

## 202. Non-resident Tuition Policy

### I. Non-resident Tuition Fee

- A. All students registering at The University of Alabama, The University of Alabama at Birmingham, or The University of Alabama in Huntsville who do not establish that they are “resident students” shall pay a “non-resident student” tuition, which shall be at least twice that of “resident student” tuition.
- B. Classification of students as “non-resident students” or “resident students” shall be made at the time of their initial registration and shall continue unchanged through all subsequent registrations at that institution until satisfactory evidence to the contrary is submitted at the time of any subsequent registration.

### II. Definitions

#### A. Minor

An individual who, because of age, lacks the capacity to contract under Alabama law. If both parents are deceased or if neither had legal custody, then supporting person shall mean, in the following order: legal custodian of the student, and, if none, the guardian, and, if none, the conservator.

#### D. Resident

that place than with any other place. Individuals carrying resident status under this policy shall certify under penalty for perjury that a specific address or location within the State of Alabama is their residence, that they intend to remain there indefinitely, and that they have more substantial connections with the State of Alabama than with any other state. Though certification of an address and an intent to remain in the state indefinitely are prerequisites to establishing status as a resident, ultimate determination of that status shall be made by the institution through its evaluation of an individual's connections with the State of Alabama by considering the presence or absence of the following:

1. Payment of Alabama state income taxes as a resident
2. Ownership of a residence or other real property in the state and payment of state ad valorem taxes thereon
3. Full-time employment (not temporary) in the state
4. Residence in the state of a spouse, parents, or children
5. Previous periods of residency in the state continuing for (1) year or more

7. Possession of state or local licenses to do business or practice a profession in the state
8. Ownership of personal property in the state and payment of state taxes thereon (e.g. automobile, boat, etc.) and possession of state license plates
9. Continuous physical presence in the state for a purpose other than attending school and except for temporary absences for travel, military service, temporary employment, etc.
10. Membership in religious, professional, business, civic, or social organizations in the state
11. Maintenance in the state of checking and savings accounts, safe deposit boxes or investment accounts
12. In-state address shown on selective service registration, driver's license, automobile title registration, hunting and fishing license, insurance policies, stock and bond registrations, last will and testament, annuities, or retirement plans
13. Location within the state of the high school from which the individual graduated

E. Resident Student

1. Is not a “minor” or “dependent child,” and is a resident of the State of Alabama and has been a resident of the state for at least one year immediately preceding the date of registration; or
2. Is a “minor” or “dependent child,” and whose “supporting person(s)” is a resident of the State of Alabama and has been a resident of the state for at least one year immediately preceding the date of registration.

F. Non-Resident Student
