 • Coleman Coliseum

THE FACULTY AND STAFF OF THE UNIVERSITY OF ALABAMA EXTEND A WARM WELCOME TO THE FAMILY, FRIENDS AND VISITORS OF THIS GRADUATING CLASS.
Seating Locations

Candidates will be seated in the three seating sections on the arena floor as outlined below.
All seating locations should be considered approximate.
When degrees are conferred, candidates will ascend the stage on the right and descend on the left.

<table>

</table>

Seating for guests in the arena is available on a first come, first served basis.

Accessible seating is on the main concourse level. One person may accompany the individual in the accessible seating.
PHOTOGRAPHS AND DVDS

Photographs of graduates are available through professional groups who have contracted with the University. Color, on-stage photographs with the president and individual portraits photographed off stage are available from ZAP Professional Photography, P.O. Box 2686, Tuscaloosa, AL 35403, 205-345-2686. Graduates will be sent proofs for ordering the week after graduation. To be notified when proofs are available for ordering online, scan the QR code or visit http://gradphotonet.com/tracka.aspx?1802500-73504-FA72E49806.

The University of Alabama has partnered with GradMemory to provide a professional video of the commencement ceremonies. This DVD contains the complete graduation ceremony. To order, visit www.gradmemory.com. For questions, email support@gradmemory.com.

THIS PROGRAM IS NOT AN OFFICIAL GRADUATION LIST.
This printed program lists students who held the status of degree candidates during the term and may, pending the outcome of final examinations and final grades, become graduates. Therefore, it should not be used to determine a student's academic or degree status. The University's official registry for conferral of degrees is the student's permanent academic record kept by the Office of the University Registrar, 206 Student Services Center, Box 870134, Tuscaloosa, AL 35487.
Commencement Marshal

Elizabeth K. Wilson, PhD
Senior Associate Dean and Professor, College of Education

Elizabeth K. Wilson is professor and senior associate dean in the College of Education. Her career of teaching, research and service has focused on teacher education and school-university initiatives. This work includes grants that have provided over $3 million to local schools. Wilson's commitment to service is exemplified through her participation in numerous university and college activities. She has received national awards for her research and has been recognized for outstanding teaching and service, including the Outstanding Commitment to Teaching Award and the Paul W. Bryant Professorship for Teaching. In 2016, she was one of 50 educators from across the nation invited to a White House summit on educational technology in teacher education. Wilson's husband David and son David II are UA graduates and her son Pete is a UA sophomore.

*President pro tempore
COMMENCEMENT CEREMONY DECORUM AND COURTESY

The University of Alabama Commencement is marked by both joy and dignity. Conferring of degrees signifies long, hard work by all involved: students, faculty, administrators, parents and spouses. Students and guests are expected to maintain a measure of decorum equal to the occasion.

The University community requests that audience participation be of respectful celebration honoring the commitment to learning and the fulfillment of dreams shared by all degree candidates who walk across the stage. This element of respectful celebration also extends to the parents, guardians and spouses whose labor and support brings pride to the fulfillment of these dreams.

ABOUT THE CEREMONY

The processional signifies the beginning of the commencement ceremony. The commencement marshal presides over the academic procession; leads the platform party to the stage; and signifies the closing of the ceremony by leading the platform party from the stage. As the processional music begins, the procession led by the candidates, then the platform party, will enter the arena floor and go to their designated seating. The audience should rise once the processional music has begun and remain until the welcome.

Commencement participants are identified by their caps and gowns. The doctoral gown includes two crimson University of Alabama seals on the front panel of the gown, while the traditional doctoral bars are piped with crimson. Masters gowns have the UA seal embroidered in gray on the front tabs, and undergraduate gowns have the script A embroidered in red on the front tabs.

Members of The University of Alabama Board of Trustees wear black gowns trimmed in crimson velvet. The commencement marshal wears a charcoal gray gown trimmed in crimson velvet. Graduates may be identified by the color of the tassel on the black mortar board which signifies the school, or if they are receiving an advanced degree, the color of the band on the hood, which signifies the field of study.
The University of Alabama awards degrees with honors to undergraduate students in all schools and colleges who throughout their academic careers consistently achieved meritorious scholastic standing. These designations are summa cum laude, magna cum laude and cum laude. Summa cum laude is the highest academic distinction awarded. Degree candidates with honors wear stoles in the traditional colors of their school or college. Honors designations are calculated on previous semester's grade point average. The honor announced, depending upon calculation of final grade point average, may change or in some cases the degree candidate may not actually graduate with an honor designation. Undergraduate degree candidates wearing the crimson mortar board have achieved a perfect 4.0 grade point average for all of their University of Alabama course work. Silver cords indicate the University Honors Program, royal blue and gold cords indicate the International Honors Program, and purple cords represent Computer-Based Honors.

At the conclusion of the ceremony, the audience will rise for the singing of the "Alma Mater" and the recessional. The words to the "Alma Mater" are printed on the inside back page of the program. The recessional is led by the platform party, followed by the faculty and the candidates.

The University of Alabama conditionally confers degrees upon all candidates for the degrees of educational specialists through undergraduate. Candidates for doctor of education, doctor of musical arts, doctor of nursing practice and doctor of philosophy degrees are actual degree recipients at the time of the ceremony.
DOCTORS OF EDUCATION

Rebecca Kennedy Bertalan - Hokes Bluff, AL
Instructional Leadership
Dissertation: Student Skill Evaluation: Nursing Education Culture and Instructional Leadership
Dissertation Director: Dr. Stephen Tomlinson

Paula Harrison Bryant - Cochran, GA
Instructional Leadership
Dissertation: Predictors of Student Outcome in a Baccalaureate Nursing Program.
Dissertation Director: Dr. Graham J. McDougall

Thomas George Busan, Jr - Jacksonville, AL
Higher Education Administration
Dissertation: Faculty Perceptions Regarding Institutional Inclusion and Effectiveness of Part-Time Academic and Technical Faculty at Gadsden State Community College.
Dissertation Director: Dr. David E. Hardy

Sherry Anne Chance - Ridgeland, MS
Higher Education Administration
Dissertation: A Case Study of Undergraduate Nontraditional Adult Learners’ Perceptions of Hybrid Classes.
Dissertation Director: Dr. Claire C. Major

Stephen Craig Collins - Houston, GA
Secondary Education
Dissertation Director: Dr. Dennis W. Sural

Margaret Ellen Gray - Barnegat, NJ
Instructional Leadership
Dissertation: Registered Nurses’ Attitudes Towards Substance Use and Abuse.
Dissertation Director: Dr. Vivian H. Wright

Ronald D. Hebert, Jr. - Huntsville, AL
Higher Education Administration
Dissertation Director: Dr. Karrl A. Holley

Zachary L. Kelley - Pineywoods, AL
Higher Education Administration
Dissertation: Community College First-Year Seminar Courses and Persistence to Degree: A Qualitative Exploration of Graduating Students' Perceptions of Course Components.
Dissertation Director: Dr. David E. Hardy

Matthew Frank Kerch - Tuscaloosa, AL
Higher Education Administration
Dissertation: Risk-Taking Behaviors Among Division II Male Intercollegiate Athletes and Athletic Teams.
Dissertation Director: Dr. Nathaniel J. Bray

R. Mark Miles - Houston, TX
Higher Education Administration
Dissertation: Adjunct Experiences with and Perceptions of Professional Development at a Texas Community College.
Dissertation Director: Dr. Claire C. Major

Jonna Lynn Owens-Lee - Decatur, AL
Educational Administration
Dissertation Director: Dr. David L. Dagley

Anthony Ward Pennington - DeLand, FL
Higher Education Administration
Dissertation: The Correlation of the Test of Essential Academic Skills (TEAS) Exam Scores with Success in a Second-Degree Accelerated-Baccalaureate of Nursing Program.
Dissertation Director: Dr. Claire C. Major
Danielle Ayana Rice - Fayetteville, GA  
Instructional Leadership  
Dissertation: An Exploratory Study Examining the Relationship Between Student Engagement and Success Between Minority and Non-Minority Nursing Students.  
Dissertation Director: Dr. Rick A. Houser

Carreese Bush - Birmingham, AL  
Instructional Leadership  
Dissertation: Measuring Critical Thinking in Newly Licensed Registered Nurses.  
Dissertation Director: Dr. Vivian H. Wright

Jessica Fuller Sartin - Northport, AL  
Elementary Education  
Dissertation: Reading Motivation and Primary Grade Teaching Practices.  
Dissertation Director: Dr. Julianne M. Coleman

Andraire Yeldell - Harvest, AL  
Instructional Leadership  
Dissertation Director: Dr. Angela D. Benson

Mary Daniel - Pearland, TX  
Project: Implementing and Evaluating an Automated System to Assess Sarcoma Patients’ Chemotherapy-Induced Symptoms.  
Project Director: Dr. JoAnn S. Oliver

Sheila L. Donnan - Dothan, GA  
Project: Clinical Impact of the Veterans Administration Behavioral Health Interdisciplinary Program (BHIP) Team-based Care: A Retrospective Chart Review.  
Project Director: Dr. Justin R. White

Hazel Anita Jackson - Conyers, GA  
Project Director: Dr. JoAnn S. Oliver

Ameena S. Jain - Baltimore, MD  
Project: The Development of a Program to Improve Metabolic Monitoring Rates among Older Adults.  
Project Director: Dr. Graham J. McDougall

Deborah Cook Lauman - Clearwater, FL  
Project: Increased Referrals to Heart Failure Clinic Improves Outcomes.  
Project Director: Dr. Debra P. Whisenant

Marguerite Roselli Lawrence - Rockville, MD  
Project Director: Dr. Theresa M. Wadas

Amy Lynn Pickett - Fort Worth, TX  
Document Directors: Dr. Kevin T. Chance and Dr. Di Luo

Arie John VandeWe - Spanish Fort, AL  
Document: Modern Dutch Composers for the Solo Trombone.  
Document Director: Dr. Jonathan Whitaker

Taiye Anike Olubuyide - Stone Mountain, GA  
Project: Implement and Evaluate an Evidence-Based Smoking Cessation Counselling Guideline in a Primary Care Setting.  
Project Director: Dr. JoAnn S. Oliver

Miriam Ramos-Leon - Galveston, TX  
Project: Increasing Prediabetes Awareness and Screenings in an Underserved Hispanic Community.  
Project Director: Dr. Debra P. Whisenant

DoCTORS OF MUSICAL ARTS

DoCTORS OF NURSING PRACTICE
Christopher Michael Repsa - Brookfield, WI
Project: Evaluating an Educational Intervention for Certified Registered Nurse Anesthetists on Intravenous Catheter Insertion.
Project Director: Dr. Karen H. McCarty

Elyzia Hymon Reynolds - Hom, GA
Project: Comparison of Outcomes with and without Interdisciplinary Practice among Adults with Uncomplicated Back Injuries in Chiropractic Practice.
Project Director: Dr. Theresa M. Wadas

Angela Diane Rowe - Benton, AR
Project Director: Dr. Karen H. McCarty

Abimbola A. Runsewe - Maiteseville, MD
Project: How does Receiving Care from Mental Health Providers Compare with Receiving Care from Primary Care Providers?
Project Director: Dr. Saffya A. George

Mary C. Scnigletti - Plainfield, IL
Project: Providers' Attitudes Towards Obesity in Retail Healthcare Clinics.
Project Director: Dr. Heather Carter-Templeton

Katrina Louise Setoodeh - Blue Springs, MO
Project: Predictive Factors that Impact Congestive Heart Failure Readmission Rates for Veterans in a Midwestern VA Hospital.
Project Director: Dr. Felicia G. Wood

Lisa Nicole Sims - McDonough, GA
Project: Comparison of Cortisone versus Vitamin Supplementation Injections among Elders with Knee Osteoarthritis.
Project Director: Dr. Theresa M. Wadas

Alan Wesley Skipper - Stateboro, GA
Project: Identification of Depressive Symptoms in Elderly Adults Residing in Personal Care Homes.
Project Director: Dr. Graham J. McDonagh

Alba Ilana Smith - Irving, TX
Project Director: Dr. JoAnn S. Oliver

DOCTORS OF PHILOSOPHY

Ian A. Adams - The Woodlands, TX
Chemistry
Dissertation Director: Dr. Paul A. Rupar

Emmanuel Kofi Adanu - Tuscaloosa, AL
Civil Engineering
Dissertation Director: Dr. Steven L. Jones

Ahmed Al Zubi - WOMAN, Jordan

Alma Mater

ALABAMA, LISTEN MOTHER
To our vows of love,
To thyself and to each other,
Faithful friends we'll prove.

CHORUS
Faithful, loyal firm and true
Heart bound to heart will beat.
Year by year, the ages through
Until in heaven we meet.

College days are swiftly fleeting.
Soon we'll leave thy halls
Ne'er to join another meeting
'Neath thy hallowed walls.

CHORUS

So, farewell, dear Alma Mater
May thy name, we pray,
Be reverenced ever, pure and stainless
As it is today.
Commencement

THE UNIVERSITY OF ALABAMA
Coleman Coliseum • 2017
THE UNIVERSITY OF ALABAMA®

Winter Convocation
of the
One Hundred Eighty-Seventh Commencement

December 16, 2017 • Coleman Coliseum

The Faculty and Staff of The University of Alabama extend a warm welcome to the family, friends and visitors of this graduating class.
Seating Locations

Candidates will be in the three seating sections on the arena floor as outlined below.

All seating locations should be considered approximate.
When degrees are conferred, candidates will ascend the stage on the right and descend on the left.

Seating for guests in the arena is available on a first come, first served basis.
Accessible seating is on the main concourse level. One person may accompany the individual in the accessible seating.
PHOTOGRAPHS AND DVDS

Photographs of graduates are available through professional groups who have contracted with the University. Color, on-stage photographs with the president and individual portraits photographed off stage are available from ZAP Professional Photography, P.O. Box 2686, Tuscaloosa, AL 35403, 205-345-2686. Graduates will be sent proofs for ordering the week after graduation. To be notified when proofs are available for ordering online, scan the QR code or visit http://gradphotonet.com/track/e.aspx?1802500-73504-FA72F49B06.

The University of Alabama has partnered with GradMemory to provide a professional video of the commencement ceremonies. This DVD contains the complete graduation ceremony. To order, visit www.gradmemory.com.

For questions, email support@gradmemory.com.

THIS PROGRAM IS NOT AN OFFICIAL GRADUATION LIST.
This printed program lists students who held the status of degree candidates during the term and may, pending the outcome of final examinations and final grades, become graduates. Therefore, it should not be used to determine a student’s academic or degree status. The University’s official registry for conferral of degrees is the student’s permanent academic record kept by the Office of the University Registrar, 206 Student Services Center, Box 870134, Tuscaloosa, AL 35487.

698
Dr. Ken Wright is professor and director of the Sports Business Management graduate program in the College of Human Environmental Sciences. Following appointments at the University of North Carolina Charlotte, Morehead State University and Ohio University, he joined the faculty at The University of Alabama in 1988. Wright's career has focused on ethics and integrity in anti-doping, health-related medical information for sports participants, and preventive techniques in sports medicine. He has authored three textbooks, 13 videos, two software programs and numerous scholarly articles, and has secured research and external educational grants ($385,850). Recently, Wright was re-appointed as a member of the Board of Directors of the United States Anti-Doping Agency and continues to work with the United States Olympic Committee as an educator and invited presenter at international meetings in sports business, anti-doping, and sports medicine. From the National Athletic Trainers Association, he has received the NATA Hall of Fame and the Sayers "Bud" Miller Distinguished Educator of the Year Award.

702
COMMENCEMENT CEREMONY DECORUM AND COURTESY

The University of Alabama Commencement is marked by both joy and dignity. Conferring of degrees signifies long, hard work by all involved: students, faculty, administrators, parents and spouses. Students and guests are expected to maintain a measure of decorum equal to the occasion.

The University community requests that audience participation be of respectful celebration honoring the commitment to learning and the fulfillment of dreams shared by all degree candidates who walk across the stage. This element of respectful celebration also extends to the parents, guardians and spouses whose labor and support brings pride to the fulfillment of these dreams.

ABOUT THE CEREMONY

The processional signifies the beginning of the commencement ceremony. The commencement marshal presides over the academic procession; leads the platform party to the stage; and signifies the closing of the ceremony by leading the platform party from the stage. As the processional music begins, the procession led by the candidates, then the platform party, will enter the arena floor and go to their designated seating. The audience should rise once the processional music has begun and remain until the welcome.

Commencement participants are identified by their caps and gowns. The doctoral gown includes two crimson University of Alabama seals on the front panel of the gown, while the traditional doctoral bars are piped with crimson. Masters gowns have the UA seal embroidered in gray on the front tabs, and undergraduate gowns have the script A embroidered in red on the front tabs.

Members of The University of Alabama Board of Trustees wear black gowns trimmed in crimson velvet. The commencement marshal wears a charcoal gray gown trimmed in crimson velvet. Graduates may be identified by the color of the tassel on the black mortar board which signifies the school, or if they are receiving an advanced degree, the color of the band on the hood, which signifies the field of study.

- 9 " -

703
The University of Alabama awards degrees with honors to undergraduate students in all schools and colleges who throughout their academic careers consistently achieved meritorious scholastic standing. These designations are summa cum laude, magna cum laude and cum laude. Summa cum laude is the highest academic distinction awarded. Degree candidates with honors wear stoles in the traditional colors of their school or college. Honors designations are calculated on previous semester's grade point average. The honor announced, depending upon calculation of final grade point average, may change or in some cases the degree candidate may not actually graduate with an honor designation. Undergraduate degree candidates wearing the crimson mortar board have achieved a perfect 4.0 grade point average for all of their University of Alabama course work. Silver cords indicate the University Honors Program, royal blue and gold cords indicate the International Honors Program, and purple cords represent Computer-Based Honors.

At the conclusion of the ceremony, the audience will rise for the singing of the "Alma Mater" and the recessional. The words to the "Alma Mater" are printed on the inside back page of the program. The recessional is led by the platform party, followed by the faculty and the candidates.

The University of Alabama conditionally confers degrees upon all candidates for the degrees of educational specialists through undergraduate. Candidates for doctor of education, doctor of musical arts, doctor of nursing practice and doctor of philosophy degrees are actual degree recipients at the time of the ceremony.
DOCTORS OF EDUCATION

Montaurius Bendell Abner - Tallahassee, FL
Educational Administration Secondary School
Dissertation: Teachers' Practices that Contribute to the Success of African American Males.
Dissertation Director: Dr. Roxanne M. Mitchell

Lorie Lasserter Burnett - Weaver, AL
Higher Education Administration
Dissertation Director: Dr. Nathaniel J. Bray

William Bryan Paust IV - Mentone, LA
Higher Education Administration
Dissertation: The Relationship Between Selected Institutional Characteristics and Proportion of Female Degree Recipients in Medical and Dental Degree Programs.
Dissertation Director: Dr. David E. Hardy

LaRenda Jane Harrion - Brookhaven, MS
Educational Administration
Dissertation: Induction Experiences of Minority Teachers in a Rural Mississippi School District.
Dissertation Director: Dr. Roxanne M. Mitchell

Timothy Allen Heath - Tuscaloosa, AL
Secondary Education
Dissertation: Factors that Influence Second-Year Participation in a University Marching Band.
Dissertation Directors: Dr. Carl B. Hancock and Dr. Kenneth B. Omello

Marilyn June Holbrooks - Cadettown, GA
Educational Administration
Dissertation: Understanding Male Underachievement in Middle School Science: Challenging the Assumptions.
Dissertation Director: Dr. Becky M. Adkison

DOCTOR OF MUSICAL ARTS

Lewis Eljiah Webster - Fort Worth, TX
Document Directors: Dr. Jeremy S. Crawford and Dr. Charles G. Sned

DOCTORS OF NURSING PRACTICE

Christianah Onyemel Adelkeye - Decatur, GA
Project: Reducing A 30-Day Hospital Readmission in Patients with Congestive Heart Failure.
Project Director: Dr. Safiya A. George

Marie Esole Antoine - Pembroke Pines, FL
Project: An Evaluation of Sustained Virological Response (SVR2) at 12 weeks Post-treatment of Hepatitis C Veterans Patients seen in HemeClinic in a Retrospective Chart Study.
Project Director: Dr. Debra D. Whisenant
Natalyna Lynette Clark - Houston, TX
Project: Implementing a Hypertension Self-Management Toolkit to Improve Blood Pressure Control in a Primary Care Setting
Project Director: Dr. Leslie G. Cole

Jennifer Bolet Frederickson - Naples, MS
Project: Improving Prenatal Health Behaviors in High Risk Areas: Implementing a Blended Model of Prenatal Care
Project Director: Dr. Karen H. McCarthy

Susan Metzlinger McLeod - Lyons, GA
Project: Enhancing Diabetes Care through Care Coordination, Telemedicine, and Education: Evaluation of a Rural Pilot Program
Project Director: Dr. Patricia G. Wood

Sandra Ann Mosby - Temple, TX
Project: A Quality Improvement Project to Address Gaps between Recommended Guidelines and Actual Practice for Prostate Cancer Screening within a Veterans Health Care System
Project Director: Dr. JoAnn S. Oliver

Keith Norman - River Ridge, LA
Project: Implementing Nutritional Training for Primary Care Providers and Closing the Knowledge Gap: Adapting Current Practices, Attitudes and Barriers
Project Director: Dr. Ernesto C. Perez

Betsy Burton Patterson - Lauder, TX
Project: Evaluating Nurse Satisfaction Following Implementation of the Pathway to Excellence Framework
Project Director: Dr. Nina R. Harvey

Mariama Saliou Saban - Folsom, TX
Project: Comparison of Cardiometabolic Risk and Associated Outcomes in Elderly African Americans with a Nurse Practitioner Patient Navigator versus Usual Care
Project Director: Dr. Theresa M. Wadas

Ilenna Emma Slack - New Hope, PA
Project: The Identification of Barriers to Testing Adherence for Human Papillomavirus in Women age 35 and Over
Project Director: Dr. Karen H. McCarthy

Angelina Johnson South - Nilesburg, TN
Project: Provider-Provider Partnerships: Evaluation of a Practice-Based Support Program
Project Director: Dr. Barbara A. Graves

Rosalind Lacy Taylor - Houston, TX
Project: Provider Performance Outcomes of a Diabetic Foot Care Program in a Primary Care Setting
Project Director: Dr. Theresa M. Wadas

DOCTORS OF PHILOSOPHY

Ibukun Gabriel Awolusi - Tuscaloosa, AL
Civil Engineering
Dissertation: Active Construction Safety Leading Indicators Data Collection and Evaluation
Dissertation Director: Dr. Robert G. Buxton and Dr. Eric D. Marks

Meghan Marie Bankhead - St. Johns, FL
Educational Psychology
Dissertation: An Exploration of Moral Reasoning Development in College Freshmen and its Relationship with Epistemological Beliefs and Need for Cognition
Dissertation Director: Dr. Stephen J. Thomas

Jamileh Behk Mohammadi - Tuscaloosa, AL
Physics
Dissertation: Magnetic Anisotropies and Dynamic Magnetic Properties in Multilayered Thin Films
Dissertation Directors: Dr. Claudia K. Mewes and Dr. Tim Mewes

Michael Douglas Bergman - Northport, AL
Higher Education Administration
Dissertation: An Investigation of the Relationship between State Developmental Education Policy and the Number of Degrees Awarded at Community Colleges in Connecticut, Tennessee, and Florida
Dissertation Director: Dr. Nathaniel J. Bray

Farzad Boudiar - Tuscaloosa, AL
Educational Psychology
Dissertation: An Exploratory Study of Intuitive Gut Feelings: Evidence for the Biofunctional Model of Intuition
Dissertation Director: Dr. Aghbar Iran-Nejad

Craig Lawrence Bouvier - Greenville, SC
Instructional Leadership
Dissertation: Reading Dewey and Proust Together Towards a Philosophy of Discipline as Production in Schools
Dissertation Director: Dr. John Petrovic

Alma Mater

Alabama, listen mother
To our vows of love,
To thyself and to each other,
Faithful friends we'll prove.

Chorus
Faithful, loyal firm and true
Heart bound to heart will beat.
Year by year, the ages through
Until in heaven we meet.

College days are swiftly fleeting,
Soon we'll leave thy halls
Ne'er to join another meeting
'Neath thy hallowed walls.

Chorus

So, farewell, dear Alma Mater
May thy name, we pray,
Be reverenced ever, pure and stainless
As it is today.
THE UNIVERSITY OF ALABAMA®

Spring Convocation
of the
One Hundred Eighty-Seventh Commencement

May 4-5, 2018 • Coleman Coliseum

The Faculty and Staff of The University of Alabama extend a warm welcome to the family, friends and visitors of this graduating class.
Seating Locations

Candidates will be in the three seating sections on the arena floor as outlined below. All seating locations should be considered approximate. When degrees are conferred, candidates will ascend the stage on the right and descend on the left.

**LEFT SEATING SECTION**
- **Friday 4:30 PM**
  - Undergraduates; Human Environmental Sciences
- **Saturday 9:00 AM**
  - Undergraduates; Arts & Sciences
- **Saturday 1:30 PM**
  - Undergraduates; Business
- **Saturday 6:00 PM**
  - Undergraduates; Education

**CENTER SEATING SECTION**
- **Friday 4:30 PM**
  - Doctors of Philosophy Masters Undergraduates; Social Work
- **Saturday 9:00 AM**
  - Doctors of Musical Arts Masters Undergraduates; Arts & Sciences
- **Saturday 1:30 PM**
  - Doctors of Philosophy Masters Undergraduates; Business
- **Saturday 6:00 PM**
  - Doctors of Education Doctors of Nursing Practice Doctors of Philosophy Educational Specialist/Masters Undergraduates; Nursing Undergraduates; Engineering

**RIGHT SEATING SECTION**
- **Friday 4:30 PM**
  - Undergraduates; Communication & Information Sciences
- **Saturday 9:00 AM**
  - Undergraduates; Arts & Sciences
- **Saturday 1:30 PM**
  - Undergraduates; Business
- **Saturday 6:00 PM**
  - Undergraduates; Engineering

Seating for guests in the arena is available on a first come, first served basis.

Accessible seating is on the main concourse level. One person may accompany the individual in the accessible seating.
THIS PROGRAM IS NOT AN OFFICIAL GRADUATION LIST.
This printed program lists students who held the status of degree candidates during the term and may, pending the outcome of final examinations and final grades, become graduates. Therefore, it should not be used to determine a student's academic or degree status. The University's official registry for conferral of degrees is the student's permanent academic record kept by the Office of the University Registrar, 206 Student Services Center, Box 870134, Tuscaloosa, AL 35487.
COMMENCEMENT MARSHALS

CLARK MIDKIFF, PHD
Professor and Department Head, Mechanical Engineering, College of Engineering

Professor Kenneth Clark Midkiff received the Bachelor of Arts in Economics from Yale University and Bachelor of Science, Master of Science and Doctorate in Mechanical Engineering from the University of Kentucky. He joined UA in August 1986 as assistant professor. He has served as head of mechanical engineering since 2011 and as director of the Center for Advanced Vehicle Technologies since 2002. Midkiff has held the offices of secretary, vice president and president of the UA Faculty Senate, and worked on one presidential and two provost searches. Midkiff served on the Board of the Central States Section/The Combustion Institute 1998-2011, including serving as chair. He received the National Outstanding Advisor Award of Theta Tau Professional Engineering Fraternity, and Engineering's T. Morris Hackney Endowed Faculty Leadership Award.

STEVE MILLER
Professor and Coordinator, MFA in Book Arts, School of Library and Information Studies

Professor Steve Miller came to The University of Alabama in 1988, where he coordinates and teaches in the MFA in the Book Arts Program in the School of Library & Information Studies, a part of the College of Communication and Information Sciences. His passion is for making books by hand. His Red Hydra Press books include collaborations with Cuban artists and authors, and he has worked with Nobel Prize honorees, National Book Award winners, U.S. poets laureate, and numerous contemporary poets and artists. In 2012 Miller received the Distinguished Career Award from the College Book Art Association. He was elected UA's Faculty Senate president four times, and served on the last three presidential search committees. He is co-director of the UA Center for Cuba Collaboration and Scholarship, and vice chair of the Penland School of Crafts Board of Trustees.

KATHRYN OTHS, PHD
Professor of Anthropology, College of Arts and Sciences

Professor Kathryn S. Oths received her Bachelor of Arts from Stanford University and her doctorate from Case Western Reserve University. She is a medical anthropologist with an area specialization in Andean Latin America. Since she began teaching at The University of Alabama in 1990, she has been awarded the A&S Distinguished Teaching Fellow (2014), the Morris Lehman Mayer Award (2005), and, the A&S Leadership Board Outstanding Commitment to Teaching (2005). She has published widely on topics such as: medical decision-making; gender, ethnicity and health; alternative healers; food use and social status; and ethnographic film production. Oths has been at the forefront in using innovative technology in the classroom, and emphasizes the mixing of qualitative and quantitative approaches to research. She has also taught numerous short courses and workshops on research methods both nationally and internationally.

Sid J. Trant

*President pro tempore
COMMENCEMENT CEREMONY DECORUM AND COURTESY

The University of Alabama Commencement is marked by both joy and dignity. Conferring of degrees signifies long, hard work by all involved: students, faculty, administrators, parents and spouses. Students and guests are expected to maintain a measure of decorum equal to the occasion.

The University community requests that audience participation be of respectful celebration honoring the commitment to learning and the fulfillment of dreams shared by all degree candidates who walk across the stage. This element of respectful celebration also extends to the parents, guardians and spouses whose labor and support brings pride to the fulfillment of these dreams.

ABOUT THE CEREMONY

The processional signifies the beginning of the commencement ceremony. The commencement marshal presides over the academic procession; leads the platform party to the stage; and signifies the closing of the ceremony by leading the platform party from the stage. As the processional music begins, the procession led by the candidates, then the platform party, will enter the arena floor and go to their designated seating. The audience should rise once the processional music has begun and remain until the welcome.

Commencement participants are identified by their caps and gowns. The doctoral gown includes two crimson University of Alabama seals on the front panel of the gown, while the traditional doctoral bars are piped with crimson. Masters gowns have the UA seal embroidered in gray on the front tabs, and undergraduate gowns have the script A embroidered in red on the front tabs.

Members of The University of Alabama Board of Trustees wear black gowns trimmed in crimson velvet. The commencement marshal wears a charcoal gray gown trimmed in crimson velvet. Graduates may be identified by the color of the tassel on the black mortar board which signifies the school, or if they are receiving an advanced degree, the color of the band on the hood, which signifies the field of study.
The University of Alabama awards degrees with honors to undergraduate students in all schools and colleges who throughout their academic careers consistently achieved meritorious scholastic standing. These designations are summa cum laude, magna cum laude and cum laude. Summa cum laude is the highest academic distinction awarded. Degree candidates with honors wear stoles in the traditional colors of their school or college. Honors designations are calculated on the previous semester’s grade point average. The honor announced, depending upon calculation of final grade point average, may change or in some cases the degree candidate may not actually graduate with an honor designation. Undergraduate degree candidates wearing the crimson mortar board have achieved a perfect 4.0 grade point average for all of their University of Alabama coursework. Silver cords indicate the University Honors Program, and purple cords represent Computer-Based Honors.

At the conclusion of the ceremony, the audience will rise for the singing of the "Alma Mater" and the recessional. The words to the "Alma Mater" are printed on the inside back page of the program. The recessional is led by the platform party, followed by the faculty and the candidates.

The University of Alabama conditionally confers degrees upon all candidates for the degrees of educational specialists through undergraduate. Candidates for doctor of education, doctor of musical arts, doctor of nursing practice and doctor of philosophy degrees are actual degree recipients at the time of the ceremony.
DOCTORS OF EDUCATION

Wendy Arlene DuBois - Ozark, AL
Instructional Leadership
Dissertation: Climate Control: Does Caring Really Matter?
Dissertation Director: Dr. Stephen Tomlinson

Lisa Eilting Gibbs - Birmingham, AL

Antoin Maury - Miami, FL  
Project: Interventions to Improve Diabetes Outcomes in a Homeless Population  
Project Director: Dr. Susan J. Appel

Ara J. Messamer - Piedmont, SC  
Project: Evaluation of Chronic Lung Disease and Surgical Retinopathy of Prematurity Outcomes After a Change to Bubble Continuous Positive Airway Pressure  
Project Director: Dr. Felicia G. Wood

Chrissie M. Middleton -Greens, SC  
Project: Improving Provider Screening and Prevention Education for Secondhand Smoke Exposure in Primary Care Settings  
Project Director: Dr. Debra P. Rhead

Cheryl L. Pullick - Bryan, TX  
Project: Hypertension Management in a Rural Free Clinic: A Quality Improvement Project  
Project Director: Dr. Gwendolyn L. Hooper

Lesley Pyma - Tucson, AZ  
Project: Improving Patient Flow and Provider Efficiency After Implementation of an Electronic Health Record: A Program Evaluation  
Project Director: Dr. Heather Carter-Templeton

Vanessa Rochelle Weaver - Spring, TX  
Project: Implementation and Evaluation of the Conversation App to Enhance Care of Patients with Diabetes  
Project Director: Dr. Gwendolyn L. Hooper

Eric R. Wood - Dunbar, MS  
Project: An Evaluation of Intranasal Dexmedetomidine and Pediatric Emergence Delirium After Ambulatory Surgery Under General Anesthesia: A Retrospective Study at a Community Hospital  
Project Director: Dr. Cassandra D. Ford

DOCTORS OF PHILOSOPHY

Mohammad Ammar Al-Zarrad - Tuscaloosa, AL  
Civil Engineering  
Dissertation: Multi-criteria Decision-making Model to Improve Linear Repetitive Projects Time-cost Trade-off in Uncertain Environment  
Dissertation Director: Dr. Gary E. Moynihan

Courtney Jones Andrews - Birmingham, AL  
Anthropology  
Dissertation: Culture's Role in Immigrant Health: How Cultural Consensus Shapes Diabetes and Depression Among Mexican Women in Alabama  
Dissertation Directors: Dr. Kathryn Oha and Dr. William W. Dresler

Koushik Araseethota Manjusrihava - Sunnyvale, CA  
Electrical Engineering  
Dissertation: Machine Learning Based Spectrum Decision in Cognitive Radio Networks  
Dissertation Director: Dr. Fei Hu

Richard Anthony Atnatt - Tidworth, United Kingdom  
Finance  
Dissertation: Three Essays On The VIX Index  
Dissertation Director: Dr. Robert L. Brooks
Fareed Bordbar - Tuscaloosa, AL
Educational Psychology
Dissertation Director: Dr. Aghbar Iran-nejad

Hawken Teague Brackett - Northport, AL
Instructional Leadership
Dissertation: An Ideal For Senior Student Affairs Officers: Phronetic Leadership.
Dissertation Director: Dr. E. Douglas McKnight

Qing Cao - Xining City, China
Materials Science
Dissertation Director: Dr. Laurentiu Nastac

Kelsey Chipperta - Tuscaloosa, AL
Psychology
Dissertation: The Role of Gender in Video Games.
Dissertation Director: Dr. Joann M. Barth

John Mark Coleman - Montgomery, AL
Instructional Leadership
Dissertation: Educator Communities of Practice on Twitter.
Dissertation Director: Dr. Margaret L. Rice

Susanna Kate Coleman - Greenville, AL
English
Dissertation: Professional Women's Fan Fiction as Literacy Practice and Online Community.
Dissertation Director: Dr. Amy L. Dayton

Juliette Jean Commodo Botokia - Northport, AL
Chemistry
Dissertation: Mass Spectrometry Studies of Peptides Cationised by Trivalent Metal Ions.
Dissertation Director: Dr. Carolyn J. Cassidy

Laura Elizabeth Connolly - Tuscaloosa, AL
Economics (CBE)
Dissertation: Three Essays on Labor Market Dynamics in Brazil.
Dissertation Directors: Dr. Paolo Parentino and Dr. Peter Brumme

John Benjamin Cook - Tuscaloosa, AL
Secondary Education
Dissertation Director: Dr. Marvin E. Latimer

Christopher Scott Corley - Chattanooga, TN
Computer Science (CIS)
Dissertation Director: Dr. Jeffrey C. Carver

Khanh Nguyen Dinh - Ho Chi Minh, Vietnam
Mathematics
Dissertation: Inexact Methods for the Chemical Master Equation with Constant or Time-Varying Propensities, and Application in Parameter Inference.
Dissertation Director: Dr. Roger B. Sidje

Sara Renee Finney - Tuscaloosa, AL
Romance Languages: Spanish
Dissertation Director: Dr. Isabelle Drewelow

Andrew Christian Fletcher - Mobile, AL
Political Science
Dissertation Director: Dr. Uta L. McShain

Mark Ryland Foley - Tuscaloosa, AL
History
Dissertation Director: Dr. Andrew Hugenh

Xuan He - Chengdu, China
Mathematics
Dissertation Director: Dr. Wei Zhu

Jacob Andrew Hester - Inlandale, AL
Political Science
Dissertation Director: Dr. Dana J. Patton

Zachary Mark Himmelberger - Manchester, NH
Psychology
Dissertation: The Acquisition of Survey Knowledge Across Repeated Exposures to a Novel Environment in Individuals with Down Syndrome.
Dissertation Director: Dr. Edward Merrill
Margaret Louise Holloway - Hoover, AL
   English
   Dissertation: "Hear My Voice": Stories of Black Women and Girls in a
   Historic Black Town,
   Dissertation Directors: Dr. Cassandra L. Smith and Dr. Michelle B. Robinson

Joshua Michael Jones - Hoover, AL
   Physics
   Dissertation: Dynamic Transport Measurements of VO₂ Thin Films
   Through the Metal-to-Insulator Transition,
   Dissertation Directors: Dr. Patrick A. LeClair and Dr. Tim Mewes

Michelle Andrea Jones - Columbia, SC
   Psychology
   Dissertation: Evaluating Volitional Control in Sexually Violent Predator
   Civil Commitment Trials,
   Dissertation Directors: Dr. Randall T. Salekin and Dr. Stanley L. Brodsky

Tyler M. Kaub - Rotonda West, FL
   Materials and Metallurgical Engineering
   Dissertation: The Influence of Solute Additions on Intrinsic Stress in
   Thin Films,
   Dissertation Director: Dr. Gregory E. Thompson

Emma Sophia Key - Madison, AL
   Social Work
   Dissertation: Healthcare Payer Type and HIV Health: A Retrospective Analysis
   Dissertation Director: Dr. Brenda D. Smith

Dakkyong Kim - Wyomissing, PA
   Chemistry
   Dissertation: Investigation of Protein-Protein Interactions in the SUP
   Pulley for Fm-8 Chuster Assembly in Eubacterium Coll,
   Dissertation Director: Dr. Patrick Prentom

Hanna Kim - Tuscaloosa, AL
   Biology
   Dissertation: Investigation of Environmental and Genetic Risk Factors in the
   Development of Parkinson's Disease Utilizing the Model Organism
   C. elegans,
   Dissertation Director: Dr. Kimberlee A. Caldwell

Chao Li - Tuscaloosa, AL
   Mechanical Engineering
   Dissertation: Multiscale Investigation on Surface Integrity and Performance
   of Metal Parts by Selective Laser Melting,
   Dissertation Director: Dr. Yubin Guo

John Clement Lightcap - Stapleton, AL
   Chemistry
   Dissertation: Observation and Electronic Properties of Reactive
   Intermediates from Measurements and Electronic Structure Calculations,
   Dissertation Director: Dr. David A. Dixon

Sijie Liu - Springfield, NJ
   Mathematics
   Dissertation: Development Interval and Non-Interval Methods for
   Solving Multi-Objective Optimization Problems,
   Dissertation Director: Dr. Min Sun

Christopher Earl McCoy - Tuscaloosa, AL
   Accounting
   Dissertation: Three Papers on Non-GAAP Earnings,
   Dissertation Director: Dr. Gary K. Taylor

Broxton Jake Miles - Alabaster, AL
   Physics
   Dissertation: Investigating the Effects of Progenitor Metallicity on Observable
   Features of Chandrasekhar Mass Type Ia Supernovae and Improving Detonation
   Models of Sub-Chandrasekhar Mass Type Ia Supernovae.
   Dissertation Director: Dr. Dean M. Townley

Alysa Marie Miller - Tuscaloosa, AL
   Romance Languages: Spanish
   Dissertation: Goal Setting and Its Influence on Achievement in the Spanish
   Language Classroom: Combining Second Language Acquisition, Achievement
   Goal Theory, and Goal Setting Theory.
   Dissertation Director: Dr. Bryan J. Koronkowski

Ronald Michael Moore - Ozark, AL
   Instructional Leadership
   Dissertation: High School Students' Expressions of Civic Identity: A
   Theoretical Analysis of Asynchronous Discussion Forums in an Online High
   School United States Government Course.
   Dissertation Director: Dr. Angela D. Berzon

Sujata Paharoy Norman - Alhambra, CA
   Special Education
   Dissertation: Improving Self-Regulation and Managing Behavior
   with Mindfulness Based Intervention,
   Dissertation Directors: Dr. James A. Sideris and Dr. Sara C. McDaniel

Katherine Johnson Penny - Lake View, AL
   Instructional Leadership
   Dissertation: Digital Native and Digital Immigrant Professors'
   Self-Assessments of Instructional Technology Usage in College Classrooms.
   Dissertation Director: Dr. Vivian H. Wright
Adam Hansen Petty - Tuscaloosa, AL
History
Dissertation: Virginia's Wilderness: Investigating the Landscape of War.
Dissertation Director: Dr. George C. Rable

Cathy Lynne Price - Dothanville, AL
Special Education
Dissertation: Using Constant Time Delay to Teach the Recognition of Functional Sight Words in Transition-Age Students with Significant Intellectual Disabilities.
Dissertation Directors: Dr. N. Kagodo Mutua and Dr. Sara C. McDaniel

Ginger Ellen Richards Richer - Trinity, AL
Secondary Education
Dissertation Director: Dr. Jeremy Zelkowski

Omar Leonardo Rodrigues - Huntsville, AL
Mechanical Engineering
Dissertation: Strain Rate and Temperature Dependence on the Constitutive Behavior of Advanced Structural Alloys for Aerospace Systems.
Dissertation Director: Dr. Paul Allison

Devon Elisabeth Romano - Northport, AL
Counselor Education
Dissertation Directors: Dr. John E. Lechman and Dr. Joy Burrham

Laura Andrea Sanders - Cottontdale, AL
Higher Education Administration
Dissertation: The Influence of Residential Curriculum on First-Year Residential Students in Higher Education.
Dissertation Director: Dr. Karri A. Holley

Chase J. Smith - Tuscaloosa, AL
Materials Science
Dissertation Director: Dr. Gregory B. Thompson

Lindsey Marie Smith - Birmingham, AL
Political Science
Dissertation Director: Dr. U. L. McKnight

Rebecca L. Noll Smith - Tuscaloosa, AL
Instructional Leadership
Dissertation: The Birth of "STEM" Crisis, Convergence, and the Confusion of Equity with Human Capital.
Dissertation Director: Dr. Stephen Tomlinson

Joseph Michael Szym - Tuscaloosa, AL
Biology
Dissertation Director: Dr. Ryan L. Barley

Sefadzi Tay Agbenu - Accra, Ghana
Chemistry
Dissertation: Characterization of the Carotenoid Cis-Bixin.
Dissertation Directors: Dr. Shane C. Street and Dr. Michael K. Bowman

Jana M. Thomas Coffman - Pleasant Hill, MO
Romance Languages
Dissertation: Bringing the Past to Life: The Effects of Historical Linguistics Instruction on Motivation, Enjoyment, and Identity in the Foreign Language Classroom.
Dissertation Director: Dr. Michael D. Picone

Steven Vincent Ulrich - Tuscaloosa, AL
Physics
Dissertation: Stokes Spectroscopy: The Development of a Novel Method to Acquire and Interpret Polarized Emission Spectra - Applications to Poly(O-Hexylthiophene) and P(NDI2OD-T2).
Dissertation Director: Dr. Paulo T. Araujo

Katherine M. Vinson - Madison, MS
Materials Science
Dissertation: Processing and Deformation Studies of High Temperature Ceramics.
Dissertation Director: Dr. Gregory B. Thompson

Yuan Wang - Richmond, KY
Communication and Information Sciences
Dissertation Director: Dr. William J. Gorenstein

Nyshvia White-Chapman - Theodore, AL
Social Work
Dissertation: Whos In, Whos Out: A Descriptive Analysis of Demographic and Contextual Factors Related to Labor Force Participation Among Older Adults.
Dissertation Director: Dr. Gordon MacNeil

Graduate School
Briana C. Whiteside - Tuscaloosa, AL
English
Dissertation Director: Dr. Trudier Harris

Fun Yang - Tuscaloosa, AL
Social Work
Dissertation: Immigration Status, Peer Victimization, and Negative Emotions as They Relate to Bullying Behavior Among School-Aged Children.
Dissertation Director: Dr. Laura M. Hopson

Sijia Zhang - Tuscaloosa, AL
Educational Administration Elementary Middle School
Dissertation: How Principal Leadership, Disciplinary Climate, and Parental Involvement Work Collectively as Predictors of Student Achievement and Their Perceptions on Reading.
Dissertation Directors: Dr. Roxanne M. Mitchell and Dr. Jingling Sun

Xuyang Zhou - Yizheng, China
Materials Science
Dissertation Director: Dr. Gregory B. Thompson
EDUCATIONAL SPECIALISTS

Priya Birdi - Charlotte, NC
Emily Mila Burditt - Remiguel, AL

**Alma Mater**

ALABAMA, LISTEN MOTHER
To our vows of love,
To thyself and to each other,
Faithful friends we'll prove.

CHORUS
Faithful, loyal firm and true
Heart bound to heart will beat.
Year by year, the ages through
Until in heaven we meet.

COLLEGE DAYS ARE SWIFTLY FLEETING.
Soon we'll leave thy halls
Ne'er to join another meeting
'Neath thy hallowed walls.

CHORUS

SO, FAREWELL, DEAR ALMA MATER
May thy name, we pray,
Be reverenced ever, pure and stainless
As it is today.
University of Alabama at Birmingham

Commencement

Saturday, August 12, 2017
Bartow Arena
Birmingham, Alabama
Please locate the nearest exit to your seating section. All lower level emergency exits are located on the North and South sides of the venue.
UNIVERSITY OF ALABAMA
AT
BIRMINGHAM

Commencement

SATURDAY, AUGUST 12, 2017
BARTOW ARENA
BIRMINGHAM, ALABAMA
TO OUR GUESTS

Welcome to the Summer 2017 Commencement of The University of Alabama at Birmingham. The pageantry of today's ceremony is the culmination and recognition of years of study, preparation, and achievement of our 68th class of graduates. We hope you find the ceremony both meaningful and memorable, as it reflects the combined efforts of the faculty, the staff, and, of course, our students and their families.

Commencement begins with the traditional academic procession. The graduates are led into the Bartow Arena by marshals who are faculty members in their respective college and schools. The faculty, headed by a distinguished group of emeriti professors, follow in order of academic rank and seniority. The last group to enter is the platform party led by the UAB Academic Mace (see page 11). The mace is carried by Heith Copes, Ph.D., Professor in the Department of Criminal Justice in the College of Arts and Sciences, the recipient of the 2017 Caroline P. and Charles W. Ireland Prize for Scholarly Distinction. The Commencement Marshal, Gregg M. Janowski, Ph.D., follows the UAB Academic Mace. Next are Ray L. Watts, M.D., President of The University of Alabama at Birmingham, members of The Board of Trustees of The University of Alabama System, and representatives from The University of Alabama System's Office. Other persons in the platform party include distinguished guests, as well as UAB senior administration and deans.

The audience is asked to stand as the procession enters the arena and to remain standing through the singing of the National Anthem.

President Watts closes the ceremony after all degrees have been awarded and the UAB Alma Mater has been sung. The audience is asked to stand and to remain standing for the recessional of the platform party. Family and friends are asked to meet the new alumni on the concourse or outside of Bartow Arena; they will not be allowed on the arena floor.

Commencement is a festive time for all of our honorees and their guests. Please refrain from loud celebration of your graduate since it detracts from the recognition of the following new alumni. Your cooperation is appreciated.
ORDER OF EXERCISES

Prelude ................................................................. UAB Brass Quintet

Rondeau (Mouret/King)
“March” from Second Suite in F (Holst/Sanbourn)
Triumphant March from Aida (Verdi/Holcombe)
A Nightingale Sang in Berkeley Square (Maschwitz/Sherwin/Gale)
Washington Post (Sousa/Holcombe)
George Cohan Medley (Cohan/Nagle)
The Thunderer (Sousa/Villanueva)

Processional .............................................. “Pomp and Circumstance” (Elgar)

(Please stand)

Platform Party Processional ......................... The Alabama Pipes & Drums

National Anthem ............................................. Madison Carter

Michele Kong, M.D., Associate Professor
School of Medicine
THE UNIVERSITY OF ALABAMA AT BIRMINGHAM

Since its inception in 1969, the University of Alabama at Birmingham (UAB) has earned international renown for its innovative academic programs, groundbreaking research and scholarship, and leading-edge patient care.

UAB receives more than $400 million annually in research grants and contracts and ranks in the top 10 among all public universities in funding from the National Institutes of Health. UAB has consistently been named to the President's Higher Education Community Service Honor Roll for its local and global outreach efforts.

With 23,000 employees, UAB is the largest single-site employer in the state of Alabama with an annual state economic impact of more than $5 billion. Due to its growing and increasingly residential campus in the heart of a vibrant and diverse community, the university offers unparalleled opportunities for teaching, research, scholarship, and service. The campus consists of more than 150 buildings spread over 100 city blocks within walking distance of downtown Birmingham.

UAB offers undergraduates opportunities to participate in leading edge, closely mentored research through such innovative academic programs as the Undergraduate Neuroscience Program and majors in Public Health and Biomedical Sciences. A new B.A. degree in Computer and Information Sciences was launched in fall 2016, and new bachelor's degrees in Immunology and Genetics and Genomic Science will begin in fall 2017.

The UAB Honors College provides enhanced experiential learning opportunities to more than 1,250 high-ability undergraduates. In the 2018 U.S. News & World Report “Best Graduate Schools” rankings, UAB has 10 programs in the top 25, including a master's in health administration that ranks 2nd in the nation.

UAB is home to the largest hospital in Alabama and the 3rd largest public hospital in the U.S. and has more than 1 million patient visits annually. UAB also houses the state's only level 1 adult trauma center and the only National Cancer Institute-designated Comprehensive Cancer Center in Alabama and a five-state region. The Comprehensive Transplant Institute, which has performed the second most kidney transplants in the history of medicine, is currently conducting the longest-ever kidney transplant chain at a single site.

UAB continues to attract the best and brightest students from Alabama, the nation, and nearly 100 countries around the world. In fall 2016, the university enrolled its largest-ever freshman class, with an average ACT of 24.9 and a GPA of 3.65, along with a record 19,535 students overall.
UAB ALMA MATER

The UAB Alma Mater was composed by Birmingham native David McNeeley in 2003. A competition was held, and a committee comprising UAB faculty, administrators, students, and alumni selected it from numerous submissions. The Alma Mater expresses the unifying sentiments of pride, respect, and cherished memories for the university.

Here in Alabama, a place of rich diversity, stands our Alma-

Ma - ter. We cherish her in - te - gri - ty. May each loy - al son and daugh - ter wear

proud - ly the col - ors green and gold. Praise to thee our U. A. B. Her hon - or we up -

hold. Yearn - ing minds of age and youth live and love her nob - le truth.

Mov - ing a - head with blaz - ing speed t'wards know - ledge to em -

pow'r, in the heart of Bir - m ing - ham our U. A. B. stands proud.
THE ACADEMIC COSTUME

The custom of wearing academic caps, gowns, and hoods can be traced to the twelfth century. At that time both men and women wore long, full, flowing robes. This mode of dress gradually changed so that by the end of the seventeenth century only legal and official personages wore gowns. However, certain guilds and universities established the tradition of wearing prescribed apparel. In the universities, the details of the dress distinguished different degrees of learning and the faculty. In the United States, as a result of our English heritage, caps and gowns have been used from colonial times, especially at our older universities such as Columbia (King’s College), New York University, University of Pennsylvania, Bryn Mawr, Yale, and others. Around 1885 there was a widespread student movement to wear caps and gowns at commencement. The faculties approved this dignified graduation dress and soon adopted the custom of wearing gowns at academic ceremonies.

In 1895, the Intercollegiate Commission presented American institutions of higher learning the Intercollegiate Code. This code regulated the design of gowns and hoods as well as the colors and materials to be used. The code was subsequently adopted by more than 95 percent of U.S. colleges and universities. It has given America an impressive but simple method of signifying scholastic honors.

The code provides for three types of gowns. The gown for the bachelor’s degree is made of green material and has long pointed sleeves. The gown for the master’s degree is made with an oblong sleeve open at the wrist. The rear part of this oblong shape is square cut and the front part has an arc cut away. The gown for the doctor’s degree has bell-shaped sleeves. It is faced with velvet and has three bars of velvet on each sleeve. The color of the velvet trim may be black or the same color as the velvet which edges the gown.

The green oxford or mortarboard-style cap is worn for all degrees, but only the doctor’s cap may be made of velvet and have a gold tassel.

The hood is the most important and distinctive feature of the American code. An understanding of the system makes it possible to distinguish readily bachelor’s, master’s, and doctor’s hoods and to recognize the university which gave the degree. The doctor’s hood is four feet in length and made with a wide panel. The master’s and bachelor’s hoods are three and one-half and three feet in length, respectively. They are made of black cloth and are lined with silk in the official academic colors of the institution which conferred the degree. The hoods worn by graduates of The University of Alabama at Birmingham are lined in green silk with a gold chevron. The trim of all hoods is velvet, two inches, three inches, and five inches wide for bachelor’s, master’s, and doctor’s degrees, respectively. The color of the velvet trim indicates the discipline or faculty to which the degree pertains. Each discipline has been assigned a different color by the Intercollegiate Code. The following is a list of colors assigned to several of the disciplines within The University of Alabama at Birmingham.

A few years ago some Ivy League colleges approved the wearing of gowns which were not black but the official school colors. This trend has expanded so that currently many colleges and universities have adopted special colored gowns. The members of The Board of Trustees of The University of Alabama system wear a green gown with gold trim at The University of Alabama at Birmingham academic ceremonies. Colored gowns worn by many faculty identify the doctoral degrees of many American and foreign universities.
THE CEREMONIAL ACADEMIC MACE

The ceremonial academic mace appeared in European universities during the fourteenth century and represented the amalgamation of two much older staff-like devices of similar length and shape. These were the regal scepter and the medieval battle mace. Kings throughout history have carried scepters as insignia of the lawful authority of just rulers. The battle mace was first used by medieval princes as an effective hand weapon in combat.

In the fourteenth century, the royal scepter and the battle mace were combined to produce the ceremonial academic mace. It was carried before royalty, mayors of cities, and chief officers of the medieval universities.

In modern times, the mace is used on ceremonial occasions in the life of the university. In commencement exercises, the mace specifically indicates the authority of the university president to award degrees. The mace immediately precedes the presidential party in the ceremonial procession. The mace is carried by Heith Copes, Ph.D., Professor in the Department of Criminal Justice in the College of Arts and Science, the recipient of the 2017 Caroline P. and Charles W. Ireland Prize for Scholarly Distinction.

The UAB mace is fashioned in three metals: brass, bronze, and stainless steel. The use of these metals—especially the stainless steel—is intended to signify Birmingham’s traditional role as an iron and steel producing center.

At the lower end of the mace are three medallions of enamel on copper. One medallion bears the image of the lamp of knowledge. Another bears the traditional symbol of the physician, the Caduceus (Aesculapius, Greco-Roman god of medicine, was embodied at the temple of Kos as a statue holding a serpent, a symbol of long life, healing, and knowledge. A staff and a second serpent were added later to form the Caduceus). The third medallion is the UAB logo in gold on a green enamel background with a red enamel glow on the collar to symbolize the molten metal characteristic of old Birmingham and its blast furnaces.

The UAB mace and its holder were commissioned, designed, and executed in 1989 by the noted Alabama sculptor, Cordray Parker, with the help of Heidi J. Bowman on the enameled medallions. The mace was made possible through the generosity of the late Samuel B. Barker, Ph.D., and his late wife, Justine. Dr. Barker, distinguished professor emeritus and dean emeritus of UAB, was the first dean of the UAB Graduate School and a leading patron of the arts in Birmingham.
THE ACADEMIC GONFALONS

The academic gonfalons, or banners, are carried in the procession by honor students from each school who lead their fellow students to their seats in the arena. The gonfalons feature the UAB logo, the university seal and the name of the schools in white on a background of black, in keeping with the traditional black academic gowns worn by students and faculty. Each gonfalon also features a border of the school’s academic color, which is repeated across the entire back of the banner. The exception is the UAB gonfalon, which features white letters on a green background, bordered and backed in gold, denoting UAB’s official colors.

THE UAB PRESIDENT’S MEDAL

The UAB President’s Medal is designed to recognize individuals who have attained scholarly distinction and/or have rendered distinguished service to UAB. Recipients are selected by the President of UAB upon the advice and recommendation of senior university officials. Selection as the recipient of this medal is one of the highest honors bestowed by UAB.

The award is comprised of an antique brass medallion and plaque, suitably inscribed, mounted in a cherry stand. The UAB President’s Medal is awarded at a commencement ceremony.

PAST RECIPIENTS OF THE UAB PRESIDENT’S MEDAL

1985—J. Durwood Bradley, M.D.
1986—B. Gene Bartow
1986—Janet Redman Hill
1987—Peter Garthwaite Smith
1988—Max D. Cooper, M.D.
1989—James Hatcher
1990—Fred W. Sington
1991—Samuel B. Barker, Ph.D.
1992—Juan M. Navia, Ph.D.
1993—Albert F. LoBuglio, M.D.
1994—Aaron L. Lamar, Jr., Ed.D.
1995—George N. Mickwee
1996—William A. Sibley, Ph.D.
1997—Linda Flaherty-Goldsmith
1998—Odessa Woolfolk
1999—James A. Garland
2000—A. D. Pacifico, M.D.
2001—John N. Whitaker, M.D.
2002—Ada W. Long, Ph.D.
2003—Julian Watts Banton
2003—T. Michael Goodrich
2003—Margaret M. Porter
2004—William James Koopman, M.D.
2005—Rachel Z. Booth, Ph.D., R.N.
2005—John M. Lyons, Ph.D.
2006—Virginia D. Gauld, Ph.D.
2006—Ina Branham Leonard, J.D.
2007—Richard J. Whitley, M.D.
2008—Basil I. Hirschowitz, M.D.
2009—Malcolm Portera, Ph.D.
2010—Michael S. Saag, M.D.
2011—George Howard, Dr.P.H.
2012—Louise T. Chow, Ph.D.
2012—John J. McMahon, Jr.
2013—Sergio Stagno, M.D.
2015—Charles A. Collat, Sr.
2015—Wayne H. Finley, Ph.D., M.D.
2016—Kirby I. Bland, M.D.
2017—Hatton C. V. Smith

UAB NATIONAL ALUMNI SOCIETY
DISTINGUISHED ALUMNUS AWARD

The UAB National Alumni Society Distinguished Alumnus Award recognizes and honors a graduate of UAB who has made significant contributions to the Society and whose accomplishments and career have brought great credit to The University of Alabama at Birmingham. The honoree must hold an earned degree or certificate from UAB, be a member in good standing of the UAB National Alumni Society, and have demonstrated a continuing interest in UAB.

The recipient for the award is selected by the Board of Directors of the UAB National Alumni Society based on recommendations and nominations from the UAB administration, members of the National Alumni Society, and other groups associated with UAB.

PAST RECIPIENTS OF THE
UAB NATIONAL ALUMNI SOCIETY
DISTINGUISHED ALUMNUS AWARD

1991—Lawrence J. DeLucas, O.D., Ph.D.
1992—Richard M. Scrushy
1993—Helene Griffin Robertson
1994—William L. Roper, M.D.
1995—James H. Woodward, Ph.D.
1996—Kenneth L. Jackson
1997—Charles A. McCallum, D.M.D., M.D.
1998—Martha Warren Bidez, Ph.D.
1999—Jean A. Jacobs Kelley, Ed.D.
2000—Robert C. Chapman
2001—Tommie G. Cummings
2002—Michael E. Stephens
2003—Gail H. Cassell, Ph.D.
2004—Marie L. O’Koren, Ed.D.
2005—Mary Lynne Capilouto, D.M.D.
2006—Albert J. Tully, Jr., M.D.
2007—Ray L. Watts, M.D.
2008—Julie Hanna
2009—Linda C. Lucas, Ph.D.
2010—Marquita Davis, Ph.D.
2011—Ann Harper Arrasmith
2012—Phyllis Norton DePiano
2013—Kathryn B. Freeland
2014—Lee Price, Major General (U.S. Army, Retired)
2015—Gillian A. Goodrich
2016—Will Ferniany, Ph.D.
Dear UAB Graduate,

Today, you join an ever-expanding network of Blazers who share a tremendous faithfulness and loyalty to our alma mater.

Your graduation is applauded and celebrated. Take time to reflect on the knowledge you have obtained at UAB and all of the personal and academic experiences that have been associated with your journey. As you receive your diploma and acknowledge its impact on your life, know also that your mark has been left on this incredible institution.

You can now take your place as part of an outstanding group of alumni. It is through our network of more than 120,000 alumni that UAB’s reputation continues to flourish.

In recognizing today’s achievement, the UAB National Alumni Society Board of Directors is pleased to present you with a UAB lapel pin to wear with pride as you maintain your relationship with your alma mater.

Don’t let commencement be your final connection to this great university. While your journey continues, the UAB National Alumni Society invites you to stay connected! Remaining engaged is simple:

- Follow us through our social media networks.
- Be active in a UAB National Alumni Society chapter.
- Continue to attend scholastic or sporting events.
- “Be seen in Green!”

As a passionate graduate of UAB, I invite you to stay involved with UAB and take advantage of the many events the University and the National Alumni Society provides its alumni. To learn more about the UAB National Alumni Society, please contact our office at 205.934.3555 or visit us online.

Congratulations on your graduation and best wishes on your next adventure!

Go Blazers!

Raymond Thompson, Ph.D.
President, UAB National Alumni Society
CANDIDATES FOR DEGREES

HONORS DESIGNATIONS

The University of Alabama at Birmingham awards degrees with special designations to students who have achieved meritorious scholastic standing. Honor designations for undergraduates are based on grades reported prior to the completion of spring semester and may not reflect all earned honors. The designations are as follows:

<table>
<thead>
<tr>
<th>Designation</th>
<th>Grade Point Average</th>
</tr>
</thead>
<tbody>
<tr>
<td>Summa Cum Laude</td>
<td>3.90 - 4.00</td>
</tr>
<tr>
<td>Magna Cum Laude</td>
<td>3.70 - 3.89</td>
</tr>
<tr>
<td>Cum Laude</td>
<td>3.50 - 3.69</td>
</tr>
</tbody>
</table>

An undergraduate student graduating with Summa, Magna, or Cum Laude honors is also accorded the privilege of wearing a gold honors cord.

The UAB Honors College brings together high-achieving intellectually curious students from all majors to form a close-knit community of emerging scholars. Honors students may follow a personalized curriculum or specialize in experiential learning (ELSP), global and community leadership (GCL), science and technology (STH), or interdisciplinary arts and sciences (UHP). Honor students are recognized with “distinguished honors” for earning 18 hours of honors credit and “high distinguished honors” for 30 or more hours of honors credits. Students completing honors requirements wear a white cord and a UAB Honors College medallion.

School of Dentistry – The “With Honors” designation indicates at least a B average, completion of an approved plan of study and research, and completion of a relevant thesis.

Schools of Medicine and Optometry – Honors are given to those in the upper ten percent of their class based on overall grade point average. The designation Magna Cum Laude and Summa Cum Laude are not routinely awarded. Any graduate receiving such a designation is outstanding in ability and performance.

Veterans who have served in the United States Armed Forces wear a red, white and blue cord.

ACADEMIC

This is a list of candidates for August 2017 graduation unless otherwise noted, prepared before final grades were reported, and inclusion therein does not constitute evidence of graduation.

Chair: Dr. John D. Mountz
William Barry Hillegass, Jr., (Biostatistics) ........................................................................ Columbiana
Dissertation: Comparative Performance and Clinical Utility of Indirect Treatment Comparison Estimators
Chair: Dr. Gary R. Cutter
Hanxiao Huang (Materials Engineering) ................................................................. Hefei, China
Dissertation: Viscosity and Morphology Modification of Length Sorted Single Walled Carbon Nanotubes in PIB Matrices
Chair: Dr. Daneesh Simien
Christina Helen Jagieloski (Medical Clinical Psychology) ......................................................... Chicago, IL
Dissertation: God Is Always There For Me: Spiritual Coping In Adolescents and Their Parents - A Qualitative Study
Chair: Dr. Sylvie Mrug
Kelsey Harris Jordan (Epidemiology) ................................................................................ Mobile
Dissertation: Alternative Methodological Approaches for Quantifying Dental Caries and Non-water Beverage Consumptions for the Improvement of Caries Risk Analyses in Children
Chair: Dr. Gerald McGwin Jr.
Caroline Leonczyk (Medical Clinical Psychology) ......................................................... Athens, GA
Dissertation: The Effectiveness and Feasibility of the PEERS®
School-Based Social Skills Intervention for Adolescents
with Social Difficulties
Co-Chair: Dr. Sarah O'Kelley
Co-Chair: Dr. Sylvie Mrug
Yan Li (Biostatistics) ........................................................................................................ Birmingham
Dissertation: Sample Size Re-Estimation for Two-Stage Confirmatory
Flexible Multi-Arm Trials with Normal and Binary
Outcomes
Chair: Dr. Jeffrey M. Szychowski
Seth T. Lirette (Biostatistics) ......................................................................................... Madison, MS
Dissertation: A Statistical Approach to Computed Tomography
Perfusion
Chair: Dr. Inmaculada B. Aban
Tami Mayes Long (Health Education/Promotion) .............................................................. Birmingham
Dissertation: Assessment of the Neonatal Intensive Care Unit's Work
Environment on Registered Nurses' Job Related Stress,
Perceived Stress, Resilience, and Coping
Chair: Dr. Larrell L. Wilkinson
Danielle Marie Lorch (Developmental Psychology) ......................................................... Hampshire, IL
Dissertation: The Effect of Retouched Media Images on Body
Dissatisfaction
Chair: Dr. Fred J. Biasini
Elizabeth Ma (Nutrition Sciences) .................................................................................. Palo Alto, CA
Dissertation: Circulating miRNAs and Human Insulin Resistance
Chair: Dr. W. Timothy Garvey
Justin Xavier Moore (Epidemiology) ................................................................................. Birmingham
Dissertation: The Association Between Cancer and Risk of Sepsis
Among Whites and Blacks in the REGARDS Cohort
Chair: Dr. Russell L. Griffin
Samuel Lawrence Conrad Moore (Physics) ...................................................................... Birmingham
Dissertation: Diamond-Based Sensors and Diamond Micro-Anvils for
Studies on Materials under Extreme Conditions
Chair: Dr. Yogesh K. Vohra
Regina Moses (Health Education/Promotion) .................................................................... Southside
Dissertation: Development of a Psychometrically Sound Instrument to
Assess Elementary Teachers' Beliefs About Movement Integration
Chair: Dr. Retta R. Evans
Josh Newson Muhammad (Nutrition Sciences) ................................................................. Birmingham
Dissertation: Diet, Exercise, and Healthy Aging in Persons with HIV
Chair: Dr. Jose Fernandez
Ajaya Neupane (Computer and Information Sciences) .................................................... Lumbini, Nepal
Dissertation: Neuro-Physiological Underpinnings of User-Centered Security
Chair: Dr. Nitesh Saxena
Jessica N. Nichols (Neurobiology; Cell, Molecular, and Developmental Biology
Theme) ......................................................................................................................... Mattoon, IL
Dissertation: Modeling Mild and Repeated Mild Traumatic Brain Injury
Induced Functional and Pathophysiological Alterations
Chair: Dr. Candace L. Floyd
Brian Omwena Makori Ogendi (Biochemistry and Molecular Genetics; Biochemistry, Structural, and Stem Cell Biology Theme) ............ Jacksonville

Dissertation: Evaluating Peripheral and Mucosal T cell Phenotypes of Chlamydia-Infected Women

Chair: Dr. William M. Geisler

William Opoku-Agyeman (Administration/Health Services) ....................... Uniontown, OH

Dissertation: Hospital Purchasing Alliance: Contextual Factors and Financial Performance

Chair: Dr. Robert Weech-Maldonado

Zackery E. Plyler (Biology) .................................................. Birmingham

Dissertation: CFTR SNP Accumulation in the Context of Evolutionary Fitness

Chair: Dr. Eric J. Sorscher

Taylor M. Roberge (Biology) .................................................. Birmingham

Dissertation: The Effects of Incubation Environment on the Phenotype of Hatchling Turtles: Implications for Ecology, Evolution, and Conservation

Chair: Dr. Thane Wibbels

Shannon Nicole Romano (Pharmacology and Toxicology; Microbiology Theme) ......... Birmingham

Dissertation: The G Protein-Coupled Estrogen Receptor (GPER) Mediates Estrogen-Induced Regulation of Heart Rate by Modulating Thyroid Hormone Levels in Zebrafish Embryos

Chair: Dr. Daniel A. Gorelick

Erica L. Schmidt (Medical Clinical Psychology) .................................... Brookings, SC

Dissertation: An Examination of the Neuropsychological Construct Executive Function and How it May be Impacted by Cognitive and Exercise Interventions

Co-Chair: Dr. Lesley Ross

Co-Chair: Dr. Virginia G. Bradley

Kimberly Ann Sharkins (Early Childhood Education) .................................. Birmingham

Chair: Dr. James R. Ernest

Brady Lynn Spencer (Microbiology; Pathobiology and Molecular Medicine Theme) .................. Bentonville, AR

Dissertation: O-acetyltransferase Functionality Mediates Pneumococcal Capsular Diversity

Chair: Dr. Moon Nahm

Sara Lynn Stone (Microbiology; Immunology Theme) .................................. Birmingham

Dissertation: A Novel Role for IFNg and T-bet in Directing B Cell Differentiation

Chair: Dr. Frances E. Lund

Sarah Katherine Sweatt (Nutrition Sciences) ............................................. Birmingham

Dissertation: Diabetes Risk in Women: Psychosocial and Lifestyle Determinants

Chair: Dr. Barbara Gower

Pauline A. Swiger (Nursing) .................................................. Universal City, TX

Dissertation: The Military Nursing Practice Environment's Association with Patient Outcomes

Chair: Dr. Patricia A. Patriclan
Eva Trinh (Developmental Psychology) ................................................................. Huntsville
Dissertation: Effects of a Cooking Program on Social Skills, Adaptive
Functioning, and Dietary Behavior of Adolescents with
Autism Spectrum Disorder
Chair: Dr. Fred J. Biasini
Timothy N. Trotter (Pathology; Pathobiology and Molecular Medicine Theme) ............ Daphne
Dissertation: The Role of Adipocytes and Osteocytes in Multiple
Myeloma Progression
Chair: Dr. Rosa A. Serra
Soumya Upadhyay (Administration/Health Services) .............................................. Pleasanton, CA
Dissertation: Patient Safety: Organizations, Culture, and Information
Technology
Chair: Dr. Robert Weech-Maldonado
Justin Pieter Van Beusecom (Pathology; Pathobiology and Molecular Medicine
Theme) ................................................................................................................. Canton, OH
Dissertation: The Functional Role of Toll-like Receptor 4 in the
Renal Microcirculation
Chair: Dr. Michelle V. Fanucchi
Beth Angela Walters (Microbiology) .......................................................................... Chicago, IL
Dissertation: The Role of Ribosomal Protein S25 in Non-canonical
Translation Initiation
Chair: Dr. David M. Bedwell
Clarissa Lynn Weaver (Chemistry) ............................................................................... Birmingham
Dissertation: Kinetic Mechanisms of ATP-Dependent Disaggregating
Motors Escherichia coli ClpB and Saccharomyces
cerevisiae Hsp104
Chair: Dr. Aaron L. Lucius
Chelsea Nicole Zimmerman (Neurobiology; Genetics, Genomics, and
Bioinformatics Theme) ......................................................................................... Willow Street, PA
Dissertation: Striatal Acetylcholine and Dopamine Modulation in a
Mouse Model of DYT1 Dystonia
Chair: Dr. David G. Standaert

SCHOOL OF EDUCATION
Lynn Kirkland, Ed.D., Interim Dean

DOCTOR OF EDUCATION

Larry Parker Haynes (Educational Leadership) .............................................................. Bessemer
Dissertation: Intervention Strategies That Support Middle
School Student Transitions to High School:
A Grounded Theory Study of Best Practices
Identified by Middle School Principals
Chair: Dr. D. Keith Gurley
SCHOOL OF HEALTH PROFESSIONS
Harold P. Jones, Ph.D., Dean

DOCTORS OF SCIENCE

Patrick D. Falvey (Administration/Health Services) ......................... Menomonee Falls, WI
Dissertation: The Effectiveness of Clinical Integration: The Relationship Between Evidence-Based Clinical Processes, In-network Utilization, and Clinical, Service and Efficiency Outcomes
Chair: Dr. Larry R. Hearld

Naof Faiz Saleem Al-Ansary (Administration/Health Services) .......... Dhahran, Saudi Arabia
Dissertation: The Effect of Cultural Competency Training Programs on Expatriate Nurses’ Levels of Cultural Competence in Saudi Arabia as Measured by the Inventory for Assessing the Process of Cultural Competence (IAPCC-R)
Chair: Dr. Robert Weech-Maldonado

Preston Mark Simmons (Administration/Health Services) ................. Snohomish, WA
Dissertation: A Comparative Multiyear Assessment of Care Utilization Between Existing and Newly Enrolled Medicaid Populations within Washington State
Chair: Dr. S. Robert Hernandez

Khanhuyen P. Vinh (Administration/Health Services) ..................... Bellaire, TX
Dissertation: The Effect of Hospitalists on Hospital Length of Stay
Chair: Dr. S. Robert Hernandez

SCHOOL OF PUBLIC HEALTH
Max Michael, III, M.D., Dean

DOCTORS OF PUBLIC HEALTH

Siddharth Jain (Outcomes Research Track) ........................................ Gwalior, India
Dissertation: Quality of Care and Racial Disparities in Head and Neck Cancer Treatment
Chair: Dr. Meredith L. Kilgore

Rongbing Xie (Outcomes Research Track) ........................................ Vestavia
Dissertation: Modeling Depression Treatment Strategies for Human Immunodeficiency Virus (HIV) Positive Patients
Co-Chair: Dr. Stephen Menemeyer
Co-Chair: Dr. Meredith L. Kilgore

SCHOOL OF NURSING
Doreen C. Harper, Ph.D., R.N., FAAN, Dean

DOCTORS OF NURSING PRACTICE

Tommie Renee Bass (Certified Registered Nurse Anesthetist) .............. Florence, MS
Scholarly Practice Project: Decreasing Same-day Surgery Cancellation Rates with a New Scheduling Protocol, Updated Website, and Use of a SMS
Chair: Dr. Todd Hicks

SCHOOL OF DENTISTRY
Michael S. Reddy, D.M.D., D.M.Sc, Dean

MASTERS OF SCIENCE

Watcharapong Aroonsang (Dentistry) ................................................................. Birmingham
Thesis: An In Vitro Evaluation of Abutment Design for Anterior Zirconia Resin Bonded Restorations
Chair: Dr. John O. Burgess
Jeffrey T. Hsu (Dentistry) ........................................................................................................... Birmingham
Thesis: A Prospective, Randomized Clinical Trial to Compare
Free Gingival Graft and Connective Tissue Graft Around
Implants with a Lack of Keratinized Mucosa
Chair: Dr. Ramzi Abou-Arraj

Kayla Renee King (Dentistry) ..................................................................................................... Trussville
Thesis: Osteoblast and Chondrocyte Specific Contribution of the
Runx2 Gene During the Development of Cleidocranial
Dysplasia
Chair: Dr. Amjad Javed

Pragya Sharma (Dentistry) ........................................................................................................... Fort Wayne, IN
Thesis: Comparison of Bone Augmentation Techniques in
Extraction Sockets: A Soft and Hard Tissue Wound
Healing Analysis
Chair: Dr. Nicolaas Geurs

Thomas E. Washington (Construction Engineering Management) ............................... Warrior
James Tipton Windham (Construction Engineering Management) ............................... Baton Rouge, LA
Daniel L. Wright (Construction Engineering Management) .............................................. Kaysville, UT
John Amoofa Yankson (Construction Engineering Management) ................................. Lawrenceville, GA

MASTERS OF SCIENCE IN BIOMEDICAL ENGINEERING

Anthony Dean Bowman ......................................................... Huntsville
Thesis: Alpha Rhythm and the Default Mode Network: An EEG/fMRI Study
Chair: Dr. Jerzy P. Szaflarski
Ryan Doud ................................................................................. Mims, FL
Thesis: Nanoindentation Properties of Newly Formed Bone Surrounding Dental Implants Treated with E7-Modified rBMP-2 Peptides
Chair: Dr. Alan W. Eberhardt
Ashleigh Reanne Hood .................................................................... Cantonment, FL
Thesis: Electrophysiological Dynamics and Underlying Mechanisms of Long Duration Ventricular Fibrillation
Chair: Dr. Steven M. Pogwizd

38
MASTERS OF SCIENCE IN ELECTRICAL ENGINEERING

Abdullah Alghamdi ........................................................................................................... Jeddah, Saudi Arabia
Thesis: Constant PV Output by Using Dual Converters for DC Application
Chair: Dr. Mohammed R. Haider

Shardul H. Modi ............................................................................................................... Monroeville
Thesis: A Self-Powered Foot Mapping Trail by Using Piezoelectric Effect
Chair: Dr. Mohammed R. Haider

S.M. Mehedee Parvez ....................................................................................................... Bagerhat, Bangladesh
Thesis: Lowcost Inkjet-Printed Flexible Circuit for Gas Sensing
Chair: Dr. Mohammad R. Haider

Vamsi Pennetsa ............................................................................................................... Visakhapatnam, India
Thesis: Design of an Engineering STEM Training Toolkit
Chair: Dr. Karthikeyan Lingusubramanian

Venkatadri Raparla .......................................................................................................... Eluru, India
Thesis: A Mobile App Development Framework for Database Connectivity and High Level Services
Chair: Dr. Leon Jololian

Mohine Taarji .................................................................................................................. Birmingham
Thesis: Smart Home Automation Using Face Recognition for Personalization and Micro-Controller for Interfacing with Devices
Chair: Dr. Abidin Yildirim

Anthony Gerone Winchester ........................................................................................... Hoover

MASTER OF SCIENCE IN MATERIALS ENGINEERING

Aaron Tyler Kelley .......................................................................................................... Birmingham
Thesis: Microporosity Formation Analysis of Low-Lead and Lead-Free Copper Alloys
Chair: Dr. Charles A. Monroe

MASTER OF SCIENCE IN MECHANICAL ENGINEERING

Ogonga Gozie Ezeokoli .................................................................................................... Hoover

BACHELORS OF SCIENCE IN BIOMEDICAL ENGINEERING

Juan Antonio Castro Price, High Distinguished Honors in Science and Technology ....................................................... Madison
Eliana L. Henderson, Magna Cum Laude, High Distinguished Honors in Science and Technology ..................................... Duluth, GA
Zachary Koenig, Magna Cum Laude, High Distinguished Honors in Science and Technology ........................................ Madiso
Hemali Patel, Magna Cum Laude, High Distinguished Honors in Experiential Learning, With Honors in Biomedical Engineering Montgomery
Manik Reddy Thogaripally, Cum Laude ........................................................................... Vestavia Hills
Rick Harrington Watkins ............................................................................................... Birmingham
BACHELORS OF SCIENCE IN CIVIL ENGINEERING

Lee Allen Hargett, ................................................................. Warrior
Fabien Mondun ................................................................. Birmingham

BACHELORS OF SCIENCE IN MATERIALS ENGINEERING

William Matthew Medders, *Magna Cum Laude* ................................................. Birmingham
Mark Douglas Nelson ................................................................. Vestavia
Brandon Lee Wheeler ................................................................. Tupelo, MS

SCHOOL OF HEALTH PROFESSIONS

The Graduate School of
The University of Alabama at Birmingham

DOCTORAL HOODING
AND
COMMENCEMENT CEREMONY

August 12, 2017
12:00 p.m.
Alys Robinson Stephens Performing Arts Center
Birmingham, Alabama
TO OUR GUESTS

Welcome to the August 2017 Doctoral Hooding and Commencement Ceremony of the University of Alabama at Birmingham. We hope you find the ceremony both meaningful and memorable, as it reflects a culmination of the combined efforts of the doctoral candidates, faculty, and staff.

For the safety of our candidates, faculty, and professional photographer, no audience member is permitted in the aisles on either side of the candidates’ section or at the front of the stage during the ceremony.

We request that you refrain from loud expressions of pleasure for individual graduates. Such expressions detract from the recognition due the next graduate in line. Please turn off all cell phones and pagers before the ceremony begins.

Your cooperation is appreciated.
ORDER OF EXERCISES

Presiding .............................................. Lori McMahon, Ph.D.
                      Dean, Graduate School

Processional ........................................... "Trumpet Voluntary" (Clarke)
                      (Please stand)

Welcome .............................................. Dean McMahon
                      (Be seated)

Opening Remarks ...................................... Ray L. Watts, M.D.
                      President

Introduction ........................................... Pam Benoit, Ph.D.
                      Provost

Address ..................................................... Patricia A. Patrician, Ph.D.
                      Donna Brown Banton Endowed Professor
                      UAB School of Nursing

Doctoral Hooding ......................................... President Watts
                      Dean McMahon
                      Faculty Mentors

Recessional ................................................ "Trumpet Tune" (Purcell)
                      (Please stand)

Reader:

THE ACADEMIC COSTUME

The gowns and hoods worn today by UAB faculty and graduates have their origin in the 12th and 13th centuries when universities were first taking form. Most scholars of the time were also members of the clergy, where robes and hoods had long been recognized as a symbol of religious orders. It is possible, however, that the tradition of wearing robes and hoods was not so much a religious statement as it was a purely practical measure. Worship and early scholarly endeavors often took place in massive, unheated, stone buildings. Long gowns and hoods may have been simply the most efficient means of staying warm. In any case, as the academic world advanced and its connection to the church became less rigid, the wearing of gowns and hoods became associated more with academia than with religious orders.

In the days of Henry VIII, Oxford and Cambridge universities first began prescribing a specific academic dress, but it was not until the 1800s in the United States that the colors, shapes, and trimmings of gowns, hoods, and caps came to be associated with specific academic disciplines and levels of scholastic achievement.

Today the different shapes, lengths, and sleeve designs indicate the various levels of learning. The gown worn to indicate a bachelor’s degree has pointed sleeves and are untrimmed; the gown for the master’s degree has an oblong sleeve, square cut at the back with an arc cut away at the front, and is also untrimmed; the doctoral gown has bell shaped sleeves and is usually faced with black velvet and has three wide velvet bars across the sleeves. The velvet is sometimes the color distinctive to the discipline in which the degree was earned.

The Mortarboard

The origin of the flat square cap almost universally worn by high school and college graduates is obscure but most likely also evolved from clerical attire. The hat itself seems to have been in use for some time before it received the name by which it is currently known. The term mortarboard used in reference to the academic attire first appeared in print in a novel published in 1853.Apparently it was meant as an irreverent reference to its resemblance to the flat board on which bricklayers carry mortar. The black mortarboard-style cap can be worn for all degrees, but only the Doctor’s caps may be made of velvet and have a gold tassel.

The Tassel

Tassels are fastened to the middle point of the top of the cap and are black or the color appropriate to the academic area. Gold tassels always represent doctoral degrees. Graduates enter the commencement ceremonies with the tassel on the right side. It is moved to the left once the degree is conferred. Faculty wear the tassel to the left throughout the ceremony.

The Hood

The academic hood makes it possible to distinguish not only the level of degree the wearer has earned, but also the university that conferred the degree. The hood representing the Doctor’s degree is somewhat longer and has wider trim than those representing a Master’s degree. Both are lined with

1885k in the official academic
colors of the institution which conferred the degree and are trimmed in velvet in the color appropriate to the department to which the degree pertains. Today the hood is never actually worn on the head, but is worn draped over the shoulder and down the back so that the lining and trim can be easily seen.

Hoods worn by graduates of The University of Alabama at Birmingham are lined in green silk with a green and gold chevron. Colors assigned to the various doctoral disciplines are as follows:

<table>

THE CEREMONIAL ACADEMIC MACE

Kings throughout history have carried scepters to represent the lawful authority of just rulers. In medieval times, the battle mace was used by princes as an effective hand weapon in combat. In the fourteenth century, the royal scepter and the battle mace were combined to produce the ceremonial mace to be carried before royalty, mayors of cities, and chief officers to represent power and authority. In modern times, the mace is used on ceremonial occasions in the life of the university to indicate the authority of the university president to award degrees.

At today’s ceremony the mace is carried by Patricia A. Patrician, Ph.D., Donna Brown Banton Endowed Professor in the UAB School of Nursing. Dr. Patrician precedes the presidential party in the ceremonial procession.

The UAB mace is fashioned from brass, bronze, and stainless steel. The use of these metals signifies Birmingham’s traditional role as an iron and steel producing center. At the lower end of the mace are three medallions. One medallion bears the image of the lamp of knowledge. Another bears the traditional symbol of the physician, the Caduceus. The third medallion is the UAB logo in gold on a green enamel background. The red enamel design on the collar symbolizes the moten metal representative of old Birmingham and its blast furnaces.

The UAB mace was commissioned, designed, and executed in 1989 by noted Alabama sculptor Cordray Parker with the help of Heidi J. Bowman who designed the enameled medallions. The mace was made possible through the generosity of the late Samuel B. Barker, Ph.D., and his late wife, Justine. Dr. Barker, distinguished professor emeritus and dean emeritus of the University of Alabama at Birmingham, was the first dean of the UAB Graduate School and a leading patron of the arts in Birmingham. The University is most grateful for this significant addition to its ceremonial accoutrements.

UNIVERSITY OF ALABAMA
AT
BIRMINGHAM

Commencement

SATURDAY, DECEMBER 16, 2017
BARTOW ARENA
BIRMINGHAM, ALABAMA
TO OUR GUESTS

Welcome to the Fall 2017 Commencement of The University of Alabama at Birmingham. The pageantry of today’s ceremony is the culmination and recognition of years of study, preparation, and achievement of our 69th class of graduates. We hope you find the ceremony both meaningful and memorable, as it reflects the combined efforts of the faculty, the staff, and, of course, our students and their families.

Commencement begins with the traditional academic procession. The graduates are led into the Bartow Arena by marshals who are faculty members in their respective college and schools. The faculty, headed by a distinguished group of emeriti professors, follow in order of academic rank and seniority. The last group to enter is the platform party led by the UAB Academic Mace (see page 10). The mace is carried by Robert M. Centor, M.D., Professor Emeritus in the Division of General Internal Medicine in the Department of Medicine in the School of Medicine, the recipient of the 2016/2017 Ellen Gregg Ingalls/UAB National Alumni Society Award for Lifetime Achievement in Teaching. The Commencement Marshal, Gregg M. Janowski, Ph.D., follows the UAB Academic Mace. Next are Ray L. Watts, M.D., President of The University of Alabama at Birmingham, members of The Board of Trustees of The University of Alabama System, and representatives from The University of Alabama System’s Office. Other persons in the platform party include distinguished guests, as well as UAB senior administration and deans.

The audience is asked to stand as the procession enters the arena and to remain standing through the singing of the National Anthem.

President Watts closes the ceremony after all degrees have been awarded and the UAB Alma Mater has been sung. The audience is asked to stand and to remain standing for the recessional of the platform party. Family and friends are asked to meet the new alumni on the concourse or outside of Bartow Arena; they will not be allowed on the arena floor.

Commencement is a festive time for all of our honorees and their guests. Please refrain from loud celebration of your graduate since it detracts from the recognition of the following new alumni. Your cooperation is appreciated.
ORDER OF EXERCISES

Prelude .................................................. UAB Brass Quintet
   The Klaxon (Fillmore/Doughty)
   March from the Monteregian Hills (Calvert)
   Renaissance Dances (Susato/Iveson)
   Folk Song from Somerset (Vaughan-Williams/Villanueva)
   Divertimento (Mozart/Homzy)
   Contrapunctus IX (Bach/Glasel)
   The Easy Winners (Joplin/Frackenpohl)
   Bugler's Holiday (Anderson/Baldwing)
   St. Louis Blues (Handy/Holcombe)

Processional .......................... “Pomp and Circumstance” (Elgar)
   (Please stand)

Platform Party Processional ........................................... The Alabama Pipes & Drums

National Anthem .................................................. Ms. Rachael Anne Moore
   “The Star-Spangled Banner”
   (Remain standing)

Welcome .................................................. Ray L. Watts, M.D.
   President
   (Be seated)

Commencement Address ........................................... Blaire Alexander Landry

Conferral of Academic Degrees ................................... President Watts

UAB Alma Mater .................................................. Ms. Moore

Platform Party Recessional ........................................... The Alabama Pipes & Drums
   (Remain standing)

Commencement Marshals:
   Gregg M. Janowski, Ph.D.
   Cheryl Robinson, DSN
   Suzanne E. Judd, Ph.D.
   Donna J. Slovensky, Ph.D.
   Pamela E. Paustian, Ph.D.
   Dale A. Dickinson, Ph.D.
   Scott L. Phillips, Ph.D.
   Michael E. Sloane, Ph.D.

The Alabama Pipes & Drums
   Jim MacRae, Pipe Major

Bearer of the Academic Mace:
   Robert M. Centor, M.D.

Announcers:
   Paul Mosteller
   Joseph Cannon

UAB Brass Quintet:
   Dr. James Zingara, trumpet
   Dr. Steve Roberts, trumpet
   James Baker, horn
   Anthony Strickland, tuba
   Patrick Rutledge, trombone

Sign Language Interpreters:
   Paul Ellis
   Lin Fulton
The Board of Trustees of The University of Alabama

COMMUNITY SERVICE AWARD
Michele Kong, M.D., Associate Professor
School of Medicine
THE UNIVERSITY OF ALABAMA AT BIRMINGHAM

Since its inception in 1969, the University of Alabama at Birmingham (UAB) has earned international renown for its innovative academic programs, groundbreaking research and scholarship, and leading-edge patient care.

UAB receives more than $400 million annually in research grants and contracts and ranks in the top 10 among all public universities in funding from the National Institutes of Health. UAB has consistently been named to the President's Higher Education Community Service Honor Roll for its local and global outreach efforts.

With 23,000 employees, UAB is the largest single-site employer in the state of Alabama with an annual state economic impact of more than $7.1 billion. Due to its growing and increasingly residential campus in the heart of a vibrant and diverse community, the university offers unparalleled opportunities for teaching, research, scholarship, and service. The campus consists of more than 150 buildings spread over 100 city blocks within walking distance of downtown Birmingham.

UAB offers undergraduates opportunities to participate in closely mentored research through such innovative academic programs as the Undergraduate Neuroscience Program and majors in Public Health and Biomedical Sciences. New bachelor's degrees in Immunology and Genetics and Genomic Sciences began in fall 2017, and new programs in Bioinformatics (undergraduate) and Big Data (master's) have been approved.

The UAB Honors College provides enhanced experiential learning opportunities to more than 1,250 high-ability undergraduates. In the 2018 U.S. News & World Report "Best Graduate Schools" rankings, UAB has 10 programs in the top 25, including a master's in health administration that ranks 2nd in the nation.

UAB is home to the largest hospital in Alabama and one of the largest public hospitals in the U.S., with more than 1 million patient visits annually. UAB also houses the state's only level 1 adult trauma center and the only National Cancer Institute-designated Comprehensive Cancer Center in Alabama and a five-state region. The Comprehensive Transplant Institute, which has performed the second most kidney transplants in the history of medicine, is currently conducting the longest-ever kidney transplant chain at a single site.

UAB continues to attract the best and brightest students from Alabama, the nation, and more than 100 countries around the world. In fall 2017, the university enrolled its largest-ever freshman class, with an average ACT of 25.1 and a GPA of 3.66, along with a record 20,902 students overall.
UAB ALMA MATER

The UAB Alma Mater was composed by Birmingham native David McNeely in 2003. A competition was held, and a committee comprising UAB faculty, administrators, students, and alumni selected it from numerous submissions. The Alma Mater expresses the unifying sentiments of pride, respect, and cherished memories for the university.

Here in Alabama, a place of rich diversity, stands our Alma-

Ma-ter. We cherish her integri-ty. May each loyal son and daughterwear

proudly the colors green and gold. Praise to thee our U.A.B. Her honor we up-

hold. Yearning minds of age and youth live and love her noble truth.

Mov- ing a-head with blazing speed towards knowledge to em-

pow'r, in the heart of Bir- ming-ham our U.A.B. stands proud.
THE ACADEMIC COSTUME

The custom of wearing academic caps, gowns, and hoods can be traced to the twelfth century. At that time both men and women wore long, full, flowing robes. This mode of dress gradually changed so that by the end of the seventeenth century only legal and official personages wore gowns. However, certain guilds and universities established the tradition of wearing prescribed apparel. In the universities, the details of the dress distinguished different degrees of learning and the faculty. In the United States, as a result of our English heritage, caps and gowns have been used from colonial times, especially at our older universities such as Columbia (King’s College), New York University, University of Pennsylvania, Bryn Mawr, Yale, and others. Around 1885 there was a widespread student movement to wear caps and gowns at commencement. The faculties approved this dignified graduation dress and soon adopted the custom of wearing gowns at academic ceremonies.

In 1895, the Intercollegiate Commission presented American institutions of higher learning the Intercollegiate Code. This code regulated the design of gowns and hoods as well as the colors and materials to be used. The code was subsequently adopted by more than 95 percent of U.S. colleges and universities. It has given America an impressive but simple method of signifying scholastic honors.

The code provides for three types of gowns. The gown for the bachelor’s degree is made of green material and has long pointed sleeves. The gown for the master’s degree is made with an oblong sleeve open at the wrist. The rear part of this oblong shape is square cut and the front part has an arc cut away. The gown for the doctor’s degree has bell-shaped sleeves. It is faced with velvet and has three bars of velvet on each sleeve. The color of the velvet trim may be black or the same color as the velvet which edges the gown.

The green oxford or mortarboard-style cap is worn for all degrees, but only the doctor’s cap may be made of velvet and have a gold tassel.

The hood is the most important and distinctive feature of the American code. An understanding of the system makes it possible to distinguish readily bachelor’s, master’s, and doctor’s hoods and to recognize the university which gave the degree. The doctor’s hood is four feet in length and made with a wide panel. The master’s and bachelor’s hoods are three and one-half and three feet in length, respectively. They are made of black cloth and are lined with silk in the official academic colors of the institution which conferred the degree. The hoods worn by graduates of the University of Alabama at Birmingham are lined in green silk with a gold chevron. The trim of all hoods is velvet, two inches, three inches, and five inches wide for bachelor’s, master’s, and doctor’s degrees, respectively. The color of the velvet trim indicates the discipline or faculty to which the degree pertains. Each discipline has been assigned a different color by the Intercollegiate Code. The following is a list of colors assigned to several of the disciplines within The University of Alabama at Birmingham.

A few years ago some Ivy League colleges approved the wearing of gowns which were not black but the official school colors. This trend has expanded so that currently many colleges and universities have adopted special colored gowns. The members of The Board of Trustees of The University of Alabama system wear a green gown with gold trim at The University of Alabama at Birmingham academic ceremonies. Colored gowns worn by many faculty identify the doctoral degrees of many American and foreign universities.
THE CEREMONIAL ACADEMIC MACE

The ceremonial academic mace appeared in European universities during the fourteenth century and represented the amalgamation of two much older staff-like devices of similar length and shape. These were the regal scepter and the medieval battle mace. Kings throughout history have carried scepters as insignia of the lawful authority of just rulers. The battle mace was first used by medieval princes as an effective hand weapon in combat.

In the fourteenth century, the royal scepter and the battle mace were combined to produce the ceremonial academic mace. It was carried before royalty, mayors of cities, and chief officers of the medieval universities.

In modern times, the mace is used on ceremonial occasions in the life of the university. In commencement exercises, the mace specifically indicates the authority of the university president to award degrees. The mace immediately precedes the presidential party in the ceremonial procession. The mace is carried by Robert M. Centor, M.D., Professor Emeritus in the Division of General Internal Medicine in the Department of Medicine in the School of Medicine, the recipient of the 2016/2017 Ellen Gregg Ingalls/UAB National Alumni Society Award for Lifetime Achievement in Teaching.

The UAB mace is fashioned in three metals: brass, bronze, and stainless steel. The use of these metals--especially the stainless steel--is intended to signify Birmingham’s traditional role as an iron and steel producing center.

At the lower end of the mace are three medallions of enamel on copper. One medallion bears the image of the lamp of knowledge. Another bears the traditional symbol of the physician, the Caduceus (Aesculapius, Greco-Roman god of medicine, was embodied at the temple of Kos as a statue holding a serpent, a symbol of long life, healing, and knowledge. A staff and a second serpent were added later to form the Caduceus). The third medallion is the UAB logo in gold on a green enamel background with a red enamel glow on the collar to symbolize the molten metal characteristic of old Birmingham and its blast furnaces.

The UAB mace and its holder were commissioned, designed, and executed in 1989 by the noted Alabama sculptor, Cordray Parker, with the help of Heidi J. Bowman on the enameled medallions. The mace was made possible through the generosity of the late Samuel B. Barker, Ph.D., and his late wife, Justine. Dr. Barker, distinguished professor emeritus and dean emeritus of UAB, was the first dean of the UAB Graduate School and a leading patron of the arts in Birmingham.
THE ACADEMIC GONFALONS

The academic gonfalons, or banners, are carried in the procession by honor students from each school who lead their fellow students to their seats in the arena. The gonfalons feature the UAB logo, the university seal and the name of the schools in white on a background of black, in keeping with the traditional black academic gowns worn by students and faculty. Each gonfalon also features a border of the school’s academic color, which is repeated across the entire back of the banner. The exception is the UAB gonfalon, which features white letters on a green background, bordered and backed in gold, denoting UAB’s official colors.

THE UAB PRESIDENT’S MEDAL

The UAB President’s Medal is designed to recognize individuals who have attained scholarly distinction and/or have rendered distinguished service to UAB. Recipients are selected by the President of UAB upon the advice and recommendation of senior university officials. Selection as the recipient of this medal is one of the highest honors bestowed by UAB.

The award is comprised of an antique brass medallion and plaque, suitably inscribed, mounted in a cherry stand. The UAB President’s Medal is awarded at a commencement ceremony.

PAST RECIPIENTS OF THE
UAB PRESIDENT’S MEDAL

1985—J. Durwood Bradley, M.D.
1986—B. Gene Bartow
1986—Janet Redman Hill
1987—Peter Garthwaite Smith
1988—Max D. Cooper, M.D.
1989—James Hatcher
1990—Fred W. Sington

2017—Hatton C. V. Smith
UAB NATIONAL ALUMNI SOCIETY
DISTINGUISHED ALUMNUS AWARD

The UAB National Alumni Society Distinguished Alumnus Award recognizes and honors a graduate of UAB who has made significant contributions to the Society and whose accomplishments and career have brought great credit to The University of Alabama at Birmingham. The honoree must hold an earned degree or certificate from UAB, be a member in good standing of the UAB National Alumni Society, and have demonstrated a continuing interest in UAB.

The recipient for the award is selected by the Board of Directors of the UAB National Alumni Society based on recommendations and nominations from the UAB administration, members of the National Alumni Society, and other groups associated with UAB.

PAST RECIPIENTS OF THE
UAB NATIONAL ALUMNI SOCIETY
DISTINGUISHED ALUMNUS AWARD

1991—Lawrence J. DeLucas, O.D., Ph.D.
1992—Richard M. Scrushy
1993—Helene Griffin Robertson
1994—William L. Roper, M.D.
1995—James H. Woodward, Ph.D.
1996—Kenneth L. Jackson
1997—Charles A. McCallum, D.M.D., M.D.

Dear UAB Graduate,

Today, the hard work and dedication you have put into earning a degree culminates as you cross the stage and join the growing network of UAB alumni. On behalf of the UAB National Alumni Society, I would like to applaud you for this milestone.

As a graduate of this outstanding university, you join more than 120,000 others worldwide that are able to call the University of Alabama at Birmingham their alma mater. As you join this tremendous network of alumni, know that you have been equipped with an education that is globally recognized and is one that can give you a great sense of pride.

In recognition of your commencement ceremony, the National Alumni Society Board of Directors has the honor of presenting you with a UAB lapel pin to wear with pride.

Do not let your relationship with UAB end today. I encourage you to stay connected with this fantastic university as you continue your journey.

- Download UABNow and stay on top of UAB news and events.
- Follow us through our social media channels.
- Join a UAB National Alumni Society chapter.
- Return to campus and continue to attend scholastic and sporting events.

One of the most important things to do as an alumnus is to stay connected. I invite you to stay involved and take advantage of what the University and the National Alumni Society provides. To learn more about the UAB National Alumni Society, please contact our office at 205-934-3555 or visit us online.

Welcome to the alumni family, I look forward to seeing where your journey goes next.

Go Blazers,

Mike Rowe
President, UAB National Alumni Society
CANDIDATES FOR DEGREES

HONORS DESIGNATIONS

The University of Alabama at Birmingham awards degrees with special designations to students who have achieved meritorious scholastic standing. Honor designations for undergraduates are based on grades reported prior to the completion of spring semester and may not reflect all earned honors. The designations are as follows:

<table>
<thead>
<tr>
<th>Designation</th>
<th>Grade Point Average (A=4.00)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Summa Cum Laude</td>
<td>3.90 - 4.00</td>
</tr>
<tr>
<td>Magna Cum Laude</td>
<td>3.70 - 3.89</td>
</tr>
<tr>
<td>Cum Laude</td>
<td>3.50 - 3.69</td>
</tr>
</tbody>
</table>

An undergraduate student graduating with Summa, Magna, or Cum Laude honors is also accorded the privilege of wearing a gold honors cord.

The UAB Honors College brings together high-achieving intellectually curious students from all majors to form a close-knit community of emerging scholars. Honors students may follow a personalized curriculum or specialize in experiential learning (ELSP), global and community leadership (GCL), science and technology (STH), or interdisciplinary arts and sciences (UHP). Honor students are recognized with “distinguished honors” for earning 18 hours of honors credit and “high distinguished honors” for 30 or more hours of honors credits. Students completing honors requirements wear a white cord and a UAB Honors College medallion.

School of Dentistry – The “With Honors” designation indicates at least a B average, completion of an approved plan of study and research, and completion of a relevant thesis.

Schools of Medicine and Optometry – Honors are given to those in the upper ten percent of their class based on overall grade point average. The designation Magna Cum Laude and Summa Cum Laude are not routinely awarded. Any graduate receiving such a designation is outstanding in ability and performance.

Veterans who have served in the United States Armed Forces wear a red, white and blue cord.

ACADEMIC

This is a list of candidates for December 2017 graduation unless otherwise noted, prepared before final grades were reported, and inclusion therein does not constitute evidence of graduation.
GRADUATE SCHOOL
Lori L. McMahon, Ph.D., Dean

DOCTORS OF PHILOSOPHY

Ivan V. Akhrymuk (Microbiology) .......................................................... Birmingham
  Dissertation: The Role of RIG-I and MDA5 in Alphavirus Replication
  Chair: Dr. Elena L. Frolova

Haley Danielle Albright (Genetics; Genetics, Genomics, and Bioinformatics
  Theme) .............................................................................................. Lexington
  Dissertation: Discovery of Genes with Roles in Metabolic Processes that Influence CLS in Saccharomyces cerevisiae
  Chair: Dr. John L. Hartman

Ryan Darrell Berry (Cell Biology; Cell, Molecular, and Developmental
  Biology Theme) ............................................................................. Lehi, UT
  Dissertation: Interplay of the Circadian Clock and Growth Hormone Signaling in the Heart
  Chair: Dr. Stuart J. Frank

Siddhartha Biswas (Materials Engineering) ........................................... Bagerhat, Bangladesh
  Dissertation: Acoustic Resonance Response of Cast Iron
  Chair: Dr. Charles A. Monroe

Nathaniel Benjamin Bone (Pathology; Pathobiology and Molecular Medicine
  Theme) ............................................................................................. Hoover
  Dissertation: Activation of AMPK to Diminish Sepsis-induced Lung Injury
  Chair: Dr. Kevin S. Harrod

Nathaniel Hudson Boyd (Cell Biology; Immunology Theme) .................... Birmingham
  Dissertation: Microenvironmental and Epigenetic Control of Glioma Pathogenesis
  Chair: Dr. Anita B. Hjelmeland

Alexander Wendell Bray (Pathology; Cancer Biology Theme) ..................... San Diego, CA
  Dissertation: The Impact of Mitochondrial Genetic Background on Development of Complex Multifactorial Diseases
  Chair: Dr. Scott W. Ballinger

Ryan Segler Cantor (Epidemiology) ....................................................... Birmingham
  Dissertation: The Evolving Landscape of Mechanical Circulatory Support in the United States: Observations from National Registries
  Chair: Dr. Gerald McGwin

Shameka LaRanda Cody (Nursing) ......................................................... Montgomery
  Dissertation: Improving Cognitive Predictors and Everyday Outcomes in Adults with HIV
  Chair: Dr. David E. Vance

Stephanie Ann McLin Cox (Vision Science) ............................................ Birmingham
  Dissertation: The Use of Functional Magnetic Resonance Imaging (fMRI) to Locate and Understand the Processing of Ocular Surface Sensations
  Chair: Dr. Jason J. Nichols
Michael Daniel (Biology) ................................................................. Alexander City
  Dissertation: Pterostilbene Inhibits the Progression of Breast Cancer Through the Down-regulation of the Human Telomerase Reverse Transcriptase (hTERT) and the Akt/mTOR/p70S6K Pathway
  Chair: Dr. Trygve Tollefsbol

Thomas Patrick DeRamus (Behavioral Neuroscience Psychology) ............................................. Irondale
  Dissertation: Connectivity of the Striatal Resting-state Networks in Autism Spectrum Disorder
  Chair: Dr. Rajesh Kumar Kana

Divya Devadasan (Biochemistry and Molecular Genetics; Pathobiology and Molecular Medicine Theme) .............................................. Chennai, India
  Dissertation: Optimizing the Non-ablative Conditioning Regimen for Bone Marrow Transplantation in a Murine Model of Sickle Cell Disease
  Chair: Dr. Frederick D. Goldman

Daniel F. DiToro (Pathology; Immunology Theme) ...................................................... Birmingham
  Dissertation: Factors Guiding CD4 T Cell Fate Bifurcations
  Chair: Dr. Casey T. Weaver

Terin E. Dupre (Vision Science) ................................................................. Luling, LA
  Dissertation: Oxygen Permeability (Dk) of Silicone-hydrogel Materials: Relationship with Water, Silicon, and Fluorine Contents
  Chair: Dr. William J. Benjamin

Alex M. Dussaq (Cell Biology; Pathobiology and Molecular Medicine Theme) .................................................... Reno, NV
  Dissertation: The Use of Web Computing to Solve Modern Data Problems in Science and Medicine
  Chair: Dr. Christopher D. Willey

Ronique N. Evans (Administration/Health Services) ..................................................... Birmingham
  Dissertation: Home Healthcare and Performance: Development and Application of a Typology for Home Health Agencies
  Chair: Dr. Robert Weech-Maldonado

Dominique Tresten Everett (Materials Engineering) .................................................. Hinesville, GA
  Dissertation: Fabrication and Characterization of a Composite Fibrous Construct with Photocatalytic Activity and Physical Adsorption Capabilities for Water Treatment Applications
  Chair: Dr. Vinoy Thomas

Romone Markel Fancy (Biomedical Engineering) .................................................... Ladson, SC
  Dissertation: Role of Calmodulin in Death Receptor 5-Mediated Apoptosis in Breast Cancer
  Chair: Dr. Yuhua Song

Suean Daimia Chantal Fontenard (Biochemistry and Molecular Genetics; Biochemistry, Structural, and Stem Cell Biology Theme) .................................. Saltibus, St. Lucia
  Dissertation: A Delicate Balancing Act: Curing Humanized Mouse Models of Cooley's Anemia by Reducing the Globin Chain Imbalance
  Chair: Dr. David Schneider
Mary Alana Gannon (Cell Biology; Genetics, Genomics, and Bioinformatics) .......................................................... Cedar Falls, IA
Dissertation: Reciprocal Regulation of the α2A Adrenergic Receptor and the Amyloid Precursor Protein
Chair: Dr. Qin Wang
Carrie Lee Spurlock Gardner (Nursing) .............................................................. Troy
Dissertation: Identification and Exploration of the Information Needs and Information-Seeking Behaviors of Medical-Surgical Nurses During Patient Care
Chair: Dr. Jacqueline Ann Moss
Jaleesa Marie Garth (Microbiology) ................................................................. Monroe, LA
Dissertation: Immunoregulation During Acute and Chronic Exposure to Aspergillus fumigatus
Chair: Dr. Lesley E. Smythies
Laura Ansley Graham (Epidemiology) ............................................................... Birmingham
Dissertation: Reducing Acute Cardiovascular Hospitalizations with a Weight Management Program (ReACH)
Chair: Dr. Emily B. Levitan
Nagendra Babu Gunti (Computer Engineering) ............................................... Andhra Pradesh, India
Dissertation: Low Trade-off Security Schemes to Detect and Neutralize Malicious Modifications in Nano-CMOS Based Integrated Circuits
Chair: Dr. Karthikeyan Lingasubramanian
Kelley Grace Hammond (Rehabilitation Science) ............................................ Memphis, TN
Dissertation: Type 1 Myofiber Grouping: Myofiber Phenotype and Implications for Muscle Performance in Older Adults and Parkinson Disease
Chair: Dr. Christopher P. Hurt
William Daniel Hancock (Cell Biology; Biochemistry, Structural, and Stem Cell Biology Theme) ...................................................... Ozark
Dissertation: Ca^2+ -Independent Phospholipase A_2 beta-derived Lipid Signals and Osteogenesis
Chair: Dr. Sasanka Ramanadh
Kathryn Yamamoto Henley (Rehabilitation Science) ....................................... Mountain Brook
Dissertation: Behavioral Markers of Supraspinal Pain in Clinically Relevant Models of Spinal Cord Injury
Co-Chair: Dr. Tapan Shirish Mehta
Co-Chair: Dr. Candace Floyd
Jamie Michelle Holloway (Rehabilitation Science) ......................................... Memphis, TN
Dissertation: Motor Abilities and Social Participation in Young Children with Autism Spectrum Disorder
Chair: Dr. Laura K. Vogtle
Byron W. Lai (Rehabilitation Science) .............................................................. South Pasadena, CA
Dissertation: Teleexercise for Increasing Physical Activity in People with Neurologic Disabilities
Chair: Dr. James Rimmer
Zhao Li (Civil Engineering) .............................................................. Qingdao, People’s Republic of China
Dissertation: Simulation of an Energy Conservation Approach for Modification of Air Conditioning System Employing Preheat Tanks and a Chilled Water Storage System
Chair: Dr. Robert W. Peters
Xiaoyu Liu (Biology) ..............................................................Qingzhou Shi, China
Dissertation: Molecular and Biochemical Characterization of
Cellular Stress Sensing Proteins GCN2 and
IRE1 in Arabidopsis thaliana Immune Responses
Chair: Dr. Karolina M. Mukhtar

Yuliang Liu (Biostatistics) ...............................................................Vestavia
Dissertation: Univariate Frailty Model for Competing Risks Data
Analysis
Co-Chair: Dr. Gary R. Cutter
Co-Chair: Dr. Charity J. Morgan

Samantha LaDonna Martin (Biology) ....................................................Chicago, IL
Dissertation: A Multi-modal Approach to Sulforaphane-mediated
Chemoprevention Using the Epigenetic Network
Chair: Dr. Trygve Tollefsbol

Jessica Sarah Merlin (Health Education/Promotion) ......................................Birmingham
Dissertation: Development and Pilot Testing of a
Behavioral Intervention for Chronic Pain
Tailored to Individuals with HIV
Chair: Dr. Susan L. Davies

Amanda Mohaimany-Aponte (Neurobiology; Pathobiology and Molecular
Medicine Theme). .................................................................Birmingham
Dissertation: Characterization of Spinal Cord Injury and Spinal
Cord Injury Induced Neuropathic Pain
Chair: Dr. Candace Floyd

Samuel Lawrence Conrad Moore (Physics) ..............................................Birmingham
Dissertation: Diamond-based Sensors and Diamond Micro-anvils
for Studies on Materials Under Extreme Conditions
Chair: Dr. Yogesh K. Vohra

Josh Newson Muhammad (Nutrition Sciences) .............................................Birmingham
Dissertation: Diet, Exercise, and Healthy Aging in Persons with HIV
Chair: Dr. Jose R. Fernandez

Rachael Marie Mumbower (Nursing) ..........................................................Northport
Dissertation: Sleep Following Traumatic Brain Injury: A
Qualitative Descriptive Study
Chair: Dr. Karen L. Heaton

Angela Nietz (Neurobiology; Neuroscience Theme) .....................................Maplewood, MN
Dissertation: Extrasynaptic Signaling to Interneuron Networks
Chair: Dr. Jacques Wadiche

Shahid Noor (Computer Science) ..........................................................Dhaka, Bangladesh
Dissertation: Towards Building an Efficient and Economical
Cloud System Using Mobile Infrastructure
Chair: Dr. Ragib Hasan

Shyam Panthi (Vision Science) ..............................................................Adguri, Nepal
Dissertation: Lipid Biomarkers and Pathway Identification for
Contact Lens Related Discomfort
Chair: Dr. Jason J. Nichols

Caitlin Northcutt Pope (Developmental Psychology) .........................................Wilmington, NC
Dissertation: Cognitive Correlates of Driving Behavior in Older
Adults with HIV
Chair: Dr. Despina Stavrinos
Ligaj Pradhan (Computer Science) ................................................................. Kathmandu, Nepal
Dissertation: Enhancing Collaborative Filtering-based Rating-prediction by Discovering and Incorporating User Concerns from User Reviews
Chair: Dr. Chengui Zhang

Hawley Christine Pruitt (Pathology; Cancer Biology Theme) ....................................... Kennett Square, PA
Dissertation: Elucidating the Physiologic and Prognostic Significance of N-Myc and STAT Interactor Using Models of Mammary Development and Metastasis
Chair: Dr. Rajeev S. Samant

Christopher David Radka (Pharmacology and Toxicology; Microbiology Theme) ....................... Birmingham
Dissertation: Structure/Function Studies of Yersinia pestis Metal Transport Systems
Chair: Dr. Stephen G. Aller

Kristen M. Reeder (Microbiology; Immunology Theme) .................................................. Bloomington, IN
Dissertation: Uncovering the Role of Common Gamma-chain Cytokines in Aspergillus fumigatus Associated Diseases
Chair: Dr. Lisa M. Schwiebert

Bryan C. Roessler (Cell Biology; Cell, Molecular, and Developmental Biology Theme) ................ Silverton, OR
Dissertation: Indirect Interactions Affect the Dynamics of Multidrug Resistance Proteins and Sortase A
Chair: Dr. Kevin L. Kirk

Deanna Delayne Rumble (Rehabilitation Science) ......................................................... Russellville
Dissertation: Relationship Between Walking Speed and Kinematic Trajectory Complexity in People with Poststroke Hemiparesis
Chair: Dr. David M. Morris

Elizabeth Yates Scribner (Applied Mathematics) .......................................................... Birmingham
Dissertation: Mathematical Modeling of Brain Tumors Advances Patient Care, Oncogenesis, and the Use of In Silico Clinical Trials
Chair: Dr. Hassan Fathallah-Shaykh

Anukul Taranath Sarojini Shenoy (Microbiology) .......................................................... Mumbai Maharashtra, India
Dissertation: Streptococcus pneumoniae in the Heart Subvert the Host Response Through Biofilm-mediated Resident Macrophage Killing
Chair: Dr. Carlos J. Orihuela

Fred Guarana De Oliveira Souza (Vision Science) ........................................................ Southside
Dissertation: The Eye as a Window to the Alzheimer’s Disease Brain
Chair: Dr. Christianne E. Strung

Kristi Lynn Stringer (Medical Sociology) ................................................................. Hoover
Dissertation: The Effects of HIV-related Stigma and Substance Abuse Stigma on Engagement in HIV Care: A Mixed Methods Investigation
Co-Chair: Dr. Elizabeth Baker
Co-Chair: Dr. Janet M. Turan
Tiffany Russell Thomas (Early Childhood Education) .......................................................... Hoover
Dissertation: Bullying is Not Just for the Playground: Teacher Experiences with Administrator Mistreatment in the Workplace and its Impact on Instruction
Chair: Dr. Lois M. Christensen
Brenna Alyssa Tucker (Chemistry) ................................................................. Highland Village, TX
Chair: Dr. Eugenia Kharlampieva
Falynn Cartmill Turley (Biostatistics) ................................................................. Jacksonville
Dissertation: Statistical Tests for Confounding
Chair: Dr. David T. Redden
Kristine Banzon Valenteros (Microbiology; Immunology Theme) ....................... Gold River, CA
Dissertation: CD8+ T Cell Responses to Persistent Murine Cytomegalovirus Infection of the CNS
Chair: Dr. William J. Britt
Kenneth Cline Walls, III (Interdisciplinary Engineering, Computational Engineering) ............................................. Trussville
Dissertation: An Improved Contact Method for Multi-material Eulerian Hydrocodes
Chair: Dr. David L. Littlefield
Jonathan L. Warren, Jr. (Nutrition Sciences) ..................................................... Fayetteville, NC
Dissertation: Acute and Chronic Regulation of Skeletal Muscle Mitochondrial Function
Co-Chair: Dr. Barbara Gower
Co-Chair: Dr. Gordon Fisher
Matthew T. Weaver (Biochemistry and Molecular Genetics; Cell, Molecular, and Developmental Biology Theme) ............... Marietta, GA
Dissertation: The Post-transcriptional Regulation of Autophagy by the 5'-3' mRNA Decay Pathway in Saccharomyces cerevisiae
Chair: Dr. David M. Bedwell

SCHOOL OF EDUCATION
Lynn Kirkland, Ed.D., Interim Dean

DOCTORS OF EDUCATION

Wanda Yvette Davis (Educational Leadership) ...................................................... Athens
Dissertation: A Qualitative Study of Leadership Practices Exhibited by Elementary Principals that Develop Leadership in Others
Chair: Dr. Gary B. Peters
Elizabeth Stephens Hales (Educational Leadership) ........................................ Decatur
Dissertation: The Process by Which Principals Implement Response to Intervention with English Learners
Chair: Dr. Gary B. Peters
### SCHOOL OF HEALTH PROFESSIONS
**Harold P. Jones, Ph.D., Dean**

**DOCTORS OF PHYSICAL THERAPY**

DOCTORS OF SCIENCE

Rita A. DiLeo (Administration/Health Services) .................................................. Scranton, PA
Dissertation: The Association Between Leader Designation in LGBT Healthcare Equality and Hospitals' Patient Experience Scores
Chair: Dr. Nancy M. Borkowski
Charles Vincent Hagood (Administration/Health Services) ............................... Goodlettsville, TN
Dissertation: The Relationship of Lean Implementation and Patient Satisfaction (HCAHPS) Scores in Acute Care Hospitals
Chair: Dr. Robert Hernandez
Phillip John Mazzuca (Administration/Health Services) ................................. Franklin, TN
Dissertation: The Effects of Nurse-Manager Relationships and Nurse-Physician Collaboration on Nurse Intent to Leave
Chair: Dr. Larry R. Heard
William A. Tuttle (Administration/Health Services) ........................................... Memphis, TN
Dissertation: An Analysis of the Relevance of US News and World Report Rankings on Admissions Outcomes and Student Placement of Graduate Programs in Healthcare Management
Chair: Dr. Stephen J. O'Connor

SCHOOL OF PUBLIC HEALTH
Peter M. Ginter, Ph.D., Interim Dean

DOCTORS OF PUBLIC HEALTH

Anne Elizabeth Brisendine (Maternal and Child Health) ...................................... Birmingham
Chair: Dr. Martha S. Wingate
Antionette Smith Epps (Health Care Organization and Policy) .......................... Big Rapids, MI
Dissertation: Public Hospital Conversions: A Question of Social Capital?
Co-Chair: Dr. Janet M. Bronstein
Co-Chair: Dr. David J. Becker
Rongbing Xie (Outcomes Research Track) ......................................................... Vestavia
Dissertation: Modeling Depression Treatment Strategies for Human Immunodeficiency Virus (HIV) Positive Patients
Chair: Dr. Meredith L. Kilgore
DOCTORS OF MEDICINE

David Michael Brown .......................................................... Huntsville, AL
  B.S., University of Alabama, 2011
Timothy Chase Childers ...................................................... Hamilton, AL
  B.S., University of Alabama, 2013
Keith Hamilton Do ............................................................. Montgomery, AL
  B.S.B.A., Auburn University at Montgomery, 2004
  M.B.A., Auburn University at Montgomery, 2009
  B.S., Auburn University at Montgomery, 2013
Chanda Le’rae Hall ............................................................ Killen, AL
  B.S., University of North Alabama, 2011
Carson Edward Moseley ...................................................... Greenville, AL
  B.S., Wake Forest University, 2009

Kevin Juncong Zhang ......................................................... Vestavia Hills, AL
  B.S., Auburn University, 2013

SCHOOL OF NURSING
Doreen C. Harper, Ph.D., R.N., FAAN, Dean

DOCTORS OF NURSING PRACTICE

Pamela Elizabeth Cosper (Executive Nurse Leadership) ........................................... Douglasville, GA
  Scholarly Practice Project: The Impact of Patient and Family
  Advisors on Critical Care Nurses' Caring Attitudes
  Chair: Dr. Jacqueline Moss
Amanda Lauren Flaherty (Nurse Practitioner) ......................................................... Clay
  Scholarly Practice Project: Improving ICU Delirium Monitoring in
  Acute Stroke Patients
  Chair: Dr. Carla Turner
Amanda B. Greene (Nurse Practitioner) ............................................................. Madison, MS
  Scholarly Practice Project: Prevalence of Pseudobulbar Affect
  (PBA) in the Multiple Sclerosis (MS) Population
  Chair: Dr. Rita Jablonski
Margaret Elizabeth Johnson (Nurse Practitioner) ........................................... Bigelow, AR
Scholarly Practice Project: CARA to CAPTA: Plans for the
Safe Care of Infants with Neonatal Abstinence
Syndrome (NAS)
Chair: Dr. Cheryl Robinson

Aretha Rena Mahan (Nurse Practitioner) ....................................................... Tuscaloosa
Scholarly Practice Project: Human Papilloma Virus Immunization:
Attitudes and Beliefs of Young College Age Women
Chair: Dr. Ashley Hodges

Grace Althea Mayne (Executive Nurse Leadership) .................................. Gainesville, FL
Scholarly Practice Project: Evaluating the Impact of Interdisciplinary
Rounds on Discharge Planning as Perceived by Staff
Nurses and Hospitals on One Medicine Unit
Chair: Dr. Cheryl Robinson

Paula S. Price (Nurse Practitioner) ............................................................... Demorest, GA
Scholarly Practice Project: Implementation of a Universal Protocol to
Promote Cervical Cancer Guideline Adherence in a
Rural Community Health Clinic in Georgia
Chair: Dr. Melanie Hallman

Margaret Anne Riley (Nurse Practitioner) ................................................... Brookhaven, GA
Scholarly Practice Project: Assessment of Gaps in Veteran Handoff
Process from the Atlanta Veterans Affairs Medical
Center (AVAMC) to Home Hospice
Chair: Dr. Richard Taylor

Andrew James Sullivan (Nurse Practitioner) ............................................. Satsuma
Scholarly Practice Project: Improving Physician and Advanced
Practice Provider Satisfaction by Implementing a
Rounding Communication Tool
Chair: Dr. Glenda Smith

Melinda Kaye Sutton-Griffin (Nurse Practitioner) ..................................... Union Grove
Scholarly Practice Project: Patient Belongings: Tracking Storing and
Securing from Admission to Discharge
Chair: Dr. Marisa Wilson

Carla Sabrina Bean Thomas (Nurse Practitioner) ..................................... Tuscaloosa
Scholarly Practice Project: Standing Orders Implementation to
Improve Non-emergent Hospital Visits
Chair: Dr. Cynthia Selleck

Josie Riley Tombrella (Nurse Practitioner) ................................................ Santa Fe, TX
Scholarly Practice Project: Increasing the Use of Pharmacogenetic
Testing as a Tool to Reduce Polypharmacy in
Long-Term Care Nursing Home Residents
Chair: Dr. Natalie Baker

Tracie Lyn White (Nurse Practitioner) ........................................................ Alexandria, KY
Scholarly Practice Project: Virtual Postoperative Visits for New
Ostomates
Chair: Dr. Jacqueline Moss

Tara Butler Wood (Nurse Practitioner) ...................................................... Birmingham
Scholarly Practice Project: Neonatal Abstinence Syndrome:
Planning for Safe Care
Chair: Dr. Cheryl Robinson
GRADUATE SCHOOL
Lori L. McMahon, Ph.D., Dean

MASTER OF SCIENCE IN BASIC MEDICAL SCIENCE

Sarah Bowhay .......................................................................................... Huntsville

GRADUATE CERTIFICATES

CIRTL (Center for the Integration of Research, Teaching, and Learning)
Melinda F. Clarke (Practitioner) ................................................................. Birmingham

Mentoring and Leadership
Mandy Biles .......................................................................................... Homewood
Magdalena Koczkowska ........................................................................ Birmingham
Kathryn M. Mergl .................................................................................. Chelsea

COLLEGE OF ARTS AND SCIENCES
Robert E. Palazzo, Ph.D., Dean

MASTERS OF ARTS

Pinar Cetinkaya Alp (Psychology) ............................................................ Golbasi, Turkey
Emily Brianne Collinsworth (Sociology) .................................................. Birmingham
Jennifer Danielle Glassford (English) ........................................................ Rainbow City

  Thesis:  Marine
  Chair:  Kerry Madden-Lunsford

Jamiila M. Ham (History) ........................................................................ Birmingham
Daniel Seth Harris (History) .................................................................... Sylacauga
Destiny Rain Hosmer (Communication Management) ........................ Enterprise
Jolanda L. Hudson (Sociology) ................................................................. Helena
Carolyn Miles Jennings (Communication Management) ....................... Riverside
Grace T. Larkin (History) ........................................................................ Arab
Lemonte Dewayne Long (Sociology) ........................................................ Birmingham
Wasan Manati (Anthropology of Peace and Human Rights) .................. Birmingham

  Thesis:  Life in War-torn Iraq
  Chair:  Dr. Loretta A. Cormier

Lindsey Buckner Mays (Communication Management) ......................... Helena
Kristen Jeannine McArthur (Art History) .................................................. Birmingham

  Thesis:  Female Somatic Spirituality in Post-Tridentine Art: 
  Rutilio Manetti’s St. Catherine of Siena Drinking from 
  the Side Wound of Christ
  Chair:  Dr. Noa Turel

Hilary Johnson Murrell (Communication Management) ......................... Birmingham
Amber Marley Andino Padilla (Sociology) .............................................. North Garden, VA
Bethany T. Stenger (Psychology) ............................................................... Huntsville

  Environment and Toddler Socioemotional 
  Development in First-time Teen Low Education and 
  Adult High and Low Education Mothers
  Chair:  Dr. Kristi C. Guest
Melissa Thye (Psychology) ................................................................. Estero, FL
Thesis: An Investigation of the Neurobiological Heterogeneity in Autism, ADHD, and Typical Development
Chair: Dr. Rajesh Kumar Kana
Jessica Lynn Valles (Sociology) ......................................................... Jacksonville, FL
Thesis: Familial Support and Mental Health Service Use: Differences Among First- and Second-generation Asian American and Latino Older Adults
Chair: Dr. Patricia Drentea

MASTERS OF PUBLIC ADMINISTRATION

Melanie Armstrong ................................................................. Leeds
Christina Bryant Blackmon ..................................................... Birmingham
David Lewis Kolawole Dada, II .................................................. Birmingham
Haley Dianne Ingrum ............................................................... Birmingham
Katherine Elizabeth Mazzara .................................................... Birmingham
Barbara Ann Miller ................................................................. Birmingham
Carolyn Rose Oliver ............................................................... Hoover
N. Hunter Simmons ............................................................... Glencoe
Christopher Terry Sykes ......................................................... Birmingham
Felicia Andrea Underwood ....................................................... Pleasant Grove

MASTERS OF SCIENCE

Parth Pravinkumar Bhagat (Computer Forensic Security Management, Cybercrime Investigation) ................................................................. Birmingham
Soumya Bhattacharya (Mathematics) ........................................... Agartala Tripura, India
Ashlyn Damaris Burch (Physics) .................................................... Loganville, GA
Rohan Ramesh Chaudhary (Computer Science) ........................... Mumbai, India
Bo-Chun Chen (Computer Science) ............................................... New Taipei City, Republic of China
Himanshu Chichghare (Computer Forensic Security Management, Cybercrime Investigation) ................................................................. Nagpur, India
Pradip Chitrakar (Computer Science) ........................................... Lalitpur, Nepal
Laura Jane Griffin (Mathematics) ................................................... Pinson
Hayden Michael Hamidi (Biology) .............................................. Gardendale
Trisha Danielle Handley (Mathematics) ....................................... Columbus, GA
Sumner Bently Harris (Physics) ................................................... Cleveland, GA
Syed Moaz Hasan (Computer Science) ...................................... Karachi, Pakistan
Tracey Glen Hastings (Physics) ................................................... Cleveland, GA
Marlee Hayes (Biology) ........................................................... Vestavia
Thesis: Evaluation of the Factors Influencing Feed Intake and Safety of the Variegated Sea Urchin 
Eustechirus variegatus
Chair: Dr. Stephen A. Watts
Dave Durell Hill (Computer Science) .......................................... Oxford
Stephen Farley Lavett (Computer Science) .................................. Alabaster
Andrew R. Lehe (Mathematics) .................................................. Homewood
Jeffrey W. McDonald (Chemistry) .............................................. Chattanooga, TN
Krish P. Moodbidri (Computer Science) ................................... Mumbai Maharashtra, India
John Stephen Nott (Mathematics) .............................................. Bentonia, MS
Jacob Adam Ramsey (Mathematics) .......................................... Northport
Matthew W. Rhoades (Physics) ................................................................. North Augusta, SC
Thesis: Pulsed Laser Deposition and Electrical Properties of
Zinc Selenide Based Thin Film Structures for
Integration with Mid-infrared Applications
Chair: Dr. Renato P. Camata
Brian Thacker (Computer Forensic Security Management, Cybercrime
Investigation) ...................................................................................... Homewood
Yan Wang (Computer Science) ................................................................ Birmingham
Muhammad Zohair (Computer Science) ................................................. Karachi, Pakistan

MASTERS OF SCIENCE IN CRIMINAL JUSTICE

Ryan Thomas Gough ................................................................. Spring Grove, IL
Seth U. Lewis .................................................................................. Pinson
Thesis: A Control Theory Examination of Reentry Program
Chair: Dr. Kathryn D. Morgan
Edward E. Seabron, Jr. ..................................................................... Demopolis

GRADUATE CERTIFICATES

Computer Forensics
Ryan Thomas Gough ........................................................................ Spring Grove, IL

BACHELORS OF ARTS

Clifton Jermaine Abraham, II (Art: Concentration in Art Studio) ................................................ Enterprise
Abigail Shea Adams (International Studies) Cum Laude ............................................. Cullman
Jantzen Arseeria Smith Alexander (English: Concentration in Professional
Writing and Public Discourse) ........................................................................ Birmingham
Roderick Leon Arrington, Jr. (Communication Studies: Concentration in
Communication Management) .................................................................... Birmingham
Ellen Elizabeth Banks (Art: Concentration in Art Studio) .................................... Hoover

Cheryl M. Barrett (Art: Concentration in Art Studio) ....................................... Birmingham
Catherine Bates (Political Science: Concentration in Comparative
Politics and International Relations) ......................................................... Birmingham
Joseph Baude (Theatre: Concentration in Pre-Professional Performance) ................ Birmingham
Ernestine Beverly (Sociology) .......................................................................... Birmingham
Kylen Binn (Communication Studies: Concentration in Communication
Management) ..................................................................................... Columbia, SC
Joshua Alan Bivins (Communication Studies: Concentration in
Communication Management) ................................................................ Hoover
Hannah E. Blackwood (English: Concentration in Creative Writing) ...................... Pelham
Ian Bondurant (English: Concentration in Creative Writing) ............................. Hoover
Rohit Borah (Political Science) With Honors in Political Science ......................... Florence
Angelika Boyd (Art: Concentration in Art Studio) ............................................ Birmingham
Javan Nathaniel Brooks (English: Concentration in Literature) ......................... Birmingham
Tabitha E. Brown (Foreign Languages: Concentration in Spanish) ..................... Helena
Taylor Morgan Bugg (Communication Studies: Concentration in
Communication Management) Magna Cum Laude ......................................... Gunterville
Joel Auston Burks (Music) ........................................................................ Cullman
David Hunter Camp (English: Concentration in Literature) ............................. Helena
Ashley Black Cannova (Music) ......................................................................................... Birmingham
Chad Michael Carroll (History) .......................................................................................... Moody
Madison E. Carter (Music: Concentration in Music Ed Vocal/Choral) High ..............................Warrior
Charles Anthony Cash, Jr. (Music) ...................................................................................... Kyle, TX
Azmeena A. Charania (English: Concentration in Literature) ............................................ Hoover
Jay Chisolm (Sociology) ........................................................................................................ Sterrett
Elizabeth Daye Choi (Art: Concentration in Art Studio) ...................................................... Hoover
Patrick Joseph Collopy (Art: Concentration in Art Studio) .................................................. Fort Thomas, KY
Uneik Crumbley (Communication Studies: Concentration in Communication Management) .................................................................................................................... Hoover
Claire Alise Culp (History) .................................................................................................. Mt. Olive
William Jon Dennison (Music: Concentration in Music Technology) ............................... Leeds
Ericka Desouza (Anthropology) Cum Laude ........................................................................ Alabaster
Dorcas Nagbalari Digha (International Studies) ...................................................................... Bayelsa, Nigeria
Trinity Sierra Dix (English: Concentration in Creative Writing) ........................................... Hueytown
Sharron D. Eatmon (Communication Studies: Concentration in Mass Comm-Broadcasting) .................................................................................................................. Birmingham
Joshua Lee Elliott (Philosophy) ............................................................................................. Birmingham
Martin Gregory Elston (Music: Concentration in Music Technology) ............................... Vestavia Hills

James Hubert Snapp (Construction Engineering Management) ..................................................... Chester, MD
Ernest Newton Sumrall (Information Engineering Management) .................................................... Huntsville, TX
Varun Vasudevan Pushpa (Design and Commercialization) ......................................................... Cochin, India
Bryson L. Williamson (Advanced Safety Engineering and Management) ....................................... Tuttle, OK
Eric H. Yeargain (Construction Engineering Management) ........................................................... Plantersville, TX
MASTER OF SCIENCE IN BIOMEDICAL ENGINEERING

Thomas Corlen Robertson

MASTER OF SCIENCE IN CIVIL ENGINEERING

Sunil Terdalkar (Transportation Engineering) ........................................... Highlands Ranch, CO
Thesis: Planning for Active Transportation on Urban Campuses
Chair: Dr. Virginia P. Sisiopiku

MASTER OF SCIENCE IN ELECTRICAL ENGINEERING

Mohammad Hassan S. Al-hefdi ...................................................................... Abha, Saudi Arabia
Meshaal Mohammad Alzohrah ........................................................................ Birmingham
Sunil Dhapola ..................................................................................................... Indore, India
Sudha Rani Kalapala ............................................................................................. Hyderabad, Telangana, India
Parth Patel ........................................................................................................... Moody
Rama Krishna Raju Rudraraju .............................................................................. West Godavari District, India
Thesis: A Methodology for Creating Domain-specific Frameworks for the Automatic Generation of Mobile Applications
Chair: Dr. Leon Jololian

MASTER OF SCIENCE IN MATERIALS ENGINEERING

Benjamin Matthew Geiger Willis ........................................................................ Bessemer
Marvin A. Muñoz Sanchez .................................................................................. Delicias, Mexico
Thesis: Characterization of Thermoplastics for Leaf Spring Application
Chair: Dr. Selvum Pillay
Amber Nicole Chapman Roy .................................................................................... Falkville
Reyes Baeza Rubio .................................................................................................. Delicias, Mexico
Thesis: Compression Molded E-glass and Epoxy Resin Composites for Light Automotive Leaf Spring Application
Chair: Dr. Selvum Pillay

MASTER OF SCIENCE IN MECHANICAL ENGINEERING

Hilarion F. Arong, Jr. (Research Design) ........................................................... Hoover
Thomas Henry Ballard........................................................................................... Hoover
Thesis: The Effects of Different Spinal Fusion Instrumentation on Thoracic Vertebrae: A Parametric Finite Element Study
Chair: Dr. Alan W. Eberhardt
Kyle Lee Cox (Research Design) ........................................................................... Zebulon, GA
Ogonna Gozie Ezeokoli (Engineering Management) ............................................ Hoover
Yang Li (Engineering Management) ...................................................................... Tuscaloosa
Andrew James Riley (Engineering Management) ............................................... Hoover

BACHELOR OF SCIENCE IN BIOMEDICAL ENGINEERING

Welles Richardson .................................................................................................. Fairhope
BACHELORS OF SCIENCE IN CIVIL ENGINEERING

Ebisidor Jeremiah Agherebi, With Honors in Civil Engineering ........................................... Hoover
Yasmeen Nabil Arafah, Summa Cum Laude ................................................................. Hoover
Micah James Baker, Cum Laude .................................................................................. Asheville
Matthew Laurence Blackstone ..................................................................................... Birmingham
Dakota C. Brodie .............................................................................................................. Birmingham
Chase Douglas, Magna Cum Laude ................................................................................. Vincent

DOCTORAL HOODING
AND
COMMENCEMENT CEREMONY

December 16, 2017
12:00 p.m.
Alys Robinson Stephens Performing Arts Center
Birmingham, Alabama
TO OUR GUESTS

Welcome to the December 2017 Doctoral Hooding and Commencement Ceremony of the University of Alabama at Birmingham. We hope you find the ceremony both meaningful and memorable, as it reflects a culmination of the combined efforts of the doctoral candidates, faculty, and staff.

For the safety of our candidates, faculty, and professional photographer, no audience member is permitted in the aisles on either side of the candidates’ section or at the front of the stage during the ceremony.

We request that you refrain from loud expressions of pleasure for individual graduates. Such expressions detract from the recognition due the next graduate in line. Please turn off all cell phones and pagers before the ceremony begins.

Your cooperation is appreciated.
ORDER OF EXERCISES

Presiding ............................................ Lori McMahon, Ph.D.
    Dean, Graduate School

Processional .................................... "Trumpet Voluntary" (Clarke)
    (Please stand)

Welcome .......................................... Dean McMahon
    (Be seated)

Opening Remarks ................................ Ray L. Watts, M.D.
    President

Introduction .................................... Pam Benoit, Ph.D.
    Provost

Address .......................................... Gary Cutter, Ph.D.
    Professor
    UAB School of Public Health

Doctoral Hooding ............................... President Watts
    Dean McMahon
    Faculty Mentors

Recessional ..................................... "Trumpet Tune" (Purcell)
    (Please stand)

Reader:
    Lee Shackleford, M.F.A.

Commencement Marshals:
    Lisa M. Schwiebert, Ph.D.
    Daniel C. Bullard, Ph.D.
    David Schneider, Ph.D.

Music provided by the Statford String Quartet

Bearer of the Academic Mace:
    Gary Cutter, Ph.D.

THE ACADEMIC COSTUME

The gowns and hoods worn today by UAB faculty and graduates have their origin in the 12th and 13th centuries when universities were first taking form. Most scholars of the time were also members of the clergy, where robes and hoods had long been recognized as a symbol of religious orders. It is possible, however, that the tradition of wearing robes and hoods was not so much a religious statement as it was a purely practical measure. Worship and early scholarly endeavors often took place in massive, unheated, stone buildings. Long gowns and hoods may have been simply the most efficient means of staying warm. In any case, as the academic world advanced and its connection to the church became less rigid, the wearing of gowns and hoods became associated more with academia than with religious orders.

In the days of Henry VIII, Oxford and Cambridge universities first began prescribing a specific academic dress, but it was not until the 1800s in the United States that the colors, shapes, and trimmings of gowns, hoods, and caps came to be associated with specific academic disciplines and levels of scholastic achievement.

Today the different shapes, lengths, and sleeve designs indicate the various levels of learning. The gown worn to indicate a bachelor’s degree has pointed sleeves and are untrimmed; the gown for the master’s degree has an oblong sleeve, square cut at the back with an arc cut away at the front, and is also untrimmed; the doctoral gown has bell shaped sleeves and is usually faced with black velvet and has three wide velvet bars across the sleeves. The velvet is sometimes the color distinctive to the discipline in which the degree was earned.

The Mortarboard

The origin of the flat square cap almost universally worn by high school and college graduates is obscure but most likely also evolved from clerical attire. The hat itself seems to have been in use for some time before it received the name by which it is currently known. The term mortarboard used in reference to the academic attire first appeared in print in a novel published in 1853. Apparently it was meant as an irreverent reference to its resemblance to the flat board on which bricklayers carry mortar. The black mortarboard-style cap can be worn for all degrees, but only the Doctor’s caps may be made of velvet and have a gold tassel.

The Tassel

Tassels are fastened to the middle point of the top of the cap and are black or the color appropriate to the academic area. Gold tassels always represent doctoral degrees. Graduates enter the commencement ceremonies with the tassel on the right side. It is moved to the left once the degree is conferred. Faculty wear the tassel to the left throughout the ceremony.

The Hood

The academic hood makes it possible to distinguish not only the level of degree the wearer has earned, but also the university that conferred the degree. The hood representing the Doctor’s degree is somewhat longer and has wider trim than those representing a Master’s degree. Both are lined with black in the official academic
colors of the institution which conferred the degree and are trimmed in velvet in the color appropriate to the department to which the degree pertains. Today the hood is never actually worn on the head, but is worn draped over the shoulder and down the back so that the lining and trim can be easily seen.

Hoods worn by graduates of The University of Alabama at Birmingham are lined in green silk with a green and gold chevron. Colors assigned to the various doctoral disciplines are as follows:

<table>
<thead>
<tr>
<th>Arts</th>
<th>White</th>
<th>Nursing</th>
<th>Apricot</th>

THE CEREMONIAL ACADEMIC MACE

Kings throughout history have carried scepters to represent the lawful authority of just rulers. In medieval times, the battle mace was used by princes as an effective hand weapon in combat. In the fourteenth century, the royal scepter and the battle mace were combined to produce the ceremonial mace to be carried before royalty, mayors of cities, and chief officers to represent power and authority. In modern times, the mace is used on ceremonial occasions in the life of the university to indicate the authority of the university president to award degrees.

At today’s ceremony the mace is carried by Gary Cutter, Ph.D., Professor of Biostatistics in the UAB School of Public Health. Dr. Cutter precedes the presidential party in the ceremonial procession.

The UAB mace is fashioned from brass, bronze, and stainless steel. The use of these metals signifies Birmingham’s traditional role as an iron and steel producing center. At the lower end of the mace are three medallions. One medallion bears the image of the lamp of knowledge. Another bears the traditional symbol of the physician, the Caduceus. The third medallion is the UAB logo in gold on a green enamel background. The red enamel design on the collar symbolizes the moten metal representative of old Birmingham and its blast furnaces.

The UAB mace was commissioned, designed, and executed in 1989 by noted Alabama sculptor Cordray Parker with the help of Heidi J. Bowman who designed the enameled medallions. The mace was made possible through the generosity of the late Samuel B. Barker, Ph.D., and his late wife, Justine. Dr. Barker, distinguished professor emeritus and dean emeritus of the University of Alabama at Birmingham, was the first dean of the UAB Graduate School and a leading patron of the arts in Birmingham. The University is most grateful for this significant addition to its ceremonial accoutrements.

Commencement

Saturday, April 29, 2017
Bartow Arena
Birmingham, Alabama
TO OUR GUESTS

Welcome to the Spring 2017 Commencement of The University of Alabama at Birmingham. The pageantry of today’s ceremony is the culmination and recognition of years of study, preparation, and achievement of our 67th class of graduates. We hope you find the ceremony both meaningful and memorable, as it reflects the combined efforts of the faculty, the staff, and, of course, our students and their families.

Commencement begins with the traditional academic procession. The graduates are led into the Bartow Arena by marshals who are faculty members in their respective college and schools. The faculty, headed by a distinguished group of emeriti professors, follow in order of academic rank and seniority. The last group to enter is the platform party led by the UAB Academic Mace (see page 11). The mace is carried by Karen M. Meneses, Ph.D., R.N., FAAN, Professor and Associate Dean for Research and Scholarship in the School of Nursing, the recipient of the 2016 Distinguished Faculty Lecturer Award. The Commencement Marshal, Gregg M. Janowski, Ph.D., follows the UAB Academic Mace. Next are Ray L. Watts, M.D., President of The University of Alabama at Birmingham, members of The Board of Trustees of The University of Alabama System, and representatives from The University of Alabama System’s Office. Other persons in the platform party include distinguished guests, as well as UAB senior administration and deans.

The audience is asked to stand as the procession enters the arena and to remain standing through the singing of the National Anthem.

President Watts closes the ceremony after all degrees have been awarded and the UAB Alma Mater has been sung. The audience is asked to stand and to remain standing for the recessional of the platform party. Family and friends are asked to meet the new alumni on the concourse or outside of Bartow Arena; they will not be allowed on the arena floor.

Commencement is a festive time for all of our honorees and their guests. Please refrain from loud celebration of your graduate since it detracts from the recognition of the following new alumni. Your cooperation is appreciated.
ORDER OF EXERCISES
(9:30 a.m. Ceremony)

Prelude ................................................................. UAB Wind Symphony
“Billboard March” (Khor)
“Second Suite in F” (Holst)
“Eternal Father, Strong to Save” (Smith)
“Europa” (Cichy)
“The Klaxon” (Fillmore)

Processional ........................................ “Pomp and Circumstance” (Elgar)
( Please stand)

Platform Party Processional ......................................................... The Alabama Pipes & Drums

National Anthem ...................................................................... Cindy Spellman
“The Star-Spangled Banner”
(Remain standing)

Welcome ............................................................................. Ray L. Watts, M.D.
( Be seated)
President

Presentation of the UAB President’s Medal ................................ President Watts

Commencement Addresses
Undergraduate ...................................................................... Charles Edward Coleman
Graduate ................................................................................ Rebekah Kummer

Conferral of Academic Degrees .................................................. President Watts

UAB Alma Mater ..................................................................... Ms. Spellman

Platform Party Recessional .......................................................... The Alabama Pipes & Drums
(Remain Standing)

Postlude ............................................................................. UAB Wind Symphony
America, the Beautiful (arr. Dragon)

Commencement Marshals:
Gregg M. Janowski, Ph.D.
Cheryl Robinson, DSN
Suzanne E. Judd, Ph.D.
Donna J. Slovensky, Ph.D.
Pamela E. Paustian, Ph.D.
Dale A. Dickinson, Ph.D.
Scott L. Phillips, Ph.D.
Michael E. Sloane, Ph.D.

UAB Wind Symphony:
Gene Fambrough, Ph.D., Conductor

The Alabama Pipes & Drums
Steven Giles, Pipe Major

Bearer of the Academic Mace:
Karen M. Meneses, Ph.D., R.N., FAAN

Announcers:
Patrick Evans, D.M.

Sign Language Interpreters:
Paul Ellis
Lin Fulton
ORDER OF EXERCISES
(2:00 p.m. Ceremony)

Prelude ..................................................UAB Symphony Band
Bravura – C.E. Double (arr. Edmondson)
"On A Hymnsong of Philip Bliss" (Holsinger)
"Réjouissance" (Curnow)
"God of Our Fathers" (Smith)
"Counterbalance" (Stalter)
Disney Blockbusters (arr. Higgins)
"Ballade" (Jenkins)

Processional ....................... "Pomp and Circumstance" (Elgar)
(Please stand)

Platform Party Processional ...........................................The Alabama Pipes & Drums

National Anthem .........................................................Corey Griffin
"The Star-Spangled Banner"
(Remain standing)

THE UNIVERSITY OF ALABAMA AT BIRMINGHAM

Since its inception in 1969, the University of Alabama at Birmingham (UAB) has earned international renown for its innovative academic programs, groundbreaking research and scholarship, and leading-edge patient care.

UAB receives more than $400 million annually in research grants and contracts and ranks 10th among all public universities in funding from the National Institutes of Health. UAB has consistently been named to the President’s Higher Education Community Service Honor Roll for its local and global outreach efforts.

With 23,000 employees, UAB is the largest single-site employer in the state of Alabama with an annual state economic impact of more than $5 billion. Due to its growing and increasingly residential campus in the heart of a vibrant and diverse community, the university offers unparalleled opportunities for teaching, research, scholarship, and service. The campus consists of more than 150 buildings spread over 100 city blocks within walking distance of downtown Birmingham.

UAB offers undergraduates opportunities to participate in leading edge, closely mentored research through such innovative academic programs as the Undergraduate Neuroscience Program and majors in Public Health and Biomedical Sciences. A new B.A. degree in Computer and Information Sciences was launched in fall 2016, and new bachelor’s degrees in Immunology and Genetics and Genomic Science will begin in fall 2017.

The UAB Honors College provides enhanced experiential learning opportunities to more than 1,250 high-ability undergraduates. In the 2018 U.S. News & World Report “Best Graduate Schools” rankings, UAB has 10 programs in the top 25, including a master’s in health administration that ranks 2nd in the nation.

UAB is home to the largest hospital in Alabama and the 3rd largest public hospital in the U.S. and has more than 1 million patient visits annually. UAB also houses the state’s only level 1 adult trauma center and the only National Cancer Institute-designated Comprehensive Cancer Center in Alabama and a five-state region. The Comprehensive Transplant Institute, which has performed the second most kidney transplants in the history of medicine, is currently conducting the longest-ever kidney transplant chain at a single site.

UAB continues to attract the best and brightest students from Alabama, the nation, and nearly 100 countries around the world. In fall 2016, the university enrolled its largest-ever freshman class, with an average ACT of 24.9 and a GPA of 3.65, along with a record 19,535 students overall.
The UAB Alma Mater was composed by Birmingham native David McNeeley in 2003. A competition was held, and a committee comprising UAB faculty, administrators, students, and alumni selected it from numerous submissions. The Alma Mater expresses the unifying sentiments of pride, respect, and cherished memories for the university.

Here in Alabama, a place of rich diversity, stands our Alma Mater. We cherish her integrity. May each loyal son and daughter wear proudly the colors green and gold. Praise to thee our U. A. B. Her honor we uphold. Yearning minds of age and youth live and love her noble truth.

Moving ahead with blazing speed towards knowledge to empower, in the heart of Birmingham our U. A. B. stands proud.
THE ACADEMIC COSTUME

The custom of wearing academic caps, gowns, and hoods can be traced to the twelfth century. At that time both men and women wore long, full, flowing robes. This mode of dress gradually changed so that by the end of the seventeenth century only legal and official personages wore gowns. However, certain guilds and universities established the tradition of wearing prescribed apparel. In the universities, the details of the dress distinguished different degrees of learning and the faculty. In the United States, as a result of our English heritage, caps and gowns have been used from colonial times, especially at our older universities such as Columbia (King's College), New York University, University of Pennsylvania, Bryn Mawr, Yale, and others. Around 1885 there was a widespread student movement to wear caps and gowns at commencement. The faculties approved this dignified graduation dress and soon adopted the custom of wearing gowns at academic ceremonies.

In 1895, the Intercollegiate Commission presented American institutions of higher learning the Intercollegiate Code. This code regulated the design of gowns and hoods as well as the colors and materials to be used. The code was subsequently adopted by more than 95 percent of U.S. colleges and universities. It has given America an impressive but simple method of signifying scholastic honors.

The code provides for three types of gowns. The gown for the bachelor's degree is made of green material and has long pointed sleeves. The gown for the master's degree is made with an oblong sleeve open at the wrist. The rear part of this oblong shape is square cut and the front part has an arc cut away. The gown for the doctor's degree has bell-shaped sleeves. It is faced with velvet and has three bars of velvet on each sleeve. The color of the velvet trim may be black or the same color as the velvet which edges the gown.

The green oxford or mortarboard-style cap is worn for all degrees, but only the doctor's cap may be made of velvet and have a gold tassel.

The hood is the most important and distinctive feature of the American code. An understanding of the system makes it possible to distinguish readily bachelor's, master's, and doctor's hoods and to recognize the university which gave the degree. The doctor's hood is four feet in length and made with a wide panel. The master's and bachelor's hoods are three and one-half and three feet in length, respectively. They are made of black cloth and are lined with silk in the official academic colors of the institution which conferred the degree. The hoods worn by graduates of The University of Alabama at Birmingham are lined in green silk with a gold chevron. The trim of all hoods is velvet, two inches, three inches, and five inches wide for bachelor’s, master’s, and doctor’s degrees, respectively. The color of the velvet trim indicates the discipline or faculty to which the degree pertains. Each discipline has been assigned a different color by the Intercollegiate Code. The following is a list of colors assigned to several of the disciplines within The University of Alabama at Birmingham.

A few years ago some Ivy League colleges approved the wearing of gowns which were not black but the official school colors. This trend has expanded so that currently many colleges and universities have adopted special colored gowns. The members of The Board of Trustees of The University of Alabama system wear a green gown with gold trim at The University of Alabama at Birmingham academic ceremonies. Colored gowns worn by many faculty identify the doctoral degrees of many American and foreign universities.
THE CEREMONIAL ACADEMIC MACE

The ceremonial academic mace appeared in European universities during the fourteenth century and represented the amalgamation of two much older staff-like devices of similar length and shape. These were the regal scepter and the medieval battle mace. Kings throughout history have carried scepters as insignia of the lawful authority of just rulers. The battle mace was first used by medieval princes as an effective hand weapon in combat.

In the fourteenth century, the royal scepter and the battle mace were combined to produce the ceremonial academic mace. It was carried before royalty, mayors of cities, and chief officers of the medieval universities.

In modern times, the mace is used on ceremonial occasions in the life of the university. In commencement exercises, the mace specifically indicates the authority of the university president to award degrees. The mace immediately precedes the presidential party in the ceremonial procession. The mace is carried by Karen M. Meneses, Ph.D., R.N., FAAN, Professor and Associate Dean for Research and Scholarship in the School of Nursing, the recipient of the 2016 Distinguished Faculty Lecturer Award.

The UAB mace is fashioned in three metals: brass, bronze, and stainless steel. The use of these metals—especially the stainless steel—is intended to signify Birmingham’s traditional role as an iron and steel producing center.

At the lower end of the mace are three medallions of enamel on copper. One medallion bears the image of the lamp of knowledge. Another bears the traditional symbol of the physician, the Caduceus (Aesculapius, Greco-Roman god of medicine, was embodied at the temple of Kos as a statue holding a serpent, a symbol of long life, healing, and knowledge. A staff and a second serpent were added later to form the Caduceus). The third medallion is the UAB logo in gold on a green enamel background with a red enamel glow on the collar to symbolize the molten metal characteristic of old Birmingham and its blast furnaces.

The UAB mace and its holder were commissioned, designed, and executed in 1989 by the noted Alabama sculptor, Cordray Parker, with the help of Heidi J. Bowman on the enameled medallions. The mace was made possible through the generosity of the late Samuel B. Barker, Ph.D., and his late wife, Justine. Dr. Barker, distinguished professor emeritus and dean emeritus of UAB, was the first dean of the UAB Graduate School and a leading patron of the arts in Birmingham.
THE ACADEMIC GONFALONS

The academic gonfalons, or banners, are carried in the procession by honor students from each school who lead their fellow students to their seats in the arena. The gonfalons feature the UAB logo, the university seal and the name of the schools in white on a background of black, in keeping with the traditional black academic gowns worn by students and faculty. Each gonfalon also features a border of the school's academic color, which is repeated across the entire back of the banner. The exception is the UAB gonfalon, which features white letters on a green background, bordered and backed in gold, denoting UAB's official colors.

THE UAB PRESIDENT’S MEDAL

The UAB President’s Medal is designed to recognize individuals who have attained scholarly distinction and/or have rendered distinguished service to UAB. Recipients are selected by the President of UAB upon the advice and recommendation of senior university officials. Selection as the recipient of this medal is one of the highest honors bestowed by UAB.

The award is comprised of an antique brass medallion and plaque, suitably inscribed, mounted in a cherry stand. The UAB President’s Medal is awarded at a commencement ceremony.

2017—Hatton C. V. Smith
2017 RECIPIENT OF
THE UAB PRESIDENT'S MEDAL

Hatton C. V. Smith

Citation Excerpts Read by Ray L. Watts, M.D., President

Hatton C. V. Smith, CEO Emeritus of Royal Cup Coffee, is well known as a civic leader in the Birmingham community.

Hatton C. V. Smith served as Chief Executive Officer of Royal Cup Coffee from 1996 until 2014 and is currently its CEO Emeritus. A leader in the Birmingham community, Hatton has always been involved in many different charities.

Mr. Smith attended Washington and Lee University where he played basketball for four years. He has served as a Trustee of Washington and Lee as well as the President of the W&L Alumni Association.

Hatton has three children; Joslyn, age 28, who is a graduate of the University of Alabama and recently married Charles Dennis. They live in St. Louis. Gage, age 26, is a graduate of Washington and Lee University. Gage has recently decided to join the Royal Cup Family and has begun her training. She plans to be an incredible salesperson. Hatton II, age 23, graduated from Hampden-Sydney College. After working in New York with Atlantic U.S.A., Hatton II has decided to become an entrepreneur and has joined a startup.

He was formerly Senior Warden of the Episcopal Church of the Advent and active in United Way, having been its Annual Campaign Chair as well as Board Chair. Hatton was a Director for the Baptist Health System and Chaired the Baptist Health Foundation.

In addition, Mr. Smith served as President of the Rotary Club of Birmingham, where he championed the Rotary Trail. He served as the Chair of the Lead Gifts Campaign of the Mountain Brook City Schools Foundation. Hatton was President of The Club, the City Club, Vice Chair of the Boy Scouts, and served on the Boards of McWane Center, American Cancer Society, Birmingham Chamber of Commerce, and Mountain Brook Community Education Foundation.

Mr. Smith also was Chairman of the Rebel Chapter of the Young President's Organization and continues to be active in the organization.

Professionally, Mr. Smith was the President of the National Coffee Service Association and Chaired the Coffee Development Group. He is also a Founding Director of ServisFirst Bank.

Never one to shy away from an initiative nor to fail to lead by example, Hatton happily accepted the responsibility of heading the UAB Athletics Foundation, a fundraising task force that was formed to raise money in an effort to support the restoration and sustainability of the UAB football program after it was terminated in 2014. Because of his exceptional dedication and commitment, along with other highly renowned Birmingham businessmen, Hatton was able to guide a fundraising effort that produced an unprecedented $38.2 million, leading to the reinstatement of the football, bowling, and rifle programs.
Hatton inspired countless individuals from a rejuvenated Birmingham community that was ready and willing to follow his and the UAB Athletics Foundation’s lead. More recently, the Foundation has raised $14 million, as of June 2016, to support the construction of a football operations building and turf field on the UAB campus. Because of Hatton’s leadership of the Finish the Drive Campaign, the University has raised more money for its athletic programs in 12 months than in the past 12 years. He has championed the importance of athletics to the culture of the community and what it can mean to the city of Birmingham.

As a philanthropic supporter of UAB, Hatton has funded numerous University programs through personal contributions as well as gifts from Royal Cup, Inc. His gifts have spanned all areas of UAB including the funding of UAB Athletics, the UAB Comprehensive Cancer Center, WBHM, the Alys Stephens Center, and providing support for the schools of medicine, nursing and public health. The widespread reach of these gifts has had, and will continue to have, a lasting and enduring impact on those who have been touched by Hatton’s commitment to education, athletics, arts, patient care and research.

It is because of individuals like Hatton that UAB and Birmingham continue to thrive and make remarkable progress toward further solidifying their prominence in the South and the country. Hatton has made it his life’s work to provide consistent and effective help for the Birmingham community. The areas that he has touched through his personal, professional, and community service include health care, education, economic development, and more. Hatton’s business experience, his strong roots in the greater Birmingham business and civic community, and his high profile and extensive community contacts make him a standout individual for the United Way of Central Alabama Outstanding Civic Leader Award.

In recognition of Hatton’s activities as a civic leader, and his outstanding history of philanthropic support, The University of Alabama at Birmingham is privileged to confer upon Hatton C. V. Smith, the 2017 President’s Medal.
UAB NATIONAL ALUMNI SOCIETY
DISTINGUISHED ALUMNUS AWARD

The UAB National Alumni Society Distinguished Alumnus Award recognizes and honors a graduate of UAB who has made significant contributions to the Society and whose accomplishments and career have brought great credit to The University of Alabama at Birmingham. The honoree must hold an earned degree or certificate from UAB, be a member in good standing of the UAB National Alumni Society, and have demonstrated a continuing interest in UAB.

The recipient for the award is selected by the Board of Directors of the UAB National Alumni Society based on recommendations and nominations from the UAB administration, members of the National Alumni Society, and other groups associated with UAB.

1998—Martha Warren Bidez, Ph.D.
1999—Jean A. Jacobs Kelley, Ed.D.
2000—Robert C. Chapman
2001—Tommie G. Cummings
2002—Michael E. Stephens
2003—Gail H. Cassell, Ph.D.
2004—Marie L. O’Koren, Ed.D.
2005—Mary Lynne Capilouto, D.M.D.
2006—Albert J. Tully, Jr., M.D.
2007—Ray L. Watts, M.D.
2008—Julie Hanna
2009—Linda C. Lucas, Ph.D.
2010—Marquita Davis, Ph.D.
2011—Ann Harper Arrasmith
2012—Phyllis Norton DePiano
2013—Kathryn B. Freeland
2014—Lee Price, Major General (U.S. Army, Retired)
2015—Gillian A. Goodrich
2016—Will Ferniany, Ph.D.
Dear UAB Graduate,

Today, you join an ever-expanding network of Blazers who share a tremendous faithfulness and loyalty to our alma mater.

Your graduation is applauded and celebrated. Take time to reflect on the knowledge you have obtained at UAB and all of the personal and academic experiences that have been associated with your journey. As you receive your diploma and acknowledge its impact on your life, know also that your mark has been left on this incredible institution.

You can now take your place as part of an outstanding group of alumni. It is through our network of more than 120,000 alumni that UAB’s reputation continues to flourish.

In recognizing today’s achievement, the UAB National Alumni Society Board of Directors is pleased to present you with a UAB lapel pin to wear with pride as you maintain your relationship with your alma mater.

Don’t let commencement be your final connection to this great university. While your journey continues, the UAB National Alumni Society invites you to stay connected! Remaining engaged is simple:

- Follow us through our social media networks.
- Be active in a UAB National Alumni Society chapter.
- Continue to attend scholastic or sporting events.
- “Be seen in Green!”

As a passionate graduate of UAB, I invite you to stay involved with UAB and take advantage of the many events the University and the National Alumni Society provides its alumni. To learn more about the UAB National Alumni Society, please contact our office at 205.934.3555 or visit us online.

Congratulations on your graduation and best wishes on your next adventure!

Go Blazers!

Raymond Thompson, Ph.D.
President, UAB National Alumni Society
CANDIDATES FOR DEGREES

HONORS DESIGNATIONS

The University of Alabama at Birmingham awards degrees with special designations to students who have achieved meritorious scholastic standing. Honor designations for undergraduates are based on grades reported prior to the completion of spring semester and may not reflect all earned honors. The designations are as follows:

<table>
<thead>
<tr>
<th>Designation</th>
<th>Grade Point Average (A=4.00)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Summa Cum Laude</td>
<td>3.90 - 4.00</td>
</tr>
<tr>
<td>Magna Cum Laude</td>
<td>3.70 - 3.89</td>
</tr>
<tr>
<td>Cum Laude</td>
<td>3.50 - 3.69</td>
</tr>
</tbody>
</table>

An undergraduate student graduating with Summa, Magna, or Cum Laude honors is also accorded the privilege of wearing a gold honors cord.

The UAB Honors College brings together high-achieving intellectually curious students from all majors to form a close-knit community of emerging scholars. Honors students may follow a personalized curriculum or specialize in experiential learning (ELSP), global and community leadership (GCL), science and technology (STH), or interdisciplinary arts and sciences (UHP). Honor students are recognized with "distinguished honors" for earning 18 hours of honors credit and "high distinguished honors" for 30 or more hours of honors credits. Students completing honors requirements wear a white cord and a UAB Honors College medallion.

School of Dentistry – The "With Honors" designation indicates at least a B average, completion of an approved plan of study and research, and completion of a relevant thesis.

Schools of Medicine and Optometry – Honors are given to those in the upper ten percent of their class based on overall grade point average. The designation Magna Cum Laude and Summa Cum Laude are not routinely awarded. Any graduate receiving such a designation is outstanding in ability and performance.

Veterans who have served in the United States Armed Forces wear a red, white and blue cord.

ACADEMIC

This is a list of candidates for April 2017 graduation unless otherwise noted, prepared before final grades were reported, and inclusion therein does not constitute evidence of graduation.
GRADUATE SCHOOL
Lori L. McMahon, Ph.D., Dean

DOCTORS OF PHILOSOPHY

Laila Saud Alkhayat Alazemi (Early Childhood Education) April .................................. Salwa, Kuwait
  Dissertation: Exploring Factors that Predict Kuwaiti Preservice Kindergarten Teachers’ Intentions to Use Web 2.0 Technologies in their Future Kindergarten Classrooms
  Using the Decomposed Theory of Planned Behavior
  Chair: Dr. James R. Ernest

Karen Cretsinger Albright (Epidemiology) April ......................................................... San Diego, CA
  Dissertation: Statin Prescribing, Adherence, and Recurrent Vascular Events: A Study of Ischemic Stroke Survivors
  Chair: Dr. Virginia J. Howard

Alice Marie Austin (Nursing) April ................................................................. Vicksburg, MS
  Dissertation: African American Child and Adolescent Obesity: The Parent’s Perspective
  Chair: Dr. Glenda L. Smith

LaTonya Renee Barnes (Early Childhood Education) April .................................. Gardendale
  Dissertation: Teacher Perceptions of Character Education on Self-Regulation in Early Childhood through the Implementation of Children’s Literature: A Multiple Case Study
  Chair: Dr. Lynn D. Kirkland

Margaret H. Bergeron (Nursing) April .............................................................. Florence
  Dissertation: Exploring Psychosocial and Situational Factors that Influence Female College Students’ Participation in Oral Sex
  Chair: Dr. Gwendolyn D. Childs

Andrew Bohannon (Neurobiology; Pathobiology and Molecular Medicine
  Theme) April ................................................................. Sterling Heights, MI
  Dissertation: Contribution of Distinct Interneuron Subclasses to Cortical Network Activity
  Chair: Dr. John J. Hablitz

Lillian Joya Brady (Neurobiology; Cell, Molecular and Developmental Biology Theme) April ........................................ Jackson, MS
  Dissertation: Transcriptional Dysregulation in Interneurons Causes Altered Modulation of Hippocampal Synaptic Transmission and Circuit Function by the Dopamine System
  Chair: Dr. Lynn Dobrunz

Kyle Brawner (Microbiology) April.......................................................... Brentwood, TN
  Dissertation: Immunobiology of the Mucosal Response to Helicobacter pylori in Children
  Chair: Dr. Phillip D. Smith

Felecia Brooks-Jones (Early Childhood Education) April, .................................. Fairfield
  Dissertation: Strategies Early Childhood Elementary Teachers Use in Order to Provide a Welcoming Environment for Students Who They Perceive to Be LGBTQ or Exhibit Stereotypical Characteristics
  Chair: Dr. Lois M. Christensen
George Coricor (Cell Biology; Biochemistry, Structural, and Stem Cell Biology) Theme) April .......................................................... Fair Lawn, NJ
Dissertation: TGF-β Regulates the Stability of Sox9 in Cartilage
Chair: Dr. Rosa A. Serra
Tuba Demir Dagdas (Medical Sociology) April ........................................ Aydin, Turkey
Dissertation: Long-term Effects of Early Parental Divorce on Parent-Child Relationships, Mental Health, and Alcohol Use
Chair: Dr. Patricia Dreneta
Anh Nguyet Do (Epidemiology) April .......................................................... Hanoi, Vietnam
Dissertation: Effect of Antihypertensive Drugs on Left Ventricular Traits in African Americans
Chair: Dr. Marguerite Ryan Irvin
Kathryn Sydney Doornbos (Microbiology) April ........................................ Birmingham
Dissertation: The Secretion of the Tuberculosis Necrotizing Toxin by Mycobacterium tuberculosis
Chair: Dr. Michael E. Niederweis
Joseph C. Griffis (Behavior Neuroscience) April .................................. Gardendale
Dissertation: Linking Residual Language Capacity, Structural Damage, and Surviving Network Function in Chronic Post-Stroke Aphasia with Multi-Modal MRI
Chair: Dr. Jerzy P. Szaflarski
Barbara Elaine Hansen (Medical Sociology) April ................................ Murfreesboro, TN
Dissertation: Intractable Epilepsy: Does Perception of Epilepsy Stigma Affect Levels of Caregiver Burden?
Chair: Dr. Magdalena Szaflarski
Justin M. Hill (Interdisciplinary Engineering, Environmental Health and Safety) April ................................................................. Pelham
Dissertation: An Iterative Pricing Control Scheme for Renewable Integration in Residential Applications using Inherent Thermal Energy Storage
Chair: Dr. Hessam Taherian
Kathryn Emily Jones (Health Education/Promotion) April ....................... Birmingham
Dissertation: Research on Freshman and Sleeping Habits (REFRESH): Effects of a Text Message Based Sleep Intervention on Sleep Quality and Sleep Hygiene Behaviors in College Students
Chair: Dr. Retta R. Evans
Thaddaeus Kwan (Cell Biology; Pathobiology and Molecular Medicine Theme) April ................................................................. Trenton, Ontario
Dissertation: The Role of HuR in Astrocytes in Spinal Cord Injury
Chair: Dr. Peter H. King
Laura Jackson Lambert (Genetics; Genetics, Genomics, and Bioinformatics Theme) April ............................................................. Charleston, SC
Dissertation: Advances in the Creation and Use of Genetically Modified Rodent Models
Chair: Dr. Robert A. Kesterson
Thomas Robbin Larson (Microbiology) April ......................................... La Crosse, WI
Dissertation: Attachment of Streptococcus pneumoniae Capsular Polysaccharide to the Cell
Chair: Dr. Janet L. Yother
Ann M. Laszczyk (Neurobiology; Cell, Molecular, and Developmental Biology
Theme) April .................................................... Sterling Heights, MI
Dissertation: The Role of Klotho in Adult Neurogenesis
Chair: Dr. Gwendalyn King
Fei Liu (Chemistry) April ........................................... Nanjing, China
Dissertation: Polymeric Stimuli-sensitive Self-assembled
             Micro-and Nano-particles for Controlled Drug
             Delivery
Chair: Dr. Eugenia Kharlamieva
Ivan Holden Mann, III (Applied Mathematics) April. ................. Birmingham
Dissertation: A Metrically Defined Uniformization Map of Planar
             Domains
Chair: Dr. Lex G. Oversteegen
Kenan Oguz Matterson (Biology) April ................................ Rockville, MD
Dissertation: The Ecology and Evolution of Invertebrate-
             Cyanobacterial Symbioses
Chair: Dr. Robert Thacker
James Stewart New (Microbiology; Immunology Theme) April ........ Plantation, FL
Dissertation: N-Acetyl-D-Glucosamine-Reactive Natural Antibodies:
             Roles in Suppression of Autoimmune Diabetes and
             Environmental Factors Influencing
             Their Development
Chair: Dr. Alexander J. Szalai
Bhavita V Nijampatnam (Chemistry) April ................................ Birmingham
Dissertation: Development of Small Molecule Inhibitors of S. mutans
             Glucosyltransferases for the Prevention of Dental Caries
Chair: Dr. Sadanand E. Velu
Joshua Enyebeneyem Chimezi Onuir (Pharmacology and Toxicology; Cancer
Biology Theme) April ......................................... Birmingham
Dissertation: Alterations in Ubc9 Substrate Specificity Affect the
             Cellular Response to DNA Damage
Chair: Dr. Stephen Barnes
Bindiya Patel (Cell Biology; Pathobiology and Molecular Medicine Theme)
April ............................................................... Birmingham
Dissertation: The Role of Macrophages in Pressure-Overload Induced
             Cardiac Remodeling
Chair: Dr. Sumanth D. Prabhu
Stefanie M. Percival (Pharmacology and Toxicology; Cell, Molecular, and
Developmental Biology Theme) April ................................... Brownsburg, IN
Dissertation: Investigating Phenotypic Severity Associated with Sister
             Chromatid Cohesion Defects in Human Disease
Chair: Dr. John M. Parant
Jennifer Rachel Prado (Chemistry) April ................................ Odenville
Dissertation: Thermodynamics and Kinetics of Gel-Sol and
             Liquid-Liquid Phase Transitions: Effects of Solid
             Surfaces and Nanoconfinement
Chair: Dr. Sergey Vyazovkin
Thomas Marshall Ramsey (Health Education/Promotion) April ........ Fernandina Beach, FL
Dissertation: Effective Recruiting for Subgroups in the Systolic Blood
             Pressure Intervention Trial (SPRINT)
Chair: Dr. Retta R. Evans
Matthew J. Redmann (Pathology; Cell, Molecular, and Developmental Biology) April ................................................. Appleton, WI
Dissertation: Autophagy in Mitochondrial Quality Control and Proteotoxicity in Neurons

Chair: Dr. Jianhua Zhang

Samara R. Sterling (Nutrition Sciences) April ..................................................... Berrien Springs, MI
Dissertation: The Dietary Context of Nut Intake Among Overweight and Obese African-American Women Living in the Rural South: An Exploratory Study

Chair: Dr. Monica L. Baskin

Arthur James VanValkenburg (Microbiology; Pathobiology and Molecular Medicine Theme) April........................................... Liberty Township, OH
Dissertation: Characterization of Molecular Pathways Involved in the Production of Class-switched Antibodies

Chair: Dr. Louis B. Justement

Andrew Thomas Wood (Materials Engineering) April ............................................. Heflin
Dissertation: Wet-Lay Process – A Novel Approach to Scalable Fabrication of Tissue Scaffolds and Reinforcement Membranes

Chair: Dr. Vinoy Thomas

Xinyan Zhang (Biostatistics) April ................................................................. Changsha, China
Dissertation: Statistical Methods in Cancer Survival Prediction and Microbiome Data Analysis

Chair: Dr. Nengjun Yi

SCHOOL OF HEALTH PROFESSIONS
Harold P. Jones, Ph.D., Dean

DOCTORS OF PHYSICAL THERAPY

Rachel Lauren Entrekin, April ................................................................. Irondale
Jennings Kelsey Moody, April ................................................................. Miramar Beach, FL

SCHOOL OF PUBLIC HEALTH
Max Michael, III, M.D., Dean

DOCTORS OF PUBLIC HEALTH

Modupeoluwa O. Durojaiye (Maternal and Child Health) April .................................. Abeokuta, Nigeria
Dissertation: Individual and Institutional Level Factors that Influence HIV Testing and Counseling Utilization During Antenatal Care in Nigeria

Chair: Dr. Andrzej Kulczycki

Anna Joy Graves Rogers (Health Care Organization and Policy) April .................... Birmingham
Dissertation: Implementation of Repeat HIV Testing During Pregnancy in Kenya

Chair: Dr. Janet M. Turan
SCHOOL OF DENTISTRY
Michael S. Reddy, D.M.D., D.M.Sc, Dean

DOCTORS OF DENTAL MEDICINE

Mitra Darice Adhami ................................................................. Huntsville
B.S., University of Alabama in Huntsville, 2009

Anne Kathryn Allen ............................................................... Russellville
B.S., University of Alabama, 2013

Daniel LaFayette Andrews, III .................................................. Harvest
B.S., Bethel University, 2010

Suhasini Vaishnavi Arun .......................................................... Madison
B.S., University of Alabama, 2013

SCHOOL OF NURSING
Doreen C. Harper, Ph.D., R.N., FAAN, Dean

DOCTORS OF NURSING PRACTICE

Anyet Michon Belyeu (Nurse Practitioner) April ......................................... Helena
Scholarly Practice Project: An Algorithm to Improve Hypertension Rates in Patients Undergoing Elective Surgery
Chair: Dr. Aimee Holland
Kathryn Treneice Bivens (Nurse Practitioner) April .......................................................... State Line, MS
Scholarly Practice Project: Effect of Patient Portals on Workflow
   Efficiency and Staff Satisfaction in an Outpatient Cardiology Practice
Chair: Dr. Marisa Wilson

Deborah Ann Bowers (Nurse Practitioner) April .......................................................... Birmingham
Scholarly Practice Project: Initiating Nurse Practitioner-Led Clinics in Provider Shortage Areas: A Program Evaluation
Chair: Dr. Patricia Speck

Jene Evonne Butler (Nurse Practitioner) April .......................................................... Forth Worth, TX
Scholarly Practice Project: Impact of the Walk with Ease Program on Physical Activity and Quality of Life in Elderly Adults with Self-Reported Arthritis Residing in a Senior Living Community
Chair: Dr. Rebecca Sipples

Melanie Elizabeth Camp (Executive Nurse Leasership) April ........................................... Montgomery
Scholarly Practice Project: Prophylactic Antibiotic Administration in Interventional Radiology
Chair: Dr. Cynthia Selleck

Kathy Castille-Aliffi (Nurse Practitioner) April .......................................................... Newnan, GA
Scholarly Practice Project: Pilot Study: Using a Pain Tracking App in an Adult Oncology Pain Clinic
Chair: Dr. Deborah Walker

Sheila Renae Fells (Nurse Practitioner) April .......................................................... Birmingham
Scholarly Practice Project: A Diabetes Academy to Improve Attitudes, Lifestyles, and Behaviors of African Americans with Diabetes
Chair: Dr. Annette Hess

Vera Williams George (Nurse Practitioner) April .......................................................... Pike Road
Scholarly Practice Project: Identifying Patterns To Improve Healthcare for Our Homeless Patients
Chair: Dr. Linda Roussel

Lori Kathryn High (Nurse Practitioner) April .......................................................... Argyle, TX
Scholarly Practice Project: Improving Provider Communication for Prediabetes Detection in Patients with Idiopathic Peripheral Neuropathy
Chair: Dr. Annette Hess

Cori Cunningham Johnson (Nurse Practitioner) April .................................................. Fort Payne
Scholarly Practice Project: Increasing Nurse-Driven Heparin Infusion Administration Safety: A Quality Improvement Initiative
Chair: Dr. Marisa Wilson

Kelli Michelle Kirby (Executive Nurse Leadership) April ........................................... Pleasant Grove
Scholarly Practice Project: Evaluation of IllumiCare, a Clinical Decision Support System for Acceptance, Satisfaction, and Usability
Chair: Dr. Marisa Wilson

Gloria Nataki Koroma (Nurse Practitioner) April .......................................................... Laredo, TX
Scholarly Practice Project: Evaluation of Syncope in Pediatric Population: A Guide for Primary Care Providers
Chair: Dr. Glenda Smith

Rosemary Writsman Ryan (Executive Nurse Leasership) April ..................................... Hanceville
Scholarly Practice Project: Nurse Driven Quality Improvement: Decreasing Same-Day Cancellations in a Pain Treatment Clinic
Chair: Dr. Maria Shirey
Marcia Lynette Stokes (Nurse Practitioner) April .................................................. Decatur, GA
  Scholarly Practice Project: Identifying Patterns to Improve Healthcare for
  Our Homeless Patients
  Chair:  Dr. Linda Roussel
Victor R. Vapor (Nurse Practitioner) April .................................................. Jacksonville, FL
  Scholarly Practice Project: Influencing Early Enteral Nutrition Among
  Ventilated Adult Trauma Patients Through the
  mNUTRIC score
  Chair:  Dr. Linda Roussel
April Hooper Weatherly (Nurse Practitioner) April ....................................... Birmingham
  Scholarly Practice Project: Effectiveness of Suicide and Depression
  Screening Tools for Adolescent Suicide Risk
  Assessment in the Emergency Department
  Chair:  Dr. Tedra Smith
John James Zitzelberger, Jr., (Certified Registered Nurse Anesthetist) April........ Columbus, GA
  Scholarly Practice Project: Correlation Between Provider Computer
  Experience and Accuracy of Electronic Anesthesia
  Charting - A Pilot Study and Performance Improvement
  Project
  Chair:  Dr. Linda Roussel

SCHOOL OF OPTOMETRY
Kelly K. Nichols, O.D., MPH, Ph.D., FAAO, Dean

DOCTORS OF OPTOMETRY

Sarah Margaret Berry ................................................................. Charlottesville, VA
  B.A., University of Virginia, 2012
Spencer B. Boozer ................................................................. Cullman
  B.S., Auburn University, 2013
Brett Aaron Bryant ................................................................. Temple, GA
  B.S., University of Alabama at Birmingham, 2013
Adam D. Burns ................................................................. Waunakee, WI
  B.A./B.S., University of Wisconsin-La Crosse, 2013
Elizabeth Bexley Cameron ......................................................... Fairhope
  B.S., Auburn University, 2012
Caleb T. Cart ................................................................. Red House, WV
  B.S., West Virginia University, 2011
Chelsea Nicole Chandler ......................................................... Jacksonville
  B.A., University of Alabama, 2013
Kelly K. Cleary ................................................................. Covington, GA
  B.S., University of Georgia, 2012
Lashandra R. Dangerfield ...................................................... Birmingham
  B.S., Alabama Agricultural & Mechanical University, 2013
Carey M. Dillard ................................................................. Winstonville, MS
  B.S., Tougaloo College, 2005
  M.S., University of Alabama at Birmingham, 2007

GRADUATE SCHOOL
Lori L. McMahon, Ph.D., Dean

MASTER OF SCIENCE IN BASIC MEDICAL SCIENCE
Nicholas R. Potoczyn, April............................................................... Commerce Township, MI

GRADUATE CERTIFICATES

CIRTL (Center for the Integration of Research, Teaching, and Learning)
Oreoluwa Adedoyin (Practitioner) April............................................................. Hoover
Ethan C. Cagle (Scholar) April ........................................................................... Killen
Samantha Giordano (Scholar) April ..................................................................... Birmingham
Sarah Anne Graham (Practitioner) April ............................................................. Birmingham
Jessica M. Grunda (Practitioner; Scholar) April ................................................... Birmingham
Barbara Elaine Hansen (Practitioner) April ........................................................... Murfreesboro, TN
Marlee Hayes (Practitioner) April ........................................................................ Vestavia
Meng-Chang Hsiao (Practitioner) April ................................................................. Chiayi City, Taiwan
Courtney Fernandez Petty (Practitioner) April ...................................................... Sewickley, PA
Ossama Elsayed Mahmoud Ramadan (Practitioner) April ..................................... Hoover
Mohamed M. Selim (Practitioner) April ................................................................ Birmingham
Matthew A. Timberlake, II (Practitioner) April .................................................... Birmingham
Eva Trinh (Scholar) April .................................................................................. Huntsville
Sparkle D. Williams (Practitioner; Scholar) April ................................................ Birmingham

Mentoring and Leadership
Meng-Chang Hsiao, April ................................................................................... Chiayi City, Taiwan
Alexander Hadwyn Ward, April .......................................................................... Birmingham

Translational and Molecular Sciences
Jia Cui, April ....................................................................................................... Birmingham
Priyamvada Milind Pitalle, April .......................................................................... Mumbai, India

COLLEGE OF ARTS AND SCIENCES
Robert E. Palazzo, Ph.D., Dean

MASTERS OF ARTS

Robert Douglass Beaumont Ballard (History) April ............................................... Birmingham
Alexandra Cutillo (Psychology) April ...................................................................... Worcester, MA
Julie Rebecca Dutton (Communication Management) April .................................. Birmingham
Lori Mercer Edwards (Communication Management) April ................................ Calera
George Simeon Evans (English) April ................................................................... Mountain Brook

Thesis: Playing God: Sub-Creation, Rules, and Role-Playing Games
Chair: Dr. Alison Chapman

Octavia Renee Grady (Communication Management) April .................................. Birmingham
Christina Joan Inman (Art History) April .............................................................. Montgomery

Chair: Dr. Jessica K. Dallon

Christina Dilges Isom (Communication Management) April ................................ Leeds
Rebekah L. Kummer (English) April .................................................. Huntsville
Wasan Manati (Anthropology of Peace and Human Rights) April .................................................. Birmingham
Thesis: Life in War-torn Iraq
Chair: Dr. Douglas P. Fry
Jessica A. Morris (Communication Management) April .................................................. Huntsville
Chirithane Ouauou (Communication Management) April .................................................. Pelham
Morgan Charnece Parks (Sociology) April .................................................. Vallejo, CA
Jennefer Celeste Paxton (Art History) April .................................................. Anniston
Thesis: Ritual, Self-Defense, and Territoriality at the Rock Art
Site of Chaturbhujnath Nala
Chair: Dr. Cathleen A. Cummings
Allie Rabon Pennington (English) April .................................................. Vestavia
Thesis: "Did She Have a Precursor?: The Intertextuality of Fitzgerald’s Tender Is the Night and Nabokov’s Lolita
Chair: Dr. Margaret Jay Jesse
Nicholas Tyler Reich (English) April .................................................. Jasper
Bruce E. Sacks (Sociology) April .................................................. Warner Robins, GA
Emma Sartin Goodman (Psychology) April .................................................. Irondale
Thesis: Neuroanatomical Correlates of Antisocial Traits in Adolescent Males
Chair: Dr. Rajesh Kumar Kana
Patryce A. Sherrod-Traywick (Communication Management) April .................................................. Hueytown
Kayla Ann Steward (Psychology) April .................................................. Deer Park, TX
Thesis: The Role of Cognitive Reserve in Recovery from Traumatic Brain Injury
Chair: Dr. Kristen L. Triebe
Marie Antionette Sutton (English) April .................................................. Homewood
Thesis: A Black Girl’s Song
Chair: Dr. Kerry Madden
Elizabeth Ann Tompkins (English) April .................................................. Irondale
Thesis: Antiseptic
Chair: Dr. James M. Braziel
Holly Lynn Burgin Watson (English) April .................................................. Odenville
Thesis: Blackbird in Flight
Chair: Dr. James M. Braziel
Robert O’Neal Williams (Communication Management) April .................................................. Greenville, MS
Zoe Ruth Zaslasky (History) April .................................................. Prattville

MASTERS OF PUBLIC ADMINISTRATION

Faisal Abdul Ghani, April .................................................. Salak Tinggi, Malaysia
Ayumi Leigh Byrd, April .................................................. Prattville
MaLisa Thrash Harris, April .................................................. Birmingham
Maria Amelia Hernandez, April .................................................. Alabaster

Jasymn Winston, April .................................................. Fairfield
Dillon Seth Wood, April .................................................. Talladega
MASTERS OF SCIENCE

Upendra Mani Adhikari (Physics) April ................................................ Lamjung, Nepal
Khaled Almansoob (Biology) April ........................................................... Hoover
Andrew John Arnold (Mathematics) April .............................................. Hoover
Peter Bartholomae Blair (Biology) April ................................................... Homewood
William Anthony Brayer (Physics) April ............................................... Maylene
  Thesis: Fabrication, Structure, and Transport Properties of
  Alumina Nanofiber-Based Materials
  Chair: Dr. Andrei Stanishevsky
Victor Cornell (Computer Forensic Security Management, Cybercrime
  Investigation) April ...................................... Gardendale
Sterling M. Gardner (Biology) April ...................................................... Adamsville
Patrick Barry Hartley (Mathematics) April ........................................... Bessmer
  Thesis: Exponential Laminations
  Chair: Dr. John C. Mayer
Dave Durell Hill (Computer and Information Sciences) April .................. Oxford
Lindsay Paige Holdman (Mathematics) April ......................................... Naples, FL
Krishna Karki (Physics) April .............................................................. Tansen, Nepal
Andrew Garrison Arthur Linn (Physics) April ...................................... Birmingham
Rebekah Jacob Muthalaly (Biology) April .............................................. Birmingham
Jean D. Rugamba (Mathematics) April .................................................. Little Rock, AR
Fatoumata Sanogo (Mathematics) April .............................................. Abidjan, Ivory Coast
Shova Devi Subedi (Physics) April ....................................................... Bhatapur, India
Sundar Tamang (Mathematics) April .................................................... Lalitpur, Nepal
Forrest C. Taylor (Mathematics) April .................................................. Hoover
Emmanuel Etim Umoh (Computer Forensic Security Management, Cybercrime
  Investigation) April ................................... Birmingham
Sandeep Chowdary Vejandla (Mathematics) April .................................. Hyderabad, India
Edward Alexander White (Mathematics) April ....................................... Hoover
Samuel A. Wunderly (Mathematics) April ............................................. Hoover
Angeline Pann Pann Yu (Chemistry) April ............................................. San Diego, CA

MASTERS OF SCIENCE IN CRIMINAL JUSTICE

Ellen Tietjen, April ............................................................................. Sylacauga

MASTERS OF SCIENCE IN FORENSIC SCIENCE

Elise Erb, April ................................................................................. Winfield
  Thesis: Investigating Gender Differences in the
  Metabolism of Ketamine
  Chair: Dr. Elizabeth A. Gardner
Amber Michelle Henderson, April ..................................................... Fort Payne
Christopher Hew, April ................................................................. Hobe Sound, FL
Sara Bernadette Jablonski, April ...................................................... Indian Springs Village
Kelly Brynee Texter, April ............................................................... Milton, GA
Ren Wu, April ............................................................................... Hoover

GRADUATE CERTIFICATES

Nonprofit Management:
Melanie Armstrong, April ............................................................... Leeds
Tyeira Nicole Barnes Seabrook, April .............................................. Birmingham
BACHELORS OF ARTS

Denise Cheri Abney (English: Concentration in Professional Writing and Public Discourse) April .......................................................... Pelham
Thomas Adams (Theatre: Concentration in General Theatre) April ............................................. Birmingham

James Hubert Snapp (Construction Engineering Management) April ............................. Chester, MD
Jeremy Will Sparks (Construction Engineering Management) April .................................. Pensacola, FL
Thomas Lawrence St. Onge (Construction Engineering Management) April .................................. Edmonton, Alberta
Richard Carroll Sullivan (Construction Engineering Management) April ....................... Gulf Breeze, FL
Philip Alan Thompson (Information Engineering Management) April .......................... Birmingham
Caitlyn Allison Timko (Advanced Safety Engineering and Management) April ............ Anderson, SC
Carlo A. Torres (Construction Engineering Management) April ........................................ Los Alamos, NM
William Alva Walker IV (Advanced Safety Engineering and Management) April ............... The Woodlands, TX
Colin Patrick Warfield (Advanced Safety Engineering and Management) April ................ Pensacola, FL
Chaichnagool Yasri (Advanced Safety Engineering and Management) April ............... Bangkok, Thailand
Migdawlaw A. Yisrael (Information Engineering Management) April .............................. Birmingham

MASTERS OF SCIENCE IN BIOMEDICAL ENGINEERING

Douglas Mackenzie Doud, April ................................................................................ Mims, FL
Thesis: Biomechanical Evaluation of a Novel Sacroiliac Fusion Technique
Chair: Dr. Alan W. Eberhardt

John Michael Hoyle, April ................................................................................ Memphis, TN
Chair: Dr. Alan W. Eberhardt

MaryRose Kammer, April ................................................................................ Madison
Thesis: Development of a 3D Microphysiologic Liver for Drug Toxicity Testing
Chair: Dr. Joel Berry

Amanda Rushdi, April ................................................................................ Collierville, TN
Chelsea Worley, April ................................................................................ Vicksburg, MS

MASTERS OF SCIENCE IN CIVIL ENGINEERING

Christopher E. Arias (Structural Engineering) April .................................................. Birmingham
Ruyhan Ahmed Mohammed Ellaithy (Construction Engineering Management) April .......................... Abu Dhabi, United Arab Emirates
Mardecial Kenya Hines (Structural Engineering) April .................................................. Birmingham
Kalyn Nicole Murray (Structural Engineering) April ....................................................... Warrior
Thesis: A Comparison of the Bond Strength of Spun and Static Cast Concrete Specimens
Chair: Dr. Fouad H. Fouad

Amin Pahlevannejad (Structural Engineering) April ...................................................... Babol, Iran
Thesis: Testing and Simulation of Reinforced Concrete Beams Under Impact Loading
Chair: Dr. Nasim Uddin

Shaghayegh Rostami Hosuri (Transportation Engineering) April ......................... Tehran, Iran
Thesis: Congestion Quantification Using the National Performance Management Research Data Set
Chair: Dr. Virginia P. Sisipiku

MASTERS OF SCIENCE IN ELECTRICAL ENGINEERING

Faiez Ibrahim Atif, April ................................................................................ Birmingham
Mohammad Awad, April ................................................................. Birmingham
Thesis: Ultra Wideband Receiver for High Density Data Communications
Chair: Dr. Mohammad R. Haider

Bharat Sri Harsha Karpurapu, April .................................................. Guntur, India
Thesis: Framework for Social Network Sentiment Analysis Using Big Data Analytics
Chair: Dr. Leon Jololian

Ranveer Kumar, April ................................................................. Gaya, India
Thesis: FPGA Implementation and Study of Hardware Trojan in a Closed Loop Control System
Chair: Dr. Karthikeyan Lingasubramanian

Anvesh Loka, April ........................................................................ Nizamabad, India
Thesis: Intraocular Pressure Measurement in Eye by Using Disposable Solid State Pressure Sensor
Chair: Dr. Abidin Yildirim

S.M. Mehedee Parvez, April .......................................................... Bagerhat, Bangladesh
Thesis: Lowcost Inkjet-Printed Flexible Circuit for Gas Sensing
Chair: Dr. Mohammad R. Haider

Michael Puhnaty, April ................................................................... Hoover
Avinash Singh, April Ballia, India
Thesis: Object Detection and Path Detection System for Autonomous Terrain Vehicles
Chair: Dr. Abidin Yildirim

Stepan Vancurik, April ...................................................................... Prague, Czech Republic

MASTERS OF SCIENCE IN MATERIALS ENGINEERING

Nikunj S. Jindal, April ................................................................. Dublin, OH
Mark Kevin King II, April ............................................................. Woodbridge, VA

MASTERS OF SCIENCE IN MECHANICAL ENGINEERING

Eisa N. Alhaysoni, April ................................................................. Almadinah, Sauri Arabia
Hilarion F. Arong, Jr., April ............................................................. Hoover
Ogonna Gozie Ezeokoli, April ........................................................... Hoover
Jonathan Edward Hendricks, April .................................................. Plant City, FL

BACHELORS OF SCIENCE IN BIOMEDICAL ENGINEERING

James Ansell, Magna Cum Laude, High Distinguished Honors in Science and Technology, April ................................. Madison
Austin Patrick Baecher, High Distinguished Honors, April ................................. Birmingham
Thomas Jefferson Bailey, II, High Distinguished Honors in University Honors, April ................................. Dothan
David Bentley, Magna Cum Laude, High Distinguished Honors in Science and Technology, April ................................. Madison
Devin Javontai Bonner, Magna Cum Laude, April ................................ Georgiana
Michael Bui, Distinguished Honors, April .............................................. Birmingham
Kylie Bushaw, Cum Laude, April ...................................................... Pace, FL
Matthew Chan (Mathematics: Concentration in Applied Mathematics and Scientific Computations) Magna Cum Laude, Distinguished Honors, April ................................. Madison
Yu-Yun Carmen Chen, Cum Laude, Distinguished Honors in Experiential Learning, April .......................................................... Memphis, TN
Alexander Cruz Walma, Summa Cum Laude, High Distinguished Honors in University Honors, April .............................................. Clarendon Hills, IL
Ethan Downs, Summa Cum Laude, High Distinguished Honors in Science and Technology, With Honors in Biomedical Engineering, April .................................................. Madison
Turkan Alinea Esensoy, Cum Laude, Distinguished Honors, April ......................... Huntsville
Peyton Michael Guest, April ............................................................................ Birmingham
Gail Hoffman, Summa Cum Laude, Distinguished Honors, April ........................ Huntsville
Samuel Holder, April ............................................................................. Huntsville
Jervaughn Hunter, April ........................................................................... Port Gibson, MS
Hiroshi Kamei, April ................................................................................ Birmingham
Zachary Koenig, Magna Cum Laude, High Distinguished Honors in Science and Technology, April ................................................. Madison
David Lee, Magna Cum Laude, High Distinguished Honors in Science and Technology, April .................................................. Madison
Letori Nikea McMullen, Distinguished Honors in Experiential Learning, April .... Northport
Tarek Midani, Cum Laude, April ....................................................................... Hoover
Diep Ngoc Nguyen, Summa Cum Laude, April .................................................... Hanceville
Priyanka Parajuli, Magna Cum Laude, April ......................................................... Starkville, MS
Linh Phan, Summa Cum Laude, April .................................................................... Hoover
Catherine Porter, Summa Cum Laude, April ........................................................ Leeds
Shrikiriti Rajan, Magna Cum Laude, Distinguished Honors in Experiential Learning, April .......................................................... Madison
James Robert Rives, Magna Cum Laude, April ..................................................... Indian Springs
Paul Stewart, Magna Cum Laude, April ............................................................. Huntsville
Aaron Briggs Stuber, Magna Cum Laude, High Distinguished Honors in Science and Technology, April ........................................... Moundville
Zainab Gbongbo Suleiman, April ..................................................................... Austell, GA
Yawen Tang, Summa Cum Laude, April .............................................................. Birmingham
Karim Tarabiein, April ................................................................................ Fairhope
John Wooley, Cum Laude, April .................................................................... Alabaster

BACHELORS OF SCIENCE IN CIVIL ENGINEERING

Hunter Bates, April ................................................................................ Columbiana
Eric Stephen Bearss, April ................................................................................. Trussville
Gregory Scott Cain, Jr., April ............................................................................ Trafford
David Jason Curtis, April ............................................................................. Birmingham
Keyonna Y. Fuller, April .................................................................................. Moody
Paul Jason Haynes Jr., April ............................................................................ Pell City
Michael Herring, April ................................................................................ Vestavia
Ronnie Joseph Honeycutt, April ......................................................................... Arley
Jared Wayne Hubbard, April .......................................................................... Lincoln
Joseph Bentley Knight, April ........................................................................... Birmingham
Olivia Danielle Lacey, April .............................................................................. Birmingham
Austin Little, April ..................................................................................... Pinson
Mitchell Morris, Magna Cum Laude, April ......................................................... Pelham
Randall Scott, April ...................................................................................... Hoover
Kyle Tolbert, Magna Cum Laude, April ............................................................. Oneonta
BACHELORS OF SCIENCE IN ELECTRICAL ENGINEERING

Harris Azerf, Cum Laude, Distinguished Honors in Experiential Learning, With Honors in Electrical Engineering, April .................................................. Montgomery
Allen Barrow, Magna Cum Laude, April .......................................................... Odenville
Braxton James Baugh, April ............................................................................. Madison
Michael Bedwell, April ....................................................................................... Leeds
Bill Boshell, Cum Laude, April ............................................................................ Dora
Sean Bryson, April ............................................................................................. Birmingham
Ryle Burey, Magna Cum Laude, April ................................................................. Birmingham
Jacob C. Burns, April .......................................................................................... Morris
Charles Brandon Carter, Summa Cum Laude, April ........................................... Sumiton
Sikai Chen, Magna Cum Laude, April ................................................................. Birmingham
Jon-Michael Conrad, Magna Cum Laude, April .................................................. Birmingham
Gilbert Contreras, April ....................................................................................... Clanton
Cody Cose, April .................................................................................................. Warrior
Austin James Criner, Cum Laude, April .............................................................. Eastaboga
Ronald Blake Driggers, Summa Cum Laude, April .............................................. Trussville
Alec Ferreiro, April ............................................................................................. Birmingham
Nikia Kinesha Freeman, April ............................................................................. Dothan
Jonathon Tyler Glasscock, Cum Laude, April ..................................................... Birmingham
Christopher Griffin, Cum Laude, April ................................................................ Warrior
Bo He, Summa Cum Laude, Distinguished Honors, With Honors in Electrical Engineering, April .......................................................... Marion
Bradley Shawn Heath, April .................................................................................. Eastaboga
Whitney M. Hill, April .......................................................................................... Pleasant Grove
Syed Taha Imam, April ......................................................................................... Hoover
Patrick Johnson, April .......................................................................................... Mobile
Stephen P. W. Kemp, April ................................................................................... Birmingham
Chaselyn Langley, Summa Cum Laude, April ....................................................... Birmingham
Jacob Laurel, Summa Cum Laude, With Honors in Electrical Engineering, April .......................................................... Huntsville
Tracy Lin, Magna Cum Laude, With Honors in Electrical Engineering, April .......... Opp
Adam Lindquist, April .......................................................................................... Newnan, GA
Eric Mobley, Cum Laude, High Distinguished Honors in University Honors, April .......................................................... Alabaster
Mustafa Muneer, April .......................................................................................... Hoover
Peter Thomas Nichols, April .................................................................................. Homewood
Douglas Clinton Null, April .................................................................................. Moody
Adil-Ahmed Patel, April ........................................................................................ Hoover
Joshua K. Peeples, Magna Cum Laude, April ..................................................... Alabaster
William Ned Tracht, Jr., April ............................................................................. Sandusky, OH
Stepan Vancurik, April .......................................................................................... Birmingham
Joseph Williams, Cum Laude, April .................................................................... Helena
Yarelis Nicole Williams, Cum Laude, April.......................................................... Birmingham

BACHELORS OF SCIENCE IN MATERIALS ENGINEERING

Aaron Ballance, April ............................................................................................ Birmingham
Wesley Botts, April ............................................................................................... Birmingham
Tabitha Holcombe Crocker, April ......................................................................... Dora
Isaac Miguel Di Napoli, Magna Cum Laude, Distinguished Honors in Experiential Learning, April .................................................. Dickinson, TX
Brenna Dickinson, Distinguished Honors in Experiential Learning, April .......... New Hope
BACHELORS OF SCIENCE IN MECHANICAL ENGINEERING

Omar Belal Abu-Hamdeh, With Honors in Mechanical Engineering, April.................................. Hoover
Gerald Thomas Allen, April.......................................................... Birmingham
Muhannad Aloqaybi, April.......................................................... Birmingham
William Barfield, April.......................................................... Gardendale
Austin T. Boothe, April.......................................................... Calera
James Dekle DeLoach, Cum Laude, April.................................. Hoover
Isaac Miguel Di Napoli, Magna Cum Laude, Distinguished Honors in Experiential Learning, April.............................. Dickinson, TX
Melissa Dooley, Summa Cum Laude, April.................................. Birmingham
Immanuel Drew, April.......................................................... Birmingham
Matthew Dunson, Summa Cum Laude, With Honors in Mechanical Engineering, April............................................ Birmingham
Darby Alyssa Franklin, High Distinguished Honors in University Honors, With Honors in Mechanical Engineering, April.................................................. Birmingham
Zachary P. Frye, April.......................................................... Florence
Christy Green, With Honors in Mechanical Engineering, April........................................ Warrior
Matthew Guiser, April.......................................................... Moody
Paisley Magleandra Harrell, April........................................ Center Point
Brandon Hinton, April.......................................................... McCalla
Jonathan Holloman, Cum Laude, April...................................... Springville
Benson Hopper, Distinguished Honors, With Honors in Mechanical Engineering, April................................................. Birmingham
Marcus Devoe Jones, April.......................................................... Leeds
Jason Key, With Honors in Mechanical Engineering, April.................................................. Birmingham
Arvind Kosgi, April.......................................................... Montgomery

SCHOOL OF DENTISTRY
Michael S. Reddy, D.M.D., D.M.Sc, Dean

POST DOCTORAL CERTIFICATES
RESIDENCY PROGRAMS

Watcharapong Aroonsang, D.D.S............................................................ Advanced Prosthodontics
Chiang Mai University
Postgraduate Year 3

Michael W. Babston, D.M.D., M.D.............................................. Oral and Maxillofacial Surgery
University of Alabama at Birmingham School of Dentistry
University of Alabama at Birmingham School of Medicine
Postgraduate Year 6

Christine E. Blass, D.M.D................................................................. General Dentistry
University of Alabama at Birmingham School of Dentistry
Postgraduate Year 1

De'Leshea L. Blissett, D.M.D....................................................... Advanced Education in General Dentistry
Georgia Regents University
Postgraduate Year 1

Joseph James Breig, D.M.D............................................................ Endodontics
Nova Southeastern University
Postgraduate Year 2

Samuel Wayne Bush, D.M.D......................................................... Pediatric Dentistry
University of Alabama at Birmingham School of Dentistry
Postgraduate Year 2

Nathaniel J. Camp, D.M.D............................................................ General Dentistry
University of Alabama at Birmingham School of Dentistry
Postgraduate Year 1

Alexandra N. Erbest, D.D.S............................................................ General Dentistry
Virginia Commonwealth University
Postgraduate Year 1

John R. Farnham, D.M.D., M.D.................................................... Oral and Maxillofacial Surgery
University of Mississippi School of Dentistry
University of Alabama at Birmingham School of Medicine
Postgraduate Year 6

Morgan D. Gibson, D.M.D............................................................ General Dentistry
University of Alabama at Birmingham School of Dentistry
Postgraduate Year 1

Jeffrey Hsu, D.D.S................................................................. Periodontology
Ostrow School of Dentistry of USC
Postgraduate Year 3

Coty A. Hulgan, D.M.D............................................................... Periodontology
University of Alabama at Birmingham School of Dentistry
Postgraduate Year 3

Jonathan Cleophas Johnson, D.M.D............................................ Pediatric Dentistry
University of Alabama at Birmingham School of Dentistry
Postgraduate Year 2

Nicholas J. Kentros, D.M.D........................................................ General Dentistry
University of Alabama at Birmingham School of Dentistry
Postgraduate Year 1

Brenna Croft Keever, D.D.S..................................................... Advanced Education in General Dentistry
Louisiana State University Health Sciences Center at New Orleans
Postgraduate Year 1
Allen D. McCall, D.M.D. .................................................................................................................. Endodontics
Southern Illinois University School of Dental Medicine
Postgraduate Year 2
Firas Mourad, D.D.S. ..................................................................................................................... Advanced Prosthodontics
Damascus University School of Dentistry
Postgraduate Year 3
Ricky P. Patel, D.M.D. .................................................................................................................. General Dentistry
University of Pennsylvania
Postgraduate Year 1
Brandon Daniel Pennington, D.M.D. ......................................................................................... Pediatric Dentistry
University of Alabama at Birmingham School of Dentistry
Postgraduate Year 2
University of Texas Health Science Center
Postgraduate Year 2
Brett A. Rhodes, D.D.S. ............................................................................................................... Advanced Education in General Dentistry
Virginia Commonwealth University
Postgraduate Year 1
Nicholas J. Ruggiero, D.M.D. ..................................................................................................... Advanced Prosthodontics
Medical University of South Carolina
Postgraduate Year 3
Pragya Sharma, D.D.S. ............................................................................................................... Periodontology
Indiana University School of Dentistry
Postgraduate Year 3
Jenelle Silvers, D.D.S. .................................................................................................................. Endodontics
Loma Linda University
Postgraduate Year 2
Luis Gerardo Guzman Suarez, D.D.S. ........................................................................................ Periodontology
Universidad Latina de Costa Rica
Postgraduate Year 3
Candice M. Vinson, D.M.D. ....................................................................................................... Advanced Prosthodontics
Medical University of South Carolina
Postgraduate Year 3
Jacob Alan Wood, D.D.S. ............................................................................................................ Advanced Education in General Dentistry
University of California, San Francisco
Postgraduate Year 1
Ping Zhang, D.D.S. ..................................................................................................................... Pediatric Dentistry
Hubei Medical College (now known as Wuhan University)
Postgraduate Year 2

Photographs of graduates are available through professional groups who have contracted with the University to provide these services. Color, on stage photographs with the President and individual portraits photographed off stage are available from ZAP Professional Photography, P.O. Box 2686, Tuscaloosa, AL 35403, (205)345-2686, info@zapfoto.com. Graduates will be sent proofs for ordering the week after graduation. To be personally notified when proofs of your graduate are available for ordering online, scan the QR code or enter this link to submit your email address and phone number (for text notification).

DOCTORAL HOODING
AND
COMMENCEMENT CEREMONY

April 29, 2017
12:00 p.m.
Alys Robinson Stephens Performing Arts Center
Birmingham, Alabama
TO OUR GUESTS

Welcome to the April 2017 Doctoral Hooding and Commencement Ceremony of the University of Alabama at Birmingham. We hope you find the ceremony both meaningful and memorable, as it reflects a culmination of the combined efforts of the doctoral candidates, faculty, and staff.

For the safety of our candidates, faculty, and professional photographer, no audience member is permitted in the aisles on either side of the candidates’ section or at the front of the stage during the ceremony.

We request that you refrain from loud expressions of pleasure for individual graduates. Such expressions detract from the recognition due the next graduate in line. Please turn off all cell phones and pagers before the ceremony begins.

Your cooperation is appreciated.
ORDER OF EXERCISES

Presiding ......................................................... Lori McMahon, Ph.D.
                                                 Dean, Graduate School

Processional .................................................. "Trumpet Voluntary" (Clarke)
                                                 (Please stand)

Welcome ....................................................... Dean McMahon
                                                 (Be seated)

Opening Remarks ............................................ Ray L. Watts, M.D.
                                                 President

Introduction ............................................... John Jones, Ph.D.
                                                 Interim Provost, Vice President for Student Affairs

Address ....................................................... Retta Evans, Ph.D.
                                                 Associate Professor, Community Health and Human Services
                                                 UAB School of Education

Doctoral Hooding ........................................... President Watts
                                                 Dean McMahon
                                                 Faculty Mentors

Recessional .................................................. "Trumpet Tune" (Purcell)
                                                 (Please stand)

Reader:

THE ACADEMIC COSTUME

The gowns and hoods worn today by UAB faculty and graduates have their origin in the 12th and 13th centuries when universities were first taking form. Most scholars of the time were also members of the clergy, where robes and hoods had long been recognized as a symbol of religious orders. It is possible, however, that the tradition of wearing robes and hoods was not so much a religious statement as it was a purely practical measure. Worship and early scholarly endeavors often took place in massive, unheated, stone buildings. Long gowns and hoods may have been simply the most efficient means of staying warm. In any case, as the academic world advanced and its connection to the church became less rigid, the wearing of gowns and hoods became associated more with academia than with religious orders.

In the days of Henry VIII, Oxford and Cambridge universities first began prescribing a specific academic dress, but it was not until the 1800s in the United States that the colors, shapes, and trimmings of gowns, hoods, and caps came to be associated with specific academic disciplines and levels of scholastic achievement.

Today the different shapes, lengths, and sleeve designs indicate the various levels of learning. The gown worn to indicate a bachelor’s degree has pointed sleeves and are untrimmed; the gown for the master’s degree has an oblong sleeve, square cut at the back with an arc cut away at the front, and is also untrimmed; the doctoral gown has bell shaped sleeves and is usually faced with black velvet and has three wide velvet bars across the sleeves. The velvet is sometimes the color distinctive to the discipline in which the degree was earned.

The Mortarboard

The origin of the flat square cap almost universally worn by high school and college graduates is obscure but most likely also evolved from clerical attire. The hat itself seems to have been in use for some time before it received the name by which it is currently known. The term mortarboard used in reference to the academic attire first appeared in print in a novel published in 1853. Apparently it was meant as an irreverent reference to its resemblance to the flat board on which bricklayers carry mortar. The black mortarboard-style cap can be worn for all degrees, but only the Doctor’s caps may be made of velvet and have a gold tassel.

The Tassel

Tassels are fastened to the middle point of the top of the cap and are black or the color appropriate to the academic area. Gold tassels always represent doctoral degrees. Graduates enter the commencement ceremonies with the tassel on the right side. It is moved to the left once the degree is conferred. Faculty wear the tassel to the left throughout the ceremony.

The Hood

The academic hood makes it possible to distinguish not only the level of degree the wearer has earned, but also the university that conferred the degree. The hood representing the Doctor’s degree is somewhat longer and has wider trim than those representing a Master’s degree. Both are lined with silk in the official academic
colors of the institution which conferred the degree and are trimmed in velvet in the color appropriate to the department to which the degree pertains. Today the hood is never actually worn on the head, but is worn draped over the shoulder and down the back so that the lining and trim can be easily seen.

Hoods worn by graduates of The University of Alabama at Birmingham are lined in green silk with a green and gold chevron. Colors assigned to the various doctoral disciplines are as follows:

<table>

THE CEREMONIAL ACADEMIC MACE

Kings throughout history have carried scepters to represent the lawful authority of just rulers. In medieval times, the battle mace was used by princes as an effective hand weapon in combat. In the fourteenth century, the royal scepter and the battle mace were combined to produce the ceremonial mace to be carried before royalty, mayors of cities, and chief officers to represent power and authority. In modern times, the mace is used on ceremonial occasions in the life of the university to indicate the authority of the university president to award degrees.

At today’s ceremony the mace is carried by Retta Evans, Ph.D., Associate Professor of Community Health and Human Services in the UAB School of Education. Dr. Evans precedes the presidential party in the ceremonial procession.

The UAB mace is fashioned from brass, bronze, and stainless steel. The use of these metals signifies Birmingham’s traditional role as an iron and steel producing center. At the lower end of the mace are three medallions. One medallion bears the image of the lamp of knowledge. Another bears the traditional symbol of the physician, the Caduceus. The third medallion is the UAB logo in gold on a green enamel background. The red enamel design on the collar symbolizes the moten metal representative of old Birmingham and its blast furnaces.

The UAB mace was commissioned, designed, and executed in 1989 by noted Alabama sculptor Cordray Parker with the help of Heidi J. Bowman who designed the enameled medallions. The mace was made possible through the generosity of the late Samuel B. Barker, Ph.D., and his late wife, Justine. Dr. Barker, distinguished professor emeritus and dean emeritus of the University of Alabama at Birmingham, was the first dean of the UAB Graduate School and a leading patron of the arts in Birmingham. The University is most grateful for this significant addition to its ceremonial accoutrements.

SUNDAY THE TENTH OF DECEMBER | TWO THOUSAND SEVENTEEN
PROPST ARENA AT THE VON CUN CENTER
NATIONAL ANTHEM

“The Star Spangled Banner”
Oh say, can you see, by the dawn’s early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O’er the ramparts we watched, were so gallantly streaming?
And the rockets’ red glare, the bombs bursting in air
Gave proof through the night that our flag was still there.
Oh, say, does that Star-Spangled Banner yet wave
O’er the land of the free and the home of the brave?

Francis Scott Key

ALMA MATER

Hail to thee proud UAH in loyalty we stand.
We give thee thanks for happy days beneath your guiding hand.
Often we will praise thy name as in the world we go.
We lift our voice our songs to sing all praise to UAH!

Arranged by C. David Ragsdale, Ph.D.

SIGN LANGUAGE

The interpreter will be positioned on the left of the stage.

PROGRAM

The commencement program is a roster of candidates, not an official list of graduates. Appropriate degrees and honors will be awarded to candidates who successfully complete all requirements by established deadlines. The posting of the earned degree on the official university transcript is the institution’s affirmation of possession of the degree. Honors indicated in the program are based on grades for semesters completed prior to the last semester. Actual honors for all completed work will be subsequently calculated and will appear on the official transcript and diploma.
ORDER OF EXERCISES

December 10, 2017
2 p.m.

PRELUDE
UAH Wind Ensemble
Dave Ragsdale, Ph.D.

CALL TO ORDER

STANTON J. ROWE

Chief Scientific Officer and
Corporate Vice President, Edward Lifesciences

Stanton J. Rowe has been chief scientific officer of Edwards Lifesciences since 2008 and also serves as corporate vice president, advanced technology. He joined Edwards Lifesciences in 2004 when Edwards acquired Percutaneous Valve Technologies, a company he helped found in 1999 and of which he served as president and chief executive officer. Previously, Rowe was corporate vice president of business development and strategic planning for Datascope and was vice president of business development for Johnson & Johnson’s interventional systems division (JJIS) in Warren, New Jersey, responsible for the company’s coronary stent development efforts. At JJIS and the related Cordis Corporation, Rowe held a variety of positions with increasing levels of responsibility, including heading the company’s business development, advanced technology, worldwide clinical research and marketing groups. Rowe joined Cordis after previously holding several positions in product management for a number of medical device companies.

Rowe is on the board of directors of InSeal Medical, Ltd. and Neural Analytics. He is also on the board of directors for the Discovery Science Center in Orange County, California as well as on the advisory boards for the engineering or biomedical engineering schools at UC Irvine, Georgia Tech and Brown University. Rowe received a bachelor’s degree from The University of Alabama in Huntsville in Biological Sciences.

Master’s Degrees

COLLEGE OF ENGINEERING

Master of Science

Ethan P. Hopping
Aerospace Systems Engineering
Advisor: Dr. Kunning Gabe Xu

Arulraj Selvaraj
Aerospace Systems Engineering

Master of Science in Engineering

Shahrzad Ainkeshavarzi
Civil Engineering
Thesis: “Crash Severity Analysis of School Buses in Alabama”
Advisor: Dr. Michael Anderson

Omar Q. Ahmed
Electrical Engineering

Chitawan Austin
Industrial and Systems Engineering

Dipanjan Banerjee
Electrical Engineering

Daniel D. Bekken
Electrical Engineering

Jonathan B. Bono
Industrial and Systems Engineering

Prabhat Gaganvihar Borate
Mechanical Engineering
Advisor: Dr. Gang Wang

Daniel Brackmann
Electrical Engineering

Chelsea L. Brown
Electrical Engineering

Connor Bryant Brown
Industrial and Systems Engineering

Joseph D. Burris
Industrial and Systems Engineering

Hang Fai Chan
Electrical Engineering

Jayesh Purushottam Chaudhari
Mechanical Engineering

Anthony Earl Christensen
Mechanical Engineering

Ryan Adam Cowart
Computer Engineering
Advisor: Dr. Aleksandar Milenkovic

James Q. Craig
Electrical Engineering

Bharath Daddala
Mechanical Engineering

Landon Keith Dalton
Civil Engineering

Abhinay Domala
Computer Engineering

Derek John Donewar
Industrial and Systems Engineering

Madhuri Edala
Computer Engineering

Holly R. Foshee
Mechanical Engineering

Garrett Jack Gammon
Industrial and Systems Engineering

Narayana Rao Gorthi
Computer Engineering

Kenneth Alexander Haines
Chemical Engineering
Thesis: “Kinetic Analysis of the Hypergolic Reactivity of Dimethylpiperazines with Red Fuming Nitric Acid”
Advisor: Dr. James E. Smith

Samuel James Hobbs
Mechanical Engineering

Benjamin Arthur Holt
Industrial and Systems Engineering

Seth Neal Hughes
Computer Engineering

Christopher Jean
Electrical Engineering

Avinash Katki
Mechanical Engineering

Matthew John Kirschhenheiter
Industrial and Systems Engineering

Satya Kalpana Magapu
Mechanical Engineering

Adam Coll Martin
Industrial and Systems Engineering

Hana McFeeters
Industrial and Systems Engineering

Patrick A. McInturff
Mechanical Engineering
Thesis: “Influences of Impingement Hole Shape and Small Roughness on Impingement Jet Array Heat Transfer”
Advisor: Dr. Phillip Ligrani

Christopher Stevan McNichol
Electrical Engineering

Cory Ryan Medina
Mechanical Engineering
Advisor: Dr. Chang-Kwon Kang

Scott Meyers
Mechanical Engineering

Ryan Daniel Miller
Electrical Engineering

Derrick J. Nelson
Electrical Engineering

Tien Cong Nguyen
Electrical Engineering

Ravi Teja Padamati
Computer Engineering

Poornesh Patruni
Electrical Engineering

Elizabeth Anne Patterson
Industrial and Systems Engineering
Thesis: “Utilizing SysML Viewpoints to Improve Understanding and Communication of Human Mental Models within System Design Teams”
Advisor: Dr. Dale Thomas

Nicholas Ryan Peterson
Civil Engineering

Jonathan Eugene Pryor
Computer Engineering
Thesis: “Feasibility of Physiological Monitoring Embedded in Smart Stuff”
Advisor: Dr. Emil Jovanov

Nikhitha Reddy Pulichintala
Industrial and Systems Engineering

Prithviraj Raja
Civil Engineering

Joshua Michael Schultz
Mechanical Engineering

Jaykumar Vinodbhai Sheladia
Civil Engineering

Brendan D. Sontag
Industrial and Systems Engineering

Tracy Staines
Industrial and Systems Engineering

Tyler Charles Staudinger
Electrical Engineering
Kennie M. Still  
Mechanical Engineering

Wesley H. Stout  
Industrial and Systems Engineering

Masaaki Suzuki  
Mechanical Engineering  
Thesis: "Influences of Impingment Hole Shape and Small Plus Large Roughness on Impingment Jet Array Heat Transfer"  
Advisor: Dr. Philip Ligrani

Chandra Shekar Rao Varah  
Mechanical Engineering

Sudharshana Veerabheraman  
Computer Engineering

Xiaolin Wang  
Chemical Engineering  
Thesis: "Passive and Active Cooling System Using Pentium 3258 and Intel Core 17-7770K Processors with FC-72"  
Advisor: Dr. James E. Smith

Daniel Thomas Welch  
Electrical Engineering

Andrew Douglas Williams  
Electrical Engineering

Daniel William Yates  
Electrical Engineering

Bojun Zhang  
Electrical Engineering

Wuxing Zhang  
Electrical Engineering  
Thesis: "Metal Wire Grid Polarizer with Bridges For Infrared Transparent Electrodes"  
Advisor: Dr. Junpeng Guo

COLLEGE OF NURSING  
Master of Science in Nursing

Emily Caroline Adich  
Kirstin Alexandria Agent  
Ashley Victoria Akins  
Bianca Maria Armstrong  
Angela N. Ayers  
Thesis: "What is the Practice of the Perinatal Nurse Related to Newborn Suctioning Using the Bulb Syringe?"  
Advisor: Dr. Ellise Adams

Kathleen G. Band  
Destinee Renee Bartow  
LaShonda Bell Battaglia  
Lauren Leigh Box  
Alicia Ray Bashkalaratee Boyd  
Breanna Woodis Brandon  
Stacy Brooks  
Carol L. Bullock  
Jessica Lynn Burkene  
Marla Dean Byrum  
James David Carter  
Ricky Jeremy Carwile  
Olivia Lewter Cathey  
Jonathan Edward Caudle  
Nicholas Addam Cleckler  
Amanda Cordero  
Eric Tucker Crampsey  
Norman Edward Damron  
Susanna Harris Davis  
Amanda Lee Anna Dimasi  
Lee William Elgin II  
Hannah Bishop Ellison  
Allison Y. England  
Burley Joe Flanagan  
Tiffany Lynn Forst  
Charity Danielle Fortune  
Jeremy Paul Gaertner  
Chrissey Jean Gardner  
LaShawn S. Gardner  
Lauren Sliger Garrard  
Crystal Dawn Gaskins  
Christopher Austin Verbon George  
Mary Amanda George  
Rebecca Gonzalez  
Jacqueline P. Green  
Christina Grover  
Brandi R. Harbin  
Ashton Maryedith Harden  
Jennifer Elaine Harris  
Gregory Matthew Headley  
Jessica Lane Helsley  
Amanda Lea Higgins  
Katelyn Jane Hilborn  
Shannon R. Hilley  

Victoria Lynn Hines  
Mark Edward Holladay  
Melanie Rae Hughes  
Kelly Amanda Jackson  
Cody Edward Jarmon  
Stacy M. Joiner  
Jessica M. Jones  
William Adam Jones  
Chelsey Lauren Kerr  
Anthony H. Key  
Sara K. Khan  
Rachael Marie Kightlinger  
Natalie Jean Kilpatrick  
Sarah Sellari Kramer  
Keith Michael Kunze  
Shelly Laney  
Robin Roney Loftin  
Hanna Suzanne Lovelady  
Ahmed M. Maladi  
Kelsey Palm Martin  
Victoria Nicole Mathis  
Joshua Lee McCamy  
Nathan Ray McCamy  
Kassandra D. McDonald  
Taylor G. Melvin  
Amber Griggs Mitchell  
Thesis: "Creating a Safe and Effective Orientation Program Utilizing Nurses’ Perception in a Small, Rural Hospital Emergency Department"  
Advisor: Dr. Angela Hollingsworth

Aubrey Molder  
Emily Dawn Moore  
William D. Mullins  
Margaret Kimberly Murdock  
Haley Lane Nelson  
Heather Noles  
Bianca Alise Lorraine Norris  
Elizabeth Thomas Pendergrass  
Harvey Andrew Pleasanton, Jr.  
Shannon Thor Pollard  
Tyson Rainer  
Kimberly L. Randolph  
Stephanie Susan Rayl  
Jennifer Marianne Rikard  
Sony Kay Robinson  
Kaci Ann Marie Ross  
Jennifer L. Sanders  
Kristie Michelle Sanders  
Leslie Nichole Scott  
Patrick Sellers  
Laura Adrienne Sharif  
Daniel Samuel Shaw  
Laura Elizabeth Shepherd  
Monica L. Sissom  
Elizabeth Jeanette Sloan

Master of Science  
in Operations Research

Matthew Douglas Brown

Master of Science  
in Software Engineering

Alhassin Amer Asiri  
Computer Engineering

Ian Donald Lacy  
Computer Engineering

Christopher Blake Stocker  
Computer Engineering

1120
Master's Degrees

Bobby Joe Smith
James Lucas Stanly
Olivia Maureen Stewart
Kelley McQueen Strain
Lisa Strickland
Nicole Andrea Stringfellow
Riddhi Patel Sutton
Jacob S. Taylor
Margaret Hatcher Terrell
Danyell Lynn Thomas
Aubrey Michelle Thompson
LaFaye Akisha Thurman
Sirmarial McDaniel Townsend
Alicia Vasquez
Torri Tess Vinsel

Jessica Rothwell Walters
Susan Gwenn Weaver
Ruoting Wei
Tracy Sartain Yandric

COLLEGE OF SCIENCE

Master of Science

Corey Gilbert Arniot
Atmospheric Science
Thesis: “Using C-Band Dual-Polarization Radar and Environmental Signatures to Improve Convective Wind Nowcasting at Cape Canaveral Air Force Station and NASA Kennedy Space Center”
Advisor: Dr. Lawrence Carey

Michael Arnold
Computer Science
Thesis: “Predictive Networking and Optimization for Flow-Based Networks”
Advisor: Dr. Daniel Rychowiak

Bidhan Bhattachari
Computer Science
Thesis: “Protein Crystallization Screening Using Novelty Search”
Advisor: Dr. Ramazan Aygun

Lakshmi Durga Sarvari Chanamolu
Computer Science
Nicholas M. Christensen
Modeling and Simulation
Advisor: Dr. Mikael Petty

Joshua Michael Coleman
Biological Sciences
Thesis: “Variation in Larval Behavior Across the Ecologically Distinct Host Populations of the Cactophilic Drosophila mojavensis”
Advisor: Dr. Debra Moriarity

Dharussunn Gunaseelan
Computer Science
Iksha Gurung
Computer Science
Thesis: “Hailstorm Detection with Radar Imagery Data Using a Deep Convolutional Neural Network”
Advisor: Dr. Chao Peng

Arsela Hameed
Chemistry
Nathan L. Henderson
Computer Science
Thesis: “Human Action Classification Using Temporal Slicing for Deep Convolutional Neural Networks”
Advisor: Dr. Ramazan Aygun

Hannah E. Jimmerson
Physics
Thesis: “X-Ray Spectroscopy of X COMAE and 3C273 to Study the Warm-Hot Intergalactic Medium”
Advisor: Dr. Massimiliano Bonamente

Mahesh Kumar Juttu
Computer Science
Thesis: “Associative Recommender System for Protein Crystallization Screening”
Advisor: Dr. Ramazan Aygun

Seongmin Kim
Atmospheric Science
Thesis: “An Analysis ofCumulus Cloud-Top Properties for 0-1 Hour Convective Initiation Nowcasting Using Himawari-8 Infrared and Near Infrared Fields”
Advisor: Dr. John Mekikalski

James Matthew John Lawlor
Modeling and Simulation
Thesis: “Application of Machine Learning Models to CFTR Enhancer Discovery”
Advisor: Dr. Eric Mendenhall

Christina Grace Alicia Leach
Atmospheric Science
Thesis: “Implementing Active/Passive Atmospheric Profiling Observations to Enhance Dual Polarization Radar Hydrometeor Classification Algorithms for Winter Precipitation”
Advisor: Dr. Kevin Knupp

Dana Margaret McCollum Timms
Biological Sciences
Thesis: “Reproductive Timing of the Largescale Stoneroller, Campostoma Oligolepis, in the Flint River, Alabama”
Advisor: Dr. Bruce Stallsmith

Ashraf Moradi
Physics

1121

Caitlin Anne Morrow
Chemistry
Poomnime Ghanasamy
Computer Science
Sarvagna Pant
Computer Science
Vinar Vijaykumar Patel
Computer Science
Geoffrey Wayne Paul
Modeling and Simulation
Advisor: Dr. Mikael Petty

Rohit Govind Pawar
Computer Science
Ryan Adkins Preston
Modeling and Simulation
Thesis: “Utilizing a Discrete Event Simulation of Material Handling Plans to Calculate Reinforcement Learning Rewards”
Advisor: Dr. Mikael Petty

Nagesh Babu Pugazhendhi
Computer Science
Vidya Keshava Rao Ravulapati
Cybersecurity
Jared T. Riebeling
Biological Sciences
Nethravathi Sathur Nagaraj
Computer Science
Mohammed Shahid Shariief
Cybersecurity
Bhavya Nandan Sharma
Computer Science
Anamika Shilhare
Computer Science
Mohammad Shojaebehfaili
Computer Science
Midusha Shrestha
Computer Science
Thesis: “Schema Matching and Date Integration with Consistent Naming for Protein Crystallization Screens”
Advisor: Dr. Ramazan Aygun

Suraj Subedi
Computer Science
Bofeng Tang
Space Science
Austin D. Vacek
Atmospheric Science
Advisor: Dr. Lawrence Carey

Xingjian Wang
Material Science
HONOR GRADUATES

Honors indicated in the program are based on grades for semesters completed prior to the last semester. Actual honors for all completed work will be subsequently calculated and will appear on the official transcript and diploma.

SUMMA CUM LAUDE
3.9 - 4.0 on course work

Jeannie Bain
Jackson David Beasley
Lauren E. Black
James Christopher Block
Jessica Fay Booth
Jaime Isom Caldwell
Virginia Blanton Calvert
Matthew Alan Cecil
Scarlett Chandler Charles
Tanya Chavez
Matthew A. Christley

THE UNIVERSITY MACE

The ceremonial mace of The University of Alabama in Huntsville was commissioned for the school’s first commencement in 1973 and incorporates materials that represent Huntsville’s history from pioneer times to the Space Age.

The shaft of the mace is fashioned of native chittamwood (Cotinus obovatus) harvested on Huntsville’s Monte Sano mountain. It also contains a section of a cedar log recovered from the 1823 Huntsville City water system, thought to be the oldest public water system west of the Appalachians.

Topping the three-foot-long mace is a glass display created at NASA’s George C. Marshall Space Flight Center. It is backed with velvet in the official blue of both the university and NASA. Housed within it are materials that were processed during NASA’s Skylab Missions and that represent the then new field of space-based materials technology.

The mace includes a section of a spacecraft nose cone that was a gift to UAH from the U.S. Army’s Redstone Arsenal. This nose cone was subjected to an ablative process that led to the development of protective heat shields for spacecraft.

Another feature of the mace is a ceramic ring in white, the university’s second color. It displays the school’s 1950 founding date and the 1969 date when UAH became an autonomous campus as a member of The University of Alabama System.

ACADEMIC REGALIA

American universities adhere to the official Academic Costume Code adopted in 1895. It describes the styles of gowns, hoods, and faculty colors that symbolize the wearer’s academic discipline and rank. Bachelor’s gowns are the most simple, featuring a pleated yoke and front fabric panels. Master’s degree gowns are distinguished by unusual sleeves, each of which has a long rectangular piece of cloth on the backside that dangles to the wearer’s knees. Doctors wear the most elaborate of all academic gowns, as befits their status at the highest level of scholarship. Fuller and more flowing than master’s or bachelor’s gowns, doctors’ gowns have distinctive billowy, bell-shaped sleeves, front facings of velvet, and three bars of velvet across the sleeves.

FACULTY COLORS

The colors used to symbolize areas of study are referred to as “faculty colors” and trace their history to the Middle Ages when color and costume conveyed to the mostly illiterate populace visual messages about rank and occupation. Colors are displayed on doctor’s gowns, edging of hoods, and tassels on caps.

SPECIAL THANKS
UAH Lancers
HOODS
Hoods are lined with the official school colors to indicate where the wearers earned their degrees. Hood bindings or edgings are of velveteen and indicate field of study using faculty colors.

MORTARBOARDS AND TAMs
The origin of the mortarboard is subject to speculation, but some suspect the guild and apprentice systems of the Middle Ages. Then, during the construction of Europe’s great cathedrals, master workers would mix mortar on similarly shaped boards. Hence, the mortarboard came to be associated with someone who had mastered the knowledge and skills necessary for his trade. Today, Ph.D.s often choose a soft velvet tam instead of the traditional mortarboard.

TASSELS
Colored threads have been part of academic costume since 1340 at Oxford, where students were compelled to adhere to strict rules of dress and maintain their everyday hoods by mending them with the color of thread representing their faculties. The use of colored threads to indicate field of study survives in the colored tassels suspended from graduates’ mortarboards. Doctoral tassels are shorter and made of metallic or gold-colored threads.

MEET YOUR GRADUATE for a reception in the VBC’S East Hall immediately after the ceremony

GRADIMAGES

The Commencement Committee has arranged to have GradImages at the ceremony to take high-quality photographs of each candidate as he/she receives the diploma. Proofs will be sent to you within seven days after Commencement. There is no obligation to purchase the finished prints. Ordered prints will be delivered within thirty days of the deadline printed on order card. GradImages is the only photographer authorized by UAH to send photographs to the graduates.

NATIONAL ANTHEM

"The Star Spangled Banner"
Oh say, can you see, by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air
Gave proof through the night that our flag was still there.
Oh, say, does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?

Francis Scott Key

ALMA MATER

Hail to thee proud UAH in loyalty we stand.
We give thee thanks for happy days beneath your guiding hand.
Often we will praise thy name as in the world we go.
We lift our voice our songs to sing all praise to UAH!

Arranged by C. David Ragsdale, Ph.D.

SIGN LANGUAGE

The interpreter will be positioned on the left of the stage.

PROGRAM

The commencement program is a roster of candidates, not an official list of graduates. Appropriate degrees and honors will be awarded to candidates who successfully complete all requirements by established deadlines. The posting of the earned degree on the official university transcript is the institution’s affirmation of possession of the degree. Honors indicated in the program are based on grades for semesters completed prior to the last semester. Actual honors for all completed work will be subsequently calculated and will appear on the official transcript and diploma.

1138
ROBERT M. LIGHTFOOT, JR.
Retired Acting Administrator
National Aeronautics and Space Administration (NASA)

Robert M. Lightfoot, Jr. became NASA's acting administrator January 20, 2017. After a distinguished career, he has announced his retirement from NASA at the end of April, 2018.

Lightfoot previously was director of NASA's Marshall Space Flight Center in Huntsville, Alabama. Named to the position in August 2009, he headed one of NASA's largest field installations, which plays a critical role in NASA's space operations, exploration and science missions. Lightfoot managed a broad range of propulsion, scientific and space transportation activities contributing to the nation's space program.

From 2007 to 2009, Lightfoot was deputy director of the Marshall Center. He served as manager of the Space Shuttle Propulsion Office at Marshall from 2005 to 2007, where he was responsible for overseeing the manufacture, assembly and operation of the primary shuttle propulsion elements: the main engines, external tank, solid rocket boosters and reusable solid rocket motors.

From 2003 to 2005, he served as assistant associate administrator for the Space Shuttle Program in the Office of Space Operations at NASA Headquarters in Washington. His responsibilities included space shuttle Return to Flight activities following the Columbia tragedy, technical and budgetary oversight of the $3 billion annual budget and initial transition and retirement efforts for shuttle infrastructure.

In 2002, Lightfoot was named director of the Propulsion Test Directorate at NASA's Stennis Space Center. He served as deputy director of the organization beginning in 2001, until his appointment as director.

Lightfoot began his NASA career at the Marshall Center in 1989 as a test engineer and program manager for the space shuttle main engine technology test bed program and the Russian RD-180 engine testing program for the Atlas launch vehicle program. He received a bachelor's degree in mechanical engineering in 1986 from the University of Alabama. In 2010, he was inducted into the State of Alabama Engineering Hall of Fame.
THE 2018 GRADUATION CANDIDATES
Doctoral Degrees

**COLLEGE OF ENGINEERING**
*Doctor of Philosophy*

- **Longfei Cui**
  - Field: Electrical Engineering
  - Dissertation: “Characterization of Outdoor Dielectrics for Power System Applications”
  - Advisor: Dr. Ravi Gorur

- **Hong Guo**

**INTERDISCIPLINARY PROGRAMS**
*Doctor of Philosophy*

- **Kimberly A. Hobbs**
  - Field: Biotechnology Science and Engineering
  - Dissertation: “Functional Association of the Cyclin Dependent Kinase Inhibitor Locus with Cardiovascular Disease”
  - Advisor: Dr. Devin Absher
Dawn Michelle Linn  
DNP Project: “An Evaluation of State Health Facility Surveyor Perceptions of Structural Empowerment and Job Satisfaction”  
Advisor: Dr. Faye Anderson

Jessica McCarthy  
DNP Project: “Implementation of an Intimate Partner Violence Screening Policy in a University Health Care Clinic”  
Advisor: Dr. Ann Bianchi

Delores B. McClellan  
DNP Project: “Implementing Measure-Based Outcomes in Mental Healthcare”  
Advisor: Dr. Rita Ferguson

Lourdes Moore  
DNP Project: “Application of Just Culture Principles in a Nursing Peer Review Committee’s Decisions on Practice Breakdowns”  
Advisor: Dr. Kristen Herrin

Susan Ann Sanfilippo  
DNP Project: “Caring for Commercial Drivers Lives Quality Improvement Program”  
Advisor: Dr. Louise O’Keefe

Catherine Ann Sines  
DNP Project: “Are Advanced Practice Nurses Attitudes and Beliefs of Palliative Care Utilization Based on Nursing Knowledge”  
Advisor: Dr. Rita Ferguson

Shannon Tillar Thompson  
DNP Project: “Pediatric Early Intervention Improvement through Utilization of the Parents’ Evaluation of Developmental Status Screening Tool”  
Advisor: Dr. Marlena Primeau
Master's Degrees

COLLEGE OF ARTS, HUMANITIES AND SOCIAL SCIENCES
Master of Arts

McKenzie Leigh Alden
Psychology
Thesis: “Development of the Alabama Prisoner Quality of Life Survey”
Advisor: Dr. Eric Seemann

Daniela LaShea Archie
Professional Communications

Victoria Leigh Castille
Psychology
Thesis: “The Effects of Preparatory Information, Acute Stress and Transactive Memory Systems on Virtual Team Performance”
Advisor: Dr. Sandra Carpenter

Kaley C. Davidson
English

Hillary Brittyne Erwin
Psychology
Thesis: “The Impact of Font Size on Reading Comprehension”
Advisor: Dr. Jodi Price

Samineh Christine Gillmore
Psychology
Thesis: “Forgiveness in the Workplace: The Contribution of Perceived Organizational Support and Perceived Organizational Competence”
Advisor: Dr. Dianhan Zheng

Elizabeth Amanda Ginas
English

Karson R. Goodman
English

Shannon Meredith Lampton
History

Laura Susanne McVay
English

Jasmine Ann Moore
English
Thesis: “Sankofa: Framing Afrofuturism: Dialectical Utopias in N. K. Jemisin’s The Fifth Season, Nisi Shawl’s Everfair, and Nnedi Okorafor’s Binti”
Advisor: Dr. Eric Smith

Russell Alan Nelson
English

James Douglas Putman, Jr.
History
Thesis: “The Motivation to Learn Engaging Students in Pre-Modern Western Education”
Advisor: Dr. Andrei Gandila

Cristina Allee Smith
Public Affairs

SPECIAL THANKS
UAH Lancers
THE UNIVERSITY MACE

The ceremonial mace of The University of Alabama in Huntsville was commissioned for the school's first commencement in 1973 and incorporates materials that represent Huntsville's history from pioneer times to the Space Age.

The shaft of the mace is fashioned of native chittamwood (Cotinus obovatus) harvested on Huntsville's Monte Sano mountain. It also contains a section of a cedar log recovered from the 1823 Huntsville City water system, thought to be the oldest public water system west of the Appalachians.

Topping the three-foot-long mace is a glass display created at NASA's George C. Marshall Space Flight Center. It is backed with velvet in the official blue of both the university and NASA. Housed within it are materials that were processed during NASA's Skylab Missions and that represent the then new field of space-based materials technology.

The mace includes a section of a spacecraft nose cone that was a gift to UAH from the U.S. Army’s Redstone Arsenal. This nose cone was subjected to an ablative process that led to the development of protective heat shields for spacecraft.

Another feature of the mace is a ceramic ring in white, the university's second color. It displays the school's 1950 founding date and the 1969 date when UAH became an autonomous campus as a member of The University of Alabama System.

ACADEMIC REGALIA

American universities adhere to the official Academic Costume Code adopted in 1895. It describes the styles of gowns, hoods, and faculty colors that symbolize the wearer’s academic discipline and rank. Bachelor’s gowns are the most simple, featuring a pleated yoke and front fabric panels. Master’s degree gowns are distinguished by unusual sleeves, each of which has a long rectangular piece of cloth on the backside that dangles to the wearer’s knees. Doctors wear the most elaborate of all academic gowns, as befits their status at the highest level of scholarship. Fuller and more flowing than master’s or bachelor’s gowns, doctors’ gowns have distinctive billowy, bell-shaped sleeves, front facings of velvet, and three bars of velvet across the sleeves.

FACULTY COLORS

The colors used to symbolize areas of study are referred to as “faculty colors” and trace their history to the Middle Ages when color and costume conveyed to the mostly illiterate populace visual messages about rank and occupation. Colors are displayed on doctor’s gowns, edging of hoods, and tassels on caps.

1157
HOODS
Hoods are lined with the official school colors to indicate where the wearers earned their degrees. Hood bindings or edgings are of velveteen and indicate field of study using faculty colors.

MORTARBOARDS AND TAMS
The origin of the mortarboard is subject to speculation, but some suspect the guild and apprentice systems of the Middle Ages. Then, during the construction of Europe's great cathedrals, master workers would mix mortar on similarly shaped boards. Hence, the mortarboard came to be associated with someone who had mastered the knowledge and skills necessary for his trade. Today, Ph.D.s often choose a soft velvet tam instead of the traditional mortarboard.

TASSELS
Colored threads have been part of academic costume since 1340 at Oxford, where students were compelled to adhere to strict rules of dress and maintain their everyday hoods by mending them with the color of thread representing their faculties. The use of colored threads to indicate field of study survives in the colored tassels suspended from graduates' mortarboards. Doctoral tassels are shorter and made of metallic or gold-colored threads.

COMMENCEMENT MARSHALS
Brent Wren, Ph.D., University Marshal

MEET YOUR GRADUATE
for a reception in the VBC’S East Hall
immediately after the ceremony

GRADIMAGES

The Commencement Committee has arranged to have GradImages at the ceremony to take high-quality photographs of each candidate as he/she receives the diploma. Proofs will be sent to you within seven days after Commencement. There is no obligation to purchase the finished prints. Ordered prints will be delivered within thirty days of the deadline printed on order card. GradImages is the only photographer authorized by UAH to send photographs to the graduates.
