For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-292-8868 or visit us at [AlabamaBlue.com](#). | Important Questions | Answers | Why This Matters: |
|---|---|---|
| What is the overall deductible ? | \$1,400 self only coverage/\$2,800 family coverage. | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , the overall family deductible must be met before the plan begins to pay. |
| Are there services covered before you meet your deductible ? | Yes. Preventive services in-network are covered before you meet your deductible . | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | You don't have to meet deductible for specific services. |
| What is the out-of-pocket limit for this plan ? | \$3,500 self only coverage/\$7,000 family coverage. | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , the overall family out-of-pocket limit must be met. |
| What is not included in the out-of-pocket limit ? | Premiums, balance-billed charges, health care this plan doesn't cover, cost sharing for most out-of-network benefits and pre-certification penalties. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider ? | Yes. See AlabamaBlue.com or call 1-800-810-BLUE for a list of network providers. | This plan uses a provider network. You will pay less if you use a provider in the plan 's network. You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist ? | No. | You can see the specialist you choose without a referral. |

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
