(4) Cheri Canon, M.D.

(5) Seth Landefeld, M.D.

NOW THEREFORE BE IT RESOLVED BY THE BOARD that the nominees listed above are hereby appointed to the UAB-SVHS Board of Directors for a one-year term beginning on October 1, 2023, and until such time as their successors are duly appointed and qualified.

Pro tem Starnes said a draft of the minutes of the June 9, 2023 meeting was previously distributed for review. He asked if there were any objections to approving the minutes as distributed. Hearing none, the minutes were unanimously approved.

Pro tem Starnes said the September 1, 2023 Administrative Report was previously distributed to the Board. Pro tem Starnes asked if there were objections to the report as distributed. Hearing none, the report was accepted, per the attachment as Exhibit Q.

Pro tem Starnes then recognized Chancellor Finis E. St. John IV for the following report from the University of Alabama System:

> Thank you, Mr. Pro Tem.
>
> I would like to begin these remarks by offering the gratitude of the System and my personal thanks to the outgoing President pro tem Stan Starnes for his 3-year tenure of service. Few people understand the commitment of time and weight of responsibility that this often-thankless job requires. Thank you, sir, for your service to The University of Alabama System.
>
> As we embark on a new academic year, the Board is fully aware that our Universities and Health System continue to serve the state well, and the state of the System is strong. Operating as a System has enhanced this service and produced tangible results in expanding our reach and leadership across the state, educating more and more Alabama residents, and increasing our ability to provide world-class healthcare to all Alabamians. As the Trustees know, the administration of this mission is becoming more and more complex and more highly scrutinized as we seek to serve.
>
> So, I would like to take this opportunity to particularly thank the members of the University System Office staff. Working largely behind the scenes, this highly professional group of public servants inspire me every day by their dedication to our mission, their hard work, and their sound judgement. It is an honor to work with them every day. Our Universities and their administration, faculty, students, and patients may never know the benefits these people provide to the education and medical enterprises. I can say with confidence that in my years of involvement, the System has never had a more talented, professional, and committed team, and I mention this to assure the Board of Trustees that you are well served as you perform your duty to the State. Mr. Pro tem, we look forward to the bright future of The University of Alabama System.
>
> That concludes my remarks.
>
> Thank you, Mr. Pro tem.

Pro tem Starnes thanked Chancellor St. John for his message.

Pro tem Starnes then recognized Trustee Mauldin for a report from the Compensation Committee.

Trustee Mauldin reported that the Compensation Committee met on March 13, 2023 and June 27, 2023 and approved the compensation of 32 total employees. These items do not require separate approval by the Board of Trustees. Pro tem Starnes asked if there were questions or comments concerning the Committee's actions. Hearing none, the report was accepted.

Pro tem Starnes thanked Trustee Mauldin and recognized Trustee Morrissette for a report from the Investment Committee.

Trustee Morrissette reported that the Investment Committee met on August 31, 2023 and approved an investment in one new fund with an existing manager. This item did not require separate approval by the Board of Trustees. Pro tem Starnes asked if there were questions or comments concerning the Committee's actions. Hearing none, the report was accepted.

Granting Authorization to Negotiate and Execute Contract with Timber Bay Fund III, LP

RESOLUTION

WHEREAS, the Investment Committee of The Board of Trustees of The University of Alabama has previously established a target asset allocation for Global Equity in the Pooled Endowment Fund; and

WHEREAS, the Senior Vice Chancellor for Finance and Administration, with the advice and assistance of Fund Evaluation Group, hereby recommends an investment in Timber Bay Fund III, LP of up to $20,000,000 for the Pooled Endowment Fund; and

NOW, THEREFORE, BE IT RESOLVED by the Investment Committee of The Board of Trustees of The University of Alabama that the Senior Vice Chancellor for Finance and Administration, with the advice and assistance of Fund Evaluation Group, and subject to review by the University of Alabama System legal counsel be, and hereby is, authorized to negotiate and execute a contract with Timber Bay Fund III, LP.

Pro tem Starnes thanked Trustee Morrissette and recognized Trustee Phelps for a report from the Finance Committee.

Trustee Phelps reported that the Finance Committee met on August 31, 2023, considered seven resolutions, and heard a report on one information item. The Finance Committee unanimously recommended that the Board approve the seven resolutions. Trustee Phelps moved for their approval by the Board, which was seconded by Trustee Malone. Pro tem Starnes asked if there were questions or comments concerning any of the Finance Committee's actions. Hearing none, Pro tem Starnes then called for a vote, and the following resolutions were unanimously adopted, separately and collectively:

Approving Annual Operating Budgets for Fiscal Year 2023-2024

RESOLUTION

WHEREAS, Board Rule 410 requires the "campus(es), hospital and system office" to present annual operating budget proposals to the Board of Trustees of The University of Alabama ("Board of Trustees") for approval; and

WHEREAS, The Board of Trustees of The University of Alabama has reviewed the proposed operating budget for The University of Alabama System and each of its units: The University of Alabama, The University of Alabama at Birmingham, The University of Alabama Hospital, The University of Alabama in Huntsville, and the University of Alabama System Office, for the fiscal year 2023–2024;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Trustees of The University of Alabama that the proposed operating budgets for FY 2023 -2024 for all units of the University of Alabama System, presented to the Finance Committee and distributed to all Board members, and to be maintained on file with the Secretary of the Board of Trustees, are hereby adopted.

Approving Update of Signature Authority at UAS

RESOLUTION

The University of Alabama System Office maintains with the approved depositaries designated in Exhibit B (which consists of 4 pages), those accounts identified therein; and

WHEREAS, Board Rule 405 requires that each University official authorized to affect transactions involving those accounts, including those authorized to sign checks, initiate wire and automatic transfers, or otherwise withdraw funds from these authorized depositaries, must be designated by Resolution of the Board; and

WHEREAS, Board Rule 405 further mandates that such authority to affect transactions may not be delegated by the persons so authorized; and
WHEREAS, Board Rule 405 further requires that, for each division of the University of Alabama System, all individuals with authority to affect such transactions be identified in a single Resolution, which shall be revised in its entirety when any change in persons so authorized is made so that the most current Resolution listing those persons so authorized can be readily verified by the Secretary of the Board;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that, effective immediately, the individuals identified in Exhibit B are authorized to affect the transactions specified therein on behalf of The University of Alabama System Office until this authorization is removed by official action of the Board. This Resolution supersedes any prior Resolution granting such authority to act on behalf of The University of Alabama System Office to any individual or individuals.

Approving a Library Maintenance Agreement with West Publishing Corporation, a Subsidiary of Thomson-Reuters

RESOLUTION

WHEREAS, The University of Alabama ("University") would like to enter into Library Maintenance agreement ("Agreement") with West Publishing Corporation, a subsidiary of Thomson Reuters, based in St. Paul, Minnesota; and

WHEREAS, West is a provider of one of the largest collections of legal publications and information produced in the United States, with materials covered in the Agreement including Federal and Alabama primary legal materials, case reports, digests, statutory codes, and numerous secondary sources; and

WHEREAS, the materials are considered "core collection" mandated by the American Bar Association (ABA) Standards and Rules of Procedure for Approval of Law Schools 606, and compliance with these standards is necessary for continued ABA accreditation of the Law School; and

WHEREAS, West is the sole source that provides a subset of materials that are exclusive to West and are essential to the Law School and Library; and

WHEREAS, the University's original agreement with West was submitted and approved via the heightened contract review process on August 23, 2018, which was in accordance with Board Rule 406 at the time of the submission; and

WHEREAS, the proposed Agreement period is effective October 1, 2023 through September 30, 2024, with an annual renewal each year for four years to expire on September 30, 2028; and

WHEREAS, the total cost for the 5-year proposed Agreement period is $1,756,644 and includes an approximate 2% annual increase; and

WHEREAS, the Agreement will be funded by the Law Library Operating Budget; and

WHEREAS, pursuant to Board Rule 406, the University seeks the Board's approval to enter the library maintenance agreement with West; and

WHEREAS, the proposed Agreement with West has been studied and approved by appropriate University officials, and its execution is recommended.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that Stuart R. Bell, President; Matthew M. Fajack, Vice President for Finance and Operations and Treasurer, or those officers named in the most recent Board Resolution granting signature authority for the University be, and each hereby is, authorized to act for and in the name of the Board to proceed with executing the agreement with West.

Approving Golf Course Management Agreement with Troon Golf, LLC,

RESOLUTION

WHEREAS, The University of Alabama ("University") would like to enter into a golf course management agreement with Troon Golf, LLC., ("Troon") based in Scottsdale, AZ; and

WHEREAS, Troon will be responsible for development/grow-in support, grounds maintenance operations, and consulting requirements for the day-to-day maintenance operations of the University's new golf training facility ("Training Facility"); and

WHEREAS, the University issued a Request for Proposals (RFP-UA23-136) on May 18, 2023 for qualified golf agronomic management firms to provide solutions and strategies for grow-in operations, equipment requirements, and estimate the annual cost to maintain the grounds for the Training Facility to a championship-level standard; and

WHEREAS, the University received three proposals with the proposal from Troon deemed the most responsive in demonstrating its ability to meet key selection criteria, understanding the local labor market and the unpredictable nature of Alabama's climate, exemplifying the most relevant experience in managing and operating facilities owned and operated by collegiate programs, and providing flexible solutions to key factors in the RFP; and

WHEREAS, the University determined that Troon's financial proposal, along with its experience and reputation, will promote the University's mission by providing an elite golf training facility; and

WHEREAS, the proposed agreement will commence approximately September 4, 2023 and is for a ten-year period with a provision allowing the University the discretion to extend the contract; and

WHEREAS, the estimated costs for the initial ten-year contract period include a 5% annual increase and will not exceed $15,000,000, and will consist of Equipment costs (likely leased to own), Managerial Fees, and Operational Expenses to include repairs and maintenance costs that will be outlined in an annual plan to include a budget that is subject to review and approval by the University (reimbursable); and

WHEREAS, the Agreement fees will be funded with Crimson Standard Golf Funds (Gifts) via annual transfers into Athletics Operating Budget; and

WHEREAS, pursuant to Board Rule 415, on April 14, 2023, the Board approved the initial project submittal for the Alabama Intercollegiate Athletics Golf Facility, Tuscaloosa, Alabama; and

WHEREAS, pursuant to Board Rule 406, the University seeks The Board of Trustees of The University of Alabama's approval to enter into a golf course management agreement with Troon Golf LLC. for a total not to exceed $15,000,000; and

WHEREAS, the proposed Agreement with Troon Golf LLC. has been studied and approved by appropriate University officials, and its execution is recommended.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that Stuart R. Bell, President; Matthew M. Fajack, Vice President for Finance and Operations and Treasurer, or those officers named in the most recent Board Resolution granting signature authority for the University be, and each hereby is, authorized to act for and in the name of the Board to proceed with entering into a golf course management agreement with Troon Golf, LLC.

RESOLUTION

WHEREAS, The University of Alabama ("University") would like to amend its Construction Engineering and Inspection Agreement with Neel-Schaffer, Inc. ("Agreement"/"Amendment") based in Jackson, Mississippi; and

WHEREAS, the Agreement is for services associated with a cooperative agreement between the Federal Highway Administration at the U.S. Department of Transportation, Alabama Department of Transportation ("ALDOT"), and The University of Alabama's ("University") - Alabama Transportation Institute ("ATI"); and

WHEREAS, the purpose of the cooperative agreement is to deploy an Advanced Connected Transportation Infrastructure and Operations Network ("ACTION") on freeways and arterials in and around Tuscaloosa, AL (along I-20/59 including crossings over Norfolk Southern and Alabama Southern Railroads); and

WHEREAS, ACTION will use technology to enhance mobility within the region and improve safety for motorists and pedestrians, all of which are critical for the region's economic vitality and interstate commerce; and

WHEREAS, the construction piece of ACTION was bid and awarded by ALDOT; and

WHEREAS, the Agreement satisfied a portion of the University's cost-share requirements associated with ACTION; and

WHEREAS, the University's ATI selected Neel-Schaffer, Inc. to perform the construction engineering and inspection services from ALDOT's prequalified "on-call" consultant list as a viable alternative to a qualified base selection; and

WHEREAS, the original Agreement was $616,850 and approved by The Board of Trustees of The University of Alabama ("Board") at its February 4, 2022 meeting; and

WHEREAS, as a result of delays in approval for materials submitted by ALDOT, the general construction contractor requested, and ALDOT approved, an extension to the construction contract through July 15, 2023, and as a result of the extension to the construction contract, it was necessary to also amend the Agreement associated with Neel-Schaffer to cover the cost of the additional inspections;

WHEREAS, the amendment to increase the Agreement to $740,984 was approved through the Heightened Contract Review process May 3, 2023;

WHEREAS, it has become necessary for ALDOT to extend the construction contract again, through October 31, 2023, due to a critical design issue and the unexpected death of the construction contractor's superintendent days before the project completion date; and

WHEREAS, as a result, the Agreement with Neel-Schaffer needs to be amended to complete final on-site inspections, including allowing for a mandatory 60-day continuous burn period to ensure the systems are working properly through October 31, 2023; and

WHEREAS, it is anticipated that an increase of $62,000 will be sufficient to cover the cost of final inspections; however, due to the technical complexity of this Project, the University is requesting authorization to spend up to an additional $100,000; and

WHEREAS, the proposed Amendment to the Neel-Schaffer Agreement is for $100,000 bringing the Agreement to a total of $840,984; and

WHEREAS, the proposed Amendment will be funded by University ATI General Operating Funds; and

WHEREAS, pursuant to Board Rule 406, the University seeks the Board's approval to amend its Construction Engineering and Inspection Agreement with Neel-Schaffer, Inc.; and

WHEREAS, the proposed Amendment to the Construction Engineering and Inspection Agreement with Neel-Schaffer, Inc. has been studied and approved by appropriate University officials, and its execution is recommended.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that Stuart R. Bell, President; Matthew M. Fajack, Vice President for Finance and Operations and Treasurer, or those officers named in the most recent Board Resolution granting signature authority for the University be, and each hereby is, authorized to act for and in the name of the Board to proceed with amending the Construction Engineering and Inspection Agreement with Neel-Schaffer, Inc.

Residence Life, and Elisabeth Johnson, Assistant Director, Housing Operations – lease contracts for on-campus housing residents and off-campus University-owned residences, grants-in-aid for student housing worker grant recipients, auxiliary services and student services contracts; Cade Smith, Director of Athletics – athletic grants-in-aid (and renewals thereof), national letters of intent (and releases therefrom) with individual athletes, game official contracts, game contracts, and advertising agreements under $5,000.

BE IT FURTHER RESOLVED that Todd M. Barré, Vice President for Finance and Administration of The University of Alabama in Huntsville, is hereby authorized for and on behalf of this corporation and in its name to sign checks or other orders for the payment of money from funds standing to the credit of The University of Alabama in Huntsville. All of said checks and orders for payment of money must be countersigned by Jason B. Cooper, Interim Associate Vice President for Finance and Business Services, and Controller.

BE IT FURTHER RESOLVED that any two of the following three officials acting together: Charles L. Karr, President; Todd M. Barré, Vice President for Finance and Administration; and Jason B. Cooper, Interim Associate Vice President for Finance and Business Services, and Controller of The University of Alabama in Huntsville, are authorized for and in the name of The Board of Trustees of The University of Alabama to sell at public or private sale or exchange any or all shares of stock, bonds, or securities in any corporation, association, trust, municipal corporation, or government that may now or hereafter stand in the name of The Board of Trustees of The University of Alabama for The University of Alabama in Huntsville, or in its name and in the name of others, and to receive and receipt for the purchase of property received in exchange and in the name of The Board of Trustees of The University of Alabama, to sign any transfers, assignments, or powers of attorney that may be necessary to make the transfer or exchange and to deliver the same, together with the stock or securities sold or exchanged, to the transferee or his agent.

BE IT FURTHER RESOLVED that all previous resolutions granting any of the foregoing powers of authority be, and hereby are, rescinded.

Pro tem Starnes thanked Trustee Phelps for his report and recognized Trustee Brooks for a report from the Physical Properties Committee.

Trustee Brooks reported that the Physical Properties Committee met on August 31, 2023, and considered 25 agenda items for action by the Board. Trustee Brooks moved for approval of the 25 items by the Board, and the motion was seconded by Trustee Urquhart.

Pro tem Starnes asked if there were questions or comments concerning any of the items. Hearing none, Pro tem Starnes then called for a vote, and the following resolutions were unanimously adopted, separately and collectively:

Approving the revised project scope and budget; providing authorization to execute a construction contract for the Reese Phifer Radio & Satellite Farm Relocation at UA (Stage IV)

RESOLUTION

WHEREAS, in accordance with Board Rule 415, on September 6, 2019, The Board of Trustees of The University of Alabama ("Board") approved the Stage I submittal for the Reese Phifer Radio and Satellite Farm Relocation project ("Project"); and

WHEREAS, the Project previously included the relocation of existing satellite dishes and antennas from the Reese Phifer Hall area to the Satellite Farm at the University of Alabama Police Department ("UAPD") Tower Site and the removal and disposal of the Reese Phifer Communications Tower; and

WHEREAS, in accordance with Board Rule 415, on February 7, 2020, the Board authorized The University of Alabama ("University") to proceed with engineering services utilizing LBYD, Inc., Birmingham, Alabama (LBYD); and

WHEREAS, upon completion of negotiations with LBYD, the University established a final design fee of 7.6% of the costs of construction and demolition; and

WHEREAS, in accordance with Board Rule 415, on June 5, 2020, the Board approved renderings for the Stage III submittal for the Project; and

WHEREAS, the Project was suspended at that time in alignment with pandemic budget curtailment and material inflation has been realized during the suspension period; and

WHEREAS, certain necessary scope additions were identified during the design process and in consultation with the end user given the unique nature of this work including; a larger site built equipment shelter due to lead times for prefabricated shelters and changes in the shelter market; the requirement to continuously maintain broadcast operations for multiple departments during this Project and the extended outage necessary for testing and acceptance of new installations required by the FCC emphasizes the need for replacement equipment in lieu of reinstallation of existing; changes in technology and continued degradation of the existing equipment; and additional

consulting services to coordinate equipment and to complete all required existing UAPD radio tower recertifications at the conclusion of the project; and

WHEREAS, on July 11, 2023, pursuant to Title 39, State Bid Law of Alabama Code, competitive bids were received for Package A - Construction and Hall-Taylor Construction Co., Inc., Tuscaloosa Alabama, ("Hall-Taylor Construction") was declared the lowest responsible bidder with a base bid in the amount of $1,950,000 as referenced on the certified bid tab; and

WHEREAS, the University is requesting approval to award the construction contract for this Project to Hall-Taylor Construction for a contract amount of $1,950,000; and

WHEREAS, the University is requesting approval of a Revised and Reallocated Budget to reflect scope revisions, the construction bid results, demolition costs, equipment items, associated revisions to soft costs and construction escalation from March 2020 to July 2023; and

WHEREAS, the Project location and program have been reviewed and are consistent with the University Campus Master Plan, University Design Standards and the principles contained therein; and

WHEREAS, the Project will be funded from University Central Reserves in the amount of $3,953,665; and

WHEREAS, the revised and reallocated budget for the Project is as stipulated below:

BUDGET:		**REVISED**
Package A - Construction	**$**	**1,950,000**
Package B – Reese Phifer Tower Demolition	$	200,000
Equipment	$	1,036,751
Security/Access Control	$	50,000
Telecommunication/ Data	$	75,000
Contingency* (7.5%)	$	161,250
UA Project Management Fee** (3%)	$	69,338
Architect/Engineer Fee***	$	196,326
Expenses (Surveys, Consulting, Inspections)	$	165,000
Other****	$	50,000
TOTAL PROJECT COST	**$**	**3,953,665**

* Contingency is based on 7.5% of the costs of Package A - Construction and Package B – Reese Phifer Tower Demolition.
**UA Project Management Fee is based on 3% of the costs of Package A - Construction, Package B – Reese Phifer Tower Demolition, and Contingency.
*** Architect/Engineer Fee is based on the sum of:

1) 6.5% of the costs of Package A – Construction and $74,367.00 of Equipment, plus $46,742 in additional services.
2) estimated 9% of costs of Package B – Reese Phifer Tower Demolition

**** Other includes Geotechnical, Materials Testing, UA Work Orders, Campus Bird, Advertising, Printing, and Construction Transportation and other associated project costs, as applicable.

Current Package for Contract Award Approval.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that:

1. The revised scope for the Project is hereby approved as stipulated above.

2. The Budget Revision and Reallocation for the Project is hereby approved as stipulated above.

3. The revised funding for the Project is hereby approved as stipulated above.

BE IT FURTHER RESOLVED, that Stuart R. Bell, President; Matthew M. Fajack, Vice President for Finance and Operations and Treasurer; or those officers named in the most recent Board Resolution granting signature authority for the University be, and each hereby is, authorized to act for and on behalf of The Board of Trustees of The University of Alabama in executing the aforementioned contract with Hall-Taylor Construction Co., Inc., Tuscaloosa Alabama, for Construction of the Reese Phifer Radio and Satellite Farm Relocation project in accordance with Board Rule 415.

Approving the proposed architectural design for the Geological Survey of Alabama and State Oil and Gas Board of Alabama Core Repository Facility at UA (Stage III)

RESOLUTION

WHEREAS, the Geological Survey of Alabama and State Oil and Gas Board of Alabama ("GSA/OGB"), agencies of the State of Alabama, request approval from the Board of Trustees of The University of Alabama ("Board") to construct and operate a Core and Sample Repository ("Project") to be located at the northwestern edge of the University Services Campus of the University of Alabama ("University"); and

WHEREAS, the Geological Survey of Alabama has been located on the University campus for more than one hundred years, and the State Oil and Gas Board has been located on the University campus since 1945; and

WHEREAS, The University of Alabama ("University") and the Geological Survey of Alabama and State Oil and Gas Board of Alabama desire to maintain the long-established relationships and to provide for the safe and wise development and for the prudent management of the natural resources of Alabama through cooperative efforts and research programs; and

WHEREAS, the Core and Sample Repository ("CSR") is an essential resource for University faculty and students working in geology and is actively used for research and teaching; and

WHEREAS, the GSA/OGB have legislatively mandated responsibility for the testing, evaluation, warehousing, and preservation of Alabama natural resource samples; and

WHEREAS, as the existing repository is presently filled to 99% capacity, the proposed new CSR will provide a main storage area with adequate capacity to receive, document and analyze new materials allowing GSA/OGB to serve the storage demands, including University collections, at this time and into the future; and

WHEREAS, construction of the CSR will allow for the allocation of the existing space under lease by GSA/OGB on the first floor of Mary Harmon Bryant Hall to be returned to the University for University purposes and needs; and

WHEREAS, the Ground Lease concurrently under consideration by the Board includes certain conditions and rights for benefit of the University including approval of the physical appearance of the CSR by the Board in accordance with Board Rule 415; and

WHEREAS, the exterior materials, character, form and use are consistent with University facilities in the immediate area of the proposed CSR; and

WHEREAS, responsible officials at the University have received renderings for the Stage III submittal and are recommending approval of said design; and

NOW, THEREFORE BE IT RESOLVED by the Board of Trustees of The University of Alabama that the Architectural Design Stage III submittal for the Project is hereby approved.

Approving the reallocated project budget and proposed architectural design for the Sigma Kappa Sorority House at UA (Stage III)

RESOLUTION

WHEREAS, on November 4, 2022, in accordance with Board Rule 415, The Board of Trustees of the University of Alabama ("Board") approved the Stage I submittal for the Delta Kappa Epsilon Addition and Renovation project ("Project") located at 976 University Boulevard; and

WHEREAS, the Project will allow Delta Kappa Epsilon ("Chapter") to provide their current and future members a more functional space to improve food service and event operations and to enhance the student experience by bringing the facility in line with current trends in Greek life and providing more community space; and

WHEREAS, Clark, Geer, Latham and Associates, Inc., ("CGL") of Mobile, Alabama, were engaged by the University of Alabama ("University") and Chapter to perform due diligence and programming services for the Project and the firm was part of the design team for the original construction; and

WHEREAS, on November 4, 2022, due to CGL's familiarity and knowledge of the facility and program, University Design Standards and procedures, and classical design principles that will facilitate an efficient design process and ensure coordination with the existing infrastructure, systems and architecture, the Board authorized the University to waive the Consultant Selection Process and to utilize CGL to provide design services for the Project; and

WHEREAS, the University has negotiated a final design fee for CGL's services based on 6.3% of the cost of construction; utilities and landscaping, plus a 1.2 renovation factor and $40,000 for additional services and reimbursables, and a credit of $25,000, which represents an 11% discount of the standard design fee; and

WHEREAS, the Chapter desires to add scope additions and enhancements to the project as identified during the design process to further support Chapter operations and exterior aesthetics and functionality and which will reduce operations costs; and

WHEREAS, the additional work includes relocating an interior spiral staircase to enhance circulation and other miscellaneous items; and

WHEREAS, responsible officials at the University have received renderings for the Stage III submittal and are recommending approval of said design; and

WHEREAS, the Project location and program have been reviewed and are consistent with the University Campus Master Plan, University Design Standards and the principles contained therein; and

WHEREAS, the University is requesting approval for a budget revision from $5,000,000 to $7,407,900 to reflect the aforementioned scope revisions, current market conditions and associated soft costs; and

WHEREAS, the Project will be funded from a Chapter Payable in the amount of $4,407,900 which will be in the form of a loan to Delta Kappa Epsilon and Chapter Reserves in the amount of $3,000,000, which the University has verified funding availability, and the Project will address deferred maintenance liabilities in the amount of $1,000,000; and

WHEREAS, Delta Kappa Epsilon has agreed to repay the loan of $4,407,900 to the University and has shown through its Business Plan the ability to repay the loan and the Chapter currently has no outstanding balance whatsoever on the original construction of the house; and

WHEREAS, the revised budget for the Project is as stipulated below;

BUDGET:		**REVISED**
Construction	$	5,500,000
Utilities and Infrastructure	$	275,000
Landscaping	$	100,000
Security/Access Control	$	75,000
Telecommunication/Data	$	75,000

UA Project Management Fee** (3%)	$	193,050
Architect/Engineer Fee*** (6.3%)	$	459,150
Other****	$	170,700
TOTAL PROJECT COST	**$**	**7,407,900**

*Contingency is based on 10% of Construction and Landscaping.
**UA Project Management Fee is based on 3% of Construction, Utilities and Infrastructure, Landscaping, and Contingency.
***Architect/Engineer Fee is based on 6.3% of Construction, Utilities and Infrastructure, and Landscaping, plus a 1.2 renovation factor and $40,000 for additional services and reimbursables, and less a $25,000 credit.
****Other expenses include Geotech, Construction Materials Testing, Inspections, Advertising, Printing, and other associated project costs, as applicable.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that:

1. The Stage III Architectural Design submittal for the Project is hereby approved.

2. The revised scope, budget and funding as stipulated above are hereby approved.

Granting authorization to negotiate an Owner/Consultant Agreement for the Kirkbride Lane Parking Lot at UA (Stage II)

RESOLUTION

WHEREAS, on June 9, 2023, in accordance with Board Rule 415, The Board of Trustees of The University of Alabama ("Board") approved a Stage I submittal for the Kirkbride Lane Parking Lot project ("Project") to be located between Randall Way and Kirkbride Lane at the northwest corner of the Peter Bryce Boulevard and Randall Way intersection; and

WHEREAS, the Project will include the construction of a parking lot that will support current and future developments in that area of Campus and will allow for capacity relief in the northern residential area of campus; and

WHEREAS, the location is centralized to benefit the residential, visitor, academic, and administrative constituents of Campus and allows for continued efficiency and convenient access; and

WHEREAS, the Consultant Selection Committee, appointed by The University of Alabama ("University"), has completed Part 1 of the Consultant Selection Process in accordance with Board Rule 415 and negotiations for the Project will be conducted with the top ranked firm following Board approval as follows:

Ranking of Top Firms:

1. Duncan Coker Associates, PC, Tuscaloosa, AL
2. McGiffert and Associates, LLC, Tuscaloosa, AL
3. Thompson Engineering, Tuscaloosa, AL

WHEREAS, the Project location and program have been reviewed and are consistent with the University Campus Master Plan, University Design Standards and the principles contained therein; and

WHEREAS, the Project will be funded from Parking Services Reserves in the amount of $2,779,230; and

WHEREAS, the budget for the Project remains as stipulated below:

BUDGET:		**CURRENT**
Construction	$	1,751,510

Other****	$	125,387
Escalation*****	$	157,315
TOTAL PROJECT COST	**$**	**2,779,230**

*Contingency is based on 10% of Construction and Landscaping.
**UA Project Management Fee is based on 4.5% of Construction, Landscaping and Contingency.
***Architect/Engineer Fee is based on 6.9% of the costs of Construction and Landscaping.
****Other expenses include Geotech, Construction Materials Testing, Inspections, Advertising, Printing, and other associated project costs, as applicable.
*****Escalation is based on an anticipated 6% inflation through the scheduled bid date of December 2023 as included in the Project Status.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that Stuart R. Bell, President, Matthew M. Fajack, Vice President for Finance and Operations and Treasurer, or those officers named in the most recent Board Resolutions granting signature authority for The University of Alabama be, and each hereby is, authorized to act for and on behalf of the Board of Trustees to execute an owner designer agreement with Duncan Coker Associates, PC, of Tuscaloosa, Alabama, for design services in accordance with Board Rule 415 for this Project.

Approving the preliminary project scope and budget for the Colonial Drive and University Boulevard Infrastructure Enhancements at UA (Stage I)

RESOLUTION

WHEREAS, in accordance with Board Rule 415, The University of Alabama ("University") is requesting approval of a Stage I submittal for the Colonial Drive and University Boulevard Infrastructure and Enhancements project ("Project") to be located along Colonial Drive between Carmichael Hall and Judy Bonner Drive, including the intersection of University Boulevard; and

WHEREAS, the Project is a continuation and extension of the Colonial Drive Enhancements project previously completed south of Judy Bonner Drive and will cohesively complete the area following the completion of Sigma Kappa Sorority and Drummond Lyon Hall; and

WHEREAS, the Project will address necessary upgrades and distribution of utilities and infrastructure as well as add lighting, improved connectivity, and landscaping along the heavily traveled corridor in coordination with future projects to holistically address sanitary and stormwater system deficiencies; and

WHEREAS, existing infrastructure is aged and under capacity, causing flooding of the roadway, sidewalks, and facilities to occur during significant rain events; and

WHEREAS, the Project will improve the storm drainage system to facilitate the removal of stormwater in the intersection of University Boulevard and Colonial Drive and in the immediate surrounding areas during high rainfall events to mitigate the impacts to pedestrians, traffic flow, and facilities and will allow for future extension and connectivity of the system; and

WHEREAS, the installation of additional lighting and sidewalk improvements will support enhanced safety and security and will improve vehicular and pedestrian flow and connectivity as well as add ADA ramps and accessories; and

WHEREAS, the Project includes the isolated re-construction of the University Boulevard roadway involving the removal of existing concrete and asphalt paving and provides a finished roadway that includes two vehicular travel lanes, bike lanes, and a center turn lane; and

WHEREAS, as part of the University's master plan for thermal energy distribution, the University has previously completed the Tutwiler Energy Plan, East Quad Energy Plant, the interconnection of the system with Shelby Energy Plant and numerous building connections and the Campus Energy Delivery Optimization Project; and

WHEREAS, this Project will allow for Reese Phifer Hall to be served by the Campus Energy Delivery System, to replace systems that have reached the end of their functional service life, and to provide heating capacity to the building prior to the retirement of the steam distribution system, and elimination of the existing local equipment will allow for service areas and space to be reallocated to other purposes within the building; and

WHEREAS, to mitigate the effects of continued supply chain challenges associated with long lead equipment, the Project includes an Owner Furnished Contractor Installed ("OFCI") Equipment package to procure items such as Thermal Piping and Valves; and

WHEREAS, the Project location and program have been reviewed and are consistent with the University Campus Master Plan, University Design Standards and the principles contained therein; and

WHEREAS, the Project will be funded from University Central Reserves in the amount of $17,808,000 and will eliminate campus deferred maintenance liabilities in the amount of $14,246,400; and

WHEREAS, the preliminary budget for the Project is as stipulated below:

BUDGET:		**PRELIMINARY**
Construction	$	12,960,000
Owner Furnished Contractor Installed (OFCI) Equipment	$	790,000
Contingency* (10%)	$	1,375,000
UA Project Management Fee** (4.5%)	$	680,625
Architect/Engineer Fee*** (5.9%)	$	811,250
Other****	$	183,125
Escalation***** (6.0%)	$	1,008,000
TOTAL PROJECT COST	**$**	**17,808,000**

*Contingency is based on 10% of the cost of Construction and OFCI Equipment.
**UA Project Management Fee is based on 4.5% of the cost of Construction, OFCI Equipment and Contingency.
***Architect/Engineer Fee is based on 5.9% of the costs of Construction and OFCI Equipment.
****Other expenses include Geotech, Construction Materials Testing, Inspections, Advertising, Printing, and other associated project costs, as applicable.
*****Escalation is based on 6% anticipated cost increase through the estimated bid date of February 2024.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that:

1. The Stage I submittal package for the Project is hereby approved.

2. The preliminary scope, budget and funding for the Project as stipulated above are hereby approved.

Approving the preliminary project scope and budget for the High-Performance Computing and Data Center at UA (Stage I)

RESOLUTION

WHEREAS, in accordance with Board Rule 415, The University of Alabama ("University") is requesting approval of a Stage I submittal for the High Performance Computing and Data Center ("HPC") project ("Project") to be located at 709 Johnny Stallings Drive; and

WHEREAS, the Project will provide numerous opportunities for students and faculty to engage in and experience a leading-edge computing technology environment and greatly enhance overall institutional research effectiveness, increasing the University's productivity and innovation in research, scholarship, and creative activities; and

WHEREAS, modeling and simulation on HPC resources are a critical factor in the success of research in science and engineering, and state-of-the-art simulation, such as hydrological modeling, requires computing resources far beyond what is available from UA's current HPC platforms; and

WHEREAS, the availability of Petascale-computational resources removes existing bottlenecks to the advancement of research requiring large-scale computational simulations, the training of complex Artificial Intelligence/Machine Learning models, and the development of new data science applications, and as a result, the Project will allow researchers to make scientific and engineering advances that are currently unavailable due to the University's limited computational capability; and

WHEREAS, the Project entails the construction of an approximately 40,000 GSF two-story HPC that will solidify and propel the advancement of the University's academic mission and research and development capabilities as an R1 institution; and

WHEREAS, the Project will include space for University staff offices and work areas as well as shell space for a future secure suite, and the facility will be designed to provide for efficient expansion of computing over time by providing an accessible structure and shell space for both compute and support infrastructure; and

WHEREAS, the Project will include the purchase of HPC equipment and will provide an appropriate environment for the operation thereof; and

WHEREAS, the proposed site is ideally located adjacent to Alabama Power Company high voltage transmission lines that will provide adequate and resilient capacity for current use and projected growth, which will require the University to contract with Alabama Power Company for service and to provide easements necessary to accommodate the substation location and service lines; and

WHEREAS, to mitigate the effects of continued industry lead time issues and to deliver the building as timely as possible, the Project will be separated into multiple packages: Package A – MV Infrastructure and Substation, Package B – Utility and Infrastructure, and Package C – Main Construction of Building and System, and will also include Owner Furnished Contractor Installed ("OFCI") Equipment; and

WHEREAS, the Project will be funded from a National Institute of Standards and Technology ("NIST") Grant in the amount of $44,550,000 (2023-NIST-CICGP-01), State of Alabama ETF Supplemental Appropriations in the amount of $46,000,000 (enacted SB-87), and University Central Reserves in the $5,450,000; and

WHEREAS, the Project Budget includes infrastructure associated with supporting Education and General Funded enterprise-level computing systems, and that scope of work will be funded with University Central Reserves; and

WHEREAS, the Project location and program have been reviewed and are consistent with the University Campus Master Plan, University Design Standards and the principles contained therein; and

WHEREAS, the preliminary budget for the Project is as stipulated below:

BUDGET:		PRELIMINARY
Package A - MV Infrastructure and Substation	$	1,287,551

Approving the preliminary project scope and budget for the Psychology Building Renovation and Addition at UA (Stage I)

RESOLUTION

WHEREAS, in accordance with Board Rule 415, The University of Alabama ("University") is requesting approval of a Stage I submittal for the Psychology Building Renovation and Addition project ("Project") to be located at 330 Kirkbride Lane, Tuscaloosa, AL; and

WHEREAS, the Project will allow for the relocation of the Department of Psychology ("Psychology"), currently housed primarily in Gordon Palmer Hall, to the vacant sister building to Printing and Mail Services located directly across Kirkbride Lane; and

WHEREAS, the Department maintains several programs in the immediately adjacent McMillan building and this location will further promote collaboration and efficiency within the Department through this colocation; and

WHEREAS, Psychology's existing offices and lab spaces in Gordon Palmer Hall are in need of renovation, inefficiently laid out, and impede the academic, clinical and research functions of the Department; and

WHEREAS, the relocation of Psychology to this proposed renovated facility will allow the department to offer outstanding teaching in appropriately sized spaces, attract and retain highly productive scholars and staff, and have space that match research needs; and

WHEREAS, the proposed 50,000 GSF total facility will further meet the needs of the Department of Psychology by accommodating previous and anticipated growth in both faculty recruitment and student enrollment, offer strategic colocation opportunities, and create modern learning spaces and research laboratories; and

WHEREAS, the proposed Project will also facilitate the phased renovation of Gordon Palmer Hall through the vacation of a large footprint of existing occupied space, allowing for an update which will enhance and enliven the academic experience for all students, faculty, and staff; and

WHEREAS, the Project will include a full renovation of the existing 30,000 gross square foot ("GSF") facility as well as an expansion to include an additional 20,000 GSF, which will provide sufficient space and opportunity to efficiently organize the research and clinical areas needed by the Psychology faculty and to house dedicated classroom space; and

WHEREAS, previously, as appropriate to stabilize the building, the University installed campus standard windows, an aluminum cornice system and a shingle roof and that investment will be maintained and utilized for the benefit of the Project and serve to ensure the architectural character and consistency with campus of the building; and

WHEREAS, the University will leverage the knowledge gained from the construction of the Printing and Mail facility as the structure and detailing are exactly the same for the two buildings, which will yield and effective and efficient design process; and

WHEREAS, the scope has been split among three packages to maintain efficient and cost-effective delivery, including Construction Package A – Main Addition and Renovation, Construction Package B – Elevator Package, and Owner Provided Contractor Installed (OFCI) Equipment ("OFCI "); and

WHEREAS, the Project location and program have been reviewed and are consistent with the University Campus Master Plan, University Design Standards and the principles contained therein; and

WHEREAS, the Project will be funded from University Central Reserves in the amount of $31,483.000 and Office of Academic Affairs Reserves in the amount of $3,498,000; and

WHEREAS, the preliminary budget for the Project is as stipulated below:

BUDGET:		**PRELIMINARY**

Granting authorization to execute a Real Estate Sales Agreement for the disposition of the Alston Property at 1602 Fosters Ferry Road

RESOLUTION

WHEREAS, The Board of Trustees of The University of Alabama ("Board") owns .07 acres more or less of vacant land located at 1602 Fosters Ferry Road, Tuscaloosa County, Alabama ("The Property"); and

WHEREAS, the Property was received from the Robert Nabors Alston estate with the express purpose of supporting the construction and fixturing of Mary Hewell Alston Hall; and

WHEREAS, the proceeds will be used to support the Alston Hall building fund in accordance with the intent of the original bequest; and

WHEREAS, attached as Exhibit C is a Broker's Opinion by Wilson Moore with Pritchett-Moore Real Estate dated July 21, 2023 assessing a value of $10,000 on the subject property; and

WHEREAS, the property was listed for sale, and, on June 15, 2023, three offers to purchase were received with the highest offer in the amount of $4,000 from Lonnie Weaver of Tuscaloosa, Alabama; and

WHEREAS, the attached Real Estate Sales Agreement attached hereto as Exhibit D, has been studied and approved by appropriate officials of The University and its execution and performance is recommended to the Board and the State of Alabama; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of The University of Alabama that the sale of the Property for a total purchase price of $4,000 is hereby approved; and

BE IT THEREFORE FURTHER RESOLVED by The Board of Trustees of The University of Alabama that Stuart R. Bell, President, Matthew M. Fajack, Vice President for Finance and Operations and Treasurer, or those officers named in the most recent Board Resolution granting signature authority for The University of Alabama, be and hereby are, authorized to act for and on behalf of the Board to accept the Real Estate Sales Agreement with Lonnie Weaver in the amount of $4,000, and they hereby are, further authorized and empowered to do any and all things necessary and desirable to carry out the terms and conditions of the Real Estate Sales Agreement for and on behalf of the Board.

Granting authorization to execute a Utility and Access Easement Agreement allowing the installation of a Radio Tower on the Ann Jordan Farm property

RESOLUTION

WHEREAS, in accordance with Board Rule 415, The Board of Trustees of the University of Alabama ("Board") owns certain real property located in Coosa County, Alabama, more particularly described as a portion of the southwest quarter of the southeast quarter, Section 12, Township 22 North, Range 20 East; and

WHEREAS, in 2013 The Board authorized an electric transmission substation easement located on this property operated by Central Alabama Electric Cooperative; and

WHEREAS, PowerSouth Energy Cooperative has requested an approximately three-acre radio tower easement overlayed on the existing Central Alabama Electric Cooperative electric transmission substation easement, to network communications for electric power substations in the area; and

WHEREAS, PowerSouth Energy Cooperative is a wholesale power provider owned and governed by its distribution members, one of which is Central Alabama Electric Cooperative, and the easements are separate and several; and

WHEREAS, the proposed Utility and Access Easement contains reversion clauses that would result in the forfeiture of the easement in the event of misuse, non-use, or abandonment of the easement; and

WHEREAS, PowerSouth Electric Cooperative will pay $5,000 for the addition of the proposed radio tower easement; and

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that the granting of this radio tower easement for the total value of $5,000 on substantially the same terms and conditions described in the utility and access easement, which is attached hereto as Exhibit "E" is hereby approved; and

BE IT THEREFORE RESOLVED, by The Board of Trustees of The University of Alabama that Stuart R. Bell, President; Matthew M. Fajack, Vice President for Finance and Operations and Treasurer; or, those officers named in the most recent Board Resolution granting signature authority for the University be, and are, hereby authorized to act for and on behalf of the Board to execute the Utility and Access Easement with PowerSouth Energy Cooperative, and they hereby are, further authorized and empowered to do any and all things necessary and desirable to carry out the terms and conditions of said Utility and Access Easement for and on behalf of the Board.

Granting authorization to execute a Ground Lease Agreement with the Geological Survey of Alabama and the State Oil and Gas Board of Alabama

RESOLUTION

WHEREAS, the Geological Survey of Alabama and the State Oil and Gas Board of Alabama ("GSA/OGB"), have requested approval to construct and operate a Core and Sample Repository ("CSR") on certain real property owned by The Board of Trustees of the University of Alabama ("Board"); commonly known as the University Services Campus located along Helen Keller Boulevard; under terms and conditions set forth in the Ground Lease Agreement attached hereto as Exhibit F; and

WHEREAS, the CSR project has been enabled pursuant to an act by the Alabama Legislature appropriating seven million dollars ($7,000,000) from the Education Trust Fund to the Geological Survey of Alabama for the fiscal year ending September 30, 2022 for completion of the Project; and

WHEREAS, on June 1, 2023 Act #2023-381 of the Alabama Legislature was enacted further appropriating two million dollars ($2,000,000) from Supplemental Appropriations of the General Fund to further support completion of the project by GSA/OGB; and

WHEREAS, a ground lease with GSA/OGB will provide for the continued use of the CSR by University of Alabama faculty and students for teaching and research opportunities and for an innovative partnership of state agencies with complementary missions in geological science; and

WHEREAS, GSA/OGB have occupied a portion of Mary Harmon Bryant Hall on the University Campus under a ground lease since 1991 for use as "The Scientific Collections Building" to house various collections of the Survey/Board and activities related thereto, including office space and said lease will be amended to reflect the partial vacation of the space following the completion of construction and delivery of the project; and

WHEREAS, the project will allow for the partial return of the current CSR leased space on the first floor of Mary Harmon Bryant Hall to the University of Alabama to assign and allocate as appropriate to support the University mission following completion of the project as noted herein; and

WHEREAS, the new CSR will include shell space that may be considered for University lab space for groups that directly collaborate with GSA/OGB and require convenient and frequent access to the CSR and may also support grants currently being pursued by the Department of Geological Sciences and the University would pursue fit out of this space at such time in the future should those efforts be successful; and

WHEREAS, the University of Alabama and GSA/OGB will execute a Memorandum of Understanding for the execution of construction and maintenance of the project for and on behalf GSA/OGB by the University at GSA/OGB's sole cost and expense; and

WHEREAS, the Ground Lease Agreement attached has been studied and approved by appropriate University officials, and its execution and performance of the proposed Ground Lease Agreement is recommended to The Board of Trustees of The University of Alabama ("Board') by the appropriate officials as being the best interest of the University and the State; and

WHEREAS, a legal description and plat of the property are attached hereto as Exhibit G; and

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that the proposed Ground Lease Agreement as included herein, is hereby approved.

ALSO BE IT THEREFORE RESOLVED by The Board of Trustees of The University of Alabama that Stuart R. Bell, President, Matthew M. Fajack, Vice President for Finance and Operations and Treasurer, or those officers named in the most recent Board Resolution granting signature authority for The University of Alabama, be and hereby are, authorized to act for and on behalf of The Board of Trustees of The University of Alabama to authorize to enter into and execute a ground lease in substantially the form attached hereto as Exhibit F; all associated agreements for the construction and operation of the facility; and all associated amendments to the existing Mary Harmon Bryant Hall lease, with the Geological Survey of Alabama and the State Oil and Gas Board of Alabama, located at the University Services Campus, Tuscaloosa Alabama for the Core and Sample Repository.

Granting authorization to execute Recreational Use License Agreements for UA lands

RESOLUTION

WHEREAS, Recreational Use License bid notices for The University of Alabama ("University") lands were published throughout the months of May and June 2023 in newspapers across the State of Alabama, electronically with the Alabama Forestry Owners Association, University website, and via email soliciting bids for the use of twenty-four (24) tracts covering 4,116 acres owned by the University; and

WHEREAS, on June 16, 2023, the University received a total of 58 bids on twenty-one (21) tracts totaling 3,996 acres ("Tracts") attached hereto as Exhibit H; and

WHEREAS, after review of the bids by appropriate University officials, the University desires to award licenses for recreational use of the Tracts to the highest bidders; and

WHEREAS, using the Recreational Use License Agreement, attached hereto as Exhibit I, will give the licensees the right for recreational uses, and no other rights or interests are hereby conveyed or intended; and

WHEREAS, revenues generated through the Recreational Use program are placed in the Quasi Federal Land Grant fund and are utilized for campus deferred maintenance and library collections acquisitions and maintenance; and

BE IT THEREFORE RESOLVED, by The Board of Trustees of The University of Alabama that Stuart R. Bell, President; Matthew M. Fajack, Vice President for Finance and Operations and Treasurer; or, those officers named in the most recent Board Resolution granting signature authority for the University be, and are, hereby authorized to act for and on behalf of the Board to execute the Recreational Use Licenses, and they hereby are, further authorized and empowered to do any and all things necessary and desirable to carry out the terms and conditions of said Recreational Use Licenses for and on behalf of the Board.

Approving the 2023 – 2024 Annual Timber Management Plan for UA

RESOLUTION

WHEREAS, Board Rule 415 requires that The University of Alabama ("University") submit an Annual Timber Management Plan to the Board of Trustees to provide a proposed harvest schedule for the upcoming year; and

WHEREAS, the Timber Management Plan provides for the proposed harvest of seventeen (17) timber tracts covering approximately 1,658 acres, which will be offered by the University during the 2023-2024 Fiscal Year; and

WHEREAS, the Office of University Lands and Real Estate Services has adopted the concept of Sustainable Yield Forestry practices to ensure all management practices performed will sustain the value of the forest for generations to come and maximize yield and income; and

WHEREAS, the proposed Timber Sales are located in Bibb, Coosa, Fayette, Jefferson, Montgomery, Tuscaloosa, Walker, and Winston counties; and

WHEREAS, the Timber Sales will follow the requirements of Board Rule 415 and Alabama Bid laws and will be advertised in local and state circulated newspaper outlets along with an email prospectus to timber buyers in the area(s); and

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that the 2023-2024 Timber Management Plan is hereby approved; and

BE IT FURTHER RESOLVED by The Board of Trustees of The University of Alabama ("Board") that Stuart R. Bell, President, Matthew M. Fajack, Vice President for Finance and Operations and Treasurer, or those officers named in the most recent Board Resolution granting signature authority for The University of Alabama, be and are hereby, authorized to act for and in the name of The Board of Trustees of The University of Alabama in executing the contracts performed in accordance with the 2023-2024 Timber Management Plan.

Approving the proposed architectural design (substantial visual impact) and Campus Master Plan Amendment for the Demolition of Denman Hall and the Humanities Building at UAB (Stage III

RESOLUTION

WHEREAS, to support the University's students, faculty, staff, and improve UAB's visibility as one of the top research universities in the country, UAB is in the process of implementing a strategic plan (Plan) to improve campus facilities as well as the overall campus environment; and

WHEREAS, the Plan emphasizes the University's students with an end goal of creating a student centered campus that will enhance the overall student experience and create a contemporary, efficient, and safe environment for students to study, learn, and live; and

WHEREAS, to create the student centered campus, the Plan focuses on locating student functions in the core of the campus and in new, or newly renovated, spaces and calls for the construction of new facilities where feasible; renovation of existing facilities where an efficient and economical renovation can create contemporary space; or removal of older facilities that can no longer be efficiently renovated to serve as a modern campus facility; and

WHEREAS, in accordance with the plan, the University has constructed numerous new residence halls and instructional facilities in the core of campus, which has allowed for the vacation of numerous existing facilities; and

WHEREAS, the University has evaluated these vacated facilities and determined that two of these facilities, Denman Hall (Denman) and the Humanities Building (Humanities), cannot be efficiently renovated to serve as contemporary campus facilities and should be demolished; and

WHEREAS, Denman was constructed in 1973, at 1604 9th Avenue South, and provides approximately 68,840 gross square feet (GSF) of space on eleven floors to provide housing for 180 undergraduate students; and

WHEREAS, at fifty years old, many of Denman's building systems are beyond their design life and would require significant reinvestment to continue utilizing the building as a residence hall into the future; and

WHEREAS, the original design configuration of Denman makes a renovation of the building, to allow it to continue serving as a residence hall, cost prohibitive and would yield a facility that was inferior to contemporary residence halls; and

WHEREAS, Humanities was constructed in 1972, at 900 13th Street South, to provide approximately 64,173 GSF of classroom and faculty office space on four floors to support instruction in the Arts and Humanities; and

WHEREAS, Humanities is located on valuable real estate at the convergence of the academic and cultural districts of the western campus; and

WHEREAS, due to the buildings large footprint and limited square footage, Humanities has been determined to be an inefficient use of limited and valuable real estate in the heart of campus; and

WHEREAS, the University evaluated options to renovate and/or construct an addition to Humanities and determined that any renovation and/or addition would be cost prohibitive and would yield a facility inferior to those at other peer institutions; and

WHEREAS, at fifty-one years old, the outdated original design configuration of Humanities also prohibits an efficient renovation to utilize the building for any University function suitable for its location in the core of the campus; and

WHEREAS, to continue implementation of the Plan, the University has initiated a project to demolish Denman and Humanities; and

WHEREAS, upon completion of the demolition of these two facilities, the sites will be utilized as green space and reserved for future redevelopment for their highest and best future use; and

WHEREAS, demolition of Denman and Humanities will enhance the overall student experience, improve the overall appearance and environment of the campus, reduce the overall age of campus facilities, and will reduce the University's operations and maintenance liabilities by approximately $650,000 per year; and

WHEREAS, to begin the project, the University utilized the Qualification Based Selection Process to identify highly qualified firms to act as the architect of record for the demolition of the buildings; and

WHEREAS, after interviewing the responding firms, the University identified the firm of Studio 2H Design, of Birmingham, Alabama as the firm best suited to act as the architect of record for the demolition of Denman; and ASD | SKY, of Birmingham, Alabama as the firm best suited to act as the architect of record for the demolition of Humanities; and

WHEREAS, Denman is reflected as having been demolished on UAB's 2020 Campus Master Plan Update (Master Plan); however, Humanities is still shown as an existing facility on the Master Plan and a Campus Master Plan Amendment will be required prior to the demolition of Humanities; and

WHEREAS, to complete design and proceed with the bidding of the project, UAB now needs to seek approval from the Board for the Stage III (project scope, project budget, visual impact, and campus master plan amendment) submittal; and

WHEREAS, the University has provided images of Denman and Humanities in accordance with Board Rule 415; and

WHEREAS, the project will be funded by Student Affairs Reserve Funds in the amount of $2,500,000 and UAB Institutional Reserve Funds in the amount of $1,875,000; and

WHEREAS, the project budget is established as follows:

Demolition Cost – Denman (Current Cost)	$	1,930,000
Inflation – Denman (0.5% per month through February 2024)	$	70,000
Demolition Cost – Humanities (Current Cost)	$	1,455,000
Inflation – Humanities (0.5% per month through January 2024)	$	45,000
Construction (Bid Day Cost)	$	3,500,000
Consulting Fees – Denman (6.8% of Construction)	$	136,000
Consulting Fees – Humanities (6.8% of Construction)	$	102,000
Surveys, Testing, & Inspection	$	75,500
Project Administration (4.5% of Project Cost)	$	188,500
Contingency (10% of Construction)	$	350,000
Other	$	23,000
TOTAL PROJECT COST	**$**	**4,375,000**

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that:

1. The Stage III submittal for the project is hereby approved.

2. The 2020 Campus Master Plan Update is hereby amended to include the demolition of the Humanities Building.

3. The University of Alabama at Birmingham is hereby authorized to proceed with the design and bidding of the demolition of Denman Hall and the Humanities Building.

4. Upon receipt of bids for these demolitions, the University will notify the Chair of the Physical Properties Committee of the bid results and will see approval of the Chair prior to executing a construction contract and beginning demolition activities.

5. In the event the low bids for these demolitions results in an increase to the total project budget, the University will formally present a revised project budget to The Board of Trustees of The University of Alabama prior to execution of a construction contract and beginning demolition activities.

Approving the reallocated project budget and proposed architectural design for the Renovation of the Susan Mott Webb Nutrition Sciences Building for a Metabolic Kitchen, Learning Center, and Entrance Lobby Improvements at UAB (Stage III)

RESOLUTION

WHEREAS, UAB's School of Health Professions Department of Nutrition Sciences (Department) is a global leader in the education and research of nutrition, diet, lifestyle, and wellness, with the goal of preventing chronic disease and facilitating optimum health and wellness in the public; and

WHEREAS, the Department maintains the bulk of its programs within the Susan Mott Webb Nutrition Sciences Building (Webb Building); and

WHEREAS, the Webb Building was constructed in 1983 at 1675 University Boulevard, and has approximately 71,443 gross square feet (GSF) of space on six floors; and

WHEREAS, the Webb Building provides the Department with classroom spaces, research and instructional laboratory spaces, laboratory support spaces, and faculty and staff office and administrative spaces; and

WHEREAS, the Webb Building has not received a significant renovation since its original construction and is no longer configured to efficiently meet the instructional and research needs of the Department; and

WHEREAS, the Department has recently initiated a Biobehavioral Nutrition and Wellness (BNW) undergraduate program that will prepare students for entry into the nutrition and wellness workforce of healthcare organizations, universities, hospitals, food and nutrition providers, insurance agencies, as well as a variety of corporations; and

WHEREAS, to successfully administer the BNW program, the Department needs access to contemporary instructional space as well as a metabolic kitchen; and

WHEREAS, the Department initiated a study to evaluate the most effective and efficient means of providing contemporary instructional spaces for the entire Department as well as meeting the specialized space needs of the BNW program; and

WHEREAS, the study concluded that selectively renovating portions of the Webb Building would be the most efficient means to provide the Department with the required spaces; and

WHEREAS, to meet the Departments unique space needs, the University initiated a project to selectively renovate the Webb Building ("the Project"); and

WHEREAS, the Project will renovate approximately 3,800 GSF of space on the fifth floor of the Webb Building to create a new learning center with three large contemporary classrooms, individual and small group study spaces, and breakout rooms; and

WHEREAS, the Project will also renovate approximately 3,600 GSF of space on the sixth floor to create a metabolic kitchen (Kitchen) to meet the requirements of the BNW program and support research in the areas of diet, nutrition, and wellness; and

WHEREAS, the Project will allow the Department to pursue specialized grant funding that is not currently accessible due to the lack of a Kitchen capable of conducting specialized research activities; and

WHEREAS, additionally, the Project will renovate the two-story entrance lobby, with approximately 2,100 GSF of space, and construct an addition to the lobby, with approximately 1,000 GSF of new space, to update the appearance and accessibility of the Webb Building; and

WHEREAS, the enhanced entrance lobby will provide students, faculty, and researchers with informal study and collaboration space, update the appearance of the Webb Building, and will give the Department a distinct identity along University Boulevard; and

WHEREAS, on April 14, 2023, The Board of Trustees of The University of Alabama (Board) approved the Stage II (architect ranking, project scope, and budget modification) submittal for the Project at their regularly scheduled meeting; and

WHEREAS, the Stage II submittal for the project included a construction budget of $5,500,000 and a total project budget of $7,900,000; and

WHEREAS, as design progressed, updated construction cost estimates indicated a reduction of the construction cost from the previously approved $5,500,000 down to $5,225,000; and

WHEREAS, the updated estimates also indicated increases to the cost of the kitchen equipment and furnishings required to complete the Project and meet Department's needs; and

WHEREAS, the University has re-allocated the project budget to accommodate these updated estimates; however, the total approved project budget of $7,900,000 remains unchanged; and

WHEREAS, to complete design and proceed with the bidding of the project, UAB now needs to seek approval from the Board for the Stage III (architectural design) submittal

and a budget modification to reallocate the project budget to accommodate updated cost estimates without changing the previously approved total project budget of $7,900,000; and

WHEREAS, the University has provided renderings of the Project in accordance with Board Rule 415; and

WHEREAS, the Project will be funded by School of Health Professions reserve funds in the amount of $7,900,000; and

WHEREAS, the revised project budget is established as follows:

Construction (Current Cost)	$	5,050,000
Inflation (0.75% per month through November 2023)	$	175,000
Construction (Bid Day Cost)	$	5,225,000
Architect/Engineer (7.35% of Construction)	$	383,972
Surveys, Testing, & Inspection	$	42,500
Moveable Equipment & Furnishings	$	360,000
Kitchen Equipment	$	625,000
Project Administration (4.5% of Project Cost)	$	340,200
Contingency (10% of Construction)	$	522,500
Other	$	400,828
TOTAL PROJECT COST	**$**	**7,900,000**

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that:

1. The Stage III submittal for the project is hereby approved.

2. The Budget Modification, to reallocate the project budget without altering the previously approved total project budget of $7,900,000, is hereby approved.

3. The University of Alabama at Birmingham is hereby authorized to proceed with the planning, design, and bidding of the Project in accordance with appropriate provisions of Board Rule 415.

Approving the revised project budget; providing authorization to negotiate an Owner/Architect Agreement for the Renovation of the 6th Floor of the Chauncey Sparks Center for the Department of Neurology at UAB (Stage II)

RESOLUTION

WHEREAS, the Heersink School of Medicine (HSOM) Department of Neurology's Division of Epilepsy (Division) currently works to diagnose and treat patients impacted by epilepsy as well as researching the causes of, and treatments for, epilepsy; and

WHEREAS, the Division operates the UAB Epilepsy Center (Center), which maintains a designation as a Level 4 Center, the highest designation level recognized by the National Association of Epilepsy Centers; and

WHEREAS, the Division maintains the bulk of its operations on the 3rd floor of the Civitan International Research Center (Civitan Building) and on the 3rd floor of the Chauncey Sparks Center for Learning Disorders (Sparks Center); and

WHEREAS, despite significant growth in staff and programs, the Division's assigned spaces within the Civitan Building and the Sparks Center have not increased, since established in 2002, and are no longer adequate in size; and

WHEREAS, as these spaces are now outdated, distantly located from each other, and are no longer adequate in size or configuration to properly support treatment of, and research into, neurological disorders, the Division is encountering difficulty maintaining efficient operations and providing the exceptional patient care that is expected from a Level 4 Center; and

WHEREAS, the HSOM conducted an extensive evaluation of its space inventory to identify the most effective and efficient means of consolidating the Division's staff and programs into a single space that would properly support its operations; and

WHEREAS, the evaluation indicated that the HSOM Department of Neurology's Division of Memory Disorders and Behavioral Neurology and Division of Neuropsychology, which are currently located on the sixth floor of the Sparks Center, are scheduled to relocate into newly renovated space within the Callahan Eye Hospital in the near future; and

WHEREAS, this relocation will result in the vacation of the entire sixth floor of the Sparks Center; and

WHEREAS, the evaluation concluded that the vacated sixth floor would allow for an efficient and economical renovation and would provide adequate space to accommodate the staff and programs of the Division while still providing capacity for future growth; and

WHEREAS, the Sparks Center, located at 1720 7th Avenue South, was constructed in 1969 with approximately 111,458 gross square feet (GSF) of space on ten floors; and

WHEREAS, some areas of the Sparks Center have received finish upgrades and other functional improvements in recent years; however, the sixth floor has not received a significant improvement since originally constructed fifty-three years ago and is now beyond its design life; and

WHEREAS, to properly support the staff and programs of the Division, the University initiated a project to renovate the sixth floor of the Sparks Center ("the Project") for re-use as the consolidated hub of the Division and its operations; and

WHEREAS, the Project will selectively demolish the interior of the sixth floor and construct new walls; floors; ceilings; finishes; and will repair or replace the buildings mechanical, electrical, plumbing, and life safety systems as required to meet the needs of the Division and current building and life-safety codes; and

WHEREAS, the Project will provide approximately 11,177 GSF of newly renovated office and administrative spaces, conference and meeting spaces, clinical and clinical support spaces, and other spaces necessary to support the Division's staff and programs; and

WHEREAS, on June 10, 2022, The Board of Trustees of The University of Alabama (Board) approved the Stage I submittal for the Project; and

WHEREAS, utilizing Board Rule 415 Architectural Selection Criteria, the University appointed consultant selection committee (CSC) interviewed firms to serve as the architect of record for the Project; and

WHEREAS, the CSC interviewed four firms to serve as the architect of record for the project and ranked the top three firms in the following order for negotiations: TRI Architecture + Interior Design of Birmingham, Alabama; Poole & Company Architects of Birmingham, Alabama; and CDFL Architects + Engineers of Birmingham, Alabama; and

WHEREAS, the University must now request approval to negotiate an equitable owner/architect agreement consistent with the size, scope, and complexity of the Project as outlined in Board Rule 415; and

WHEREAS, the Senior Vice Chancellor for Finance and Administration and the Chair of the Physical Properties Committee have approved the submission of the architect of record firm rankings to the Board for review and approval; and

WHEREAS, the Stage I submittal for the Project included a construction budget of $1,100,000 and a total project budget of $1,800,000; and

WHEREAS, as the schematic design for the project progressed the project team and design team evaluated the economic volatility, supply chain disruptions, and construction market saturation (Market Conditions) that have resulted significant increases to construction costs over the previous two years; and

WHEREAS, the project budget, approved as part of the Stage I submittal was developed in the fall of 2021, as these unusual Market Conditions just began taking effect, and was unable to accurately predict the impact the Market Conditions would have on the project budget; and

WHEREAS, the project team and design team have re-assessed the project budget, accounted for the inflationary effects on the project cost and have adjusted the Project budget to reflect the current construction market costs for this project; and

WHEREAS, additionally, the project team and design team have evaluated construction market inflation over the past two years and have inflated the current construction cost through to a projected bid date in December of 2023; and

WHEREAS, the impact of the Market Conditions since development of the initial project budget, combined with the projected construction market inflation between now and the anticipated bid date, will result in an increase to the total project budget from the previously approved $1,800,000 up to a revised total project budget of $2,340,000; and

WHEREAS, the Division has evaluated its financial resources and has identified an additional $540,000, of internal reserve funds, that is available to increase the Project budget and allow for the construction of the Project; and

WHEREAS, to complete design of the project, UAB now needs to seek approval from the Board for the Stage II submittal and a budget modification to increase the total project budget from $1,800,000 up to $2,340,000; and

WHEREAS, the project will be funded by Heersink School of Medicine reserve funds in the amount of $2,340,000; and

WHEREAS, the revised project budget is established as follows:

Construction (Current Cost)	$	1,538,000
Inflation (1/2% per month through Dec. 2023)	$	46,000
Construction (Bid Day Cost)	$	1,584,000

Contingency (10% of Construction)	$	158,400
Other	$	66,810
TOTAL PROJECT COST	**$**	**2,340,000**

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that:

1. Brian D. Burnett, Ph.D., Senior Vice President of Finance and Administration, or those officers named in the most recent Board Resolution granting signature authority for The University of Alabama at Birmingham, are hereby authorized to act for and in the name of The Board of Trustees of The University of Alabama in negotiating terms of an owner/architect agreement, in accordance with Board Rule 415, with the below listed firms in the following order and thereafter advising the Senior Vice Chancellor for Finance and Administration of The University of Alabama System and the Chair of the Physical Properties Committee of the negotiated results.

   Architect of Record Design Services Package:
   1) TRI Architecture + Interior Design of Birmingham, Alabama
   2) Poole & Company Architects of Birmingham, Alabama
   3) CDFL Architects + Engineers of Birmingham, Alabama

2. The Budget Modification from $1,800,000 up to $2,340,000 is hereby approved.

3. The Stage II submittal for the Project is hereby approved.

4. The University of Alabama at Birmingham is hereby authorized to proceed with the planning, design, and construction of the Project in accordance with appropriate provisions of Board Rule 415.

Approving the revised project scope and budget and providing authorization to negotiate an Owner/Architect Agreement for the Renovation of portions of the Ground Floor of Volker Hall for Anatomy Teaching Laboratories at UAB (Stage II)

RESOLUTION

WHEREAS, UAB's College of Arts and Sciences Department of Biology (Department) maintains its human anatomy instructional laboratory and laboratory support spaces within 2,626 gross square feet (GSF) of the first floor of Campbell Hall; and

WHEREAS, Campbell Hall was constructed in phases between 1978 and 1991 with the Department's human anatomy instructional spaces located in the initial phase completed in 1978; and

WHEREAS, these instructional laboratory spaces are now approximately forty-five years old and are no longer configured to properly accommodate contemporary human anatomy instruction; and

WHEREAS, Human Anatomy is the most popular course within the Department with approximately 940 students enrolled per academic year; and

WHEREAS, the enrollment in human anatomy courses is limited by the size of the existing instructional laboratories within Campbell Hall and unmet demand, that cannot be accommodated within current instructional laboratories spaces, exists; and

WHEREAS, UAB has determined that the existing human anatomy laboratories must be relocated to facilitate a future project to completely renovate and repurpose Campbell Hall; and

WHEREAS, UAB has identified space on the ground floor of Volker Hall that is available and will facilitate an efficient renovation to provide the required space for new human anatomy instructional laboratories (Laboratories); and

WHEREAS, locating the Laboratories in Volker Hall will place them in close proximity to the similar anatomy laboratories of UAB's Heersink School of Medicine (HSOM); and

WHEREAS, collocating the Laboratories with the HSOM anatomy laboratories will allow for the shared use of expensive and highly specialized infrastructure and equipment, facilitating an efficient renovation; and

WHEREAS, the collocation of the Laboratories with the HSOM anatomy laboratories will also facilitate enhanced collaboration between undergraduate students, medical students, and faculty from both the Department and the HSOM; and

WHEREAS, relocating the human anatomy instructional facilities to Volker Hall will allow for an increase in the size of the Laboratories and a subsequent increase in enrollment, which will allow the Department to meet the instructional needs and desires of its students; and

WHEREAS, to provide the Department with sufficient contemporary instructional spaces required to effectively educate students in human anatomy, the University initiated a project to renovate the available space on the ground floor of Volker Hall to create the new Laboratories; and

WHEREAS, on February 4, 2022, The Board of Trustees of The University of Alabama approved the Stage I submittal for the project; and

WHEREAS, the Stage I submittal for the project included a construction budget of $1,820,000 and a total project budget of $3,000,000; and

WHEREAS, the scope of work approved as part of the Stage I submittal included the renovation of approximately 5,200 GSF of space, on the ground floor of Volker Hall, to create two separate instructional laboratories, an extended study laboratory, a dissection laboratory, an anteroom with lockers to allow students to enter the Laboratories properly equipped and unencumbered, as well as office space for faculty and graduate teaching assistants; and

WHEREAS, utilizing Board Rule 415 Architectural Selection Criteria, the University appointed consultant selection committee (CSC) interviewed firms to serve as the architect of record for the project; and

WHEREAS, the CSC interviewed the two firms, that responded to the Request for Qualifications, to serve as the architect of record for the project and ranked the interviewing firms in the following order for negotiations: Ghafari Associates of Birmingham, Alabama; and CDFL Architects + Engineers of Birmingham, Alabama; and

WHEREAS, the University must now request approval to negotiate an equitable owner/architect agreement consistent with the size, scope, and complexity of the project as outlined in Board Rule 415; and

WHEREAS, the Senior Vice Chancellor for Finance and Administration and the Chair of the Physical Properties Committee have approved the submission of the architect of record firm rankings to the Board for review and approval; and

WHEREAS, after approval of the Stage I submittal, and subsequent architect interviews and ranking, the University initiated detailed space programming and schematic design activities for the project; and

WHEREAS, the space programming and schematic design activities revealed numerous scope changes, that would be required for the project to successfully meet the Department's needs and increase the efficiency of the renovation, from the conceptual scope of work approved as part of the Stage I submittal; and

WHEREAS, the scope changes include increasing the size of the Laboratories to meet the growing enrollment needs of the Department, relocation of an existing cold room to make space for the larger Laboratories, the replacement of an existing outdated air-handling unit to accommodate the increased ventilation requirements of the Laboratories, and the creation of a student lounge to allow students to study and collaborate outside of the Laboratories; and

WHEREAS, additionally, the Department and the HSOM identified building infrastructure items, to serve the overall building, that should be included in the project to allow for economies of scale and greater efficiencies than could be achieved if completed as a series of stand-alone projects; and

WHEREAS, these building infrastructure items include a renovation of the existing building entrance lobby adjacent to the Laboratories, as well as the construction of new restroom facilities; and

WHEREAS, the revised scope of the project will renovate approximately 13,000 GSF of the ground floor of Volker Hall to create two separate instructional laboratories, an extended study laboratory, a dissection laboratory, an anteroom, office and administrative space, a student lounge, new restroom facilities, an updated entrance lobby, as well as numerous building infrastructure and equipment upgrades; and

WHEREAS, as the schematic design for the project progressed the project team and design team also evaluated the economic volatility, supply chain disruptions, and construction market saturation (Market Conditions) that have resulted significant increases to construction costs over the previous two years; and

WHEREAS, the project budget, approved as part of the Stage I submittal was developed in the fall of 2021, as these unusual Market Conditions just began taking effect, and was unable to accurately predict the impact the Market Conditions would have on the project budget; and

WHEREAS, the project team and design team have assessed the revised project scope and re-assessed the project budget, accounted for the inflationary effects on the

project cost, and have adjusted the project budget to reflect the current construction market costs for this project; and

WHEREAS, additionally, the project team and design team have evaluated construction market inflation over the past two years and have inflated the current construction cost to a projected bid date in December of 2023; and

WHEREAS, the additions to the project scope and impact of the Market Conditions, since development of the initial project budget, combined with the projected construction market inflation between now and the anticipated bid date, will result in an increase to the total project budget from the previously approved $3,000,000 up to a revised total project budget of $7,050,000; and

WHEREAS, the Department evaluated its financial resources and has now identified an additional $3,100,000, of internal reserve funds, that is available to increase the project budget; and

WHEREAS, the HSOM has identified $950,000, of internal reserve funds, that is available to share the cost of the building infrastructure improvements, added to the project scope, that will benefit all occupants of Volker Hall; and

WHEREAS, to complete design of the project and proceed with bidding and construction, UAB now needs to seek approval from the Board for the Stage II submittal, approval of the increased project scope, and approval of a budget modification to increase the total project budget from $3,000,000 up to $7,050,000; and

WHEREAS, the project will be funded by College of Arts and Sciences reserve funds in the amount of $6,100,000, and Heersink School of Medicine reserve funds in the amount of $950,000; and

WHEREAS, the revised project budget is established as follows:

Construction (Current Cost)	$	4,500,000
Inflation (0.5% per month through December 2023	$	135,000
Construction (Bid Day Cost)	$	4,635,000
Architect/Engineer (7.08% of Construction)	$	328,000
Surveys, Testing, & Inspection	$	75,000
Moveable Equipment & Furnishings	$	400,000
Project Administration (4.5% of Project Cost)	$	303,500
Contingency (10% of Construction)	$	463,500
Other	$	845,000
TOTAL PROJECT COST	**$**	**7,050,000**

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that:

1. Brian D. Burnett, Ph.D., Senior Vice President of Finance and Administration, or those officers named in the most recent Board Resolution granting signature authority for The University of Alabama at Birmingham, are hereby authorized to act for and in the name of The Board of Trustees of The University of Alabama in negotiating terms of an owner/architect agreement, in accordance with Board Rule 415, with the below listed firms in the following order and thereafter advising the Senior Vice Chancellor for Finance and Administration of The University of Alabama System and the Chair of the Physical Properties Committee of the negotiated results.

Granting authorization to execute a Real Estate Sales Contract for the acquisition of property at 1715 11th Avenue South

RESOLUTION

WHEREAS, the real estate located on Block 780 in the City of Birmingham, Alabama, (the "Property"), is an essential part of the Master Plan of the University of Alabama at Birmingham (the "University"); and

WHEREAS, the University desires to purchase the Property for short-term surface parking and future redevelopment; and

WHEREAS, the University has reached a tentative agreement with George C. Andrews and W and G Properties (the "Seller"), to purchase the Property for $1,150,000 (the "Purchase Price"), contingent upon approval of the purchase by The Board of Trustees of The University of Alabama, the completion of a period of due diligence to inspect and review the Property, and subject to the terms and conditions of the real estate sales contract to be executed between the Seller and the University; and

WHEREAS, this purchase will be funded by UAB plant funds; and

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama System that Brian D. Burnett, Senior Vice President for Finance & Administration, or those officers named in the most recent Board Resolution granting signature authority for The University of Alabama at Birmingham are hereby authorized to act for and in the name of The Board of Trustees of The University of Alabama System in executing the real estate sales contract for the Property with Seller for the Purchase Price.

BE IT FURTHER RESOLVED, that The University of Alabama at Birmingham be authorized to take all other actions necessary to complete the purchase of the Property under the terms stated above and as set out in the real estate sales contract on behalf of The Board of Trustees of The University of Alabama.

BE IT FURTHER RESOLVED, that The University of Alabama at Birmingham be authorized to take all other actions necessary to demolish the existing building upon completion of the purchase of the Property and subsequent expiration and or termination of current tenant leases.

Granting Authorization to execute an Amendment to the Lease Agreement with the Birmingham – Jefferson Civic Center Authority for the use of Protective Stadium

RESOLUTION

WHEREAS, the Birmingham-Jefferson Civic Center Authority, a public corporation organized under the laws of the State of Alabama (the "BJCC"), is the owner and operator

of a multi-purpose, open air stadium known as Protective Stadium, as well as various attendant improvements; and

WHEREAS, the BJCC and UAB entered into a Lease Agreement (the "Lease") on July 16, 2018 for use of Protective Stadium for the UAB Football Program's home games; and

WHEREAS, the BJCC and UAB desire to execute the First Amendment to Agreement, a copy of which is attached hereto, to clarify operational terms originally established in the original Agreement;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama System that Brian D. Burnett, Senior Vice President for Finance and Administration, or those officers named in the most recent Board Resolution granting signature authority for The University of Alabama at Birmingham, is hereby authorized to execute the First Amendment to Agreement in substantially the same form as attached hereto.

Approving the revised project scope and budget for the New Inpatient Rehabilitation Facility at University Hospital (Revised Stage IV)

RESOLUTION

WHEREAS, University Hospital, an operating entity of The Board of Trustees of The University of Alabama ("UA Board") managed by the Health System Authority ("Health System"), in furtherance of its mission to provide a continuum of health services of the highest quality, operates the UAB Spain Rehabilitation Center (SRC); one of the Southeast's foremost providers of comprehensive rehabilitation care; and

WHEREAS, UAB Spain Rehabilitation Center operates nationally designated Traumatic Brain Injury and Spinal Cord Injury Model Systems and serves an important function by providing access to UAB Hospital patients requiring inpatient rehabilitation services; and

WHEREAS, University Hospital has determined that a confluence of factors - an aging facility and infrastructure; significant changes in inpatient rehabilitation care since SRC was built; demand for more rehabilitation and acute care beds - requires replacement of the existing facility; and

WHEREAS, University Hospital has determined that a new eleven story, 350,000 gross square feet facility with seventy-eight (78) acute rehabilitation beds, twenty-eight (28) acute care beds, a shell floor for future acute care beds, a new loading dock, and a two hundred (200) car parking deck ("Project") would best meet its needs; and

WHEREAS, on September 21, 2018, The Board of Trustees of The University of Alabama approved the Stage I submittal for this Project; and

WHEREAS, on April 12, 2019, The Board of Trustees of The University of Alabama authorized a plan of finance to include a bond issue by the UAB Medicine Finance Authority to serve proposed projects including the SRC replacement facility; and

WHEREAS, on April 9, 2021, The Board of Trustees of The University of Alabama approved the Stage II submittal for this Project; and

WHEREAS, on September 17, 2021, The Board of Trustees of The University of Alabama approved the Stage III submittal for this Project; and

WHEREAS, on April 8, 2022, The Board of Trustees of The University of Alabama approved the Stage IV submittal for this Project; and

WHEREAS, University Hospital has determined that demand for complex tertiary and quaternary clinical care is resulting in high patient volumes, sicker patients, longer lengths of stay, and very high utilization and occupancy levels in its clinical care operations; and

WHEREAS, University Hospital has determined that additional inpatient acute care beds are necessary to meet the demands of patients presenting to the Hospital; and

WHEREAS, the shell floor on the 5th level of the Project under construction is the only remaining space at the Main Hospital campus available to fit up and operate an additional acute care nursing unit; and

WHEREAS, University Hospital has finalized the design documents to fit up the 31,275 GSF shell floor on the 5th level of the Project into a 30-bed acute care nursing unit; and

WHEREAS, Hoar Construction, the contractor building the Project has provided a construction cost estimate of $9,192,972 to fit up the shell floor on the 5th level into a 30 bed acute care nursing unit; and

WHEREAS, University Hospital has reviewed the pricing proposal and believes that it is a fair price for the scope of work, will avoid cost escalation and construction disruption associated with fitting up the shell floor in the future, and will provide additional acute care beds at the opening of the building; and

WHEREAS, the Revised Final Project Budget is as follows:

BUDGET	Current	5th Floor Fit Up	Revised
Construction*	$ 116,509,000	$ 9,193,000	$ 125,702,000

Approving the preliminary project scope and budget and providing authorization to execute an Owner/Architect Agreement for the Track and Field Complex at Charger Park at UAH (Stage I & Stage II)

RESOLUTION

WHEREAS, in accordance with Board Rule 415, The University of Alabama in Huntsville is requesting approval for a Stage I Submittal for the Track and Field Complex at Charger Park project located at 900 John Wright Drive near the University's existing outdoor athletic fields; and

WHEREAS, the construction of a Track and Field Complex is identified as a priority in the 2016 UAH Campus Master Plan, was further studied as part of the recent 2022 Charger Park Master Plan conducted by UAH Athletics, and is included in the FY 2024 UAH Annual Consolidated Capital Projects and Facilities Report;

WHEREAS, the project will provide the University with its very first on-campus track that shall include an NCAA compliant, 400-meter, 8-lane running track with jumping, vaulting, and throwing event venues; and

WHEREAS, the project will also include the construction of a dedicated entry plaza, a small parking area for visiting teams and officials, a press box with a 1,000-seat main section of bleachers along the west side of the track, an additional 500-seat section of bleachers located south of the track, home and visiting team locker rooms, concessions, and a field house with equipment storage; and

WHEREAS, the Senior Vice Chancellor for Finance and Administration and the Chair of the Physical Properties Committee have authorized UAH to request approval from the Physical Properties Committee to waive the Stage II submittal and contract with Chapman Sisson Architects to design and manage the project; and

WHEREAS, the Project will be funded from services-in-kind from the City of Huntsville and current & future gifts in the amount of $14,942,175; and

WHEREAS, the preliminary budget for the Project is stipulated as follows:

Preliminary Project Budget		**Totals**
Package 1 – Demolition & Site Work*	$	2,850,000
Package 2 – Track & Infield	$	2,131,000
Package 3 – Lighting, Seating, & Paving	$	2,511,665
Package 4 – Support Buildings	$	3,167,725
Professional Fees (6%) **	$	667,125
UAH Project Management Fees (3.5%)	$	404,235
Furniture, Furnishings, & Equipment	$	125,000
Miscellaneous Costs	$	226,325
Construction Contingency (10%)	$	1,066,040
Escalation (15%) ***		1,793,060
Total Project Cost	**$**	**14,942,175**

* *The estimated construction cost for this package reflects costs savings by utilizing services in kind by the City of Huntsville Public Works Department to complete the proposed work.*

** *Professional Fees include basic services and reimbursable expenses. Architect's basic services fee for the (4) packages are in the total amount of $721,600. Approving the work as a single project and combining all packages under a single O/A Agreement will drop the Architect's Basic Services fee to $667,125. This represents a total cost savings of $74,476 or 11%.*

*** *Escalation is applied to all project costs excluding the Construction Contingency to accommodate material and labor cost increases associated with the Huntsville construction market, national inflation, global labor shortages, and supply chain issues. Escalation costs reflects a phased development approach over the course of multiple years.*

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that:

1. The Stage I and II Submittals are hereby approved.

2. The Preliminary Budget is established as stipulated above.

3. Charles Karr, President, or Todd M. Barré, Vice President for Finance and Administration, at The University of Alabama in Huntsville, is hereby

authorized to act for and in the name of The Board of Trustees of The University of Alabama System in negotiating terms of an Owner/Architect Agreement in accordance with Board Rule 415, with Chapman Sisson Architects, and thereafter advising the Senior Vice Chancellor for Finance and Administration and the Chair of the Physical Properties Committee of the negotiated results.

4. The University of Alabama in Huntsville is hereby authorized to proceed with the planning of the Project in accordance with Provisions of Board Rule 415.

Approving the preliminary project scope and budget for the Center for Cybersecurity Research, Education, and Advanced Training at UAH (Stage I)

RESOLUTION

WHEREAS, in accordance with Board Rule 415, The University of Alabama in Huntsville is requesting approval for a Stage I submittal to improve and upgrade spaces within the Bevill Center, located at 550 Sparkman Drive, for the Center for Cybersecurity Research, Education & Advanced Training project ("Project"); and

WHEREAS, the project includes the modification and renovation of 45,000 square feet of space on the first and second floors to provide a new, interdisciplinary research and academic facility that shall be home to the UAH Center for Cybersecurity Research & Education and include modern classroom and training spaces, research laboratories, office space, and finish upgrades to the main building lobby; and

WHEREAS, the Center for Cybersecurity Research, Education & Advanced Training project (formerly the Education & Advanced Training Facility) is included as an Educational and General project in the FY2024 UAH Annual Consolidated Capital Projects and Facilities Report; and

WHEREAS, updating aging facilities to current campus standards is identified as a short-range priority in the 2016 UAH Campus Master Plan; and

WHEREAS, the Project will be funded with State Supplemental Appropriations in the total amount of $24,400,000; and

WHEREAS, the preliminary budget for the Project is stipulated as follows:

Preliminary Project Budget		**Totals**
Construction Costs	$	17,550,000
Professional Fees (5.7%)*	$	1,020,350
UAH Project Management Fees (4.5%)	$	874,600
Furniture, Furnishings & Equipment	$	525,000
Survey, Testing, Inspections & Misc.	$	616,414
Construction Contingency (10%)	$	1,755,000
Escalation (10%) **	$	2,058,636
Total Project Cost	**$**	**24,400,000**

* Professional Fees include Architect Basic Services and Reimbursable Expenses. Architect's Basic Services fee is based on 5.7% of the Construction Costs per DCM's State Fee Schedule.

** Escalation is applied to all project costs excluding the Construction Contingency to accommodate potential cost increases over the next 12 to 18 months prior to the anticipated notice to proceed for Construction.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that:

1. The Stage I Submittal package for the Center for Cybersecurity Research, Education & Advanced Training is hereby approved.

2. The Preliminary Budget is established as stipulated above.

3. The University of Alabama in Huntsville is hereby authorized to proceed with the planning of the Project in accordance with the provisions of Board Rule 415.

Pro tem Starnes thanked Trustee Brooks and recognized Trustee Humphrey for a report from the Academic Affairs and Student Affairs Committee.

Trustee Humphrey reported that the Academic Affairs and Student Affairs Committee met on September 1, 2023, considered 39 agenda items, and heard a report on four information items. The Committee unanimously recommended the 39 resolutions for approval. Trustee Humphrey moved for their approval by the Board, and the motion was seconded by Trustee Phelps. Pro tem Starnes asked if there were questions or

comments concerning any of the items. Hearing none, Pro tem Starnes called for a vote, and the following resolutions were unanimously adopted, separately and collectively:

Granting Approval of and Permission to Submit to the Alabama Commission on Higher Education (ACHE) the Establishment of an Artificial Intelligence Track within the Master of Science (M.S.) Degree in Health Informatics (MSHI) (CIP Code 51.0799) at UAB

RESOLUTION

WHEREAS, the School of Health Professions at UAB wishes to add an Artificial Intelligence Track to the existing Master of Science (M.S.) degree in Health Informatics (MSHI) that will allow students to employ AI to improve patient care, provide accurate

diagnoses, optimize treatment plans, inform decisions of health policymakers, and allocate resources within health systems; and

WHEREAS, all courses proposed for the curriculum currently exist in the Master of Science (M.S.) degree in Health Informatics program or the courses within the Heersink School of Medicine; and

WHEREAS, the collaborative track will generate new revenue for the programs; and

WHEREAS, the proposed track will create a well-defined pathway for current MSHI and future Accreditation Council for Graduate Medical Education (ACGME) Fellows to acquire knowledge and apply skills in AI technology;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it grants approval of and submission to the Alabama Commission on Higher Education (ACHE) the creation of an Artificial Intelligence Track in the Master of Science (M.S.) degree in Health Informatics (MSHI) (CIP Code 51.0799) at The University of Alabama at Birmingham.

Approving Establishment of the Systems Pharmacology AI Research Center (SPARC) in the Department of Biomedical Informatics and Data Science in The University of Alabama at Birmingham Marnix E. Heersink School of Medicine at UAB

RESOLUTION

WHEREAS, the Department of Biomedical Informatics and Data Science in The University of Alabama at Birmingham Marnix E. Heersink School of Medicine was established by the Board of Trustees at their April 14, 2023, meeting; and

WHEREAS, the Department of Biomedical Informatics and Data Science wishes to create the Systems Pharmacology AI Research Center (SPARC) in order to focus on leveraging Artificial Intelligence (AI) technologies in the development of AI-enabled drug discovery, which is a critical area of research that aligns with our mission; and

WHEREAS, SPARC will use existing AI technology and research from AI.MED laboratory to create a collaborative platform for drug discovery. The center aims to speed up drug discoveries in various areas of medicine, such as cancer, immunology, neuroscience, cardiovascular diseases, and diabetes; and

WHEREAS, the Heersink School of Medicine supports the creation of SPARC to establish our position as a leader in the field of AI-enabled drug discovery and

demonstrate our commitment to staying at the forefront of scientific innovation and addressing the unmet medical needs of patients; and

WHEREAS, SPARC will be funded from UAB Marnix E. Heersink School of Medicine reserves in the amount of $2.89 million for the first four years; and

WHEREAS, Jake Y. Chen, Ph.D., has been recommended to serve as the inaugural Director of SPARC and manage the faculty and scientific staff for science and technology matters;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it approves the establishment of the Systems Pharmacology AI Research Center (SPARC) in the Department of Biomedical Informatics and Data Science at The University of Alabama at Birmingham Marnix E. Heersink School of Medicine.

Approving Establishment of the Division of Comprehensive Neurology, Department of Neurology at The University of Alabama at Birmingham Marnix E. Heersink School of Medicine at UAB

RESOLUTION

WHEREAS, the Department of Neurology at The University of Alabama at Birmingham Marnix E. Heersink School of Medicine became an independent department in 1974; and

WHEREAS, the Department of Neurology has had a renowned and notable history of excellence in clinical service, education, and research, led initially by Dr. James H. Halsey, one of the first neurologists in the state of Alabama; subsequently by Dr. John N. Whitaker and Dr. Ray L. Watts, and currently by Dr. David G. Standaert; and

WHEREAS, the Department of Neurology provides care that spans all the major subspecialties of the field, including stroke and cerebrovascular disease, epilepsy, memory disorders and neuropsychology, movement disorders, multiple sclerosis, neuromuscular disease, neuro-oncology, neuro-critical care and pain medicine, for inpatient and outpatient populations, provides patients with access to a comprehensive range of modern diagnostic services, and additionally uses telemedicine services to support patients at more than 20 other hospitals around the state; and

WHEREAS, UAB Hospital is recognized nationally for excellence in Neurology, supporting a Comprehensive Stroke Center, a Level Four Epilepsy Center, and many other nationally and internationally recognized programs; and

WHEREAS, the Department of Neurology is a national leader in research that consistently pushes the field forward in discovery and clinical implementation and seeks to expand the knowledge of the neurologists and neuroscientists while exploring new treatments and cures for the future; and

WHEREAS, the Department of Neurology has exceptional educational programs for medical students, postgraduate students, and learners of all levels to expand the skills of all clinicians and train the next generation of experts in neurology; and

WHEREAS, the Department of Neurology desires to establish a Division of Comprehensive Neurology not only to provide state-of-the-art care to patients with varying neurologic conditions, but to facilitate growth of the outpatient clinical initiatives in neurology, train students in a comprehensive approach to neurological evaluation and care and conduct a wide range of research relevant to the field; and

WHEREAS, establishment of such a Division is in alignment with standards set by other major national and international academic neurology departments; and

WHEREAS, Shruti Agnihotri, M.D., will serve as the inaugural Director of the Division of Comprehensive Neurology and organize clinical and research efforts of the division;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it approves the establishment of the Division of Comprehensive Neurology within the Department of Neurology at The University of Alabama at Birmingham Marnix E. Heersink School of Medicine.

Approving Establishment of a Quasi-Endowment titled the Triton Endowed Professorship in Microbiology at UAB

RESOLUTION

WHEREAS, to support the transformational gift from Marnix E. Heersink, M.D., Triton Health Systems, L.L.C. has committed to transferring matching funds of up to $5,000,000, of which $1,500,000 has been received, for the purpose of enhancing and accelerating critical initiatives that will drive recruitment of talent, innovation, and research in priority areas within The University of Alabama at Birmingham Marnix E. Heersink School of Medicine (UAB Heersink School of Medicine); and

WHEREAS, the UAB Heersink School of Medicine wishes to use matching funds of $500,000 from Triton Health Systems, L.L.C. for the establishment of an endowed professorship in the Department of Microbiology; and

WHEREAS, it is most fitting that this endowment be named in honor of Triton Health Systems, L.L.C.'s commitment to improving health outcomes through collaborative research, training, community engagement, dissemination, and translation of knowledge; and

WHEREAS, this endowment will be used to support the mission of the Department through the recruitment and retention of an expert and national leader in the field of microbiology; and

WHEREAS, this endowment will have a lasting effect on the work performed by the faculty in the Department who will occupy the endowed position and on the lives of the patients and students touched by their medical breakthroughs, research, teaching, and clinical care;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it hereby approves the establishment of the Triton Endowed Professorship in Microbiology, a quasi-endowment of the University totaling $500,000.

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of this Board and that copies or any parts of it be sent to: Triton Health Systems, L.L.C.; to J. Victor Garcia-Martinez, Ph.D., Chair of the UAB Department of Microbiology; to Anupam Agarwal, M.D., Senior Vice President for Medicine and Dean of the UAB Heersink School of Medicine; and to other appropriate officials of The University of Alabama at Birmingham.

Approving Establishment of the Heersink Endowed Professorship in Sports and Exercise Medicine and the Heersink Endowed Professorship in Sports and Exercise Medicine Quasi-Endowment at UAB

RESOLUTION

WHEREAS, on September 28, 2021, The Board of Trustees of The University of Alabama accepted generous gifts and commitments from Marnix E. Heersink, M.D., totaling $60 million and approved the naming of The University of Alabama at Birmingham Marnix E. Heersink School of Medicine (UAB Heersink School of Medicine); and

WHEREAS, $22.75 million of the donor's pledge will be used for the creation of endowed chairs and professorships in priority areas, including precision medicine and pharmacogenomics, pulmonology, oncology, neurology, health disparities, and immunology, among others; and

WHEREAS, it is the wish of the donor to use funds of $250,000 for the establishment of the Heersink Endowed Professorship in Sports and Exercise Medicine; and

WHEREAS, the Department of Family and Community Medicine wishes to use internal funds of $250,000 for the establishment of a quasi-endowment titled the Heersink Endowed Professorship in Sports and Exercise Medicine, bringing the corpus of the endowment to $500,000; and

WHEREAS, supported by the Departments of Family and Community Medicine, Orthopaedic Surgery, and Physical Medicine and Rehabilitation, UAB Sports and Exercise Medicine specializes in the evaluation, management, rehabilitation, and prevention of injury and disorders in patients of all ages; and

WHEREAS, it is most fitting that this endowment be named in honor of Marnix E. Heersink, M.D., whose service to and outstanding support of UAB have had a transformational impact on the University; and

WHEREAS, Marnix E. Heersink, M.D., is a cataract and laser refractive surgeon and co-owner and chairman of Eye Center South in Dothan, Alabama, a practice he and John Fortin, M.D., opened in 1980, which now has 12 offices in Alabama, Florida, and Georgia; and

WHEREAS, Dr. Heersink and his family opened Health Center South, a 140,000-square-foot state-of-the-art medical complex for doctors of all specialties in Dothan; and

WHEREAS, Dr. Heersink is an owner or agent of many other companies, including real estate holdings and manufacturing entities in the United States and abroad; and

WHEREAS, Dr. Heersink is a fellow and member of a number of professional organizations, including the American Academy of Ophthalmology, the International College of Surgeons, the American College of Surgeons, the American Society of Cataract and Refractive Surgery, and the Royal College of Physicians and Surgeons of Canada, and he is certified by the Board of Directors of the American College of Eye Surgeons; and

WHEREAS, his professional memberships also include the Houston County Medical Society, the Medical Association of the State of Alabama, the American Intra-Ocular Implant Society, and the American Medical Association, and he has a special interest and training in the diagnosis and surgical treatment of cataracts as well as laser vision correction; and

WHEREAS, in addition to his participation in a number of organizations, including the Boys & Girls Clubs and the Boy Scouts of America, Dr. Heersink has coached numerous youth sports teams for the City of Dothan and has served on the Executive

Board of the Alabama Florida Council of Boy Scouts and the Executive Board of the Alabama Institute for Deaf and Blind; and

WHEREAS, this endowment will pay tribute to Dr. Heersink's commitment to global health and the Heersink family's many contributions to medical education, research, and treatment; and

WHEREAS, this endowment will have an enduring effect on the work performed by its holders, on the education of future generations of physician-scientists, and on the countless patients whose lives are bettered through their research and care and, therefore, on the UAB Heersink School of Medicine and the University as a whole;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it hereby establishes the Heersink Endowed Professorship in Sports and Exercise Medicine and the Heersink Endowed Professorship in Sports and Exercise Medicine Quasi-Endowment.

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of this Board and that copies be given to Marnix E. Approving Appointment of Ralph D. Sanderson, Ph.D., as Professor Emeritus of Molecular and Cellular Pathology in the Department of Pathology at UAB

RESOLUTION

WHEREAS, in special recognition of distinguished service to The University of Alabama at Birmingham (UAB) and The University of Alabama at Birmingham Marnix E. Heersink School of Medicine (Heersink School of Medicine), UAB wishes to acknowledge Ralph D. Sanderson, Ph.D., by appointing him as Professor Emeritus of Molecular and Cellular Pathology in the Department of Pathology; and

WHEREAS, Dr. Sanderson earned his Bachelor of Science degree with Honors from the University of Alabama in Biology in 1975 and his Doctor of Philosophy degree in Anatomy and Cell Biology in 1986 from The University of Alabama at Birmingham; and

WHEREAS, Dr. Sanderson served as a faculty member of UAB since 2006 when he joined the Department of Pathology as a Professor; and

WHEREAS, Dr. Sanderson continued his service to the Department of Pathology as Professor until his retirement on July 31, 2023, after a total of 17 years of loyal and dedicated service to UAB and the Heersink School of Medicine; and

WHEREAS, Dr. Sanderson served as the founding director of the Pathobiology and Molecular Medicine Theme of the Graduate Biomedical Sciences Program from 2008-2011, co-leader of the Cancer Cell Biology Program of the O'Neal Comprehensive Cancer Center from 2010-2018, and Director of the Division of Molecular and Cellular Pathology from February 2018 until July 2023; and

WHEREAS, Dr. Sanderson has played a vital role in recruiting new faculty to the Division of Molecular and Cellular Pathology, including chairing two successful search committees before serving as division director, and after becoming division director, leading the recruitment of 10 new tenured or tenure-track faculty into the division, all of whom came with substantial research funding; and

WHEREAS, Dr. Sanderson was named the inaugural holder of the Drs. Mae and Anderson Nettleship Endowed Chair in Oncologic Pathology at the University of Arkansas for Medical Sciences in 2002 and the inaugural holder of the Endowed Professorship in Cancer Pathobiology at UAB in 2012; and

WHEREAS, Dr. Sanderson received the Outstanding Faculty Award from the Department of Pathology Molecular and Cellular Pathology Graduate Program (2008), the Neufeld Memorial Award from the United States/Israel Binational Science Foundation (2010), and the Albert F. LoBuglio Distinguished Faculty Award for Outstanding Contributions to the Research Mission of the UAB Comprehensive Cancer Center (2017); and

WHEREAS, Dr. Sanderson served as an invaluable and influential mentor to 19 junior faculty; seven Ph.D., students; 14 postdoctoral trainees; and served on the thesis committees of 49 students; and

WHEREAS, Dr. Sanderson has developed an internationally recognized research program focused on the biology of proteoglycans and their role in cancer progression and has been funded without interruption for more than 30 years (1992-2023) by the National Cancer Institute of National Institutes of Health, with more than $15M total research funding; and

WHEREAS, Dr. Sanderson extensively published his research findings (more than 130 publications to date, h-index 74, with more than 15,700 citations) that have

contributed greatly to the understanding of proteoglycan regulation of cancer and led to the development of a drug aimed at blocking the enzyme heparanase to treat cancer; and

WHEREAS, as a result of his research accomplishments, he has been asked to present lectures at 60 high-profile international research meetings, including the Honorary Plenary Lecture (for lifetime contribution to the field of Extracellular Matrix Biology) at the 2015 meeting of the Federation of European Biochemical Societies, the Casu Lecture at the 25th Symposium on Glycosaminoglycans in 2017 and the Keynote Lecture at the Gordon Research Conference on Proteoglycans in 2022; and

WHEREAS, in his emeritus position, Dr. Sanderson will continue an active academic role at UAB mentoring faculty and students and serving as a co-investigator on four National Institutes of Health grants; and

WHEREAS, Dr. Sanderson in his 17 years at UAB has proven to be an outstanding academician and key leader internationally. He has excelled in research, teaching, and service, the three key missions of UAB faculty, and will continue in these roles as an emeritus professor;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it approves appointment of Ralph D. Sanderson, Ph.D., as Professor Emeritus of Molecular and Cellular Pathology in the Department of Pathology at The University of Alabama at Birmingham.

BE IT FURTHER RESOLVED that this Board herein extends its deepest appreciation to Dr. Sanderson for his dedication and service to The University of Alabama at Birmingham and to the people of this state and nation.

BE IT FURTHER RESOLVED that this Resolution is spread upon the permanent minutes of this Board and that copies are given to Dr. Sanderson and members of his family and other appropriate University officials.

Granting Approval of and Permission to Submit to the Alabama Commission on Higher Education (ACHE) A Proposal to Add a Cybersecurity Concentration to the Master of Science (M.S.) Degree in Computer Science (CIP Code 11.0701) at UAH

RESOLUTION

WHEREAS, the College of Science at The University of Alabama in Huntsville proposes to add a Cybersecurity Concentration to the Master of Science Degree in Computer Science; and

WHEREAS, the Cybersecurity in Computer Science Concentration will broaden the educational experience for students in the Computer Science program with a specialized curriculum; and

WHEREAS, by offering this Cybersecurity Concentration within the existing Computer Science master's degree, the program can provide a Cybersecurity credential, while allowing students to pursue the Computer Science degree for wider applicability; and

WHEREAS, the Cybersecurity in Computer Science Concentration will respond to the continuing need for specialized focus on cybersecurity and provide students with a specific job skill; and

WHEREAS, no additional personnel resources will be required to serve this new concentration.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that the Board does hereby support the addition of a Cybersecurity Concentration in the Master of Science (M.S.) degree in Computer Science at The University of Alabama in Huntsville and grants permission to submit this Proposed Alteration to the Alabama Commission on Higher Education.

Granting Initial Approval of and Permission to Submit to the Alabama Commission on Higher Education (ACHE) a Proposal to Alter the CIP Code and Program Title of the Doctor of Philosophy degree in Computer and Information Sciences in the Academic Program Inventory (CIP Code 11.0101) at UAH

RESOLUTION

WHEREAS, the Computer Science Department in the College of Science at The University of Alabama in Huntsville seeks approval to update its Academic Program Inventory by altering the name of the Doctor of Philosophy degree in Computer and Information Sciences to a Doctor of Philosophy degree in Computer Science; and

WHEREAS, the conversion of the name from the current inventory listing of Ph.D., in Computer and Information Sciences to Ph.D., in Computer Science will not change the content, character, program requirements, coursework, or existing concentrations within the degree, and will not have any associated costs; and

WHEREAS, changing the title of the degree aligns more closely with other universities with similar offerings around the country; and

WHEREAS, the title Computer Science has been used internally by UAH for many years; and

WHEREAS, the department also seeks a change in the CIP code from the current listing of 11.0101 to 11.0701, which more accurately and specifically describes the objectives, character, and mission of the department of Computer Science and its degree offerings.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that the Board does hereby support the proposed alteration of the Doctor of Philosophy degree in Computer and Information Sciences (CIP Code 11.0101) to the Doctor of Philosophy degree in Computer Science (CIP Code 11.0701).

WHEREAS, Dr. Cling has served as Interim Chair in the Department of Music, Theatre, and Film in the College of Arts, Humanities, and Social Sciences at The University of Alabama in Huntsville; and

WHEREAS, Dr. Cling has served as Interim Dean and Associate Dean in the College of Arts, Humanities, and Social Sciences at The University of Alabama in Huntsville; and

WHEREAS, Dr. Cling received the 1993 University of Alabama in Huntsville Foundation Distinguished Teaching Award, and the 2009 University of Alabama in Huntsville Foundation Research and Creative Achievement Award; and

WHEREAS, Dr. Cling, throughout his years of service at The University of Alabama in Huntsville, has contributed to the life of the institution through membership on many major college and university committees; and

WHEREAS, over the period of his service, Dr. Cling has helped to maintain the standards of academic excellence in the Department of Philosophy, the College of Arts, Humanities, and Social Sciences, The University of Alabama in Huntsville, and the community.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it expresses deep gratitude to Dr. Andrew Cling and that he be named Professor Emeritus in recognition of his leadership as a faculty member in the Philosophy Department, his effectiveness in the classroom, his expertise in research activities, his loyalty to The University of Alabama in Huntsville, and his service to The University of Alabama in Huntsville and the community.

Trustee Humphrey also reported that the Committee reviewed 4 information items:

- 2023-2024 Report on Short-Term Appointments to Endowed Academic Chairs at UAS
- Three-Year Academic Plan Summary at UAS
- Establishment of a 16-Hour Graduate Certificate in Magnetic Resonance Imaging (CIP Code 51.0920) at UAB
- Establishment of a 15-Hour Graduate Certificate in Computed Tomography (CIP Code 51.0911) at UAB

Pro tem Starnes asked if there were questions or comments concerning any of the information items. There were none.

Pro tem Starnes thanked Trustee Humphrey for her report and recognized Trustee Mauldin for a report from the Honorary Degrees and Recognition Committee.

Trustee Mauldin reported that the Honorary Degrees and Recognition Committee met on September 1, 2023, and considered 19 agenda items, all of which the Committee recommended for approval. Trustee Mauldin moved for their approval by the Board, and the motion was seconded by Trustee Vandervoort. Pro tem Starnes asked if there were questions or comments concerning any of the items. Hearing none, Pro tem Starnes then called for a vote, and the following resolutions were unanimously adopted, separately and collectively:

Accepting Gifts and Pledges from Various Donors, Express Appreciation, and Approve Namings in Mary Hewell Alston Hall at UA

RESOLUTION

WHEREAS, The Board of Trustees of The University of Alabama previously approved gift amounts for named spaces in Mary Hewell Alston Hall at The University of Alabama; and

WHEREAS, the University began a comprehensive fundraising campaign in which definable portions of Mary Hewell Alston Hall would be given donors' names; and

WHEREAS, pursuant to Board Rule 411, these gifts and pledges meet and/or exceed the previously approved gift amounts for the respective spaces, and University officials request the acceptance of the gifts and pledges in recognition of the donors, separately and severally, per the list attached as Exhibit K;

NOW, THEREFORE, BE IT RESOLVED, by The Board of Trustees of The University of Alabama that it hereby accepts with gratitude these generous gifts and pledges and herewith establishes these namings in Mary Hewell Alston Hall;

BE IT FURTHER RESOLVED that, pursuant to Board Rule 104, no donor shall have a building named in his or her honor unless he or she has contributed the minimum amount to name a building, room, or space as stipulated in Board Rule 411, unless the Board finds special need for making an exception.

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of the Board.

Approving Naming Opportunities for the Literacy Center in Tom Barnes Hall at UA

RESOLUTION

WHEREAS, Dr. Elizabeth K. Wilson, Interim Dean of the College of Education, desires to undertake a fundraising plan in which definable portions of the Literacy Center in Tom Barnes Hall would be given donors' names in compliance with Board Rules 104 and 411; and

WHEREAS, Interim Dean Wilson has submitted to Dr. Stuart Bell, President of The University of Alabama, a list of naming opportunities and the gift amounts required for each; and

WHEREAS, Dr. Bell recommends that the naming opportunities and gift amounts be approved as part of the College of Education's ongoing mission to promote the education of students at The University of Alabama;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it hereby accepts the recommendation of Dr. Bell and approves the naming opportunities contained within this list attached as Exhibit L;

BE IT FURTHER RESOLVED that the attached list detailing the naming opportunities and gift amounts is made a part of this resolution by reference;

BE IT FURTHER RESOLVED that, pursuant to Board Rule 411, all proposed namings resulting from the fundraising efforts shall be conditioned on Board approval and shall be submitted to the Chancellor and the Board for approval in compliance with Board Rule 411;

BE IT FURTHER RESOLVED that, pursuant to Board Rule 104, no donor shall have a building named in his or her honor unless he or she has contributed the minimum amount to name a building, room, or space as stipulated in Board Rule 411, unless the Board finds special need for making an exception;

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of the Board.

Approving Reinvestment of Earnings into the EBSCO Quasi-Endowed Chair of Library and Information Studies at UA

RESOLUTION

WHEREAS, on April 2, 1987, The Board of Trustees of The University of Alabama established an endowment known as the EBSCO Endowed Chair of Library and Information Studies at The University of Alabama; and

WHEREAS, it is now the desire of the College of Communication and Information Sciences to reinvest earnings in the amount of $150,000 for the purpose of enhancing the corpus of this endowment;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it hereby acknowledges the reinvested earnings, and herewith approves the addition of these funds to the related quasi-endowment to function together with the EBSCO Endowed Chair of Library and Information Studies, a pure endowment of the University;

BE IT FURTHER RESOLVED that this transfer of earnings will constitute a quasi-endowed corpus, which will be held, invested, maintained, and administered by the University according to its policies and procedures adopted from time to time for quasi-endowed funds, and that the quasi-endowment earnings shall be used for needs that most closely relate to the donor's intent, as stated herein, under the policies and procedures of the University adopted from time to time to regulate and administer such funds;

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of this Board.

Approving the Revision of Endowed Funds at UA

RESOLUTION

WHEREAS, in compliance with Board Rule 411, the President of The University of Alabama recommends that the following funds, having been previously established by action of The Board of Trustees of The University of Alabama through duly adopted resolutions, be revised by The Board of Trustees of The University of Alabama:

Friends of the Collegiate Recovery Community, at the behest of William S. Miller Jr., request the revision of the name of the "Martin J. Stovall Collegiate Recovery Promises Endowed Scholarship" to the "Martin J. Stovall Promises Collegiate Recovery Endowed Scholarship" and the revision of the purpose previously stated in the June 7, 2019 resolution as "Priority of consideration shall be given to students who are members of the Collegiate Recovery Community and who demonstrate financial need, although not necessarily need as defined by federal guidelines" be revised to "Priority of consideration shall be given to students who are members of the Collegiate Recovery Community, are committed to achieving long-term recovery and who demonstrate financial need, although not necessarily need as defined by federal guidelines. The scholarship is renewable based on the discretion of the selection committee."; and

Richard D. Urrutia, Donna R. Urrutia, and the Alabama Nurses Foundation Inc. request the revision of the purpose of the Donna Rietta Urrutia and Alabama Nurses Foundation Endowed Nursing Scholarship, previously stated in the September 17, 2021 resolution as "Priority of consideration shall be given to undergraduate students enrolled in the Capstone College of Nursing, who have been admitted into the upper division of the bachelor of nursing program and who demonstrate financial need, although not necessarily need as defined by federal guidelines" be revised to "Priority of consideration shall be given to undergraduate students who are residents of the state of Alabama, are enrolled in the Capstone College of Nursing, have been admitted into the upper division of the bachelor of nursing program and demonstrate financial need, although not necessarily need as defined by federal guidelines."; and

John J. McGuinness III requests the revision of the purpose of the Hendrika M. van der Noen UA Recovery Research Endowment previously stated in the February 7, 2020 resolution as "The support fund earnings will be used for a variety of purposes in support of the program's mission, including, but not limited to, furthering the research and assessment of current and future programming and providing valuable data and insights to the field of addiction and recovery" be revised to "The endowment earnings shall be used to provide support for the Addiction and Recovery Studies program in the Department of Human Development and Family Studies in the College of Human Environmental Sciences at the University. The support fund shall be used for a variety of purposes in support of the program's mission, including, but not limited to, furthering the research and assessment of current and future programming and providing valuable data and insights to the field of addiction and recovery."; and

The Tom Yarbro Foundation requests the revision of the name of the "Tom Yarbro Endowed Support Fund" to the "Tom Yarbro Endowed Scholarship" and the revision of the purpose of the Tom Yarbro Endowed Support Fund previously stated in the November 3, 2016 resolution as "Earnings from the endowment shall be used at the discretion of the Dean of the College to support priority needs in the College of Human Environmental Sciences" be revised to "Priority of consideration shall be given to full-time undergraduate students enrolled in the College of Human Environmental Sciences who demonstrate financial need, although not necessarily need as defined by federal guidelines."; and

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it hereby adopts the conditions described herein for future governance of these restricted endowed funds;

BE IT FURTHER RESOLVED that the initial gifts and all past and future contributions to these funds constitute endowed corpora, which will be held, invested, maintained, and administered by the University in perpetuity according to its policies and procedures adopted from time to time for endowed funds, and that the endowment earnings shall be used for needs that most closely relate to the donors' intent as stated herein, under the policies and procedures of the University adopted from time to time to regulate and administer such funds;

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of this Board.

Approving Endowed Funds at UA

RESOLUTION

WHEREAS, in compliance with Board Rule 411, the President of The University of Alabama recommends that the following funds, having met the minimum standards for

endowed gifts, be endowed as part of the University's ongoing mission to promote the education of students and to provide quality programs in the areas of teaching, research, and service:

Friends of Dr. W. Edward Back of Northport, Alabama, have contributed $27,462.99, including earnings, to endow the *Dr. W. Edward Back Civil, Construction and Environmental Engineering Endowed Support Fund*, which will be used for a variety of purposes to support the mission of the Department of Civil, Construction and Environmental Engineering at the discretion of the department head.

Dr. Ian W. Brown of Tuscaloosa, Alabama, has contributed $25,000 to endow the *Ian W. Brown Endowed Museum Collections Support Fund*, which will be used to provide key discretionary support for University of Alabama Museums in the College of Arts and Sciences. The support fund will be used for a variety of purposes in support of the program's mission, including, but not limited to, providing care, preservation and study of the Museum's collections, hiring of students to work with the collections, and supporting related volunteer efforts.

Dr. Rebecca S. Allen of Tuscaloosa, Alabama, and others have contributed $30,300, including earnings, to endow the *Louis D. Burgio Endowed Psychology Scholarship*, which will benefit first-generation graduate students who are pursuing a graduate degree in psychology with an interest in training in aging research.

David B. Cox of Cypress, Texas, and others have contributed $25,012.37, including earnings, to endow the *Jacob Cox Lasting Impact Endowed Scholarship*. The scholarship will benefit students who are either coaches or tutors in the Capstone Center for Student Success and who have made a lasting impact on other students. Awards are made based on the feedback and assessment of the student participants.

John Pollard Cross, deceased, formerly of Atlanta, Georgia, contributed $199,347.89 to endow the *John Pollard Cross Endowed Scholarship*. The scholarship will benefit deserving students enrolled at The University of Alabama who demonstrate financial need, although not necessarily need as defined by federal guidelines. It is the donor's intent that the endowment earnings support students who have faced hardships in either their personal lives or at home and may not otherwise be able to attend college due to financial need. Additional preference will be given to students who graduated from a high school in the following states: Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee and Virginia.

Catherine E. Davies of Tuscaloosa, Alabama, has contributed $25,000 to endow the *Catherine Evans Davies Endowed Scholarship*. To the extent permitted by law, priority of consideration is given to sophomore, junior, or senior level first-generation female students who are enrolled in the College of Arts and Sciences, graduated from a public high school in the state of Alabama, and are studying linguistics. Recipients are

selected in accordance with the procedures developed in compliance with the Title IX of the Education Amendments of 1972 and the regulations promulgated thereunder.

Janet E. Beerman of Atlanta, Georgia, has contributed $25,000 to endow the *Elmo and Ruth Ellis Memorial Endowed Scholarship*. The scholarship will benefit juniors, seniors, or graduate students who possess a 3.5 grade point average on a 4.0 scale, demonstrate financial need – although not necessarily need as defined by federal guidelines – and work for one of the student media outlets including, but not limited to, WVUA radio, WVUA TV and *The Crimson White* newspaper.

Frieda C. Fulmer, deceased, formerly of Tuscaloosa, Alabama, has contributed $273,117.94, including earnings, to endow the *Frieda Clarke Fulmer Endowed Support Fund*. The fund will be used to assist students at The University of Alabama who have experienced personal hardship, such as children whose parents are deceased, have received assistance from the foster care system, or who are without family support. Among qualified applicants, the deciding factor will be financial need, although not necessarily need as defined by federal guidelines.

Dr. Cheryl W. Hutton and Mr. H. Wayne Hutton of Tuscaloosa, Alabama, have contributed $25,000 to endow the *Hutton Family Endowed Human Environmental Sciences Scholarship*. The scholarship will benefit graduate students enrolled in the College of Human Environmental Sciences studying in the Department of Nutrition and Hospitality Management. Second priority of consideration will be given to any graduate student enrolled in the College of Human Environmental Sciences.

Srinivas A. Mandyam and Vidya S. Mandyam of Los Altos, California, have contributed $40,000 to endow the *Mandyam Family Endowed Computer Science Support Fund*. The fund will be used to support the Department of Computer Science in the College of Engineering at the University. The support fund will be used for a variety of purposes in support of the program's mission, including, but not limited to, support of K-12 community engagement efforts, furnishing or repairing laptops, scholarships, and applied research opportunities and travel expenses for students who demonstrate financial need, although not necessarily need as defined by federal guidelines, including computer science and cyber security students in the Randall Research Scholars Program. To the extent permitted by law, priority of consideration will be given to underrepresented University and K-12 students whose enrollment would enhance the diversity of the College of Engineering's student population, thereby improving the quality of the College's educational experience and product.

Lance McKoy and Laura T. McKoy of Dallas, Texas, have contributed $26,259.80, including earnings, to endow the *Laura and Lance McKoy Endowed Scholarship*. The scholarship will benefit students who are majoring in interior design in the College of Human Environmental Sciences and show academic promise.

Jason T. Parsons and Kim L. Parsons of Birmingham, Alabama, have contributed $125,000 to endow the *Jason and Kim Parsons Endowed Black Belt Scholarship*. The scholarship will benefit students in good standing who are enrolled in the College of Human Environmental Sciences, are majoring in consumer sciences, graduated from a county located in the Alabama Black Belt (Barbour, Bullock, Butler, Choctaw, Crenshaw, Dallas, Greene, Hale, Lowndes, Macon, Montgomery, Perry, Pike, Russell, Sumter or Wilcox counties), and demonstrate financial need, although not necessarily need as defined by federal guidelines. Second priority of consideration will be given to students in good academic standing who are enrolled in the College of Human Environmental Sciences, graduated from a county located in the Alabama Black Belt and demonstrate financial need, although not necessarily need as defined by federal guidelines. The Donor Representative desires that only one student receive this scholarship during an academic year.

Jacob A. Swindal of Marietta, Georgia, and friends and family of the late Jack Patterson have contributed $25,000.06, including earnings, to endow the *Jack Patterson Memorial Endowed Scholarship*. To the extent permitted by law, the scholarship will benefit students who are members of Pi Kappa Phi fraternity with a minimum 3.75 grade point average on a 4.0 scale. Recipients will be selected in accordance with the procedures developed in compliance with Title IX of the Education Amendments of 1972 and the regulations promulgated thereunder. The scholarship will be awarded for one academic year, but past recipients may reapply each year. Recipients must attend the annual scholarship ceremony.

Davis E. Richards of Northport, Alabama, has contributed $25,000 to endow the *Davis E. Richards Endowed Engineering Scholarship*. The scholarship will benefit full-time undergraduate students enrolled in the College of Engineering who demonstrate financial need, although not necessarily need as defined by federal guidelines, with preference given to those students who currently face or have overcome physical and/or mental impairments or challenges.

Dr. Michael L. McBrearty and Cynthia R. McBrearty of Fairhope, Alabama, and other family members have contributed $36,120.37, including earnings, to endow the *Dr. Richard O. Rutland Jr. Endowed Award Fund*. The fund will be used to provide awards for graduating fourth-year medical students who will complete their residency in The University of Alabama Family Medicine Program and who have expressed the desire to practice primary care in rural Alabama. Recipients of the award will be determined by members of the College's Medical Education and Medical Student Affairs departments.

Sarah L. Sinclair of Fairfax, Virginia, and others have contributed $26,724.44, including earnings, to endow the *John R. and Sarah L. Sinclair Endowed Criminology and Criminal Justice Scholarship*. The scholarship will benefit students enrolled in the College of Arts and Sciences who are majoring in criminology and criminal justice and

who demonstrate financial need, although not necessarily need as defined by federal guidelines.

John M. Turner Jr. and Mary S. Turner of Mountain Brook, Alabama, have contributed $100,000 to endow the *Mary and John Turner Endowed Kappa Delta Scholarship*. To the extent permitted by law, the scholarship will benefit a rising junior level student who is a member of Kappa Delta that has expressed a financial need, although not necessarily need as defined by federal guidelines, and meets the required grade point average established by Kappa Delta to be in good standing and have demonstrated a strong commitment to the sorority. Among qualified applicants, the deciding factor will be financial need, although not necessarily need as defined by federal guidelines. A scholarship of $5,000 should be awarded to a rising junior each year, with the intention she receive another $5,000 scholarship her senior year, as long as she is still in good standing with Kappa Delta. Recipients will be selected in accordance with the procedures developed in compliance with Title IX of the Education Amendments of 1972 and the regulations promulgated thereunder.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it hereby accepts the generous contributions of the donors and establishes the endowed funds listed above;

BE IT FURTHER RESOLVED that the initial gifts and all future contributions to these funds shall constitute endowed corpora, which will be held, invested, maintained and administered by the University in perpetuity according to its policies and procedures adopted from time to time for endowed funds, and that the endowments' earnings shall be used for needs that most closely relate to the donors' intent as stated in each fund's memorandum of agreement, under the policies and procedures of the University adopted from time to time to regulate and administer such funds;

BE IT FURTHER RESOLVED that the donors and/or donor representatives for the funds listed above be notified that the funds have been endowed in perpetuity;

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of this Board.

through volunteer activities, leadership roles, or the like in The University of Alabama at Birmingham Marnix E. Heersink School of Medicine.

In memory of Dr. Sawyer Lunn Mullen, various family and friends have given $36,548 to establish the *Sawyer Mullen Memorial Endowed Scholarship*. This scholarship will be used to support deserving students who are accepted into an integrated residency program in The University of Alabama at Birmingham Marnix E. Heersink School of Medicine.

The University of Alabama Health Services Foundation has given $100,000 to establish the *Endowed Faculty Scholar for Clinical Research in Regional Anesthesia and Acute Pain Medicine*. This endowment will be used to support the research, scholarly, and/or clinical efforts of a distinguished faculty member in the Department of Anesthesiology and Perioperative Medicine who will organize regional and national workshops in point-of-care ultrasound and develop new strategies for regional anesthesia.

The University of Alabama Health Services Foundation has given $100,000 to establish the *Endowed Scholar in Faculty Development and Leadership Studies*. This endowment will be used to support the research, scholarly, and/or clinical efforts of a distinguished faculty member in the Department of Anesthesiology and Perioperative Medicine who will address leadership issues that impact the workspace environment, including issues related to psychological safety, emotional intelligence, engagement vs. burnout, and change resistance.

The University of Alabama Health Services Foundation has given $100,000 to establish the *Endowed Faculty Scholar for Data Science, Artificial Intelligence, and Machine Learning*. This endowment will be used to support the research, scholarly, and/or clinical efforts of a distinguished faculty member in the Department of Anesthesiology and Perioperative Medicine who will address machine learning, big data, and artificial intelligence.

A gift of $100,000 has been given to establish the *Edward E. Partridge, M.D. Endowed Faculty Scholar for Gynecologic Oncology*. This endowment will be used to support the research, scholarly, and/or clinical efforts of a distinguished faculty member in the Division of Gynecologic Oncology.

Jason J. and Kelly K. Nichols, of Birmingham, Alabama, have given $25,000 to establish the *Jason J. and Kelly Nichols Graduate Student Endowed Support Fund in Optometry and Vision Science*. This endowment will be used to support the educational and research needs of students.

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it hereby accepts the generous contributions of the donors and establishes the endowed funds listed above;

BE IT FURTHER RESOLVED that the initial gifts and all future contributions to these funds shall constitute endowed corpora, which will be held, invested, maintained, and administered by the University in perpetuity according to its policies and procedures adopted from time to time for endowed funds, and that the endowments' earnings shall be used for needs that most closely relate to the donors' intent as stated in each fund's memorandum of agreement, under the policies and procedures of the University adopted from time to time to regulate and administer such awards.

BE IT FURTHER RESOLVED that the donors and/or donor representatives for the funds listed above be notified that the funds have been endowed in perpetuity;

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of this Board.

Approving Quasi -Endowed Funds at UAB

RESOLUTION

WHEREAS, in compliance with Board Rule 411, the President of The University of Alabama at Birmingham (UAB) recommends that the following funds, having met the minimum standards for endowed gifts, be quasi-endowed as part of the University's ongoing mission to promote the education of students and to provide quality programs in the areas of teaching, research, and service:

The College of Arts and Sciences wishes to use funds of $30,000 to establish the Joe and Ann March Quasi Endowed Scholarship in Chemistry to provide student scholarships for incoming freshman majoring in chemistry.

The School of Engineering wishes to use funds of $100,000 to establish the *Engineering Leadership Endowed Scholar.*

The UAB Honors College wishes to reinvest endowment earnings of $832 in the spending account of the *Carl E. McFarland, Jr. Ph.D. Endowed Honors Scholarship in Neuroscience.*

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it hereby approves the additions to and establishment of the quasi-endowed funds listed above.

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of this Board.

Expressing Appreciation to Joe L. March, Ph.D. for his Service as Faculty Representative to the Board of Trustees for 2022-2023 at UAB

RESOLUTION

WHEREAS, Joe L. March, Ph.D., Professor in the Department of Chemistry at The University of Alabama at Birmingham ("UAB"), served as Faculty Representative to The Board of Trustees of The University of Alabama for the academic year 2022-2023; and

WHEREAS, Dr. March began his career at UAB as an Assistant Professor of Chemistry in 1999, where he has taught undergraduate and graduate students, was promoted to Associate Professor in 2005, and was promoted to Professor in 201; and

WHEREAS, he also has served as the Associate Director of the Science and Technology Honors Program since 2008; and

WHEREAS, throughout his tenure, Dr. March has exemplified faculty dedication to UAB's mission in teaching, mentoring, research, publishing, and service, and was recognized for these efforts as the Carnegie Foundation for the Advancement of Teaching and the Council for Advancement and Support of Education (CASE) 2003 State of Alabama Professor of the Year; and

WHEREAS, he has co-authored numerous publications on chemistry subjects relating to teaching and laboratory experiments, including a 2020 article in the *Journal of Chemistry Education* entitled "The Impact of COVID-19 on the Academic Plans and Career Intentions of Future STEM Professionals"; and

WHEREAS, Dr. March's service has been demonstrated particularly by his outstanding work on the University-Wide Faculty Senate since 2003, and in such capacities as Chair (2022-23 and 2006-07) and Chair-Elect (2021-22 and 2005-06); and

WHEREAS, Dr. March's dedication to UAB is apparent as he has served as a member of UAB's Signature Core Curriculum Committee since 2018; UAB Supplemental Instruction Advisory Board since 2005; TRIO Academic Services Advisory Board (2005); and the Student Information System Management Advisory Committee since 2001; and

WHEREAS, within the Department of Chemistry, he has served on the Undergraduate Education Committee since 1999 and the Student/Alumni Committee since 1999; and

WHEREAS, he has served as a Faculty Advisor to the Alpha Lambda Delta Freshman Honor Society since 2002 and in 2005-06, he chaired the Honors Coordination Committee; and

WHEREAS, Dr. March has served as a search committee member for the Director of National Scholarships (2011); Associate Vice President of Information Technology (2007); Director of Global and Community Leadership Honors Program (2007); and the Associate Provost for Undergraduate Programs (2006); and

WHEREAS, Dr. March served as chair for the Barry Goldwater Scholarship Committee (2012-2017); Articulation and Curriculum Committee of the Undergraduate Programs Council (2009); Honors Coordination Committee (2005-2006); and the Faculty Development Grant Program Review Panel (2004); and

WHEREAS, throughout his tenure, Dr. March has exemplified faculty dedication to the mission of UAB: teaching, research and publishing, and service; and

WHEREAS, The Board of Trustees of The University of Alabama desires to recognize the diligence, sense of responsibility, leadership, and service that define Dr. March;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it expresses its sincere appreciation to Joe L. March, Ph.D. for his service as Faculty Representative and as a leading member of the faculty of UAB, and herewith extends him best wishes for continued success;

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of this Board and that copies be given to Dr. March to share with members of his family; Kecia Thomas, Ph.D., Dean of the College of Arts and Sciences, and other appropriate University officials.

Granting Expression of Appreciation of Gifts at UAH

RESOLUTION

WHEREAS, the President of The University of Alabama in Huntsville (UAH) recommends acknowledgment and appreciation of the following gifts, to be used as part of the University's ongoing mission to promote the education of students and to provide quality programs in the areas of teaching, research, and service; and

The Madison County Legislative Delegation District 53 has generously given $25,000 to UAH to support the UAH College of Arts, Humanities, and Social Sciences Dean's Excellence Fund;

Mrs. Inge Zanaty and the late Mr. Louis Zanaty have generously given $25,000 to Charger Athletics to support the Charger Men's Basketball program;

Mr. F. Clark Boles has given $11,000 to the UAH College of Education Student Emergency Fund and an additional $20,000 to further support the *Carol Perkins Memorial Scholarship for Elementary Education*, which supports Junior or Senior undergraduate students pursuing a degree in elementary education;

The Hill Family Foundation has generously given $40,000 to Charger Athletics to support the Charger Track and Field program;

The Boeing Company has given $50,000 to the College of Engineering to support the future establishment of the *Senator Richard Shelby Endowed Chair in Engineering*;

Mrs. Judy Link has generously given $56,535.83 to further support the *Carey Anne Link Achievement Scholarship*, which was established by her late daughter and supports undergraduate students pursuing a degree within the College of Arts, Humanities, and Social Sciences;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it hereby expresses its appreciation for the generosity demonstrated by the donors presented above and herein conveys its gratitude for these gifts to support The University of Alabama in Huntsville;

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of this Board.

Approving Named Scholarships at UAH

RESOLUTION

WHEREAS, in compliance with Board Rule 411, the President of The University of Alabama in Huntsville recommends that the following gifts, having met the minimum standards for naming, be used as part of the University's ongoing mission to promote the education of students and to provide quality programs in the areas of teaching, research, and service:

Dr. Michelle Christensen has generously given $2,000 with an anticipated annual commitment to UAH to establish the non-endowed *Richard Jansen Memorial*

Scholarship in Engineering, which will support upper-level undergraduate students who have a proven passion for advocacy and representation in STEM;

Dr. Rhonda Gaede has generously given $2,500 with an anticipated commitment to endow the scholarship by December 31, 2028 to establish the non-endowed *Shirley Gaede Scholarship in Education*, which will support undergraduate students, specifically seniors in their final semester, in the College of Education;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it hereby expresses its appreciation for the generosity demonstrated by the donors presented above and herein conveys its gratitude for these gifts to support The University of Alabama in Huntsville;

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of this Board.

Approving Naming Opportunities in the College of Science at UAH

RESOLUTION

WHEREAS, Dr. Rainer Steinwandt, Dean of the College of Science, desires to undertake a fundraising plan in which definable portions of the Materials Science Building and the Shelby Center for Science and Technology Building would be given donors' names in compliance with Board Rules 104 and 411; and

WHEREAS, Dean Steinwandt has submitted to Dr. Charles L. Karr, President of The University of Alabama in Huntsville, a list of naming opportunities and the gift amounts required for each; and

WHEREAS, Dr. Karr recommends that the naming opportunities and gift amounts be approved as part of the College of Science's ongoing mission to promote the education of students at The University of Alabama in Huntsville;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it hereby accepts the recommendation of Dr. Karr and approves the naming opportunities contained within the list attached as Exhibit O; and

BE IT FURTHER RESOLVED that the attached list detailing the naming opportunities and gift amounts be made a part of this resolution by reference; and

BE IT FURTHER RESOLVED that, pursuant to Board Rule 411, all proposed namings resulting from the fundraising efforts shall be conditioned on Board approval

and shall be submitted to the Chancellor and the Board for approval in compliance with Board Rule 411; and

BE IT FURTHER RESOLVED that, pursuant to Board Rule 104, no donor shall have a building named in his or her honor unless he or she has contributed the minimum amount to name a building, room, or space as stipulated in Board Rule 411, unless the Board finds special need for making an exception; and

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of the Board.

Approving Endowed Funds at UAH

RESOLUTION

WHEREAS, in compliance with Board Rule 411, the President of The University of Alabama in Huntsville ("UAH") recommends that the following funds, having met the minimum standards for endowed gifts, be endowed as part of the University's ongoing mission to promote the education of students and to provide quality programs in the areas of teaching, research, and service:

Dr. and Mrs. Robert A. Altenkirch have previously given $32,500 and have now directed that gift for the establishment of the *Les Stuedeman Endowed Support Fund for Softball*, which will be used to support the UAH Softball program for purposes identified and selected by the UAH Softball Head Coach, acting in concert with the Director of Athletics;

Blue Water Industries ("BWI") has given $25,000 and has pledged further annual gifts of $5,000 for the establishment of the *Blue Water Industries Scholarship Fund*, which will be used to support students from the BWI service zip codes of 35810 and 35811, with preference given to BWI employees or children or grandchildren of employees. Recipients must have a minimum GPA of 3.0 on a 4.0 scale;

The Hill Crest Foundation, Inc. has given $50,000 for the establishment of the *Hill Crest Excellence in Psychiatric Nursing Endowed Scholarship*, which will be used to support graduate students pursuing a degree in Psychiatric Nursing with a preference given to DNP student;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it hereby accepts the generous contributions of the donors and establishes the endowed funds listed above;

BE IT FURTHER RESOLVED that the initial gifts and all future contributions to this fund shall constitute endowed corpora, which will be held, invested, maintained and administered by the University in perpetuity according to its policies and procedures adopted from time to time for endowed funds, and that the endowments' earnings shall be used for needs that most closely relate to the donors' intent as stated in each fund's memorandum of agreement, under the policies and procedures of the University adopted from time to time to regulate and administer such awards;

BE IT FURTHER RESOLVED that the donors and/or donor representatives for the fund listed above be notified that the funds have been endowed in perpetuity;

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of this Board.

Expressing Appreciation for the Contributions of Faculty Senate President William Joseph Taylor, Ph.D. for his Service as Faculty Representative to the Board of Trustees for 2022-2023 at UAH

RESOLUTION

WHEREAS, Dr. Joseph Taylor, Associate Professor in the Department of English in the College of Arts, Humanities, and Social Sciences at The University of Alabama in Huntsville, has been a member of the faculty since 2010; and

WHEREAS, Dr. Taylor received Bachelor of Arts degrees in History and English from Virginia Tech in 1999, a Master of Arts degree in English Literature from Virginia Tech in 2004, and a Ph.D. in Medieval and Renaissance Literature in 2009 from the University of Texas at Austin; and

WHEREAS, Dr. Taylor has been a dedicated faculty member in the Department of English and has taught a variety of courses with distinction; and

WHEREAS, Dr. Taylor has served on department, college, and university committees in addition to maintaining a record of scholarly activities; and

WHEREAS, Dr. Taylor has served The University of Alabama in Huntsville conscientiously as President of the Faculty Senate for the 2022-2023 Academic Year and as the twenty-fourth Faculty Senate President elected by a vote of the faculty; and

WHEREAS, Dr. Taylor has provided leadership that has maintained a shared governance relationship between the Faculty Senate and the Administration and assisted in moving forward in strategic planning; and

WHEREAS, Dr. Taylor continued to impress upon faculty the importance and seriousness of their role in policy-making and decision-making at the university, local, and state level; and

WHEREAS, Dr. Taylor has served the faculty and The University of Alabama in Huntsville this year as President of the Faculty Senate and representative to the Board of Trustees;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it recognizes Dr. Taylor for providing dedicated service and leadership for the development of The University of Alabama in Huntsville and its stature within The University of Alabama System, and it further wishes him continued success in all his professional pursuits.

Expressing Appreciation for the Contributions of Margaret Maxime as Student Representative to The University of Alabama Board of Trustees 2022-2023 at UAH

RESOLUTION

WHEREAS, Margaret Maxime was a student at The University of Alabama in Huntsville, where she completed a Bachelor of Science Degree in Business Administration in Spring 2023; and

WHEREAS, Margaret Maxime has demonstrated exemplary dedication to The University of Alabama in Huntsville through her active participation in numerous organizations, including Student Government Association, College of Business Ambassadors, Lancers, Kappa Delta, National Panhellenic Conference, Student Life, Dance Marathon, and Career Services; and

WHEREAS, Margaret Maxime has received numerous academic honors, including the UAH Student Life President's Award; and

WHEREAS, Margaret Maxime has been an exemplary and outstanding representative of The University of Alabama in Huntsville's student body to The Board of Trustees of The University of Alabama for 2022-2023;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that it recognizes Margaret Maxime for her commitment to The University of Alabama in Huntsville and her faithful service to the Board of Trustees and wishes her success in her career pursuits;

BE IT FURTHER RESOLVED that this resolution be spread upon the permanent minutes of the Board and that a copy be sent to Margaret Maxime.

Trustee Mauldin also reported that the Committee reviewed 1 information items:

- Acknowledgement of Retired and Deceased Employees at UA, UAB, and UAH since the last Annual Meeting (Exhibit R)

Pro tem Starnes thanked Trustee Mauldin for her report and recognized Trustee Leonard for a report from the Audit, Risk, and Compliance Committee

Trustee Leonard reported that the Audit, Risk, and Compliance met on September 1, 2023, and heard a presentation by PricewaterhouseCoopers regarding its FY2023 Audit Service Plan and the results of the FY2022 OMB Uniform Guidance audits. Additionally, the Committee reviewed the Office of Internal Audit Charter and approved a resolution approving the charter. Trustee Leonard moved for its approval by the Board, and the motion was seconded by Trustee Malone. Pro tem Starnes asked if there were questions or comments concerning any of the Committee's actions. Hearing none, Pro tem Starnes then called for a vote, and the following resolution was unanimously adopted:

Approving Internal Audit Charter

RESOLUTION

WHEREAS, The Board of Trustees of The University of Alabama has reviewed the Office of Internal Audit Charter, a copy of which is attached hereto as Exhibit P;

NOW, THEREFORE, BE IT RESOLVED by The Board of Trustees of The University of Alabama that the Office of Internal Audit Charter, a copy of which shall be maintained in the Office of the Secretary, be, and hereby is, approved.

Pro tem Starnes thanked Trustee Leonard for her report and recognized Trustee Brooks for a report from the Nominating Committee.

Trustee Brooks reported that the Nominating Committee met on September 1, 2023. The first items of business were the nominations of Trustees to fill seats in the Third and Fifth Congressional Districts. The Committee unanimously nominated Kenneth L. Vandervoort to fill the vacancy in the Third District and Jeff Gronberg to fill the vacancy in the Fifth District. Trustee Brooks asked Pro tem Starnes to instruct the Board Secretary to distribute ballots for the election of Trustees.

Pro tem Starnes did so. After the distribution of ballots and tallying of votes, Board Secretary Mark Foley certified them to the Pro tem. Pro tem Starnes announced the election of Kenneth L. Vandervoort as a Trustee from the Third District and Jeff Gronberg as a Trustee from the Fifth District.

Trustee Brooks said the next item of business was the nomination of a President pro tem. The Nominating Committee unanimously recommended Trustee Scott M. Phelps. Trustee Brooks then moved for approval by the Board, which was seconded by Trustee Malone.

Pro tem Starnes asked if there were any additional nominations. There were none.

Pro tem Starnes then called for a vote, and the Board unanimously elected Trustee Phelps as Pro tem for the upcoming year.

Trustee Books said the final item of business was the nomination of two Trustees to serve on the Executive Committee. The Committee unanimously nominated Trustees Starnes and Brooks. Trustee Brooks then moved for approval by the Board, which was seconded by Trustee Phelps. Pro tem Starnes asked if there were any additional

nominations. Hearing none, Pro tem Starnes then called for a vote, and the Board unanimously elected Trustees Brooks and Starnes to the Executive Committee.

Pro tem Starnes then delivered the following closing remarks:

> I want to conclude my three years as Pro tem by thanking everyone. I start with our Chancellor, President Bell, President Watts, President Karr, CEO Bulgarella and all that work with them at the campuses and the healthcare system. They have just been extraordinary in their service and execution to this System. I thank the Board of Trustees. If it were not for the Board, neither I nor anyone else would hold this position. For the Board to offer this opportunity to me is very, very deeply appreciated. I have one year left on the Board, and I look forward to being Scott's lacky for the next year and will do whatever is needed to be done. But I am very, very grateful. In Scott Phelps, you have elected someone of uncommon intelligence, uncommon energy, and uncommon devotion to this Board, this System, our campuses, and our Healthcare System. You will never regret doing so. As I turn the gavel over to Scott, there are two great benefits that come from this: 1) We will have Scott as our leader for the coming time, and 2) I get to go home, where I was instructed this morning, "do not come back if you are still Pro tem." Scott, please take the gavel.

Newly elected Pro tem Phelps made the following remarks:

> Stan said he was going to break me in easy to this new job by making my first order of business to adjourn the meeting. And that will make me instantly the most popular guy in hall. Stan has been an extraordinary leader. There is a special language spoken in the south in courtrooms across the southeast. There are folks who learn to master that language. There is another special language spoken around construction projects, and it has to do with acceleration, compression and critical path of methods, and there are folks who master that language. There is a set of language spoken in financial institutions, be they banks or insurance companies, having to do with cash flow and reserves, and there are folks who master that language. There is language spoken in the medical enterprises – which may be the most difficult one – and some people learn to master that. What is unique about Stan is that he is fluent in

all those languages. He has dedicated his wisdom and judgement to this Board for 3 years and will continue to do so for the remaining year. And for that we are deeply appreciative, and he has our undying respect and admiration. So, with that, I get to be the popular guy and adjourn.

Pro tem Phelps asked if there was any further business to come before the Board.

There being no further business to come before the Board, the meeting was adjourned.

REAL ESTATE SALES AGREEMENT

AGREEMENT, made as of the 12th day of July, 2023, by and between THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ALABAMA, by and through the University of Alabama, Tuscaloosa, Alabama, a public corporation and constitutional Instrumentality of the State of Alabama, ("Seller"), and Lonnie Weaver ("Purchaser").

W I T N E S S E T H:

WHEREAS, Seller is the owner of property located at 1602 Fosters Ferry Road, Tuscaloosa, Alabama 35401 which is a .06 acre tract of land located in Tuscaloosa County, Alabama, more particularly described in the legal description attached hereto as Exhibit "A" and incorporated herein (the "Property"); and

WHEREAS, Seller, desires to sell, transfer and convey to Purchaser, and Purchaser desires to purchase from Seller the Property, together with the other rights and interests set forth in this Agreement , upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the covenants and mutual premises contained herein, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, Purchaser and Seller agree as follows:

1. Conveyance.

For and in consideration of the Cash Purchase Price of Four Thousand No/100 Dollars ($4,000.00) to be paid as stipulated herein, and the additional covenants and agreements herein contained to be performed by Purchaser, Seller agrees to convey good, marketable and insurable (at regular rates) fee simple absolute title to the Property to the Purchaser, less and except for the Permitted Exceptions or as this Agreement may otherwise specifically provide, by Statutory Warranty Deed, on the Closing Date (as defined in Section 10). LESS AND EXCEPT ALL MINERAL, MINING, AND GROUND WATER RIGHTS, the Property shall be conveyed to Purchaser together with all of Seller's right, title and interest in and to all easements appurtenant to or benefiting the Property, all rights, development rights, hereditaments, claims, interests, improvements, personal property equipment, fixtures, improvements and other benefits relating to or appurtenant to the Property, as well as any and all claims or rights of Seller to any street bordering or adjoining the Property; provided, however, that Seller shall make no representation or warranty with respect to such other rights or interests.

2. Title.

The following shall constitute "Permitted Exceptions" for purposes hereof:

(i) federal, state and municipal laws, ordinances, rules and regulations relating to the Property and its construction, which are not violated by the Property or the use or condition thereof;

(ii) such state of facts as an accurate survey of the Property would disclose;

(iii) any applicable ad valorem taxes with respect to the Property, that will become a lien against the Property as of October 1, 2023 are to be pro-rated as of the Closing Date; and

(iv) standard exceptions in title insurance commitments issued in the State of Alabama.

3. Conditions Precedent to Purchaser's Obligation.

Purchaser's obligation to close hereunder is subject to the fulfillment, prior to and at the Closing (as defined in Section 10) of the following conditions:

(a) The receipt by Purchaser and Seller of a commitment issued by a reputable title insurance company authorized to do business in the State of Alabama, evidencing a commitment to insure the title to the Property as specified in Section 1 hereof, at regular rates. Purchaser and Seller shall have an overall due diligence period of fifteen (15) days following execution of this Agreement ("Due Diligence Period"). If, during the Due Diligence Period, Purchaser finds any objections or defects in or to the marketability or insurability of title to be conveyed as herein provided, Purchaser shall deliver notice in writing to Seller within two (2) Business Days of the date of Purchaser's discovery of the objection. Seller shall have the option, but shall not be required, to attempt to clear, discharge and remove said objections and defects. If Seller is unable to do so prior to the Closing, either Party may terminate this Agreement, whereupon neither Party shall have any further obligations under this Agreement except for those matters specifically set forth to survive termination of this Agreement.

(b) Seller's representations and warranties contained in this Agreement shall be true at and as of the time of Closing as though such representations and warranties were made at and as of such time.

(c) Seller shall not have made a general assignment for the benefit of creditors, nor have admitted in writing Seller's inability to pay Seller's debts as they become due, nor have filed a petition in bankruptcy or been adjudicated a bankrupt or insolvent or have filed a petition seeking any reorganization, arrangement, composition, readjustment liquidation, dissolution or similar relief under any present or future statute, law or regulation, nor have filed any answer admitting or failing to reasonably contest the material allegations of a petition filed against seller in any such proceeding or seek or consent to or acquiesce in the appointment of any trustee, receiver or liquidator of Seller for any material part of Seller's property.

(d) Seller shall have lawfully terminated all Recreational Licenses for any part or portion of the Property on or before the Closing Date.

If any of the foregoing conditions shall be and remain unsatisfied on the Closing Date, Purchaser shall have the right to terminate this Agreement upon written notice to Seller, whereupon neither Party shall have any further obligations under this Agreement.

4. Seller's Obligation Subject to Board Approval.

Seller's obligations hereunder are subject to the approval of this Agreement by the Board of Trustees of the University of Alabama by such resolution and actions as are necessary to bind Seller to the terms and provisions hereof. Should Seller's Board of Trustees not approve the transaction contemplated by this Agreement, then this Agreement shall terminate, whereupon neither Party shall have any further obligation to the other.

5. Representations and Warranties of Seller.

Seller represents and warrants to Purchaser (which representations and warranties shall survive the Closing except as herein specifically set forth to the contrary) as follows:

(a) Seller has the full legal right, power, and authority to enter into this Agreement, to perform its obligations hereunder, and to consummate the transactions contemplated hereby.

(b) Seller owns the entire legal, equitable and beneficial fee simple title in and to the Property, free and clear of liens, charges, and encumbrances of any kind whatsoever, other than the Permitted Exceptions; this provision shall not survive the Closing.

(c) To Seller's knowledge, there is no action or proceeding (zoning or otherwise) or governmental investigation pending, or threatened against or relating to Seller, the Property (including the buildings) or the transactions contemplated by this Agreement, nor to the knowledge of Seller is there any basis for any such action.

(d) The execution and performance of this Agreement will not violate or conflict with any provision of any indenture, agreement or other instrument to which Seller is a party or by which Seller or the Property is bound.

(e) To Seller's knowledge, there is not any municipal or public assessments (but excluding any such matters as may be disclosed by the title insurance commitment received by Purchaser) payable in annual or other installments which are or have become a lien on the Property.

(f) To Seller's knowledge, during Seller's ownership of the Property, there were not any violations of law, ordinance, regulation, or requirement respecting the

Property (including the building), including violations of any local, municipal, state, or federal laws or regulations or zoning, environmental, health or fire codes. To Seller's knowledge, there is not any action or proceeding (zoning or otherwise) or governmental investigation pending or threatened against the Seller or the Property or of any outstanding orders of any governing body, administrative agency or other similar entity having jurisdiction over the Property which have not been fully complied with by the Seller.

(g) To Seller's knowledge, no services, material, or work have been supplied by Seller's contractors, subcontractors, or materialmen with respect to the Property (or any part thereof) for which payment has not been made in full.

(h) No party, other than the Purchaser, has any right to purchase the Property (or any part thereof or interest therein), or any right of first refusal to purchase the Property (or any part thereof or interest therein).

6. Representations and Warranties of Purchaser.

Purchaser represents and warrants to Seller as follows (which representations and warranties shall survive the Closing):

(a) Purchaser has the full legal right, power, and authority to enter into this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby.

(b) Purchaser has no knowledge or notice of any action against it or its property or business, nor is there any basis known to Purchaser for any such action, that would prevent the consummation of the transactions contemplated hereby.

(c) The execution and performance of this Agreement will not violate or conflict with any provision of any indenture, agreement, or other instrument to which the Purchaser is a party. The transactions contemplated hereunder, and the execution and delivery of this Agreement, have been duly authorized and approved by all requisite action on the part of Purchaser.

7. Seller's Closing Documents.

At the Closing, Seller shall execute, acknowledge, and deliver to Purchaser the following documents, and shall take the following actions:

(a) Seller shall deliver to Purchaser a Statutory Warranty Deed as provided in Section 1 above.

(b) Seller shall deliver to Purchaser a certificate certifying (and setting forth) a resolution from The Board of Trustees of The University of Alabama authorizing the transaction contemplated by this Agreement.

(c) Seller shall deliver to Purchaser's title insurance company such affidavit(s) as Purchaser's title company shall reasonably require with respect to the existence of mechanic's liens or the rights of parties in possession in order to issue the owner's title insurance policy in favor of Purchaser.

(d) Seller shall deliver to Purchaser a Settlement Statement (the "Settlement Statement") setting forth the Purchase Price, the prorations and adjustments, and the other financial aspects of the transaction.

8. Purchaser's Closing Obligations.

At the Closing, Purchaser shall execute, acknowledge, and deliver to Seller the following:

(a) Purchaser shall deliver to Seller the Purchase Price, defined below, as adjusted pursuant to Section 13 hereof, in accordance with the provisions of Section 9.

(b) Purchaser shall deliver to Seller the Settlement Statement.

9. Purchase Price.

(a) The Purchase Price (the "Purchase Price") for the Property shall be Four Thousand Dollars ($4,000.00) cash, as adjusted pursuant to Section 13 hereof, payable as herein provided.

(b) Purchaser shall deliver to Pritchett-Moore Real Estate an Earnest Money Deposit in the amount of $500.00 within three (3) business days of execution of this Agreement. The Earnest Money Deposit shall be credited toward the Purchase Price at Closing or will be forfeited to the Seller if Purchaser fails to close in default of this Agreement.

(c) Purchaser shall pay or cause to be paid to Seller at Closing the Purchase Price and Purchaser shall pay any and all costs associated with the closing of this purchase, including but not limited to the costs for the preparing and the recording of the deed, costs of the closing agent, and for the costs of the survey, if any. Seller shall pay for the costs of filing and/or recording any instrumentation required to discharge of record any instruments affecting title which Seller is obligated to clear pursuant to this Agreement, real estate commission to Pritchett-Moore Real Estate in the amount of $240.00, and proration of any applicable ad valorem taxes. Each Party shall pay its own counsel fees.

10. Closing.

Provided all of the conditions precedent to the obligations of the Purchaser under this Agreement shall have been and shall remain satisfied, the Closing (the "Closing") of the transactions contemplated by this Agreement shall take place at Queen City Title within ten (10) days following approval by The Board of Trustees of the University of Alabama or no later than September 15, 2023. In the event the Closing shall not have occurred during this time period, either Party may at any time thereafter give notice to the other terminating this Agreement, in which event the following provisions shall apply:

(a) If neither Party shall be in default under this Agreement, neither Party shall have any further obligations to the other under this Agreement.

(b) If a Party is in default hereunder or fails or refuses to close, then Section 14 shall apply.

11. Eminent Domain.

If, prior to the Closing, all or any part of the Property is taken by eminent domain, Purchaser may, by written notice to Seller, elect (a) to terminate this Agreement prior to the Closing Date or (b) to close without an abatement in the Purchase Price. In the event that Purchaser shall elect to terminate this Agreement, both Parties shall be relieved and released of and from any further obligations to the other under this Agreement and Purchaser shall have no right or claim to any awards received by Seller by reason of such taking by eminent domain. If this Agreement is not terminated and Purchaser elects to close without an abatement of the Purchase Price, it shall remain in full force and effect, and Seller, upon the Closing and the receipt of the Purchase Price, simultaneously shall deliver to Purchaser all awards received by Seller by reason of such taking by eminent domain, and shall assign, transfer and set over to Purchaser all of Seller's right, title and interest in and to any awards by reason of such taking by eminent domain.

12. Broker.

Seller engaged Pritchett-Moore Real Estate ("Pritchett-Moore") to act as the sole and exclusive agent in selling the Property and shall only be responsible for the brokerage fee due under its Listing Agreement with Pritchett-Moore. Purchaser hereby represents and warrants to Seller that, other than Pritchett-Moore Purchaser has not engaged or employed any other real estate broker, agent, or other intermediary in connection with this Agreement. Purchaser shall indemnify and hold the Seller harmless against any claims, defenses, actions and judgments of any brokers, agents, and intermediaries alleging a commission, fee, or other payment to be owing by reason of Purchaser's dealings, negotiations, or communications in connection with this Agreement. The provisions of this Section 12 shall survive the Closing.

13. Adjustments.

At Closing, the following shall be apportioned and adjusted with respect to the Property between Seller and Purchaser as of the Closing Date:

(a) Any applicable Ad valorem property taxes for the Property which will become a lien against the Property on October 1, 2023 shall be prorated as of the Closing Date. This property is currently exempt from Ad valorem taxes.

(b) If on the Closing Date any assessment is a lien on all or part of the Property, and such assessment is or may be payable in installments, of which the first installment is then a charge or lien, or has been paid, then for purposes of this Agreement, all the unpaid installments of any such assessments, including those which are to become due and payable after the Closing Date, shall be deemed to be due and payable and to be liens on the Property affected thereby and shall be paid and discharged by Seller on the Closing Date.

14. Default, Remedies, Etc.

If either Party shall fail or refuse to close title as required by the terms of this Agreement, or otherwise is in default hereunder at Closing, then, following receipt by the defaulting Party of ten (10) Business Days prior written notice from the non-defaulting Party stating the nature of the default hereunder, unless the defaulting Party shall have cured such default during the ten (10) Business Day period, then the non-defaulting Party shall have the right to terminate this Agreement in which event neither Party shall have any further obligation to the other. If Purchaser defaults, and Seller agrees to termination of this Agreement, the Earnest Money shall be forfeited to Seller.

15. Notices.

Any notices required or permitted to be given hereunder shall be in writing and shall be delivered by (a) hand, (b) overnight courier, or (c) certified or registered mail return receipt requested, postage prepaid and addressed to each Party at its address as set forth below. Any such notice, request, or other communication shall be considered given or delivered, as the case may be, on the date of hand delivery, one (1) Business Day after mailing by a generally recognized overnight courier (requesting proof of delivery) or three (3) Business Days after the date of deposit in the United States mail as provided above. By giving at least five (5) Business Days prior written notice thereof, any Party hereto may from time to time and at any time change its mailing address.

16. As Is Sale.

EXCEPT FOR THE EXPRESS REPRESENTATIONS AND WARRANTIES OF THE SELLER SET FORTH IN THIS AGREEMENT AND THE CLOSING DOCUMENTS (AS DEFINED BELOW), THE PURCHASER UNDERSTANDS AND AGREES THAT THE SELLER IS NOT MAKING AND HAS NOT AT ANY TIME MADE ANY WARRANTIES OR REPRESENTATIONS OF ANY KIND OR CHARACTER, EXPRESSED OR IMPLIED, WITH RESPECT TO THE PROPERTY OR THE TRUTH, ACCURACY OR COMPLETENESS OF ANY MATERIALS, DATA OR INFORMATION DELIVERED BY THE SELLER TO THE PURCHASER IN CONNECTION WITH THE TRANSACTION CONTEMPLATED HEREBY. THE PURCHASER ACKNOWLEDGES AND AGREES THAT UPON CLOSING THE SELLER SHALL TRANSFER AND CONVEY TO THE PURCHASER AND THE PURCHASER SHALL ACCEPT THE PROPERTY "AS IS", EXCEPT TO THE EXTENT EXPRESSLY PROVIDED OTHERWISE IN THIS AGREEMENT OR IN ANY AGREEMENT OR INSTRUMENT EXECUTED BY THE SELLER AND DELIVERED TO THE PURCHASER AT CLOSING ("CLOSING DOCUMENTS").

17. Miscellaneous.

(a) This Agreement and the exhibits hereto constitute the entire agreement of the Parties with respect to the subject matter hereof and may not be modified, amended, or terminated except by a written agreement specifically referring to this Agreement signed by all Parties hereto. This Agreement supersedes all prior discussions and agreements between the Parties hereto, including any prior letters of intent.

(b) No waiver of any breach or default hereunder shall be considered valid unless in writing and signed by the Party giving such waiver and no such waiver shall be deemed a waiver of any subsequent breach or default of the same or similar nature.

(c) Notwithstanding any contrary provisions of the Agreement, the following provisions shall govern any disputes or questions of law. Seller does not agree to waive any rights or causes of action against any person whether a party or not. Any provisions to the contrary notwithstanding, Seller does not agree to indemnify or hold any person or party harmless from any claim. Seller does not waive and specifically reserves all immunities to which it is entitled by the constitution, laws, and statutes of the United States and the State of Alabama, including, without limitation, the immunities contained within Article 1, section 14, of the Constitution of Alabama of 1901, the Eleventh Amendment of the United States Constitution, or any other applicable provision of law. Alabama law, without regard to its conflicts of law provisions, shall exclusively apply to this Agreement, the exhibits and attachments hereto, questions of immunity related to Seller, and any disputes between the Parties. Any claim against Seller must be made through the Alabama State Board of Adjustment. Exclusive jurisdiction of any claims against Seller that are neither barred by immunity nor required to be made through the Alabama State Board of Adjustment shall lie in the United States District Court for the Northern District of Alabama, Western Division (Tuscaloosa) or the Tuscaloosa County Circuit Court. Any provisions of this Agreement which may be considered a consent to suit or a waiver of immunity by Seller are hereby stricken and rendered null and void.

(d) All terms and conditions in this Agreement are for the sole and exclusive benefit of, and shall be binding upon, the Parties hereto and their respective successors and assigns.

(e) Neither Party may transfer or assign its rights, duties, or obligations arising under this Agreement without the written consent of the other Party.

(f) If any provision hereof shall be determined or declared invalid, illegal, or unenforceable by a court of competent jurisdiction, the remainder of this contract shall continue in full force and effect and shall in no way be affected, impaired, or invalidated.

IN WITNESS WHEREFORE, the Parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

COUNTY OF COOSA

UTILITY AND ACCESS EASEMENT

WHEREAS, The Board of Trustees of The University of Alabama, a public corporation and constitutional instrumentality of the State of Alabama, granted a Utility and Access Easement to Central Alabama Electric Cooperative on or around November 11, 2013 (the "2013 Easement"), which was recorded on December 2, 2013, in Deed Book 812, at Page 455 in the Office of The Judge of Probate of Coosa County, Alabama;

WHEREAS, PowerSouth Energy Cooperative is a wholesale power provider owned and governed by its distribution members (its "Members"), one of which is Central Alabama Electric Cooperative;

WHEREAS, PowerSouth Energy Cooperative desires to build a telecommunications tower within the geographical area covered by the 2013 Easement, and the parties hereto desire to enter into this agreement to grant PowerSouth Energy Cooperative the rights described herein, which are separate and distinct from the rights granted under the 2013 Easement;

NOW THEREFORE, that The Board of Trustees of The University of Alabama, a public corporation and constitutional instrumentality of the State of Alabama, ("Grantor"), for and in consideration of the sum of Ten Dollars ($10.00) and other good and valuable consideration, in hand paid to the Grantor by PowerSouth Energy Cooperative, an Alabama non-profit cooperative corporation, ("Grantee") the receipt and sufficiency of which are hereby acknowledged, does hereby grant, bargain, sell, assign, and convey to the Grantee, its successors and assigns, the perpetual right for all purposes presently, and from time to time in the future as the Grantee may elect, the following:

Tower Site Easement. The right and privilege to lay, construct, install, repair, maintain, operate, use, remove, change the size of, and replace at will, a telecommunications tower and related appurtenances on, over, across, under, or through that certain parcel of land located in Coosa County, Alabama, as described and depicted as Tower Site Easement on Exhibit A attached hereto and made part hereof (hereinafter known as "Tower Site Easement").

Access Easement. The right and privilege of ingress, egress, and regress across that certain parcel of land located in Coosa County, Alabama, as described and depicted as Access Easement on Exhibit A attached hereto and made part hereof (hereinafter known as "Access Easement").

Utility Easement. The right and privilege to lay, construct, install, repair, maintain, operate, use, remove, change the size of, and replace at will, electric transmission, distribution, and communication lines, poles, appliances, transformers, enclosures, and counterpoise wires, conduit, and conductors, necessary or convenient in connection therewith from time to time, of such size and character as the Grantee may elect, together with all connections and other appurtenances necessary, convenient, or useful in the construction, use, or operation of such electric transmission, distribution, and communication lines and access on, over, across, under, or through that certain parcel of land located in Coosa County, Alabama, as described and

depicted as Utility Easement on Exhibit A attached hereto and made part hereof (hereinafter known as "Utility Easement").

Together with all the rights and privileges necessary or convenient for the full enjoyment or use thereof for the purposes above described, including but not limited to the following: the right to waste earth taken on installation and construction of the electric transmission, distribution, and communication lines, towers, poles, appliances, transformers, enclosures, and counterpoise wires, conduit, and conductors, necessary or convenient in connection therewith and not used in backfilling on the land of the Grantor adjoining the above described parcel of land; the right during any period of construction or installation to enter on and use the land of the Grantor immediately adjacent to the above described parcels of land with construction equipment necessary or convenient to said construction, together with the right to temporarily store thereon earth taken from the land where the electric transmission, distribution, and communication lines, towers, poles, appliances, transformers, enclosures, and counterpoise wires, conduit, and conductors necessary or convenient in connection therewith from time to time are to be installed; and the right to cut, trim, and remove any brush, trees, or other obstruction upon the above described parcels of land or adjoining land which, in falling, would come within five (5) feet of any conductor thereon.

It is further understood and agreed by and between the parties hereto as follows:

1. The Grantee shall have the right to fence and prohibit access to the Tower Site Easement on Exhibit A.

2. The grant of these easements is made upon the following conditions subsequent which shall be binding upon and enforceable against the Grantee, its successors and assigns, and each of them as follows: The Grantee, its successors or assigns, shall utilize the easements herein granted only for the purposes stated herein and shall not make a different or varying use other than said purpose. Nothing contained herein shall be construed or interpreted so as to require the Grantee, its successors or assigns, to utilize the easements granted or to continue the existence of such tower and power lines. Misuse, non-use, or abandonment of the easements shall constitute a breach of this condition subsequent. In the event of such a breach, (whether caused by legal or other inability of the Grantee, its successors or assigns) in performing any of the obligations herein set forth, and should the Grantee, its successors or assigns, fail to remedy such condition within 90 days after written notice of a breach having occurred, then all right, title, and interest in and to the easement or grant herein made, shall, at the option of the Grantor, revert to and become the property of the Grantor, or it successors in title who have an immediate right of entry thereon, and the Grantee, its successors or assigns, shall forfeit all right, title, and interest in and to the above described property and any and all of the tenements, hereditaments, and appurtenances (excluding the Grantee's facilities) thereunto belonging. Should the Grantor fail to insist in any one or more instances upon complete performance of any of the said conditions, such failure shall not be construed as a waiver or relinquishment of the future performance of any such conditions, but the obligations of the Grantee, its successors or assigns, with respect to such future performance shall continue in full force and effect. Further, the remedy of reentry upon breach shall not serve to bar or prevent any other remedy provided by law to the Grantor upon the breach of such conditions.

3. Upon reversion as provided in paragraph 2 above, the Grantee, its successors or assigns, will, at its own expense, and within a reasonable time after written request by the Grantor to do so, remove any facilities placed upon said parcels of land and restore same to a reasonable condition; and quitclaim deed all interests herein granted back to the Grantor.

4. The parties hereto intend that the easements granted by Grantor to the Grantee are easements appurtenant and run with the land, and as such the rights and privileges granted herein to the Grantee shall be fully assignable and transferable in whole or in part by the Grantee to third parties, such as utility and communication companies, without the consent of the Grantor.

5. The Grantee and its Members shall only use the telecommunications tower for internal purposes and may not allow use of the tower by any third party.

IN WITNESS WHEREOF, the Board of Trustees of The University of Alabama by its duly authorized representative has executed this instrument under seal on this _____ day of _____, 2023.

GROUND LEASE AGREEMENT

This Ground Lease Agreement ("Ground Lease") made this the ____ day of _____, 2023, by and between The Board of Trustees of the University of Alabama, a public corporation and constitutional instrumentality of the State of Alabama, by and through the University of Alabama, Tuscaloosa, Alabama ("University"), and the Geological Survey of Alabama and the State of Alabama Oil and Gas Board ("Survey/Board").

W I T N E S S E T H

WHEREAS, the University is the owner of certain real property lying and being in Tuscaloosa County, Alabama, and located on the University Services Campus, which is more particularly described in Exhibit "A" attached hereto and incorporated herein (the "Premises"); and

WHEREAS, the Survey/Board desires to take and lease the Premises from the University for the construction and occupation of a new "Geological Survey of Alabama/State Oil and Gas Board Core and Sample Repository Building" (the "Project") pursuant to an act by the Alabama Legislature appropriating seven million dollars ($7,000,000) from the Education Trust Fund to the Geological Survey of Alabama for the fiscal year ending September 30, 2022 for completion of the Project; and

WHEREAS, additional funds may be made available to the Survey/Board for the Project as the Project proceeds, subject to additional appropriation to the Survey/Board by the Alabama Legislature or from other sources; and

WHEREAS, the Geological Survey of Alabama has been located on the University campus for more than one hundred-seventy years, and the State of Alabama Oil and Gas Board has been located on the University campus since 1945; and

WHEREAS, the Survey/Board has occupied a portion of Mary Harmon Bryant Hall on the University Campus since 1991 for use as "The Scientific Collections Building" to house various collections of the Survey/Board and activities related thereto, including office space; and

WHEREAS, the University and the Survey/Board desire to maintain their long established relationships and to provide for the safe and wise development and for the prudent management of the natural resources of Alabama through cooperative efforts and research programs; and

WHEREAS, the Survey/Board, being agencies of the State of Alabama, and the University have agreed to construct the Project on lands made available by the University on the University Services Campus for joint use by the Survey/Board and the University; and

WHEREAS, the building to be constructed shall be used to house office space, various collections of the Survey/Board, and related uses and/or activities, and the building shall be known as the "Core and Sample Repository Building" or other name as designated by the Survey/Board in compliance with state law; and

WHEREAS, the Mary Harmon Bryant Hall Lease Agreement between the Survey/Board and the University shall be amended to reduce the amount of space utilized by the Survey/Board at Mary Harmon Bryant Hall upon completion of the Project.

NOW THEREFORE, for and in consideration of the premises, covenants and agreements hereinafter set forth, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the University and the Survey/Board hereby agree as follows:

1. LEASE. The University does hereby lease the Premises unto the Survey/Board and the Survey/Board does hereby lease from the University, together with the improvements and appurtenances now and hereinafter located thereon and attached thereto, pursuant to the terms and conditions set forth herein.

2. PURPOSE AND USE. Subject to any existing easements and the regulatory laws and ordinances of the political subdivisions in which the Premises are situated, the Premises shall be used solely for the construction and occupation of a new "Core and Sample Repository Building," as authorized by Act 2022-395, for the Survey/Board to use as its offices and facilities, including laboratories and rock preparation and analysis facilities, collection storage, and for carrying out the Survey/Board's statutorily mandated mission (the "Purpose") and for no other purpose without the written consent of the University.

3. TERM. The Term shall commence on the Effective Date and extend for a period equal to the shorter of ninety-nine (99) years or the period from the Effective Date until the Survey/Board abandons or ceases to use the Premises for the Purpose provided herein.

a. Abandonment. The Survey/Board shall maintain continuous operations on the Premises for the Purpose and Use authorized in this Lease. The Survey/Board may cease operations for no longer than ninety (90) days once every two (2) years for remodeling but only with the University's advance written consent. Otherwise, any ceasing of operations or abandonment of the Premises for longer than ninety (90) days shall be a breach of this Lease and grounds for the University to exercise any remedies available to it under this Lease or applicable law, up to and including termination of this Lease and repossession of the Premises.

b. Expiration. If, at the end of the Term, the Premises are still being used by the Survey/Board, its successors, or assigns, for said Purpose, the University and the Survey/Board may, but shall not be required to, attempt in good faith to negotiate an extension of the Term, but neither Party shall have any liability to the other if they are unable to negotiate such an extension. If the Parties agree

to extend the Ground Lease, the University shall have the right to renegotiate the amount of rent, if any, for the extension period.

c. Memorandum of Lease. Consistent with Alabama law, a Memorandum of Lease shall be recorded in the Office of the Judge of Probate of Tuscaloosa County within one (1) year of execution of this Lease Agreement. The Survey/Board shall be responsible for all recording costs.

4. RENT. The Survey/Board shall pay the University the sum of one dollar ($1.00) upon the execution of this Ground Lease. This Ground Lease is supported by other good and valuable consideration as described herein. Rent payments shall be made to University Lands and Real Estate Services, Box 870176, Tuscaloosa, Alabama 35487.

5. CONSTRUCTION OF IMPROVEMENTS BY UNIVERSITY.

(a) Memorandum Of Understanding. The Project shall be constructed in accordance with the terms and conditions set out in the Memorandum of Understanding (the "MOU") between the Parties attached hereto as Exhibit "B" and incorporated herein. This Ground Lease shall be construed in *pari materia* with the MOU.

(b) Design. The Project, and any future alterations to the Project, shall be designed and constructed in a manner that is both visually appealing and appropriately blends into the University's campus consistent with the applicable University campus design and planning materials. Based upon the above, the University's Project Manager shall work with the Survey/Board and all Contractors to ensure that any design or plan is submitted in compliance with the applicable provisions of The University of Alabama Board Rule 415, as amended, and all said plans shall be subject to the review and approval of the University's Board of Trustees, not to be unreasonably withheld.

(c) Improvements By University. The University shall make such alternations, additions, and improvements (the "Improvements") to the Premises as are necessary for the construction of the Project. Demolition and construction shall comply and be in accordance with: (i) all applicable industry standards; (ii) all pertinent and applicable zoning, building, and other laws and ordinances; and (iii) the MOU. The University warrants that the contractors and subcontractors used in the construction of the Project shall be properly licensed in accordance with the requirements of Chapter 8 of Title 34 of the *Code of Alabama* (1975).

(d) Survey/Board Representative. To provide for effective communication between the University and the Survey/Board during the design and construction phases of the Project, the Survey/Board shall appoint representatives to coordinate on scheduling, plans, specifications, modifications, contract costs, and other matters relating to the design and construction of the Project. The University will give reasonable consideration to the recommendations of the Survey/Board's representatives in matters relating to the design and construction of the Project, but the University shall have the ultimately responsibility for the construction of the Project and shall have discretion to accept or modify the recommendations of the Survey/Board.

(e) Approvals. The University shall prepare or cause to be prepared all applications for approvals, permits, and authorizations relating to the construction of the Project, and the Survey/Board agrees to join, to the extent that such joinder shall be necessary, in such applications. All costs and expenses related to obtaining the approvals, authorizations, permits, and consents shall be borne solely by the Survey/Board according to the terms of the MOU.

(f) Project Financing. The Survey/Board shall pay all costs of designing, constructing, equipping, furnishing, and completing the Project, including the construction and installation of all fixtures, appurtenances, accessories, and furnishings, in accordance with the procedures set forth in the MOU.

(g) Manner of Completion. The Project shall be constructed and completed by or at the direction of the University in a good and workmanlike manner and with good quality materials and workmanship, and substantially in accordance with the plans, drawings, specifications, and submissions (collectively, the "Plans") for the development and construction of the Project as set forth in the MOU, and in compliance with this Ground Lease and all applicable laws, ordinances, and regulations.

6. REPAIRS, MAINTENANCE, AND IMPROVEMENTS BY SURVEY/BOARD.

(a) Repairs And Maintenance. Throughout the Term of the Lease and at its sole cost and expense, the Survey/Board shall take good care of the Premises and the improvements located thereon and keep the same in good order and condition. The Survey/Board shall be responsible for keeping the interior and exterior Premises neat and clean and promptly remove all trash and other debris from the Premises. The Survey/Board shall, at its sole cost and expense, make all interior and exterior repairs, structural or otherwise, to the Premises necessary to make and maintain the same in good order and condition. Other than the improvements outlined in the MOU, the University shall have no obligation to maintain or repair the Premises or to do any other work on or about the Premises or the improvements thereon during the Term of this Lease, provided, however, that if the Survey/Board neglects to make repairs or maintenance it has a duty to perform hereunder, the University or its agents, representatives, or contractors may, at the University's option, enter upon the Premises and repair the same or perform such maintenance on behalf of the Survey/Board. In such event, the University shall give the Survey/Board notice at least five (5) days prior to commencement of such repairs or maintenance. Any amounts paid by the University for such repairs or maintenance shall be billed to the Survey/Board and shall become immediately due and payable to the University.

(b) Landscape Maintenance. Unless otherwise agreed to by the Parties, the University shall perform all landscape maintenance for the Premises and shall bill the Survey/Board for such services at the University's cost.

(c) Street, Sidewalk, Curb, Street Paving, Street Gutter and Storm Drain. To ensure the perimeter of the Premises is both visually appealing and appropriately blends in with The University of Alabama surroundings, the University, at the University's expense, shall provide and maintain all curbs, curb cuts, street gutters, curb ramps, street paving, street storm drain,

driveway aprons, and perimeter sidewalks serving the Premises consistent with the design of the Project along with The University of Alabama standards.

(d) Improvements By Survey/Board. The Survey/Board shall have the right to make improvements, additions, or modifications to the interior Premises as it may deem desirable, provided that all such improvements, additions, and modifications shall be constructed in a workmanlike manner and in compliance with all applicable rules, orders, ordinances, and laws. The Survey/Board shall not make any exterior improvements, additions, or modifications to the Premises without the prior written consent of the University. All such improvements, additions, and modifications to the Premises shall adhere to the Premises with the exception of tangible personal property, unless otherwise provided herein, and those fixtures particularly suited to be used by the Survey/Board in carrying out its statutorily mandated mission.

(e) Mechanic's Lien. The Survey/Board shall pay the costs of any improvements, additions, modifications, or other maintenance at the time of service. If any mechanic's lien or other lien or order for payment of money is threatened or filed against any portion of the Premises, the Survey/Board shall promptly pay the amount of the lien and, at its own costs and expense, take steps to immediately have the lien removed and/or discharged within ten (10) business days of the Survey/Board's actual notice of such lien. The Survey/Board acknowledges and agrees that the Survey/Board shall be solely responsible for all costs, liabilities, suits, penalties, claims, and demands, including attorney's fees, resulting therefrom, and the University shall bear no responsibility for same. The Survey/Board further acknowledges and agrees that no liens of any character created or suffered by the Survey/Board shall in any way, or to any extent, affect the University's rights and interests in or title to the Premises, and all such liens will relate and attach only to the interest of the Survey/Board in the Premises.

7. UTILITIES AND TAXES.

(a) Utilities.

(i) The University, at the Survey/Board's sole cost and expense, shall ensure that all utilities necessary for the construction of the Project are brought to the Premises.

(ii) During the term of this Ground Lease, both during and after construction, the Survey/Board shall be responsible for funding its utility consumption on the Property and shall arrange for the connection of public utilities thought separate agreements.

(iii) The Survey/Board shall coordinate with the University and local utility providers to ensure water, sanitary water, storm sewer, sewer, gas, electric, fiber optic, internet service, etc. are at the appropriate capacity and are provided to the Premises for the Survey/Board to connect and use as part of its operations. The Survey/Board is responsible for any and all charges and bills for its use of water, steam, gas, electricity, garbage and trash removal, sewage, telephone,

communication services, and any other utility services used at or on any improvements to the Premises during the term of this Ground Lease.

(b) Taxes. The Parties agree that both the University and the Survey/Board are exempt from property and other taxation. Should such exemption be lost, the Survey/Board shall pay all taxes related to or assessed against the Property during the Term.

8. COMPLIANCE WITH RULES AND REGULATIONS

(a) University Rules and Regulations. The Premises shall at all times be considered a part of the campus of the University of Alabama, and all persons occupying the same, including without limitation, all employees, agents, representatives, or other invitees of the Survey/Board, shall be subject to and comply with all University rules, regulations, and policies. The University may periodically enter upon and inspect the Premises to determine the Survey/Board's compliance with said rules, regulations, and policies.

(b) No Disruption of University Functions. The University's campus is primarily intended for use by the University. The Premises may not be used in any way, and the activities of the Survey/Board may not be conducted in any manner, that materially disrupts the University's own teaching, research, administrative, service, athletic activities, or any campus living or working arrangements.

(c) Parking, Traffic, and Police Regulation. The Premises shall be subject to all University rules, regulations, and policies related to parking, traffic, and police regulation. The University shall have the authority to regulate or modify the use of roads, streets, parking areas, and access to and from the Premises and other areas of vehicular and pedestrian traffic in the area of the Premises.

(d) Compliance with State and Federal Law. The Survey/Board shall comply with any and all requirements of any of the constituted public authorities, and with the terms of any State or Federal law, statute, or local ordinance or regulation applicable to the Survey/Board or the Premises, including without limitation, the requirements of the Americans with Disabilities Act ("ADA") and the requirements of any insurer of the Premises, and the Survey/Board acknowledges and agrees that the University shall not be liable for any penalties, liens, costs, expenses, or damages resulting from the Survey/Board's failure to do so.

(e) Environmental Warranties. The Survey/Board shall, at its sole cost and expense, comply in all material respects with all federal, state, and local statutes, regulations, ordinances, rules, rulings, administrative orders, and the like as issued from time to time relating to environmental matters in connection with the Survey/Board's occupancy of the Premises.

(f) Release. The Survey/Board hereby acknowledges and agrees that the Survey/Board shall be solely responsible for its failure to comply with the requirements under this Section 8 and hereby releases the University and its trustees, officers, directors, employees, agents, representatives and other related persons or entities from any losses, damages, judgments, claims, demands, liabilities, fees, penalties, assessments, costs and expenses (including reasonable

attorneys fees) caused by, arising out of, or otherwise related to the Survey/Board's failure to comply with the requirements for which the Survey/Board is responsible under this Section 8.

9. RELEASE OF LIABILITY.

(a) The Survey/Board acknowledges and agrees that the Survey/Board shall be solely responsible for its own use of the Premises and hereby releases the University and its trustees, officers, director, employees, agents, representatives and other related person or entities from any losses, damages, judgments, claims, demands, liabilities, fees, penalties, assessments, costs and expenses (including reasonable attorney's fees) incurred as a result of any injury or damage to persons or property caused by the Survey/Board's use of the Premises. The Survey/Board further acknowledges and agrees that the University shall not be liable for any injury or damage to persons or property caused by the negligence or actions of others not a party to this Ground Lease and hereby releases the University and its trustees, officers, director, employees, agents, representatives and other related person or entities from any losses, damages, judgments, claims, demands, liabilities, fees, penalties, assessments, costs and expenses (including reasonable attorney's fees) incurred as a result of any injury or damage to persons or property caused by the negligence or actions of others, as well as for any injury or damage to persons or property caused by any plumbing, gas, water, steam or other pipes in, above, upon or about the Premises. The Survey/Board shall be solely responsible for any injury or damage caused by the negligence or actions of its employees, agents, representatives, or other invitees.

10. INSURANCE. (a) Insurance During Construction. From the date on which demolition or construction of any Improvements is commenced until the date of completion thereof and surrender of possession to the Survey/Board, the University shall effect and maintain, or cause to be obtained, at the Survey/Board's sole cost and expense, all-risk builder's risk and extended coverage insurance (completed value, non-reporting form) with respect to any Improvements being constructed to one hundred percent (100%) of the insurable value thereof, such insurance to cover items of labor and materials connected therewith, whether in or adjacent thereto, materials and equipment in place or to be used as part of the permanent construction thereof.

(b) Casualty and Liability Insurance. The Survey/Board shall maintain insurance against such perils and in such amounts as the Survey/Board may from time to time determine are consistent with coverage, which is now, or may in the future be, considered prudent for similar property situated in the same general geographic areas as the Premises or which any mortgagee or creditor of the Survey/Board requires the Board/Survey to carry. Otherwise, each party shall insure its own property against its own risks associated with the Premises with such insurance as it elects to procure or is required by state law. In the event of any dispute between the Parties arising from or regarding insurance coverage for any loss or the allocation of responsibilities, the named Parties to this agreement, or their designated representative, shall meet and engage in a good faith effort to resolve the dispute. Should that effort fail, and the dispute involves the payment of money, both parties' sole remedy is the filing of a claim with the State of Alabama Board of Adjustment, in compliance with the rules and regulations as set forth by the Board of Adjustment.

11. DAMAGE AND DESTRUCTION. The Survey/Board shall give the University prompt written notice of any accident, fire, casualty, damage or destruction occurring on or to the Premises or any part thereof. Unless otherwise agreed to by the Parties in writing, in the event of such damage or destruction to the improvements on the Premises, the Survey/Board shall promptly and without delay, and with due diligence, rebuild, repair, or replace the damaged or destroyed improvements to the condition of equivalent value and utility and of the same (or more modern or improved) quality and kind as existed just prior to such damage or destruction at no expense to the University. Provided, however, that if such damage or destruction is substantial to render the Premises wholly or partially untenable and the repair, replacement, or restoration of the Premises is considered impractical, the Parties shall have the option to terminate this Ground Lease by providing written notice to the other Party within sixty (60) days after occurrence of the casualty. In the event of such termination, the Survey/Board agrees, at its sole cost and expense, to demolish, remove, and dispose of the damaged or destroyed improvements and all debris and to return the Premises as bare land to the University.

12. EXPANSION OR REDEVELOPMENT.

(a) Expansion or Redevelopment of University Campus. The Survey/Board hereby acknowledges and agrees that if the expansion or redevelopment of the University campus shall require use of the Premises by the University, the University shall have the right to terminate this Ground Lease upon written notice to the Survey/Board one (1) year in advance of such termination. In such case, the University shall pay to the Survey/Board the fair market value of the improvements erected on the Premises, as hereafter provided.

(b) Fair Market Value. The University and the Survey/Board shall endeavor to reach a mutual agreement as to such amount for a period of thirty (30) calendar days following notice of such termination as provided herein, and if they cannot agree during that time, then two (2) qualified appraisers, one (1) chosen by the University and one (1) chosen by the Survey/Board, shall mutually agree thereupon, but if either Party shall fail to choose an appraiser within twenty (20) calendar days after notice from the other Party of the selection of its appraiser, then the appraisal by such appointed appraiser shall be binding on both Parties. If the two (2) appraisers cannot agree within twenty (20) calendar days after both shall have been appointed, then a third appraiser shall be selected by the two (2) appraisers or, failing agreement as to such third appraiser within thirty (30) calendar days after both shall have been appointed, each of the appraisers will identify their preferred third appraiser, agree upon a date in writing, and then rely on the closing value of the Dow Jones Industrial Average ("DIJA") on that date to select the third appraiser. If the DJIA on that date ends in an even number, the University's appraiser's pick will be the third appraiser. If the number is odd, the pick will be that of the Survey/Board's appraiser. The decisions of the three (3) appraisers shall be given within twenty (20) calendar days of the appointment of the third appraiser and the decision of the appraiser most different from the average of the other two (2) shall be discarded and such average shall be binding on the Parties; provided, that if the highest appraisal and the lowest appraisal are equidistant from the third appraisal, the third appraisal shall be binding on the Parties. The fees and expenses of the appraiser appointed by the University shall be paid by the University; the fees and expenses of the appraiser appointed by the

Survey/Board shall be paid by the Survey/Board; and the fees and expenses of the third appraiser shall be divided equally between the Parties.

13. EASEMENTS. The University expressly reserves all right in and with respect to the land hereby leased not inconsistent with the Survey/Board's use of the Premises as provided in this Ground Lease, including (without in any way limiting the generality of the foregoing) the rights of the University to establish, regulate, maintain, and offer common areas and grant parking easements to others and to enter upon the Premises and to grant, in the University's sole and absolute discretion, easements to others for the purpose of installing, using, maintaining, renewing, and replacing such overhead or underground water, gas, sewer, and other pipe lines, and telephone, electric, and power lines, cables, and conduits.

14. DEFAULT. If the Survey/Board shall fail to perform any covenant, condition, or other provision of this Ground Lease, or if the Survey/Board shall abandon or vacate the Premises for a period of twelve (12) consecutive months, that shall constitute an Event of Default hereunder. Following an Event of Default, the University shall give the Survey/Board written notice of said default and provide a reasonable time period, as determined in the University's sole and absolute discretion, therein to cure such default. If the Survey/Board fails to cure said default within the time period provided in the University's notice of default, the University may terminate this Ground Lease upon written notice to the Survey/Board and enter upon and take possession of the Premises or any part thereof. In the event this Ground Lease is terminated as a result of the Survey/Board's default, title to the improvements located on the Premises shall automatically vest in the University without further act on the part of the Survey/Board and without further obligation on the part of the University.

15. TITLE TO IMPROVEMENTS. Title to all improvements when made, erected, constructed, installed, or placed upon the Leased Premises shall be and remain in the Survey/Board until expiration or earlier termination of this Ground Lease, at which time title to all improvements will automatically vest in the University and remain with the Leased Premises, except that all tangible personal property and those fixtures particularly suited to be used by the Survey/Board in carrying out its statutorily mandated mission shall remain the property of the Survey/Board.

16. ASSIGNMENT. This Ground Lease is for the sole and exclusive benefit of the Parties hereto. The Survey/Board shall not assign, convey, encumber, or transfer (collectively, "transfer") all or any part of its interest or delegate any of its duties in this Ground Lease or the Premises without the written consent of the University. Each and every transfer by the Survey/Board of the Premises or this Ground Lease, or any portion or interest herein, or any delegation of the duties of the Survey/Board, without the written consent of the University shall be null, void, and held for naught.

17. NOTICES. All notices, demands, requests or other communications from each Party to the other required or permitted under the terms of this Agreement shall be in writing and shall be given by personal delivery or via First Class United States Mail, with first class postage prepaid, at the following respective addresses:

18. MISCELLANEOUS.

(a) Final Integration. This Ground Lease constitutes the entire agreement between the Parties, as a complete and final integration thereof with respect to its subject matter. All prior understandings and agreements between and among the Parties are merged into this Ground Lease, which alone fully and completely expresses their understandings. No representation, warranty, or covenant made by a Party which is not contained in this Ground Lease or expressly referred to herein has been relied on by the other Party in entering into this Ground Lease.

(b) Amendment in Writing. This Ground Lease may not be amended, terminated, or waived in any respect whatsoever, except by a further agreement in writing, properly executed by both the Parties.

(c) Binding Effect. This Ground Lease shall bind the Parties and their respective successors and assigns.

(d) Captions. The captions of this Ground Lease are for convenience and reference only, are not a part of this Ground Lease, and in no way define, describe, extend, or limit the scope or intent of this Ground Lease.

(e) Waiver Of Default. No waiver by either Party of any default, breach, or violation of any term, conditions, or provision of this Ground Lease shall be deemed to be a waiver of any other default, breach, or violation of the same or any other term, condition, or provision contained herein.

(f) Delay Or Omission Not Waiver. No delay in exercising or failure to exercise any right or remedy by either Party shall impair any such right or remedy or constitute a waiver of any such right, remedy, or default, breach, or violation of any term, condition, or provision of this Ground Lease or an acquiescence therein. Every right and remedy given by this Ground Lease or by law to a Party may be exercised from time to time and as often as deemed expedient by such Party.

(g) Rights And Remedies Cumulative. No right or remedy conferred upon or reserved to either Party in this Ground Lease or any document or instrument delivered in accordance herewith is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given under this Ground Lease or any document or instrument delivered in accordance herewith or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy under this Ground Lease or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

(h) Applicable law. This Ground Lease shall be governed by the laws of the State of Alabama without regarding to its conflicts of law principles. The University does not waive and specifically reserves all immunities to which it may be entitled by the statutes and constitutions of the United States and the State of Alabama or any other applicable provision of law. All claims against the University shall be made to the Alabama State Board of Adjustment. Any provision of this Ground Lease that may be considered a consent to suit or waiver of immunity by either Party is hereby rendered null and void. Exclusive jurisdiction and venue of any claims arising under this Ground Lease that are not barred by immunity, nor required to be made through the Alabama State Board of Adjustment, shall lie in the United States District Court for the Northern District of Alabama, Western Division (Tuscaloosa), or the Circuit Court of Tuscaloosa County, Alabama.

(i) Severability. Each covenant and agreement contained in this Ground Lease shall for all purposes be construed to be a separate and independent covenant and agreement. If any term or provision of this Ground Lease or the application thereof to any person or circumstance shall to any extent be invalid and unenforceable, the remainder of this Ground Lease or the application of such term or provision to persons or circumstances, other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and shall be enforced to the extent permitted by law.

(j) Not a Debt. The commitment under this Ground Lease shall not be considered a debt of the State of Alabama in violation of Section 213 of the Constitution of Alabama as amended by Amendment 26.

(k) University's Obligations Subject to Approval. The University's obligations hereunder are subject to the approval of this Ground Lease by the Board of Trustees of the University of Alabama by such resolution and actions as are necessary to bind the University to the terms and provisions hereof. Should the University's Board of Trustee not approve this Ground Lease, then this Ground Lease shall terminate, whereupon neither Party shall have any further obligation to the other.

(l) Landlord/Tenant Relationship. The Survey/Board shall be responsible for its own employees and related matters. Nothing in this Ground Lease shall be deemed or construed to create a partnership or any other relationship between the University and the Survey/Board or any other party.

RECREATIONAL LICENSE AGREEMENT

This Recreational License Agreement ("Agreement" or "License") made this the ____ day of _____, _____ by and between The Board of Trustees of the University of Alabama, a public corporation and constitutional instrumentality of the State of Alabama, by and through The University of Alabama, Tuscaloosa ("University" or "Licensor") and _____ (hereinafter "Licensee") for the recreational use of the property described and identified below for the sole purpose(s) of lawful recreation, including without limitation, hunting for the period of time from September 1, 2023, through August 31, 2024 (the "License Season") and with the possibility of renewal as set forth herein.

NOW, THEREFORE, as consideration for the permission and privileges herein granted, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the University and Licensee agree as follows:

1. The University hereby grants Licensee a non-exclusive Recreational Use License to use the property owned by the University and situated in _____ County, Alabama, and more particularly described as (hereinafter the "Premises"):

Tract Name: _____

INSERT LEGAL DESCRIPTION HERE

2. Licensee shall use the Premises solely for the purpose of lawful recreation, including without limitation, hunting, and for no other purpose whatsoever. Licensee shall notify the University of its intended use to be approved in writing by the University.

3. The term of the License shall be from _____ to _____, with the possibility of renewal as set forth in Section 30 herein.

4. Licensee shall pay the annual license fee (the "License Fee") at the following rate:

The License Fee for the rights granted hereunder shall be INSERT DOLLAR AMOUNT HERE 00/100 dollars ($_____) for the current License Season and is subject to increase in subsequent License Seasons as provided in this Agreement. The License Fee for the initial term shall be paid in full upon execution of this Agreement, provided that Licensee shall receive credit for any deposit paid following the bid. Payment of the License Fee for any subsequent renewal periods shall be paid as set forth herein or as directed by the University from time to time. License Fee payments are made payable to The University of Alabama and shall be mailed to the University Lands and Real Estate Services address stated in Section 26 hereof.

5. With the prior written approval of the University, and subject to such conditions or limitations as the University may impose, Licensee, at its cost and expense, may erect approved signs, buildings, or other structures on the Premises. Provided that Licensee is not in default, Licensee shall remove any such signs, buildings, or other approved structures which Licensee has placed on the Premises prior to the expiration or earlier termination of this Agreement. Licensee shall not remove any

such items from the Premises if Licensee is in default at the time of expiration or earlier termination without the University's written consent, and unless such consent is given, any such items shall be and remain the property of the University upon expiration or earlier termination. Any improvements, buildings, or personal property belonging to Licensee, its members or guests which are not removed from the Premises by the expiration or earlier termination of this Agreement shall be deemed abandoned and shall become the property of the University without compensation to Licensee, and the University shall have the right to dispose of such abandoned property in any manner which the University deems appropriate. Licensee shall not remove, destroy, modify, or otherwise alter any exterior or boundary fence, posted signs, or other structures or improvements of any nature which exist on the Premises at the time of this Agreement, or subsequently placed on the Premises by the University or any other person or entity with University's approval.

6. Licensee agrees to limit it use of and activities on the Premises to the use and activities expressly permitted by this Agreement and, if hunting is permitted hereunder, to hunt only as lawfully allowed by the Alabama Department of Conservation and Natural Resources or any other applicable governing entity. At all times Licensee and any guests, members, agents, or other invitees of Licensee shall comply with all applicable laws and regulations governing the Property and the use and activities expressly permitted by this Agreement, including without limitation, all game and hunting laws and regulations. Any violation of law or regulation, or any use of the Premises that exceeds the purposes expressly permitted under this Agreement, shall permit the

University to immediately terminate this Agreement by giving written notice to Licensee. Upon receipt of such notice, Licensee shall immediately vacate the Premises.

7. Licensee shall take all reasonable measures to prevent access to the Premises by trespassers and poachers, including without limitation, gate locks and barricades. Licensee shall immediately report any instance or suspicion of trespassing and/or poaching on the Premises to the University, local law enforcement, and/or game officials, and provide all information necessary to aid and assist law enforcement in apprehending all persons involved for prosecution.

8. Licensee shall not, nor shall it permit others, to graze sheep, cattle or any other livestock on the Premises.

9. Licensee shall not, nor shall it permit others, to drive wildlife (deer, rabbits, hogs, etc..) with the aid of dogs.

10. Licensee shall not construct any roads on the Premises without prior written consent of the University and shall maintain all existing roads in good repair, in the same or similar condition as they were at the time of this Agreement.

11. Licensee shall exercise extreme care and take all necessary measures to prevent forest fires or any event of uncontrollable fire on the Premises and shall aid in the suppression and extinguishing of any fire(s) discovered on or immediately adjacent to the Premises. Licensee shall immediately notify fire and rescue services of any uncontrolled fire discovered on or immediately adjacent to the Premises. Licensee shall promptly notify the University of all fires discovered on the Premises or immediately adjacent to the Premises. Licensee will conduct its activities in such a manner as to

protect and preserve all mature and immature standing timber, vegetation, and brush located on the Premises for the future benefit and use of the University. Licensee shall not cut any standing trees or timber without the express written consent of the University, which shall be given only by the University Forester.

During the term of this Agreement, if the University, in its sole and absolute discretion, determines that a significant risk of wildfire or other fire danger exists, the University may require Licensee to suspend its use and activities on the Premises until such risk is reduced such that Licensee can safely resume its use and activities on the Premises. The University shall notify Licensee of any suspension in writing. Licensee shall not be entitled to any extension to the License Season as a result of such suspension.

12. Licensee shall be solely responsible for any and all property brought onto the Premises by Licensee or any of its guests, members, agents, or other invitees, and the University shall have no liability for any loss or damage to such property. Further, Licensee and its guests, members, agents, and other invitees enter onto the Premises and engage in any use or activities on the Premises at their own risk. The University assumes no responsibility whatsoever for any loss, injury or damage to person or property, including death, that may be sustained by reason of any use or activity of Licensee or its guests, members, agents, or other invitees, and Licensee hereby releases and discharges the University and its individual trustees, officers, directors, employees, representatives, agents, and any other person or entity related to the University from any and all such liability. Licensee agrees, at its sole cost and expense,

to defend, indemnify, hold harmless, and otherwise release and discharge the University and its individual trustees, officers, employees, agents, volunteers, and any person or entity associated, affiliated, or connected with University, and any of their heirs, successors, and assigns, from and against any and all claims whatsoever by or on behalf of any person, firm, corporation, or governmental authority, arising out of, attributable to, or in connection with the use, possession, conduct, or management of the Premises or any work or activities done or conducted in or about the same, or use or activities of Licensee and its members and guests upon any part or portion of the Premises or from their use and enjoyment of the privileges herein granted, or for any and all claims of any nature involving or arising from any property brought onto the Premises, including, but not limited to, any and all claims for personal injury or death to persons or property damage. Licensee also agrees, at its cost and expense, to hold harmless the University and its individual trustees, officers, employees, agents, servants, volunteers, and any person or entity associated, affiliated, or connected with University, and their heirs, successors, and assigns from and against all costs, counsel fees, expense and liabilities incurred in connection with any such claim and any action or proceeding brought thereon and to resist and defend any such action or proceeding by qualified counsel.

13. Notwithstanding any contrary provisions of this Agreement, the following provisions shall govern any disputes or questions of law. The University does not agree to waive any rights or causes of action against any person whether a party or not. Any provisions to the contrary notwithstanding, the University does not agree to indemnify or

hold any person or party harmless from any claim. The University does not waive and specifically reserves all immunities to which it is entitled by the constitution, laws, and statutes of the United States and the State of Alabama, including, without limitation, the immunities contained within Article 1, section 14, of the Constitution of Alabama of 1901, the Eleventh Amendment of the United States Constitution, or any other applicable provision of law. Any claim against the University must be made through the Alabama State Board of Adjustment. Exclusive jurisdiction and venue of any claims neither barred by immunity nor required to made through the Alabama State Board of Adjustment shall lie in the United States District Court for the North District of Alabama, Western Division (Tuscaloosa) or the Tuscaloosa County Circuit Court. Alabama law, without regard to its conflicts of law provisions, shall exclusively apply to the Agreement, Addendum, questions of immunity related to the University, and any disputes between the parties. Any provisions of the Agreement which may be considered a consent to suit or a waiver of immunity by the University is hereby stricken and rendered null and void.

14. Licensee accepts the Premises on an "AS IS" basis and assumes full responsibility for any occurrences which happen thereon, including those arising from the use of any roads or other facilities constructed or maintained by the University. **The University makes no warranties or representations of any kind concerning the physical condition or safety of the Premises, including any roads or improvements located thereon.**

15. For the duration of the Agreement, Licensee, at its sole cost and expense, shall maintain in full force and effect Comprehensive General Liability Insurance with

limits of not less than one million and no/100 dollars ($1,000,000.00) per occurrence. Upon execution of this Agreement, Licensee shall provide the University Certificates of Insurance evidencing that said insurance is in effect and shall provide a statement from the insurance carrier certifying that it will not cancel said insurance without giving the University, or its designated agent, 10 days' notice in writing. **Any policies of insurance required to be maintained hereunder shall list The Board of Trustees of the University of Alabama as an additional named insured thereon**.

16. Licensee acknowledges that the University utilizes the Premises primarily for mineral development and for the growing of timber. Licensee's use of the Premises shall not interfere with University's operations on the Premises, to include mining operations, timber growing, harvesting operations, or any other use. Licensee agrees that it shall be the responsibility of the Licensee to identify all active operations of the University on the Premises prior to engaging in any hunting or other use or activities on the Premises, and that Licensee shall maintain a reasonable distance from all active operations of the University while using or engaging in any such activities on the Premises. During the term of this Agreement, the University may, but shall not be obligated, to set forth any rules or restrictions regarding Licensee's use of the Premises, and Licensee agrees to comply with any such rules or restrictions set forth by the University. The University, in its sole and absolute discretion, may cut, saw, or remove timber, wood, or other growth of any kind upon any or all portions of the Premises, or may authorize any third party to do the same, at any time during the term of this Agreement.

17. Upon written notice to Licensee, the University may temporarily limit Licensee's access to all or any portion of the Premises or may amend this Agreement to permanently remove any portion of the Premises from this Agreement. If the University, as determined in its sole and absolute discretion, shall need to permanently restrict Licensee's access to all of the Premises, the University may terminate this Agreement consistent with Paragraph 25.

18. The University shall have the right of ingress and egress at all times into, over and across the Premises for any reason it may deem necessary or desirable. The University may itself build or grant to others rights-of-way or easements for the construction of roads, pipelines, power lines, ditches, canals, or for any other purpose(s).

19. Licensee shall not drive nails, spikes or metal objects into any trees or timber located on the Premises for any purpose whatsoever, provided, however, that aluminum nails may be used for posting purposes.

20. Licensee agrees the University shall have no liability whatsoever for any injury or loss arising from the design, construction, or use of any tree stand or other similar products on the Premises.

21. Licensee agrees that it shall not dump, dispose of, release, or discharge any garbage, trash, waste materials, oils, chemicals, used tires, or other regulated substances or materials on the Premises, discard or abandon any used or broken equipment, appliances or vehicles on the Premises, or otherwise engage in any activity which could pollute or contaminate the ground, lakes, streams or creeks located on or

adjacent to the Premises. Licensee agrees, at its cost and expense, to defend, indemnify, hold harmless, and otherwise release and discharge the University and its individual trustees, officers, employees, agents, volunteers, and any other person or entity associated, affiliated, or connected with the University, and their heirs, successors, and assigns, from and against any costs, penalties, fines, damages, or similar liabilities incurred by the University or such other person or entity to remove any such materials and/or remediate polluted or contaminated conditions or imposed or assessed against the University by the U.S. Environmental Protection Agency, the Alabama Department of Environmental Management, or any other governing agency as a result of Licensee's breach of this Section.

22. Licensee shall, at Licensee's own expense, comply in all material respects with all federal, state, and local statutes, regulations, ordinances, rules, rulings, administrative orders, and the like as issued from time to time (collectively, "Laws") as relate to environmental matters in connection with Licensee's use of the Premises in accordance herewith. Licensee shall not use the Premises as a landfill or waste disposal site, nor shall Licensee locate any underground storage tanks for gasoline or other substances on the Premises, during the Lease Term, unless the University's written consent is first obtained. Licensee shall defend, indemnify, and hold the University, his personal representatives, heirs, and assigns. harmless from and against and shall pay and reimburse the University for any and all losses, damages, liabilities, claims, causes of action, penalties, fines, and fees (including reasonable attorney fees) asserted against the University resulting from the handling, treatment, storage, or disposal of

hazardous or toxic materials, substances, pollutants, contaminants, wastes, asbestos, or urea formaldehyde insulation as relates to the Premises by Licensee or any of its agents, servants, or employees, and not caused by the University, his agents, servants, or employees.

23. The University shall provide Licensee with an annual permit card or other documentation evidencing Licensee's permission to access and/or use the Premises as provided herein. Licensee shall keep and display any such permit or other documentation at all times while on the Premises and, upon reasonable request, shall provide any such permit or documentation to the University or any other person or entity on the Premises with permission of the University. Licensee further agrees that it shall limit its membership and shall similarly issue a form of reasonable identification to each and every member, guest, and other invitee(s) admitted to the Premises that shall be kept and displayed by such member(s), guest(s), and invitee(s) and, upon reasonable request, shall be provided to the University or any other person or entity on the Premises with the permission of the University.

Upon execution of this Agreement, Licensee shall furnish to the University a **Membership List** setting forth the names of all persons authorized to enter on the Premises and a copy of Licensee's articles of incorporation or other organizational documents, including copies of Licensee's by-laws, rules, policies, and regulations. Licensee shall notify the University promptly of any changes in the current Membership List or its organizational and governing documents.

24. Licensee shall ensure that any person it allows to access the Premises engages in responsible, safe, careful, and lawful activities. Without limiting the foregoing, all persons shall comply with all applicable laws, utilize care with firearms or other weapons, shall not consume or be under the influence of any alcohol or other drugs or narcotics while on the Premises, and shall not trespass on any adjoining property or engage in any conduct that may reasonably strain or negatively impact the University's relations with adjoining landowners, its operations on the Premises, or that otherwise negatively affects the University's reputation. If Licensee allows, condones, or fails to prevent any behavior that violates this provision, the University may, in its sole and absolute discretion, terminate this Agreement upon written notice to Licensee. Alternatively, and in lieu of termination, the University may demand that Licensee revoke the membership and privilege to use the Premises from any person(s) and deny said person(s) access to the Premises. Licensee agrees to inform its members, guests, and other invitees of their obligations and responsibilities under this Agreement and agrees to ensure that all persons comply with all such obligations and responsibilities.

25. The University shall have the right to terminate or suspend this Agreement at any time, with or without cause, for the convenience of the University by providing written notice to Licensee. In the event of such termination or suspension, Licensee agrees that University shall have no liability for any loss or damage, direct or consequential, that Licensee may suffer as a result of such termination or suspension.

26. All notices required to be given under the terms of this Agreement shall be mailed to the parties via Certified Mail at the addresses shown below:

27. Unless otherwise provided hereunder, Licensee shall not be permitted to make any improvements to the Premises without the written consent of the University. In the event the University approves any improvement, payment for such improvements must be rendered by Licensee at the time of service. Licensee shall not create or permit to be created and shall immediately discharge any lien, encumbrance, or charge levied on the Premises as a result of any mechanics, materialman's, or laborer's lien that might be or become a lien, encumbrance or charge on the Premises as a result of Licensee's improvements. Nothing in this Agreement shall be deemed or construed in any way as constituting the consent or request of the University to any contractor, subcontractor, laborer or materialman for the performance of any labor or the furnishing of any materials for any specific alteration, improvement, or repair to the Premises. It is expressly agreed that the University is not and shall not be required to render any services of any kind to Licensee.

28. This Agreement is not a lease of real property and does not convey or create in Licensee or any other party a possessory estate, leasehold interest, or any other property right in the Premises, and none of the provisions of this Agreement are

intended or deemed to create a landlord-tenant, agency, or any other relationship between the parties hereto.

29. Neither this Agreement nor any of the permissions herein granted shall be sold, pledged, assigned, sub-leased, or otherwise transferred by Licensee to any other person, corporation, firm, or other entity. The foregoing is not intended to prohibit Licensee from inviting guests to hunt on the lands covered by this Agreement, provided that all guests are accompanied by Licensee, or if Licensee is a hunting club, by a regular member of Licensee whose name appears on the Membership List provided to the University pursuant to Section 23 of this Agreement.

30. Licensee shall have the option, subject to the approval and consent of the University, to extend the License Season herein for nine (9) consecutive one (1) year terms, running from September 1 to August 31 of the respective year. To exercise any option term, the Licensee shall provide written notice of its desire to renew the Agreement during the Month of May immediately preceding the expiration of the then-current License Season, or on or before any notice date requested by the University from time to time ("Renewal Notice"). Within thirty (30) days after receipt of Licensee's Renewal Notice, the University shall respond to Licensee in writing indicating whether it consents to the renewal, and if so, provide a Renewal Application to Licensee, unless earlier provided. Any renewal approved by the University may be subject to an increase in the annual License Fee. The University may also require payment of a deposit of at least 50% of the License Fee for the upcoming License Season, and Licensee agrees to pay any such deposit as requested by the University with the application to renew this Agreement. Otherwise, the University may treat any Renewal Application as void, and

this Agreement shall terminate at the expiration of the then-current License Season unless earlier terminated under this Agreement. The increase in the annual License Fee shall not exceed 2.5% of the prior year's annual License Fee. Nothing in this Agreement shall be construed to require the University to accept any renewal, and, for clarity, the University may decline to accept Licensee's request to renew this Agreement in its sole and absolute discretion for any reason or for no reason at all.

31. Licensee acknowledges and agrees that it has read and understands the terms of this Agreement and has obtained or had the opportunity to obtain the advice of legal counsel prior to executing this Agreement, and given the foregoing, Licensee hereby accepts and fully understands the terms, conditions, covenants, and obligations of this Agreement. Licensee acknowledges that it has entered into this Agreement of its own free will and without reliance, inducement, undue influence, representation, warranty, coercion, or duress by the University, its employees, contractors, agents, or assigns. Furthermore, Licensee hereby represents to the University that no promise, agreement, or understanding has been made to or with Licensee that is not contained in this Agreement, including without limitation, any promise, agreement, or understanding concerning: (1) Any future sale of the Premises or Licensee's right to purchase the Premises at any time or for any cost, or (2) the right of Licensee to renew this Agreement beyond the License Season stated herein. Furthermore, Licensee understands that the University may, from time to time, license the use of lands adjacent to the Premises to others on different terms and conditions, for longer or shorter license terms, and/or for greater or lesser rates than Licensee's License Fee.

of the
One Hundred Ninety Second Commencement

August 6, 2022 • Coleman Coliseum

The Faculty and Staff of The University of Alabama extend a warm welcome to the family, friends and visitors of this graduating class.

THIS PROGRAM IS NOT AN OFFICIAL GRADUATION LIST.

This printed program lists students who held the status of degree candidates during the term and may, pending the outcome of final examinations and final grades, become graduates. Therefore, it should not be used to determine a student's academic or degree status. The University's official registry for conferral of degrees is the student's permanent academic record kept by the Office of the University Registrar, 206 Student Services Center, Box 870134, Tuscaloosa, AL 35487.

Commencement Ceremony Decorum and Courtesy

The University of Alabama Commencement is marked by both joy and dignity. Conferring of degrees signifies long, hard work by all involved: students, faculty, administrators, parents and spouses. Students and guests are expected to maintain a measure of decorum equal to the occasion.

The University community requests that audience participation be of respectful celebration honoring the commitment to learning and the fulfillment of dreams shared by all degree candidates who walk across the stage. This element of respectful celebration also extends to the parents, guardians and spouses whose labor and support brings pride to the fulfillment of these dreams.

About the Ceremony

The processional signifies the beginning of the commencement ceremony. The commencement marshal presides over the academic procession, leads the platform party to the stage and signifies the closing of the ceremony by leading the platform party from the stage. As the processional music begins, the procession led by the candidates, then the platform party, will enter the arena floor and go to their designated seating. The audience should rise once the processional music has begun and remain until the welcome.

Commencement participants are identified by their caps and gowns. The doctoral gown includes two crimson University of Alabama seals on the front panel of the gown, while the traditional doctoral bars are piped with crimson. Masters gowns have the UA seal embroidered in gray on the front tabs, and undergraduate gowns have the script A embroidered in crimson on the front tabs.

Members of The University of Alabama Board of Trustees wear black gowns trimmed in crimson velvet. The commencement marshal wears a charcoal gray gown trimmed in crimson velvet. Graduates may be identified by the color of the tassel on the mortar board, which signifies the school, or if they are receiving an advanced degree, the color of the band on the hood, which signifies the field of study.

The University of Alabama awards degrees with honors to undergraduate students in all schools and colleges who, throughout their academic careers, consistently achieved meritorious scholastic standing. These designations are summa cum laude, magna cum laude and cum laude. Summa cum laude is the highest academic distinction awarded. Degree candidates with honors wear stoles in the traditional colors of their school or college. Honors designations are calculated on the previous semester's grade point average. The honor announced, depending upon calculation of final grade point average, may change, or in some cases, the degree candidate may not actually graduate with an honor designation. Undergraduate degree candidates wearing the crimson mortar board have achieved a perfect 4.0 grade point average for all of their University of Alabama coursework. Silver cords indicate the University Honors Program, and purple cords represent the Randall Research Scholars Program.

At the conclusion of the ceremony, the audience will rise for the singing of the "Alma Mater" and the recessional. The words to the "Alma Mater" are printed on page 45 of the program. The recessional is led by the platform party, followed by the faculty and the candidates.

The University of Alabama conditionally confers degrees at the commencement ceremony, pending final review of the student's academic records.

Safety Tips

At The University of Alabama, your safety and well-being are our highest priority.

In the interest of safety, please note all exit signs and identify the exit closest to you. If you or someone you are accompanying requires mobility assistance, please take note of evacuation routes that will best accommodate.

If an evacuation of Coleman Coliseum is necessary, University officials will direct you to exit the premises in a calm and orderly manner. Staff will be located throughout the venue to assist you.

If an emergency requires the assembly to shelter in place, University officials will direct you to the best available refuge areas in the facility. Staff will be available to direct you to these locations.

In the event of an emergency, call UAPD at 205-348-5454 or 911 to request police, fire or ambulance response. Any injury requiring first aid should be reported immediately to venue staff or by calling 205-348-5454 or 911.

Alma Mater

Alabama, listen, Mother,
To our vows of love,
To thyself and to each other,
Faithful friends we'll prove.

Chorus
Faithful, loyal, firm and true
Heart bound to heart will beat.
Year by year, the ages through
Until in Heaven we meet.

College days are swiftly fleeting,
Soon we'll leave their halls
Ne'er to join another meeting
'Neath their hallowed walls.

Chorus

So, farewell, dear Alma Mater
May thy name, we pray,
Be rev'renced ever, pure and stainless
As it is today.

THE UNIVERSITY OF ALABAMA®

Fall Convocation
of the
One Hundred Ninety Second Commencement

December 10, 2022 • Coleman Coliseum

The Faculty and Staff of The University of Alabama extend a warm welcome to the family, friends and visitors of this graduating class.

THIS PROGRAM IS NOT AN OFFICIAL GRADUATION LIST.

This printed program lists students who held the status of degree candidates during the term and may, pending the outcome of final examinations and final grades, become graduates. Therefore, it should not be used to determine a student's academic or degree status. The University's official registry for conferral of degrees is the student's permanent academic record kept by the Office of the University Registrar, 206 Student Services Center, Box 870134, Tuscaloosa, AL 35487.

Commencement Ceremony Decorum and Courtesy

The University of Alabama Commencement is marked by both joy and dignity. Conferring of degrees signifies long, hard work by all involved: students, faculty, administrators, parents and spouses. Students and guests are expected to maintain a measure of decorum equal to the occasion.

The University community requests that audience participation be of respectful celebration honoring the commitment to learning and the fulfillment of dreams shared by all degree candidates who walk across the stage. This element of respectful celebration also extends to the parents, guardians and spouses whose labor and support brings pride to the fulfillment of these dreams.

About the Ceremony

The processional signifies the beginning of the commencement ceremony. The commencement marshal presides over the academic procession, leads the platform party to the stage and signifies the closing of the ceremony by leading the platform party from the stage. As the processional music begins, the procession led by the candidates, then the platform party, will enter the arena floor and go to their designated seating. The audience should rise once the processional music has begun and remain until the welcome.

Commencement participants are identified by their caps and gowns. The doctoral gown includes two crimson University of Alabama seals on the front panel of the gown, while the traditional doctoral bars are piped with crimson. Masters gowns have the UA seal embroidered in gray on the front tabs, and undergraduate gowns have the script A embroidered in crimson on the front tabs.

Members of The University of Alabama Board of Trustees wear black gowns trimmed in crimson velvet. The commencement marshal wears a charcoal gray gown trimmed in crimson velvet. Graduates may be identified by the color of the tassel on the mortar board, which signifies the school, or if they are receiving an advanced degree, the color of the band on the hood, which signifies the field of study.

Doctor of Education	Light Blue
Doctor of Musical Arts	Pink
Doctor of Nursing Practice	Apricot
Doctor of Philosophy	Dark Blue

Library and Information Studies	Lemon Yellow/Brown
Nursing	Apricot
Social Work	Yellow

The University of Alabama awards degrees with honors to undergraduate students in all schools and colleges who, throughout their academic careers, consistently achieved meritorious scholastic standing. These designations are summa cum laude, magna cum laude and cum laude. Summa cum laude is the highest academic distinction awarded. Degree candidates with honors wear stoles in the traditional colors of their school or college. Honors designations are calculated on the previous semester's grade point average. The honor announced, depending upon calculation of final grade point average, may change, or in some cases, the degree candidate may not actually graduate with an honor designation. Undergraduate degree candidates wearing the crimson mortar board have achieved a perfect 4.0 grade point average for all of their University of Alabama coursework. Silver cords indicate the University Honors Program, and purple cords represent the Randall Research Scholars Program.

At the conclusion of the ceremony, the audience will rise for the singing of the "Alma Mater" and the recessional. The words to the "Alma Mater" are printed on page 45 of the program. The recessional is led by the platform party, followed by the faculty and the candidates.

The University of Alabama conditionally confers degrees at the commencement ceremony, pending final review of the student's academic records.

Civil Engineering
Dissertation: Seismic Retrofit of Reinforced Concrete Shear Wall by Integrating Selective Weakening and Self-Centering.
Dissertation Director: Dr. Sriram Aaleti

Ambar Bahadur Shrestha - *Dhaijan-1, Nepal*
Chemistry
Dissertation: Synthesis of Substituted Phthalocyanines, Incorporation into Hierarchically Porous Carbons and Faujasites and Evaluation as Heterogenous Catalysts.
Dissertation Director: Dr. Martin Bakker

Christopher David Simpson - *Bethlehem, GA*
Aerospace Engineer & Mechanics
Dissertation: Airborne Ultra-wideband Microwave Radar for the Remote Sensing of Soil Moisture.
Dissertation Directors: Dr. Siva Prasad Gogineni and Dr. Charles Robert O'Neill

Eleanor Huggins Skelton - *Northport, AL*
Civil Engineering
Dissertation: Improving Engineering Design and Structural Performance through the Effective Characterization of High-Performance Materials in Geotechnical Transportation Engineering.
Dissertation Director: Dr. Armen Amirkhanian

Jae Yeol Song - *Tuscaloosa, AL*
Civil Engineering
Dissertation: Unraveling Compound Extremes: Tropical Storm, Drought, Heat Wave, and Wildfire.
Dissertation Director: Dr. Hamid Moradkhani

Jennifer Lynne Thies - *Tuscaloosa, AL*
Biology
Dissertation: A Bacterial Metabolite Causes Changes in Neurodegeneration and Aging via Bioactivation and Hormesis in *Caenorh Abditis Elegans*.
Dissertation Director: Dr. Kimberlee A. Caldwell

Yifan Wang - *Xianning, China*
Materials Science
Dissertation: Carbon Dioxide Reduction by Cerium Oxide Supported Metal Catalysts with Surface Modification.
Dissertation Director: Dr. Ruigang Wang

Ho Yun Won - *Tuscaloosa, AL*
Electrical Engineering
Dissertation: Radio Frequency Devices and Permanent Magnet Motor for Electric Vehicle Application.
Dissertation Director: Dr. Yang Ki Hong

Safety Tips

At The University of Alabama, your safety and well-being are our highest priority.

In the interest of safety, please note all exit signs and identify the exit closest to you. If you or someone you are accompanying requires mobility assistance, please take note of evacuation routes that will best accommodate.

If an evacuation of Coleman Coliseum is necessary, University officials will direct you to exit the premises in a calm and orderly manner. Staff will be located throughout the venue to assist you.

If an emergency requires the assembly to shelter in place, University officials will direct you to the best available refuge areas in the facility. Staff will be available to direct you to these locations.

In the event of an emergency, call UAPD at 205-348-5454 or 911 to request police, fire or ambulance response. Any injury requiring first aid should be reported immediately to venue staff or by calling 205-348-5454 or 911.

Alma Mater

Alabama, listen, Mother,
To our vows of love,
To thyself and to each other,
Faithful friends we'll prove.

Chorus
Faithful, loyal, firm and true
Heart bound to heart will beat.
Year by year, the ages through
Until in Heaven we meet.

College days are swiftly fleeting,
Soon we'll leave their halls
Ne'er to join another meeting
'Neath their hallowed walls.

Chorus

So, farewell, dear Alma Mater
May thy name, we pray,
Be rev'renced ever, pure and stainless
As it is today.

THE UNIVERSITY OF ALABAMA®

Spring Convocation
of the
One Hundred Ninety Second Commencement

May 5-6, 2023 • Coleman Coliseum

The Faculty and Staff of The University of Alabama extend a warm welcome to the family, friends and visitors of this graduating class.

THIS PROGRAM IS NOT AN OFFICIAL GRADUATION LIST.

This printed program lists students who held the status of degree candidates during the term and may, pending the outcome of final examinations and final grades, become graduates. Therefore, it should not be used to determine a student's academic or degree status. The University's official registry for conferral of degrees is the student's permanent academic record kept by the Office of the University Registrar, 206 Student Services Center, Box 870134, Tuscaloosa, AL 35487.

Commencement Marshals

Joy Burnham

Professor of Counselor Education and Director of International Programs

Dr. Joy Burnham joined the Counselor Education Program in the College of Education's Department of Educational Studies in Psychology, Research Methodology & Counseling in 2002. She serves as professor and director of the College's Office of International Programs. With a primary focus on children's fears, Dr. Burnham's research includes school counseling-related topics and the tenure and promotion process. Dr. Burnham has distinguished the Counselor Education Program and was instrumental in UA being awarded the first Gandhi-King Scholarly Exchange Initiative in 2022. Other accolades include the 2012 Fulbright Specialist Grant in China and the 2020 Outstanding Graduate Mentor Award.

Luvada Harrison

Assistant Professor of Musical Theatre and Voice

Luvada A. Harrison, an assistant professor of Musical Theatre/Voice in the Department of Theatre & Dance, has performed with regional opera companies and symphony orchestras in the United States and Europe and in television and film, receiving national exposure as Aida in the Drama Queens episode of Sex and the City. She was in the Collaborative Arts Research Initiative Fellows (CARI) inaugural cohort and received an Alabama State Council on the Arts Artist Fellow Grant. For demonstrating exceptional promise in teaching and research, she was awarded the prestigious College of Arts & Sciences Leadership Board Faculty Fellowship for 2022–2025. Dr. Harrison is beloved by faculty for her unwavering sense of humor and by students for her care and concern of their development and emotional well-being.

Xiaochun (Martin) Liu

Assistant Professor of Economics, Finance and Legal Studies

Dr. Xiaochun (Martin) Liu is an assistant professor in the Department of Economics, Finance, and Legal Studies. Dr. Liu recently received Culverhouse College of Business's Early Achievement in Research and Summer Excellence in Research Program for Faculty awards. He has recent publications in Journal of Financial Econometrics, Journal of Economic Dynamics and Control and Journal of Banking and Finance.

Jimmy Mixson
Associate Professor of History

Dr. James Mixson, an associate professor in the Department of History and a Medieval Europe scholar, received the Arts and Sciences Outstanding Commitment to Students Award in 2012 and the Alumni Association's Outstanding Commitment to Teaching Award in 2016. He served as the History Department's undergraduate director from 2012 to 2018, founding the Peer Mentor Program, now in its 12th year. He has published widely on various topics concerning medieval religion and culture and is currently writing his second monograph—a study of the Crusades in the later Middle Ages.

Debra Nelson-Gardell
Associate Professor of Social Work

Dr. Debra Nelson-Gardell, PhD, LICSW, serves in the School of Social Work as associate professor, PhD program director and coordinator of International Programs. Arriving at UA in 1995, her areas of practice and scholarship include childhood emotional trauma with a focus on sexual victimization. In addition to her extensive teaching experience, her publications and research grants have earned Dr. Nelson-Gardell numerous awards, including the National Association of Social Workers Alabama Chapter Social Worker of the Year and the Morris Lehman Mayer Award.

Mary Stone
Hugh Culverhouse Endowed Chair of Accountancy

Dr. Mary Stone, the Hugh Culverhouse Endowed Chair in the Department of Accounting, received the American Accounting Association's Outstanding Accounting Educator Award. She has been published in leading accounting journals, including Journal of Accounting and Economics, Accounting Review, Journal of Accounting Research, and Journal of Accounting and Public Policy. She has served on editorial boards of Accounting Review, Journal of Accounting and Public Policy, Issues in Accounting Education, and Advances in Accounting.

Felecia G. Wood
Professor of Nursing

Dr. Felecia G. Wood received her PhD in Nursing Education Administration from the University of Alabama in Birmingham in 1988. She is a member of the Alabama State Nurses Association, Sigma Theta Tau International, National League for Nursing and the Southern Nursing Research Society. Dr. Wood conducted research addressing diabetes self-management focusing on using technology for ethnically diverse rural dwellers and on health literacy needs. She is the principal investigator on collaborative research to study racial disparities in kidney disease and treatment. Her research focus transitioned to educating practicing nurses and community leaders on strategies to improve and promote health-literate communication and organizations. She received the Capstone College of Nursing Outstanding Commitment to Teaching Award and the Alabama League for Nursing Lamplighter Award.

Commencement Ceremony Decorum and Courtesy

The University of Alabama Commencement is marked by both joy and dignity. Conferring of degrees signifies long, hard work by all involved: students, faculty, administrators, parents and spouses. Students and guests are expected to maintain a measure of decorum equal to the occasion.

The University community requests that audience participation be of respectful celebration honoring the commitment to learning and the fulfillment of dreams shared by all degree candidates who walk across the stage. This element of respectful celebration also extends to the parents, guardians and spouses whose labor and support brings pride to the fulfillment of these dreams.

About the Ceremony

323

The processional signifies the beginning of the commencement ceremony. The commencement marshal presides over the academic procession, leads the platform party to the stage and signifies the closing of the ceremony by leading the platform party from the stage. As the processional music begins, the procession led by the candidates, then the platform party, will enter the arena floor and go to their designated seating. The audience should rise once the processional music has begun and remain until the welcome.

Commencement participants are identified by their caps and gowns. The doctoral gown includes two crimson University of Alabama seals on the front panel of the gown, while the traditional doctoral bars are piped with crimson. Masters gowns have the UA seal embroidered in gray on the front tabs, and undergraduate gowns have the script A embroidered in crimson on the front tabs.

Members of The University of Alabama Board of Trustees wear black gowns trimmed in crimson velvet. The commencement marshal wears a charcoal gray gown trimmed in crimson velvet. Graduates may be identified by the color of the tassel on the mortar board, which signifies the school, or if they are receiving an advanced degree, the color of the band on the hood, which signifies the field of study.

Doctor of Education	Light Blue

The University of Alabama awards degrees with honors to undergraduate students in all schools and colleges who, throughout their academic careers, consistently achieved meritorious scholastic standing. These designations are summa cum laude, magna cum laude and cum laude. Summa cum laude is the highest academic distinction awarded. Degree candidates with honors wear stoles in the traditional colors of their school or college. Honors designations are calculated on the previous semester's grade point average. The honor announced, depending upon calculation of final grade point average, may change, or in some cases, the degree candidate may not actually graduate with an honor designation. Undergraduate degree candidates wearing the crimson mortar board have achieved a perfect 4.0 grade point average for all of their University of Alabama coursework. Silver cords indicate the University Honors Program, and purple cords represent the Randall Research Scholars Program.

At the conclusion of the ceremony, the audience will rise for the singing of the "Alma Mater" and the recessional. The words to the "Alma Mater" are printed on page 77 of the program. The recessional is led by the platform party, followed by the faculty and the candidates.

The University of Alabama conditionally confers degrees at the commencement ceremony, pending final review of the student's academic records.

Safety Tips

At The University of Alabama, your safety and well-being are our highest priority.

In the interest of safety, please note all exit signs and identify the exit closest to you. If you or someone you are accompanying requires mobility assistance, please take note of evacuation routes that will best accommodate.

If an evacuation of Coleman Coliseum is necessary, University officials will direct you to exit the premises in a calm and orderly manner. Staff will be located throughout the venue to assist you.

If an emergency requires the assembly to shelter in place, University officials will direct you to the best available refuge areas in the facility. Staff will be available to direct you to these locations.

In the event of an emergency, call UAPD at 205-348-5454 or 911 to request police, fire or ambulance response. Any injury requiring first aid should be reported immediately to venue staff or by calling 205-348-5454 or 911.

Alma Mater

Alabama, listen, Mother,
To our vows of love,
To thyself and to each other,
Faithful friends we'll prove.

Chorus
Faithful, loyal, firm and true
Heart bound to heart will beat.
Year by year, the ages through
Until in Heaven we meet.

College days are swiftly fleeting,
Soon we'll leave their halls
Ne'er to join another meeting
'Neath their hallowed walls.

Chorus

So, farewell, dear Alma Mater
May thy name, we pray,
Be rev'renced ever, pure and stainless
As it is today.

UNIVERSITY OF ALABAMA AT BIRMINGHAM

Commencement

FRIDAY, AUGUST 12, 2022
AND
SATURDAY, AUGUST 13, 2022
BARTOW ARENA
BIRMINGHAM, ALABAMA

TO OUR GUESTS

Welcome to the Summer 2022 Commencement of The University of Alabama at Birmingham. The pageantry of today's ceremony is the culmination and recognition of years of study, preparation, and achievement of our 83rd class of graduates. We hope you find the ceremony both meaningful and memorable, as it reflects the combined efforts of the faculty, the staff, and, of course, our students and their families.

Commencement begins with the traditional academic procession. The graduates are led into Bartow Arena by marshals who are faculty members in their respective college and schools. The faculty, headed by a distinguished group of emeriti professors, follow in order of academic rank and seniority. The last group to enter is the platform party led by the UAB Academic Mace (see page 12). For the Commencement ceremonies, the mace is carried by Eugenia Kharlampieva, Ph.D., Distinguished Professor in the Department of Chemistry in the College of Arts and Sciences. She is a recipient of the 2022 Caroline P. and Charles W. Ireland Prize for Scholarly Distinction which recognizes, rewards, and encourages scholarly distinction in the arts and science. Dr. Kharlampieva is a polymer and materials chemist with research interests in the design and synthesis of polymeric materials for biomedical applications. At UAB, her works centers at the intersection of polymer chemistry, nanotechnology, and biomedical sciences focusing on the synthesis and assembly of water-soluble stimuli-responsive macromolecules to develop novel nanostructured materials as "intelligent" platforms for therapeutic applications such as controlled drug delivery, regenerative medicine, and biosensing. Next are Ray L. Watts, M.D., President of The University of Alabama at Birmingham, members of The Board of Trustees of The University of Alabama System, and representatives from The University of Alabama System's Office. Other persons in the platform party include distinguished guests, as well as UAB senior administration and deans.

The audience is asked to stand as the procession enters the arena and to remain standing through the singing of the National Anthem.

President Watts closes the ceremony after all degrees have been awarded and the UAB Alma Mater has been sung. The audience is asked to stand and to remain standing for the recessional of the platform party. Family and friends are asked to meet the new alumni outside of Bartow Arena; they will not be allowed on the arena floor.

ORDER OF EXERCISES

THE UNIVERSITY OF ALABAMA AT BIRMINGHAM

Over the five decades since its founding in 1969, the University of Alabama at Birmingham (UAB) has earned international renown for its innovative academic programs, groundbreaking research and scholarship, and leading-edge patient care. Throughout the global pandemic, UAB has played a leading role in combatting COVID-19 nationally and globally, treating more than 7,000 COVID patients, administering more than 276,000 vaccinations, and participating in a number of clinical trials for potential treatments and vaccines. At the same time, the university has continued making record-breaking strides in all pillars of its mission, despite the pandemic.

In fall 2021, UAB enrolled the largest and most diverse freshman class in university history: 2,415 students, with 45.4 percent coming from underrepresented groups and 28 percent of the class the first in their families to go to college. The average ACT score for first-time freshmen was 26.5 and the average GPA was 3.82. A record 80 percent of freshmen lived on campus in fall 2021. The Honors College also reported record total enrollment of 2,590 students.

UAB is currently implementing its new Signature Core Curriculum, now known as Blazer Core, a 21st century undergraduate curriculum focused on experiential learning in the real world that effectively equips students to think critically and collaborate on solutions to local and global challenges. In the 2023 U.S. News & World Report "Best Graduate Schools" rankings, UAB has 16 programs in the top 25, including a Master's in Health Administration program that ranks first in the nation.

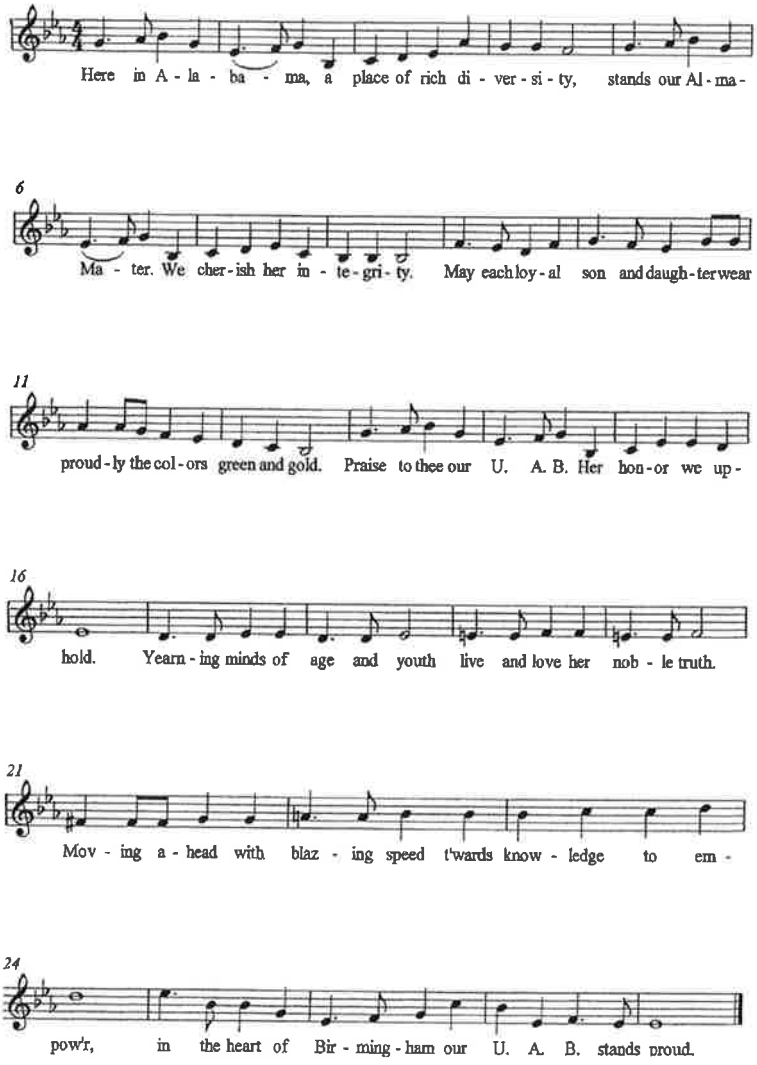

Students and their faculty mentors are engaged in a robust research enterprise that is more competitive than ever. In FY2021, research awards surpassed $648 million, marking the most successful five-year period of research funding in the university's history, with an increase of $196 million (43 percent) over that span. Among public universities, UAB ranks 17th in federal research funding and 11th in funding from the National Institutes of Health (NIH), with all UAB health-related schools ranked among the top 12 in NIH funding among public universities. The School of Medicine will be even more competitive thanks to the single largest philanthropic commitment in university history, a $100-million investment announced in fall 2021 that establishes the UAB Marnix E. Heersink School of Medicine.

This research is being translated into world-class patient care. UAB Hospital — the nation's eighth largest hospital — was again ranked by U.S. News & World Report as the best hospital in Alabama in its 2022-2023 list, with eight adult specialties ranked among the nation's best. UAB Hospital earned Magnet Designation for Nursing Excellence for the fifth straight time, among only 21 hospitals worldwide to achieve this recognition. UAB houses the state's only level 1 adult trauma center and level 1 geriatric emergency department, as well as the O'Neal Comprehensive Cancer Center, the only National Cancer Institute-designated comprehensive cancer center in Alabama. In June 2022, the O'Neal Comprehensive Cancer Center celebrated its 50th anniversary and was awarded a $27.5-million renewal of its core support grant from the National Cancer Institute.

With more than 26,000 employees and spanning 100 city blocks, UAB is the largest single-site employer in Alabama, with a statewide economic impact of $7.1 billion annually. Forbes recently ranked UAB number one on its list of Best Large Employers (above the likes of Mayo Clinic, NASA and Google) and the Best Employer for Diversity among colleges and universities. And for the fourth straight year, Insight into Diversity magazine named UAB one of its Diversity Champions (among only 14 universities nationally).

UAB ALMA MATER

The UAB Alma Mater was composed by Birmingham native David McNeeley in 2003. A competition was held, and a committee comprising UAB faculty, administrators, students, and alumni selected it from numerous submissions. The Alma Mater expresses the unifying sentiments of pride, respect, and cherished memories for the university.

THE ACADEMIC COSTUME

The custom of wearing academic caps, gowns, and hoods can be traced to the twelfth century. At that time both men and women wore long, full, flowing robes. This mode of dress gradually changed so that by the end of the seventeenth century only legal and official personages wore gowns. However, certain guilds and universities established the tradition of wearing prescribed apparel. In the universities, the details of the dress distinguished different degrees of learning and the faculty. In the United States, as a result of our English heritage, caps and gowns have been used from colonial times, especially at our older universities such as Columbia (King's College), New York University, University of Pennsylvania, Bryn Mawr, Yale, and others. Around 1885 there was a widespread student movement to wear caps and gowns at commencement. The faculties approved this dignified graduation dress and soon adopted the custom of wearing gowns at academic ceremonies.

In 1895, the Intercollegiate Commission presented American institutions of higher learning the Intercollegiate Code. This code regulated the design of gowns and hoods as well as the colors and materials to be used. The code was subsequently adopted by more than 95 percent of U.S. colleges and universities. It has given America an impressive but simple method of signifying scholastic honors.

The code provides for three types of gowns. The gown for the bachelor's degree is made of green material and has long pointed sleeves. The gown for the master's degree is made with an oblong sleeve open at the wrist. The rear part of this oblong shape is square cut and the front part has an arc cut away. The gown for the doctor's degree has bell-shaped sleeves. It is faced with velvet and has three bars of velvet on each sleeve. The color of the velvet trim may be black or the same color as the velvet which edges the gown.

The green oxford or mortarboard-style cap is worn for all degrees, but only the doctor's cap may be made of velvet and have a gold tassel.

The hood is the most important and distinctive feature of the American code. An understanding of the system makes it possible to distinguish readily bachelor's, master's, and doctor's hoods and to recognize the university which gave the degree. The doctor's hood is four feet in length and made with a wide panel. The master's and bachelor's hoods are three and one-half and three feet in length, respectively. They are made of black cloth and are lined with silk in the official academic colors of the institution which conferred the degree. The hoods worn by graduates of The University of Alabama at Birmingham are lined in green silk with a gold chevron. The trim of all hoods is velvet, two inches, three inches, and five inches wide for bachelor's, master's, and doctor's degrees, respectively. The color of the velvet trim indicates the discipline or faculty to which the degree pertains. Each discipline has been assigned a different color by the Intercollegiate Code. The following is a list of colors assigned to several of the disciplines within The University of Alabama at Birmingham.

Arts	*White*	Nursing	*Apricot*
Business	*Drab*	Optometry	*Seafoam green*
Dentistry	*Lilac*	Philosophy	*Dark Blue*
Education	*Light Blue*	Public Health	*Salmon Pink*
Engineering	*Orange*	Science	*Gold-yellow*
Fine Arts	*Brown*	Social Science	*Citron*
Medicine	*Green*		

A few years ago some Ivy League colleges approved the wearing of gowns which were not black but the official school colors. This trend has expanded so that currently many colleges and universities have adopted special colored gowns. The members of The Board of Trustees of The University of Alabama system wear a green gown with gold trim at The University of Alabama at Birmingham academic ceremonies. Colored gowns worn by many faculty identify the doctoral degrees of many American and foreign universities.

THE CEREMONIAL ACADEMIC MACE

The ceremonial academic mace appeared in European universities during the fourteenth century and represented the amalgamation of two much older staff-like devices of similar length and shape. These were the regal scepter and the medieval battle mace. Kings throughout history have carried scepters as insignia of the lawful authority of just rulers. The battle mace was first used by medieval princes as an effective hand weapon in combat.

In the fourteenth century, the royal scepter and the battle mace were combined to produce the ceremonial academic mace. It was carried before royalty, mayors of cities, and chief officers of the medieval universities.

In modern times, the mace is used on ceremonial occasions in the life of the university. In commencement exercises, the mace specifically indicates the authority of the university president to award degrees. The mace immediately precedes the presidential party in the ceremonial procession. For the Commencement ceremonies, the mace is carried by Eugenia Kharlampieva, Ph.D., Distinguished Professor in the Department of Chemistry in the College of Arts and Sciences. She is a recipient of the 2022 Caroline P. and Charles W. Ireland Prize for Scholarly Distinction which recognizes, rewards, and encourages scholarly distinction in the arts and science. Dr. Kharlampieva is a polymer and materials chemist with research interests in the design and synthesis of polymeric materials for biomedical applications. At UAB, her works centers at the intersection of polymer chemistry, nanotechnology, and biomedical sciences focusing on the synthesis and assembly of water-soluble stimuli-responsive macromolecules to develop novel nanostructured materials as "intelligent" platforms for therapeutic applications such as controlled drug delivery, regenerative medicine, and biosensing.

The UAB mace is fashioned in three metals: brass, bronze, and stainless steel. The use of these metals--especially the stainless steel--is intended to signify Birmingham's traditional role as an iron and steel producing center.

At the lower end of the mace are three medallions of enamel on copper. One medallion bears the image of the lamp of knowledge. Another bears the traditional symbol of the physician, the Caduceus (Aesculapius, Greco-Roman god of medicine, was embodied at the temple of Kos as a statue holding a serpent, a symbol of long life, healing, and knowledge. A staff and a second serpent were added later to form the Caduceus). The third medallion is the UAB logo in gold on a green enamel background with a red enamel glow on the collar to symbolize the molten metal characteristic of old Birmingham and its blast furnaces.

THE CEREMONIAL ACADEMIC MACE

The UAB mace was commissioned, designed, and executed in 1989 by the noted Alabama sculptor, Cordray Parker, with the help of Heidi J. Bowman on the enameled medallions. In 2021, Jamey Worrell, Ph.D., professor of accounting in the Collat School of Business, handcrafted a new stand for the mace. He sourced lumber from felled trees on UAB's campus and around Birmingham, selecting wood that represents some of the university's best qualities: oak for strength, hickory for resiliency, elm for knowledge, and cherry for passion.

The mace was made possible through the generosity of the late Samuel B. Barker, Ph.D., and his late wife, Justine. Dr. Barker, distinguished professor emeritus and dean emeritus of UAB, was the first dean of the UAB Graduate School and a leading patron of the arts in Birmingham

THE ACADEMIC GONFALONS

The academic gonfalons feature the UAB logo, the university seal and the name of the schools in white on a background of black, in keeping with the traditional black academic gowns worn by students and faculty. Each gonfalon also features a border of the school's academic color, which is repeated across the entire back of the banner. The exception is the UAB gonfalon, which features white letters on a green background, bordered and backed in gold, denoting UAB's official colors.

THE UAB PRESIDENT'S MEDAL

The UAB President's Medal is designed to recognize individuals who have attained scholarly distinction and/or have rendered distinguished service to UAB. Recipients are selected by the President of UAB upon the advice and recommendation of senior university officials. Selection as the recipient of this medal is one of the highest honors bestowed by UAB.

The award is comprised of an antique brass medallion and plaque, suitably inscribed, mounted in a cherry stand. The UAB President's Medal is awarded at a commencement ceremony.

UAB THE UNIVERSITY OF ALABAMA AT BIRMINGHAM

Dear UAB Graduate,

What an incredible day – you are now an official University of Alabama at Birmingham graduate! I hope you celebrate BIG! On behalf of the UAB National Alumni Society, I want to personally congratulate you on your remarkable achievement and welcome you to the UAB NAS. You join more than 150,000 graduates around the globe and are an important member of our growing Alumni Family.

Today marks an important watershed moment – one that you will remember for years to come. As you reflect back to this time, you will likely remember how COVID impacted your studies, how you witnessed private industry space travel, UAB's storybook return of our beloved football program, or our American Athletic Conference invitation. However, the one thing that will be forever etched in your memories, will be the day you graduated from UAB.

Engage with us on our social media platforms Instagram, Facebook, and Twitter (@uabalumni). This is an easy way to gain insight, network, and be informed on all things UAB. I also encourage you to "Be Seen In Green," stay connected with all the ways our awesome UAB Alums impact our world, and remain "Forever Faithful, Forever Loyal." On a personal note, I would also encourage you to remember to continue learning – it's a lifetime mission and who knows, your travels may lead you back to UAB for further learning opportunities. To learn about upcoming events and ways to further engage, check out our website at alumni.uab.edu.

Remember that you wherever you go, and however you apply yourself in the new world ahead of you, you will always carry UAB with you. Your studies and experiences while at UAB will contribute to your future achievements and the footprints you create in your professional journey. We encourage you to stay connected, take advantage of what our Alumni Society has to offer, and continue networking with fellow graduates. We want to share in your accomplishments! Finally, you may remember that in 2019, we changed our UAB National Alumni Society dues structure. The good news is that you are no longer required to pay dues, or "sign up," to "belong" – **you are already "IN!"**

I look forward to seeing you at events and/or games!

Go Blazers,

Tammi M. Thomas

CANDIDATES FOR DEGREES

HONORS DESIGNATIONS

The University of Alabama at Birmingham awards degrees with special designations to students who have achieved meritorious scholastic standing. Honor designations for undergraduates are based on grades reported prior to the completion of spring semester and may not reflect all earned honors. The designations are as follows:

Designation	Grade Point Average (A=4.00)
Summa Cum Laude	3.90 - 4.00
Magna Cum Laude	3.70 - 3.89
Cum Laude	3.50 - 3.69

An undergraduate student graduating with Summa, Magna, or Cum Laude honors is also accorded the privilege of wearing a gold honors cord.

The UAB Honors College brings together high-achieving intellectually curious students from all majors to form a close-knit community of emerging scholars. Honors students may follow a personalized curriculum or specialize in global and community leadership (GCL), science and technology (STH), or interdisciplinary arts and sciences (UHP). Honors students are recognized with "distinguished honors" for earning 18 hours of honors credit and "high distinguished honors" for 30 or more hours of honors credits. Students completing honors requirements wear a white cord and a UAB Honors College medallion.

School of Dentistry – The "With Honors" designation indicates at least a B average, completion of an approved plan of study and research, and completion of a relevant thesis.

Schools of Medicine and Optometry – Honors are given to those in the upper ten percent of their class based on overall grade point average. The designation Magna Cum Laude and Summa Cum Laude are not routinely awarded. Any graduate receiving such a designation is outstanding in ability and performance.

Veterans who have served in the United States Armed Forces wear a red, white and blue cord.

ACADEMIC

This is a list of candidates for graduation unless otherwise noted, prepared before final grades were reported, and inclusion therein does not constitute evidence of graduation.

UNIVERSITY OF ALABAMA AT BIRMINGHAM

Commencement

FRIDAY, DECEMBER 9, 2022

AND

SATURDAY, DECEMBER 10, 2022

BARTOW ARENA

BIRMINGHAM, ALABAMA

TO OUR GUESTS

Welcome to the Fall 2022 Commencement of The University of Alabama at Birmingham. The pageantry of today's ceremony is the culmination and recognition of years of study, preparation, and achievement of our 84th class of graduates. We hope you find the ceremony both meaningful and memorable, as it reflects the combined efforts of the faculty, the staff, and, of course, our students and their families.

Commencement begins with the traditional academic procession. The graduates are led into Bartow Arena by marshals who are faculty members in their respective college and schools. The faculty, headed by a distinguished group of emeriti professors, follow in order of academic rank and seniority. The last group to enter is the platform party led by the UAB Academic Mace (see page 12). For both the Friday evening ceremony and the Saturday morning ceremony, the mace is carried by Jacqueline A. Nikles, Ph.D., Professor in the Department of Chemistry. She is a recipient of the 2022 Ellen Gregg Ingalls/UAB National Alumni Society Award for Lifetime Achievement in Teaching. In addition to holding the rank of Professor, she is also the Coordinator for Undergraduate Organic Chemistry. Next are Ray L. Watts, M.D., President of The University of Alabama at Birmingham, members of The Board of Trustees of The University of Alabama System, and representatives from The University of Alabama System's Office. Other persons in the platform party include distinguished guests, as well as UAB senior administration and deans.

The audience is asked to stand as the procession enters the arena and to remain standing through the singing of the National Anthem.

President Watts closes the ceremony after all degrees have been awarded and the UAB Alma Mater has been sung. The audience is asked to stand and to remain standing for the recessional of the platform party. Family and friends are asked to meet the new alumni outside of Bartow Arena; they will not be allowed on the arena floor.

THE UNIVERSITY OF ALABAMA AT BIRMINGHAM

Over the five decades since its founding in 1969, the University of Alabama at Birmingham (UAB) has earned international renown for its innovative academic programs, groundbreaking research and scholarship, and leading-edge patient care. In the 2022-2023 U.S. News "Best Global Universities" rankings, which focus on academic research and overall reputation, UAB was in the top 8 percent globally.

In fall 2022, UAB marked the fifth straight year to surpass 21,500 students enrolled (21,639). The freshman class was the most diverse in university history: 2,217 students, with 55 percent coming from underrepresented groups and 35 percent of the class the first in their families to go to college. The average ACT score for first-time freshmen was 26.5 and the average GPA was 3.79. A record number of international students (1,416) from 84 countries (up 41 percent over five years) were enrolled in fall 2022. The UAB Honors College experienced record enrollment of 2,631 students, including 661 freshmen.

UAB is currently implementing its new Blazer Core Curriculum, a 21st century undergraduate curriculum focused on experiential learning in the real world that effectively equips students to think critically and collaborate on solutions to local and global challenges. In the 2023 U.S. News & World Report "Best Graduate Schools" rankings, UAB has 16 programs in the top 25, including a Master's in Health Administration program that ranks first in the nation.

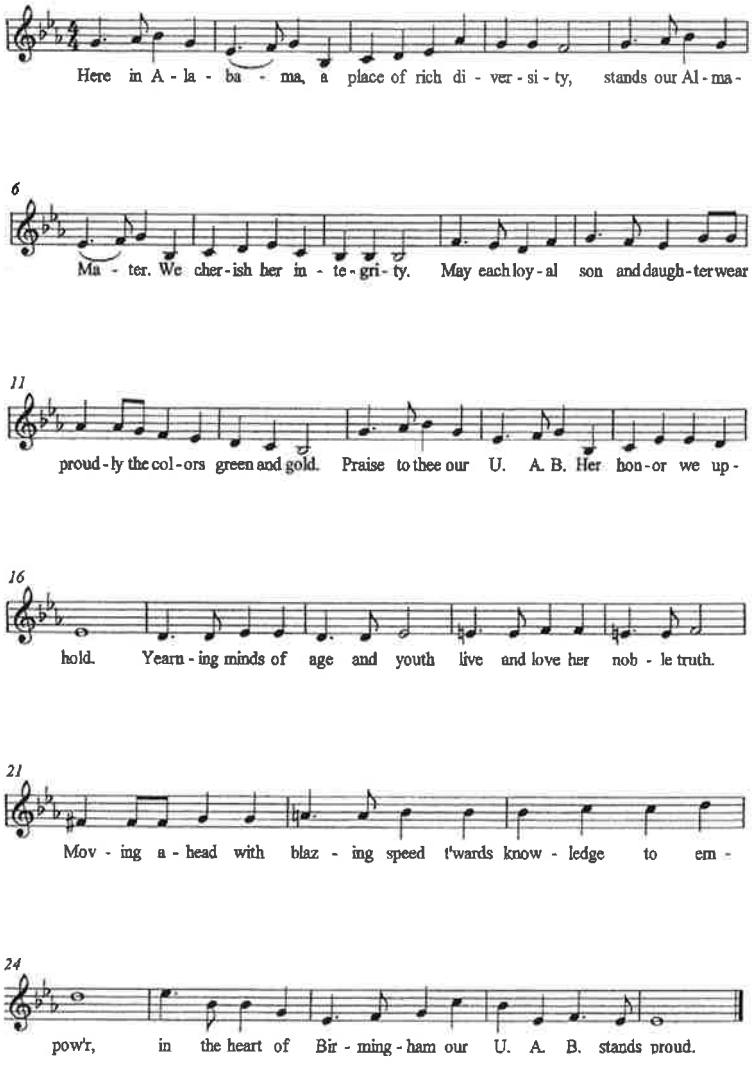

Students and their faculty mentors are engaged in a robust research enterprise that is more competitive than ever. In FY2022, research awards reached $715 million, marking the most successful five-year period of research funding in the university's history, with an increase of $237 million (50 percent) over that span. Among public universities, UAB ranks 17th in federal research funding and 11th in funding from the National Institutes of Health (NIH), and in the top 1 percent of all NIH-funded organizations — public, private, and international. The schools of Health Professions (second), Optometry (fifth), and Nursing (sixth) are all in the top 10 nationally in NIH funding. The Heersink School of Medicine ranks third nationwide in NIH funding growth from FY2013 to FY2021, with a 98 percent increase over that span.

This research is being translated into world-class patient care. UAB Hospital — the nation's eighth largest hospital — was again ranked by U.S. News & World Report as the best hospital in Alabama in its 2022-2023 list, with eight adult specialties ranked among the nation's best. UAB Hospital earned Magnet Designation for Nursing Excellence for the fifth straight time, among only 21 hospitals worldwide to achieve this recognition. UAB houses the state's only level 1 adult trauma center and level 1 geriatric emergency department, as well as the O'Neal Comprehensive Cancer Center, the only National Cancer Institute-designated comprehensive cancer center in Alabama. In June 2022, the O'Neal Comprehensive Cancer Center celebrated its 50th anniversary and was awarded a $27.5-million renewal of its core support grant from the National Cancer Institute.

With more than 26,000 employees and spanning 100 city blocks, UAB is the largest single-site employer in Alabama, with a statewide economic impact of $7.1 billion annually. In 2021, Forbes ranked UAB number one on its list of Best Large Employers (above the likes of Mayo Clinic, NASA, and Google) and the Best Employer for Diversity among colleges and universities. And for the fifth straight year, Insight into Diversity magazine named UAB one of its Diversity Champions (among only 16 universities nationally).

UAB ALMA MATER

The UAB Alma Mater was composed by Birmingham native David McNeeley in 2003. A competition was held, and a committee comprising UAB faculty, administrators, students, and alumni selected it from numerous submissions. The Alma Mater expresses the unifying sentiments of pride, respect, and cherished memories for the university.

THE ACADEMIC COSTUME

The custom of wearing academic caps, gowns, and hoods can be traced to the twelfth century. At that time both men and women wore long, full, flowing robes. This mode of dress gradually changed so that by the end of the seventeenth century only legal and official personages wore gowns. However, certain guilds and universities established the tradition of wearing prescribed apparel. In the universities, the details of the dress distinguished different degrees of learning and the faculty. In the United States, as a result of our English heritage, caps and gowns have been used from colonial times, especially at our older universities such as Columbia (King's College), New York University, University of Pennsylvania, Bryn Mawr, Yale, and others. Around 1885 there was a widespread student movement to wear caps and gowns at commencement. The faculties approved this dignified graduation dress and soon adopted the custom of wearing gowns at academic ceremonies.

In 1895, the Intercollegiate Commission presented American institutions of higher learning the Intercollegiate Code. This code regulated the design of gowns and hoods as well as the colors and materials to be used. The code was subsequently adopted by more than 95 percent of U.S. colleges and universities. It has given America an impressive but simple method of signifying scholastic honors.

The code provides for three types of gowns. The gown for the bachelor's degree is made of green material and has long pointed sleeves. The gown for the master's degree is made with an oblong sleeve open at the wrist. The rear part of this oblong shape is square cut and the front part has an arc cut away. The gown for the doctor's degree has bell-shaped sleeves. It is faced with velvet and has three bars of velvet on each sleeve. The color of the velvet trim may be black or the same color as the velvet which edges the gown.

The green oxford or mortarboard-style cap is worn for all degrees, but only the doctor's cap may be made of velvet and have a gold tassel.

The hood is the most important and distinctive feature of the American code. An understanding of the system makes it possible to distinguish readily bachelor's, master's, and doctor's hoods and to recognize the university which gave the degree. The doctor's hood is four feet in length and made with a wide panel. The master's and bachelor's hoods are three and one-half and three feet in length, respectively. They are made of black cloth and are lined with silk in the official academic colors of the institution which conferred the degree. The hoods worn by graduates of The University of Alabama at Birmingham are lined in green silk with a gold chevron. The trim of all hoods is velvet, two inches, three inches, and five inches wide for bachelor's, master's, and doctor's degrees, respectively. The color of the velvet trim indicates the discipline or faculty to which the degree pertains. Each discipline has been assigned a different color by the Intercollegiate Code. The following is a list of colors assigned to several of the disciplines within The University of Alabama at Birmingham.

Arts	*White*	Nursing	*Apricot*
Business	*Drab*	Optometry	*Seafoam green*
Dentistry	*Lilac*	Philosophy	*Dark Blue*
Education	*Light Blue*	Public Health	*Salmon Pink*
Engineering	*Orange*	Science	*Gold-yellow*
Fine Arts	*Brown*	Social Science	*Citron*
Medicine	*Green*		

A few years ago some Ivy League colleges approved the wearing of gowns which were not black but the official school colors. This trend has expanded so that currently many colleges and universities have adopted special colored gowns. The members of The Board of Trustees of The University of Alabama system wear a green gown with gold trim at The University of Alabama at Birmingham academic ceremonies. Colored gowns worn by many faculty identify the doctoral degrees of many American and foreign universities.

THE CEREMONIAL ACADEMIC MACE

The ceremonial academic mace appeared in European universities during the fourteenth century and represented the amalgamation of two much older staff-like devices of similar length and shape. These were the regal scepter and the medieval battle mace. Kings throughout history have carried scepters as insignia of the lawful authority of just rulers. The battle mace was first used by medieval princes as an effective hand weapon in combat.

In the fourteenth century, the royal scepter and the battle mace were combined to produce the ceremonial academic mace. It was carried before royalty, mayors of cities, and chief officers of the medieval universities.

In modern times, the mace is used on ceremonial occasions in the life of the university. In commencement exercises, the mace specifically indicates the authority of the university president to award degrees. The mace immediately precedes the presidential party in the ceremonial procession. For the Commencement ceremonies, the mace is carried by Jacqueline A. Nikles, Ph.D., Professor in the Department of Chemistry. She is a recipient of the 2022 Ellen Gregg Ingalls/UAB National Alumni Society Award for Lifetime Achievement in Teaching. In addition to holding the rank of Professor, she is also the Coordinator for Undergraduate Organic Chemistry.

The UAB mace is fashioned in three metals: brass, bronze, and stainless steel. The use of these metals--especially the stainless steel--is intended to signify Birmingham's traditional role as an iron and steel producing center.

At the lower end of the mace are three medallions of enamel on copper. One medallion bears the image of the lamp of knowledge. Another bears the traditional symbol of the physician, the Caduceus (Aesculapius, Greco-Roman god of medicine, was embodied at the temple of Kos as a statue holding a serpent, a symbol of long life, healing, and knowledge. A staff and a second serpent were added later to form the Caduceus). The third medallion is the UAB logo in gold on a green enamel background with a red enamel glow on the collar to symbolize the molten metal characteristic of old Birmingham and its blast furnaces.

The UAB mace was commissioned, designed, and executed in 1989 by the noted Alabama sculptor, Cordray Parker, with the help of Heidi J. Bowman on the enameled medallions. In 2021, Jamey Worrell, Ph.D., professor of accounting in the Collat School of Business, handcrafted a new stand for the mace. He sourced lumber from felled trees on UAB's campus and around Birmingham, selecting wood that represents some of the university's best qualities: oak for strength, hickory for resiliency, elm for knowledge, and cherry for passion.

The mace was made possible through the generosity of the late Samuel B. Barker, Ph.D., and his late wife, Justine. Dr. Barker, distinguished professor emeritus and dean emeritus of UAB, was the first dean of the UAB Graduate School and a leading patron of the arts in Birmingham

THE ACADEMIC GONFALONS

The academic gonfalons feature the UAB logo, the university seal and the name of the schools in white on a background of black, in keeping with the traditional black academic gowns worn by students and faculty. Each gonfalon also features a border of the school's academic color, which is repeated across the entire back of the banner. The exception is the UAB gonfalon, which features white letters on a green background, bordered and backed in gold, denoting UAB's official colors.

THE UAB PRESIDENT'S MEDAL

The UAB President's Medal is designed to recognize individuals who have attained scholarly distinction and/or have rendered distinguished service to UAB. Recipients are selected by the President of UAB upon the advice and recommendation of senior university officials. Selection as the recipient of this medal is one of the highest honors bestowed by UAB.

The award is comprised of an antique brass medallion and plaque, suitably inscribed, mounted in a cherry stand. The UAB President's Medal is awarded at a commencement ceremony.

2022 RECIPIENT OF THE UAB PRESIDENT'S MEDAL

Charles D. Perry, Jr., Founder and Chair, Alabama Capital Network

Citation Excerpts Read by President Ray L. Watts, M.D.

Charles D. Perry, Jr. is widely respected as a successful businessman, philanthropist and civic leader throughout Birmingham and the state of Alabama. Mr. Perry is co-founder and Chairman of the Board of Alabama Capital Network, a community economic development organization facilitating growth in Alabama's entrepreneurial ecosystem. He is also co-founder and a principal of the Birmingham investment firm Highland Associates, where he served as President and Chairman of the Board until the firm was acquired by Regions Financial Corporation in 2019. Prior to founding Highland Associates in 1986, Mr. Perry worked with the investment management consulting group Interstate/Johnson Lane Securities and Dean Witter Reynolds stock brokerage.

A Birmingham native and graduate of Mountain Brook High School, Mr. Perry earned his B.S in economics from Washington and Lee University in 1973.

He and wife Sheri have had a tremendous impact on the UAB campus and are among UAB's Top 250 Donors. They have generously provided funds to the Collat School of Business Department of Finance, establishing the Charles and Sheri Perry, Jr., Endowed Scholarship to financially support deserving students who might otherwise be unable to attend. They have also made significant contributions to other areas of campus including the Abroms-Engel Institute for the Visual Arts, the Alys Robinson Stephens Center for the Performing Arts, UAB Athletics, the O'Neal Comprehensive Cancer Center, UAB School of Nursing, WBHM, and the UAB Educational Foundation.

Mr. Perry is current president of the UAB O'Neal Comprehensive Cancer Center Advisory Board and also serves on the boards of UAB Health System, the Alys Robinson Stephens Center corporate board (chair, 2013-2019), and UAB Business Influencers. He previously served on the boards of the University of Alabama Health Services Foundation, The Campaign for UAB, UAB Educational Foundation, UAB School of Nursing Board of Visitors, and UAB Diabetes Trust Foundation.

Beyond UAB campus, Mr. and Mrs. Perry have been stalwart supporters and financial contributors to many civic and educational organizations including the Community Foundation of Greater Birmingham, Birmingham Zoo, Alabama Symphony Orchestra, Alzheimer's of Central Alabama, Grace House Ministries, Birmingham Botanical Garden, McWane Science Center, Birmingham Museum of Art Foundation, Friends of the Birmingham Public Library, and United Way of Central Alabama. Mr. Perry was president of the Rotary Club of Birmingham in 2010 and continues to serve on that organization's board as well as the boards of the Alabama Symphony Orchestra, Alabama Capital Network, Alabama Symphony Endowment, Birmingham Southern College, Birmingham Business Alliance, Alabama Christian Foundation, Mike Slive Foundation, Linly Heflin Organization, and Boy Scouts of Central Alabama.

Mr. and Mrs. Perry are the proud parents of three children who have gone on to successful careers of their own. Chase Perry is a managing partner at Nashville Capital

Network. John Perry is the chief marketing officer at ARC Realty Co., based in Birmingham. Katherine Perry Glenn is a Landscape Architect with LIV Development also based in Birmingham.

In recognition of his exemplary service to UAB, our community, and the state of Alabama, The University of Alabama at Birmingham is privileged to confer upon Charles D. Perry, Jr. the 2022 President's Medal.

UAB THE UNIVERSITY OF ALABAMA AT BIRMINGHAM

Dear UAB Graduate,

As President of the UAB National Alumni Society, I want to congratulate you on becoming the university's newest alumni and the newest member of our alumni family. It's a large and unique community of over 156,000 alumni spread all over our metro area, state, nation and the world. You have lived through a historic pandemic, the opening of new buildings on campus, and now your graduation from UAB. Previous alums have Blazed the trail for you and stand ready to assist you in all your endeavors.

Engage with us on our social media platforms: Instagram, Facebook, and Twitter (@uabalumni). This is an easy way to gain insight, network, and be informed on all things UAB. I also encourage you to "Be Seen in Green," stay connected with all the ways our awesome UAB alumni impact our world, and remain "Ever Faithful, Ever Loyal." On a personal note, I would also encourage you to remember to continue learning – it's a lifetime mission that may lead you back to UAB for future learning opportunities. To learn about upcoming events and ways to further engage, check out our website at alumni.uab.edu.

The UAB alumni community transcends generations and geographical boundaries. Among you are entrepreneurs, scientists, performing artists, educators, volunteers, and public servants. Differences abound within our community, but we also share core values – a commitment to service, a belief in access and opportunity, the drive to make a positive difference – that unite us. The UAB National Alumni Society Board and I encourage you to stay connected, take advantage of all our Alumni Society has to offer, and continue networking with fellow graduates. We want to share your accomplishments! You are already "IN" as a member of the NAS upon graduation.

In closing, let me again congratulate you on your accomplishments and welcome to the UAB National Alumni Society.

Go Blazers,

Catherine S. Amos

CANDIDATES FOR DEGREES

HONORS DESIGNATIONS

The University of Alabama at Birmingham awards degrees with special designations to students who have achieved meritorious scholastic standing. Honor designations for undergraduates are based on grades reported prior to the completion of spring semester and may not reflect all earned honors. The designations are as follows:

Designation	Grade Point Average (A=4.00)
Summa Cum Laude	3.90 - 4.00
Magna Cum Laude	3.70 - 3.89
Cum Laude	3.50 - 3.69

An undergraduate student graduating with Summa, Magna, or Cum Laude honors is also accorded the privilege of wearing a gold honors cord.

The UAB Honors College brings together high-achieving intellectually curious students from all majors to form a close-knit community of emerging scholars. Honors students may follow a personalized curriculum or specialize in global and community leadership (GCL), science and technology (STH), or interdisciplinary arts and sciences (UHP). Honors students are recognized with "distinguished honors" for earning 18 hours of honors credit and "high distinguished honors" for 30 or more hours of honors credits. Students completing honors requirements wear a white cord and a UAB Honors College medallion.

School of Dentistry – The "With Honors" designation indicates at least a B average, completion of an approved plan of study and research, and completion of a relevant thesis.

Schools of Medicine and Optometry – Honors are given to those in the upper ten percent of their class based on overall grade point average. The designation Magna Cum Laude and Summa Cum Laude are not routinely awarded. Any graduate receiving such a designation is outstanding in ability and performance.

Veterans who have served in the United States Armed Forces wear a red, white and blue cord.

ACADEMIC

This is a list of candidates for graduation unless otherwise noted, prepared before final grades were reported, and inclusion therein does not constitute evidence of graduation.

UNIVERSITY OF ALABAMA AT BIRMINGHAM

Commencement

FRIDAY, APRIL 28, 2023
AND
SATURDAY, APRIL 29, 2023
BARTOW ARENA
BIRMINGHAM, ALABAMA

TO OUR GUESTS

Welcome to the Spring 2023 Commencement of The University of Alabama at Birmingham. The pageantry of today's ceremony is the culmination and recognition of years of study, preparation, and achievement of our 85th class of graduates. We hope you find the ceremony both meaningful and memorable, as it reflects the combined efforts of the faculty, the staff, and, of course, our students and their families.

Commencement begins with the traditional academic procession. The graduates are led into Bartow Arena by marshals who are faculty members in their respective college and schools. The faculty, headed by a distinguished group of emeriti professors, follow in order of academic rank and seniority. The last group to enter is the platform party led by the UAB Academic Mace (see page 12). For the Commencement ceremonies, the mace is carried by Gregory E. Pence, Ph.D., Professor of Philosophy and Director of the UAB Early Medical School Acceptance Program. Next are Ray L. Watts, M.D., President of The University of Alabama at Birmingham, members of The Board of Trustees of The University of Alabama System, and representatives from The University of Alabama System's Office. Other persons in the platform party include distinguished guests, as well as UAB senior administration and deans.

The audience is asked to stand as the procession enters the arena and to remain standing through the singing of the National Anthem.

President Watts closes the ceremony after all degrees have been awarded and the UAB Alma Mater has been sung. The audience is asked to stand and to remain standing for the recessional of the platform party. Family and friends are asked to meet the new alumni outside of Bartow Arena; they will not be allowed on the arena floor.

THE UNIVERSITY OF ALABAMA AT BIRMINGHAM

Over the five decades since its founding in 1969, the University of Alabama at Birmingham has earned international renown for its innovative academic programs, groundbreaking research and scholarship, and leading-edge patient care. In the 2022-2023 U.S. News & World Report "Best Global Universities" rankings, which focus on academic research and overall reputation, UAB was in the top 8 percent globally.

In fall 2022, UAB marked the fifth straight year to surpass 21,500 students enrolled (21,639). The freshman class was the most diverse in university history: 2,217 students, with 55 percent coming from underrepresented groups and 35 percent of the class the first in their families to go to college. The average ACT score for first-time freshmen was 26.5 and the average GPA was 3.79. A record number of international students (1,476) from 84 countries (up 41 percent over five years) were enrolled in fall 2022. The UAB Honors College experienced record enrollment of 2,631 students, including 661 freshmen.

UAB is currently implementing its new Blazer Core Curriculum, a 21st century undergraduate curriculum focused on experiential learning in the real world that effectively equips students to think critically and collaborate on solutions to local and global challenges. In the 2023 U.S. News & World Report "Best Graduate Schools" rankings, UAB has 18 programs in the top 25, including a Master's in Health Administration program that ranks first in the nation.

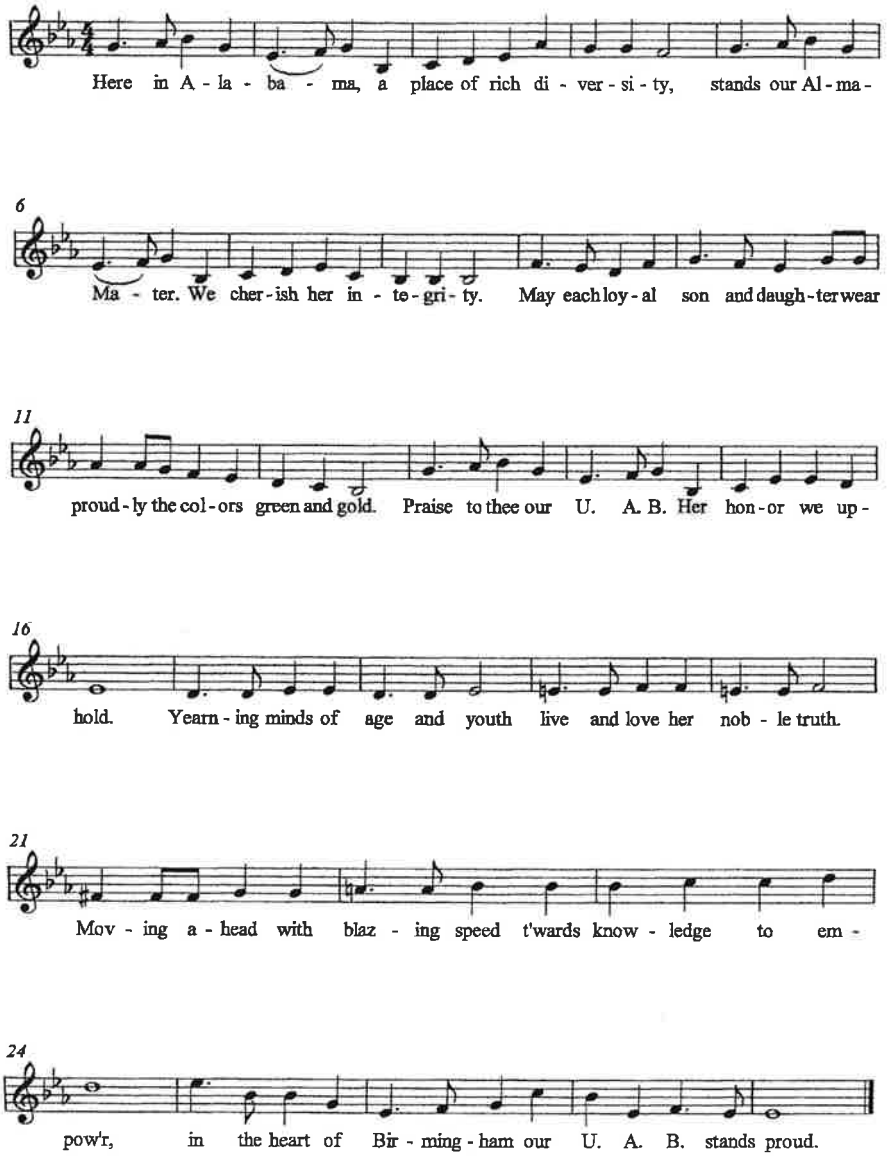

Students and their faculty mentors are engaged in a robust research enterprise that is more competitive than ever. In FY2022, research awards reached $715 million, marking the most successful five-year period of research funding in the university's history, with an increase of $237 million (50 percent) over that span. Among public universities, UAB ranks 17th in federal research funding and 11th in funding from the National Institutes of Health (NIH), and in the top 1 percent of all NIH-funded organizations — public, private, and international. The schools of Health Professions (second), Optometry (fifth), and Nursing (sixth) are all in the top 10 nationally in NIH funding. The Heersink School of Medicine ranks third nationwide in NIH funding growth from FY2013 to FY2021, with a 98 percent increase over that span.

This research is being translated into world-class patient care. UAB Hospital — the nation's eighth largest hospital — was again ranked by U.S. News & World Report as the best hospital in Alabama in its 2022-2023 list, with eight adult specialties ranked among the nation's best. UAB Hospital earned Magnet Designation for Nursing Excellence for the fifth straight time, among only 21 hospitals worldwide to achieve this recognition. UAB houses the state's only level 1 adult trauma center and level 1 geriatric emergency department, as well as the O'Neal Comprehensive Cancer Center, the only National Cancer Institute-designated comprehensive cancer center in Alabama. In June 2022, the O'Neal Comprehensive Cancer Center celebrated its 50th anniversary and was awarded a $27.5-million renewal of its core support grant from the National Cancer Institute.

With nearly 28,000 employees and spanning 110 city blocks, UAB is the largest single-site employer in Alabama, with a statewide economic impact of $12.1 billion annually in fiscal year 2022, up from $7.15 billion in FY2016. In 2021, Forbes ranked UAB number one on its list of Best Large Employers (above the likes of Mayo Clinic, NASA, and Google) and the Best Employer for Diversity among colleges and universities. And for the fifth straight year, Insight into Diversity magazine named UAB one of its Diversity Champions (among only 16 universities nationally).

UAB ALMA MATER

The UAB Alma Mater was composed by Birmingham native David McNeeley in 2003. A competition was held, and a committee comprising UAB faculty, administrators, students, and alumni selected it from numerous submissions. The Alma Mater expresses the unifying sentiments of pride, respect, and cherished memories for the university.

THE ACADEMIC COSTUME

The custom of wearing academic caps, gowns, and hoods can be traced to the twelfth century. At that time both men and women wore long, full, flowing robes. This mode of dress gradually changed so that by the end of the seventeenth century only legal and official personages wore gowns. However, certain guilds and universities established the tradition of wearing prescribed apparel. In the universities, the details of the dress distinguished different degrees of learning and the faculty. In the United States, as a result of our English heritage, caps and gowns have been used from colonial times, especially at our older universities such as Columbia (King's College), New York University, University of Pennsylvania, Bryn Mawr, Yale, and others. Around 1885 there was a widespread student movement to wear caps and gowns at commencement. The faculties approved this dignified graduation dress and soon adopted the custom of wearing gowns at academic ceremonies.

In 1895, the Intercollegiate Commission presented American institutions of higher learning the Intercollegiate Code. This code regulated the design of gowns and hoods as well as the colors and materials to be used. The code was subsequently adopted by more than 95 percent of U.S. colleges and universities. It has given America an impressive but simple method of signifying scholastic honors.

The code provides for three types of gowns. The gown for the bachelor's degree is made of green material and has long pointed sleeves. The gown for the master's degree is made with an oblong sleeve open at the wrist. The rear part of this oblong shape is square cut and the front part has an arc cut away. The gown for the doctor's degree has bell-shaped sleeves. It is faced with velvet and has three bars of velvet on each sleeve. The color of the velvet trim may be black or the same color as the velvet which edges the gown.

The green oxford or mortarboard-style cap is worn for all degrees, but only the doctor's cap may be made of velvet and have a gold tassel.

The hood is the most important and distinctive feature of the American code. An understanding of the system makes it possible to distinguish readily bachelor's, master's, and doctor's hoods and to recognize the university which gave the degree. The doctor's hood is four feet in length and made with a wide panel. The master's and bachelor's hoods are three and one-half and three feet in length, respectively. They are made of black cloth and are lined with silk in the official academic colors of the institution which conferred the degree. The hoods worn by graduates of The University of Alabama at Birmingham are lined in green silk with a gold chevron. The trim of all hoods is velvet, two inches, three inches, and five inches wide for bachelor's, master's, and doctor's degrees, respectively. The color of the velvet trim indicates the discipline or faculty to which the degree pertains. Each discipline has been assigned a different color by the Intercollegiate Code. The following is a list of colors assigned to several of the disciplines within The University of Alabama at Birmingham.

Arts	*White*	Nursing	*Apricot*
Business	*Drab*	Optometry	*Seafoam green*
Dentistry	*Lilac*	Philosophy	*Dark Blue*
Education	*Light Blue*	Public Health	*Salmon Pink*
Engineering	*Orange*	Science	*Gold-yellow*
Fine Arts	*Brown*	Social Science	*Citron*
Medicine	*Green*		

A few years ago some Ivy League colleges approved the wearing of gowns which were not black but the official school colors. This trend has expanded so that currently many colleges and universities have adopted special colored gowns. The members of The Board of Trustees of The University of Alabama system wear a green gown with gold trim at The University of Alabama at Birmingham academic ceremonies. Colored gowns worn by many faculty identify the doctoral degrees of many American and foreign universities.

THE CEREMONIAL ACADEMIC MACE

The ceremonial academic mace appeared in European universities during the fourteenth century and represented the amalgamation of two much older staff-like devices of similar length and shape. These were the regal scepter and the medieval battle mace. Kings throughout history have carried scepters as insignia of the lawful authority of just rulers. The battle mace was first used by medieval princes as an effective hand weapon in combat.

In the fourteenth century, the royal scepter and the battle mace were combined to produce the ceremonial academic mace. It was carried before royalty, mayors of cities, and chief officers of the medieval universities.

In modern times, the mace is used on ceremonial occasions in the life of the university. In commencement exercises, the mace specifically indicates the authority of the university president to award degrees. The mace immediately precedes the presidential party in the ceremonial procession. For the Commencement ceremonies, the mace is carried by Gregory E. Pence, Ph.D., Professor of Philosophy and Director of the UAB Early Medical School Acceptance Program.

The UAB mace is fashioned in three metals: brass, bronze, and stainless steel. The use of these metals--especially the stainless steel--is intended to signify Birmingham's traditional role as an iron and steel producing center.

At the lower end of the mace are three medallions of enamel on copper. One medallion bears the image of the lamp of knowledge. Another bears the traditional symbol of the physician, the Caduceus (Aesculapius, Greco-Roman god of medicine, was embodied at the temple of Kos as a statue holding a serpent, a symbol of long life, healing, and knowledge. A staff and a second serpent were added later to form the Caduceus). The third medallion is the UAB logo in gold on a green enamel background with a red enamel glow on the collar to symbolize the molten metal characteristic of old Birmingham and its blast furnaces.

The UAB mace was commissioned, designed, and executed in 1989 by the noted Alabama sculptor, Cordray Parker, with the help of Heidi J. Bowman on the enameled medallions. In 2021, Jamey Worrell, Ph.D., professor of accounting in the Collat School of Business, handcrafted a new stand for the mace. He sourced lumber from felled trees on UAB's campus and around Birmingham, selecting wood that represents some of the university's best qualities: oak for strength, hickory for resiliency, elm for knowledge, and cherry for passion.

The mace was made possible through the generosity of the late Samuel B. Barker, Ph.D., and his late wife, Justine. Dr. Barker, distinguished professor emeritus and dean emeritus of UAB, was the first dean of the UAB Graduate School and a leading patron of the arts in Birmingham

THE ACADEMIC GONFALONS

The academic gonfalons feature the UAB logo, the university seal and the name of the schools in white on a background of black, in keeping with the traditional black academic gowns worn by students and faculty. Each gonfalon also features a border of the school's academic color, which is repeated across the entire back of the banner. The exception is the UAB gonfalon, which features white letters on a green background, bordered and backed in gold, denoting UAB's official colors.

THE UAB PRESIDENT'S MEDAL

The UAB President's Medal is designed to recognize individuals who have attained scholarly distinction and/or have rendered distinguished service to UAB. Recipients are selected by the President of UAB upon the advice and recommendation of senior university officials. Selection as the recipient of this medal is one of the highest honors bestowed by UAB.

The award is comprised of an antique brass medallion and plaque, suitably inscribed, mounted in a cherry stand. The UAB President's Medal is awarded at a commencement ceremony.

UAB NATIONAL ALUMNI SOCIETY
DISTINGUISHED ALUMNI AWARD

The UAB National Alumni Society Distinguished Alumni Award recognizes and honors a graduate of UAB who has made significant contributions to the Society and whose accomplishments and career have brought great credit to The University of Alabama at Birmingham. The honoree must hold an earned degree or certificate from UAB, be a member in good standing of the UAB National Alumni Society, and have demonstrated a continuing interest in UAB.

The recipient for the award is selected by the Board of Directors of the UAB National Alumni Society based on recommendations and nominations from the UAB administration, members of the National Alumni Society, and other groups associated with UAB.

UAB THE UNIVERSITY OF ALABAMA AT BIRMINGHAM

Dear UAB Graduate,

As President of the UAB National Alumni Society, I want to congratulate you on becoming the university's newest alumni and the newest member of our alumni family. It's a large and unique community of over 156,000 alumni spread all over our metro area, state, nation and the world. You have lived through a historic pandemic, the opening of new buildings on campus, and now your graduation from UAB. Previous alums have Blazed the trail for you and stand ready to assist you in all your endeavors.

Engage with us on our social media platforms: Instagram, Facebook, and Twitter (@uabalumni). This is an easy way to gain insight, network, and be informed on all things UAB. I also encourage you to "Be Seen in Green," stay connected with all the ways our awesome UAB alumni impact our world, and remain "Ever Faithful, Ever Loyal." On a personal note, I would also encourage you to remember to continue learning – it's a lifetime mission that may lead you back to UAB for future learning opportunities. To learn about upcoming events and ways to further engage, check out our website at alumni.uab.edu.

The UAB alumni community transcends generations and geographical boundaries. Among you are entrepreneurs, scientists, performing artists, educators, volunteers, and public servants. Differences abound within our community, but we also share core values – a commitment to service, a belief in access and opportunity, the drive to make a positive difference – that unite us. The UAB National Alumni Society Board and I encourage you to stay connected, take advantage of all our Alumni Society has to offer, and continue networking with fellow graduates. We want to share your accomplishments! You are already "IN" as a member of the NAS upon graduation.

In closing, let me again congratulate you on your accomplishments and welcome to the UAB National Alumni Society.

Go Blazers,

Catherine S. Amos

CANDIDATES FOR DEGREES

HONORS DESIGNATIONS

The University of Alabama at Birmingham awards degrees with special designations to students who have achieved meritorious scholastic standing. Honor designations for undergraduates are based on grades reported prior to the completion of spring semester and may not reflect all earned honors. The designations are as follows:

Designation	Grade Point Average (A=4.00)
Summa Cum Laude	3.90 - 4.00
Magna Cum Laude	3.70 - 3.89
Cum Laude	3.50 - 3.69

An undergraduate student graduating with Summa, Magna, or Cum Laude honors is also accorded the privilege of wearing a gold honors cord.

The UAB Honors College brings together high-achieving intellectually curious students from all majors to form a close-knit community of emerging scholars. Honors students may follow a personalized curriculum or specialize in global and community leadership (GCL), science and technology (STH), or interdisciplinary arts and sciences (UHP). Honors students are recognized with "distinguished honors" for earning 18 hours of honors credit and "high distinguished honors" for 30 or more hours of honors credits. Students completing honors requirements wear a white cord and a UAB Honors College medallion.

School of Dentistry – The "With Honors" designation indicates at least a B average, completion of an approved plan of study and research, and completion of a relevant thesis.

Schools of Medicine and Optometry – Honors are given to those in the upper ten percent of their class based on overall grade point average. The designation Magna Cum Laude and Summa Cum Laude are not routinely awarded. Any graduate receiving such a designation is outstanding in ability and performance.

Veterans who have served in the United States Armed Forces wear a red, white and blue cord.

ACADEMIC

This is a list of candidates for graduation unless otherwise noted, prepared before final grades were reported, and inclusion therein does not constitute evidence of graduation.

NATIONAL ANTHEM

"The Star Spangled Banner"

Oh say, can you see, by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air
Gave proof through the night that our flag was still there.
Oh, say, does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?

Francis Scott Key

ALMA MATER

Hail to thee proud UAH in loyalty we stand.
We give thee thanks for happy days beneath your guiding hand.
Often we will praise thy name as in the world we go.
We lift our voice our songs to sing all praise to UAH!

Arranged by C. David Ragsdale, Ph.D.

PROGRAM

The commencement program is a roster of candidates, not an official list of graduates. Appropriate degrees and honors will be awarded to candidates who successfully complete all requirements by established deadlines. The posting of the earned degree on the official university transcript is the institution's affirmation of possession of the degree. Honors indicated in the program are based on grades for semesters completed prior to the last semester. Actual honors for all completed work will be subsequently calculated and will appear on the official transcript and diploma.

THE UNIVERSITY MACE

The ceremonial mace of The University of Alabama in Huntsville was commissioned for the school's first commencement in 1973 and incorporates materials that represent Huntsville's history from pioneer times to the Space Age.

The shaft of the mace is fashioned of native chittamwood (Cotinus obovatus) harvested on Huntsville's Monte Sano mountain. It also contains a section of a cedar log recovered from the 1823 Huntsville City water system, thought to be the oldest public water system west of the Appalachians.

Topping the three-foot-long mace is a glass display created at NASA's George C. Marshall Space Flight Center. It is backed with velvet in the official blue of both the university and NASA. Housed within it are materials that were processed during NASA's Skylab Missions and that represent the then new field of space-based materials technology.

The mace includes a section of a spacecraft nose cone that was a gift to UAH from the U.S. Army's Redstone Arsenal. This nose cone was subjected to an ablative process that led to the development of protective heat shields for spacecraft.

Another feature of the mace is a ceramic ring in white, the university's second color. It displays the school's 1950 founding date and the 1969 date when UAH became an autonomous campus as a member of The University of Alabama System.

ACADEMIC REGALIA

American universities adhere to the official Academic Costume Code adopted in 1895. It describes the styles of gowns, hoods, and faculty colors that symbolize the wearer's academic discipline and rank. Bachelor's gowns are the most simple, featuring a pleated yoke and front fabric panels. Master's degree gowns are distinguished by unusual sleeves, each of which has a long rectangular piece of cloth on the backside that dangles to the wearer's knees. Doctors wear the most elaborate of all academic gowns, as befits their status at the highest level of scholarship. Fuller and more flowing than master's or bachelor's gowns, doctors' gowns have distinctive billowy, bell-shaped sleeves, front facings of velvet, and three bars of velvet across the sleeves.

FACULTY COLORS

The colors used to symbolize areas of study are referred to as "faculty colors" and trace their history to the Middle Ages when color and costume conveyed to the mostly illiterate populace visual messages about rank and occupation. Colors are displayed on doctor's gowns, edging of hoods, and tassels on caps.

HOODS

Hoods are lined with the official school colors to indicate where the wearers earned their degrees. Hood bindings or edgings are of velveteen and indicate field of study using faculty colors.

MORTARBOARDS AND TAMS

The origin of the mortarboard is subject to speculation, but some suspect the guild and apprentice systems of the Middle Ages. Then, during the construction of Europe's great cathedrals, master workers would mix mortar on similarly shaped boards. Hence, the mortarboard came to be associated with someone who had mastered the knowledge and skills necessary for his trade. Today, Ph.D.s often choose a soft velvet tam instead of the traditional mortarboard.

TASSELS

Colored threads have been part of academic costume since 1340 at Oxford, where students were compelled to adhere to strict rules of dress and maintain their everyday hoods by mending them with the color of thread representing their faculties. The use of colored threads to indicate field of study survives in the colored tassels suspended from graduates' mortarboards. Doctoral tassels are shorter and made of metallic or gold-colored threads.

NATIONAL ANTHEM

"The Star Spangled Banner"

Oh say, can you see, by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air
Gave proof through the night that our flag was still there.
Oh, say, does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?

Francis Scott Key

ALMA MATER

Hail to thee proud UAH in loyalty we stand.
We give thee thanks for happy days beneath your guiding hand.
Often we will praise thy name as in the world we go.
We lift our voice our songs to sing all praise to UAH!

Arranged by C. David Ragsdale, D.M.A.

SIGN LANGUAGE

The interpreter will be positioned on the left of the stage.

PROGRAM

The commencement program is a roster of candidates, not an official list of graduates. Appropriate degrees and honors will be awarded to candidates who successfully complete all requirements by established deadlines. The posting of the earned degree on the official university transcript is the institution's affirmation of possession of the degree. Honors indicated in the program are based on grades for semesters completed prior to the last semester. Actual honors for all completed work will be subsequently calculated and will appear on the official transcript and diploma.

THE 2023 GRADUATION CANDIDATES

Doctoral Degrees

COLLEGE OF ENGINEERING

Doctor of Philosophy

Sattik Basu
Field: Aerospace Systems Engineering
Dissertation: "Analytical and Computational Study of Linear and Nonlinear Acoustics in Quasi-One-Dimensional and Two-Dimensional Gaseous and Biphasic Media"
Advisor: Dr. Sarma Rani

Hallie Collopy
Field: Mechanical Engineering
Dissertation: "Effects of Pressure Side Film Cooling Hole Placement and Configuration on Surface Heat Transfer Characteristics of a Transonic Turbine Squealer Blade Tip"
Advisor: Dr. Phillip Ligrani

Yuhang Dong
Field: Electrical Engineering
Dissertation: "Joint Pattern Classification and Data Compression Using Deep Learning on Large Image Datasets"
Advisor: Dr. David Pan

Reetu Hooda
Field: Electrical Engineering
Dissertation: "Contributions to Data Compression Research for Various Media Formats Using Particle Swarm Optimization and Neural Networks"
Advisor: Dr. David Pan

Sijay Huang
Field: Electrical Engineering
Dissertation: "Exploring Reliability Issues in Non-volatile Memories Using Numerical Simulation"
Advisor: Dr. Biswajit Ray

Lisa Lugo Kuzy
Field: Civil Engineering
Dissertation: "An Assessment of Actual Evapotranspiration and Soil Moisture Functions Based on Local Data in Alabama"
Advisor: Dr. Lee Ellenburg

INTERDISCIPLINARY PROGRAMS

Doctor of Philosophy

Muntaseer Bunian
Field: Material Science
Dissertation: "Design and Synthesis of Earth Abundant Transition Metal Catalysts for Selective Oxidation of Light Alkanes and Olefins"
Advisor: Dr. Yu Lei

THE UNIVERSITY MACE

The ceremonial mace of The University of Alabama in Huntsville was commissioned for the school's first commencement in 1973 and incorporates materials that represent Huntsville's history from pioneer times to the Space Age.

The shaft of the mace is fashioned of native chittamwood (Cotinus obovatus) harvested on Huntsville's Monte Sano mountain. It also contains a section of a cedar log recovered from the 1823 Huntsville City water system, thought to be the oldest public water system west of the Appalachians.

Topping the three-foot-long mace is a glass display created at NASA's George C. Marshall Space Flight Center. It is backed with velvet in the official blue of both the university and NASA. Housed within it are materials that were processed during NASA's Skylab Missions and that represent the then new field of space-based materials technology.

The mace includes a section of a spacecraft nose cone that was a gift to UAH from the U.S. Army's Redstone Arsenal. This nose cone was subjected to an ablative process that led to the development of protective heat shields for spacecraft.

Another feature of the mace is a ceramic ring in white, the university's second color. It displays the school's 1950 founding date and the 1969 date when UAH became an autonomous campus as a member of The University of Alabama System.

ACADEMIC REGALIA

American universities adhere to the official Academic Costume Code adopted in 1895. It describes the styles of gowns, hoods, and faculty colors that symbolize the wearer's academic discipline and rank. Bachelor's gowns are the most simple, featuring a pleated yoke and front fabric panels. Master's degree gowns are distinguished by unusual sleeves, each of which has a long rectangular piece of cloth on the backside that dangles to the wearer's knees. Doctors wear the most elaborate of all academic gowns, as befits their status at the highest level of scholarship. Fuller and more flowing than master's or bachelor's gowns, doctors' gowns have distinctive billowy, bell-shaped sleeves, front facings of velvet, and three bars of velvet across the sleeves.

FACULTY COLORS

The colors used to symbolize areas of study are referred to as "faculty colors" and trace their history to the Middle Ages when color and costume conveyed to the mostly illiterate populace visual messages about rank and occupation. Colors are displayed on doctor's gowns, edging of hoods, and tassels on caps.

HOODS

Hoods are lined with the official school colors to indicate where the wearers earned their degrees. Hood bindings or edgings are of velveteen and indicate field of study using faculty colors.

MORTARBOARDS AND TAMS

The origin of the mortarboard is subject to speculation, but some suspect the guild and apprentice systems of the Middle Ages. Then, during the construction of Europe's great cathedrals, master workers would mix mortar on similarly shaped boards. Hence, the mortarboard came to be associated with someone who had mastered the knowledge and skills necessary for his trade. Today, Ph.D.s often choose a soft velvet tam instead of the traditional mortarboard.

TASSELS

Colored threads have been part of academic costume since 1340 at Oxford, where students were compelled to adhere to strict rules of dress and maintain their everyday hoods by mending them with the color of thread representing their faculties. The use of colored threads to indicate field of study survives in the colored tassels suspended from graduates' mortarboards. Doctoral tassels are shorter and made of metallic or gold-colored threads.

ARMY ROTC IMPRESSED AT REGIONAL COMPETITION

The UA Army ROTC's Ranger Challenge Team placed second among 40 universities in the Southeast during the first phase of competition at the Ranger Challenge at Fort Moore in Georgia. The competition started with a 3 a.m. wake up followed by various events throughout the day. The UA squad placed first in the plank event for holding the longest plank position and 6-mile ruck, which consisted of running six miles wearing a 40-pound rucksack and 11-pound vest.

TWO PROFESSORS EARNED CAREER AWARDS

The National Science Foundation selected Dr. Hamed Moftakhari, assistant professor of civil, construction and environmental engineering, and Dr. Sevgi Zubeyde Gurbuz, assistant professor of electrical and computer engineering, for a CAREER Award, one of the nation's most prestigious honors for top-performing young scientists, during the recently completed academic year. Each grant will provide about $550,000 for research, education and outreach efforts.

NOTRE DAME IN COLOR: UNVEILING CATHEDRAL'S HISTORY IN HUES

A project led by UA to tell the stories of the changing colors in the Cathedral of Notre Dame in Paris through its history received funding from the National Endowment for the Humanities. The nearly $250,000 NEH Collaborative Research grant will support new collaborations with American and French colleagues on the changing aesthetics and meanings of color at the cathedral. The work draws upon scholars and researchers from different disciplines at UA and in France. Dr. Jennifer Feltman, associate professor of medieval art and architecture, leads the effort.

UA PRE-MED STUDENTS ACHIEVED 100% MED SCHOOL ACCEPTANCE

The inaugural class of the McCollough Institute for Pre-Medical Scholars at UA is celebrating a 100% acceptance rate for medical and graduate school. The 24 recent UA graduates entered the program in 2019, its first year. The McCollough Institute, endowed by Dr. Gaylon and Susan McCollough, attracts aspiring medical professionals who want to pursue a wide range of fields including law, business, health-care-related paths and even furthering graduate studies.

UA JUNIOR WON OBAMA FOUNDATION'S VOYAGER SCHOLARSHIP

Junior Kate Herndon is a recipient of the Obama Foundation's Voyager Scholarship that recognizes college students with a passion for helping others through public service. Herndon, a native of Newburyport, Massachusetts, was one of 100 students from around the nation and first from UA to receive the award also known as the Obama-Chesky Scholarship for Public Service. According to the Obama Foundation, recipients exude a passion for helping others, experience serving in or building community, and an expansive

view of what's possible through public service.

UA DANCE COMPANY TOOK ORIGINAL PERFORMANCE TO GLOBAL STAGE

A group of UA dance students recently presented their original performance for an international audience at the world's largest performing arts festival. The Yonder Contemporary Dance Company performed its captivating dance concert, "Unstuck With You," at the Edinburgh Festival Fringe in Scotland Aug. 5-12.

UAB PROFESSOR SELECTED AS EDUCATION AMBASSADOR BY GLOBAL AFFAIRS THINK TANK

The Council on Foreign Relations has selected Hyeyoung Lim, Ph.D., associate professor at UAB's J. Frank Barefield, Jr. Department of Criminal Justice, as the 2023-24 Education Ambassador of Higher Education.

Lim will participate in a nine-month program that connects educators across the United States with resources, professional development activities and a robust professional network.

STUDENT LANDS INTERNSHIP AT AMAZON

Curiosity, resilience and perseverance are the words that guide the life of Neha Moolchandani, a senior at UAB. Guided by these values, Moolchandani was selected for Amazon's prestigious summer internship program.

Moolchandani, an Honors College student, came to UAB on the pre-medical track. Soon she discovered she was passionate about technology, robotics, machine learning and AI, and she switched her major to computer science. To further feed her curiosity and love for learning, she is minoring in mathematics and Collat School of Business' information systems.

PATRIOTIC EMPLOYER AWARD PRESENTED TO UAB EMPLOYEE

The Employer Support of the Guard and Reserve under the Department of Defense has presented UAB Director of the Office of the Conflict of Interest Review Board Karen Iles, Ph.D., with the ESGR Patriotic Employer Award. Iles was nominated by Staff Sgt. Christian Foster, a program administrator II in the OCIRB.

Foster, who serves as a budget analyst for the United States Army Reserve's Deployment Support Command in Birmingham, nominated Iles for her generosity and understanding toward his military obligations, which he says she supported even before he was hired full time in the department.

BIOMEDICAL SCIENCES PH.D. STUDENT NAMED HOWARD GARRISON ADVOCACY FELLOW

Biomedical Sciences Ph.D. student Jazmine I. Benjamin was selected to be an inaugural Howard Garrison Advocacy Fellow under the Federation of American Societies for Experimental Biology.

Over 10 months, the inaugural fellows will have opportunities to develop their knowledge and skills in science policy, advocacy and science communications, while also exploring career opportunities and leadership development in the areas outside of traditional academia.

SPACE HARDWARE CLUB PLACES FIRST AT INTERNATIONAL COMPETITION

The Space Hardware Club CanSat team placed first, fifth, and sixth internationally and first, second, and third place nationally in the annual American Astronautical Society CanSat Competition. Forty university teams participated in the competition this year. CanSats are a sounding rocket payload used to teach space technology similar to the technology used in miniaturized satellites. Teams design, build, and fly rocket payloads that meet design criteria that change yearly during the competition, giving participants experience in the actual design process and various mechanical, electrical, and software design systems that go into an engineering system.

AIR FORCE OFFICE OF SCIENTIFIC RESEARCH GRANT IS AWARDED TO MECHANICAL AND AEROSPACE ASSISTANT PROFESSOR

Dr. John Bennewitz, an assistant professor in the Department of Mechanical and Aerospace Engineering, has been awarded a $650,000, 45-month Air Force Office of Scientific Research (AFOSR) grant to develop an advanced propulsion system that will facilitate surveillance of space between the Earth and the Moon by the United States Space Force. The research is funded through the AFOSR Energy, Combustion, and Non-Equilibrium Thermodynamics Portfolio. "With the recent international push for lunar missions, the U.S. Space Force has emphasized the need for surveillance of the region beyond geosynchronous orbit," Dr. Bennewitz explained.

ADVANCES IN RESEARCH

HIGH-PROTEIN AND NORMAL-PROTEIN DIETS ARE EFFECTIVE FOR T2D MANAGEMENT

New findings from UAB indicate that the type of protein in the diet is not as important as the overall amount of weight loss for those with Type 2 diabetes.

Published in the journal Obesity, 106 adults with T2D were randomly assigned to either the high-protein or normal-protein diet for 52 weeks. The results show an individual can have some flexibility to choose a dietary pattern that most closely matches their preferences and that they are mostly like to stick with in the long term.

RESEARCH SHOWS WHY OLDER ADULTS ARE VULNERABLE AND RESILIENT TO CLIMATE DISASTERS

Older adults are more vulnerable to disasters because of unique factors like health conditions. However, their potential to cope with negative outcomes and withstand financial losses builds resilience, according to UAB researcher Zhen Cong, Ph.D. Cong's research and insights on building a climate-resilient society highlighting her findings on older adults' vulnerability and resilience to disasters was recently shared at the September edition of the NIH's Climate Change and Health monthly seminar series.

UAB RESEARCHERS TO IMPROVE QUALITY OF LIFE FOR PATIENTS WITH PULMONARY HYPERTENSION

Researchers at UAB have received two small-business technology transfer grants from the National Institutes of Health for $465,000 and $2.9 million. The grants will continue the development of non-gas-tank-based devices for the delivery of inhaled nitric oxide, also known as iNO, for the treatment of pulmonary hypertension in infants, and pulmonary hypertension and right heart failure during and after cardiac surgery.

PREVENTIVE EPILEPSY TREATMENT WITH VIGABATRIN DOES NOT IMPROVE NEUROCOGNITIVE DEVELOPMENT IN TSC INFANTS

In new study results, researchers from UAB found that administering the preventive epilepsy treatment vigabatrin prior to seizure onset did not improve neurocognitive outcomes in TSC infants at 2 years of age. The findings from the PREVeNT Trial, funded by the National Institute of Neurological Disorders and Stroke of the National Institutes of Health, were published in the Annals of Neurology and presented in a keynote address at the 2023 International TSC Research Conference hosted by the TSC Alliance.

HIGH-IMPACT WEATHER RESEARCH RECEIVES FUNDING FROM NATIONAL SCIENCE FOUNDATION

UAH was awarded a $779,640 grant from the National Science Foundation to procure a high-frequency radar to support research on clouds, thunderstorms, and high-impact weather such as landfalling hurricanes and severe squall lines. Principal investigators include Dr. Kevin Knupp, UAH Professor in the Department of Atmospheric and Earth Science; Dr. Lawrence Carey, UAH Professor and

Interim Chair in the Department of Atmospheric and Earth Science; Dr. Xiaomin Chen, UAH Assistant Professor in the Department of Atmospheric and Earth Science; Dr. Sean Freeman, UAH Assistant Professor in the Department of Atmospheric and Earth Science; and Mr. Ryan Wade, Research Scientist IV in the UAH Earth System Science Center.

NATIONAL OCEANIC AND ATMOSPHERIC ADMINISTRATION WEATHER PROGRAM OFFICE GRANTS AWARD TO UAH PROJECT

Dr. Xiaomin Chen, UAH Assistant Professor in the Department of Atmospheric and Earth Science, received a $530,139 award from the National Oceanic and Atmospheric Administration Weather Program Office (NOAA). His funded project will aim to develop a generalized planetary boundary layer (PBL) parameterization scheme that unifies the convective mass fluxes in the PBL and shallow cumulus schemes in NOAA's United Forecast System models, including the next-generation hurricane forecast model Hurricane Analysis and Forecast System.

SOIL MOISTURE SENSORS PROVIDE KEY DATA IN GULF STATE PARK PRESCRIBED BURN

UAH Earth System Science Center Research Scientist and Associate State Climatologist Dr. Lee Ellenburg installed five soil moisture and temperature sensors within the prescribed burn area at Alabama's Gulf State Park earlier this year. The sensors measure moisture content from the surface to approximately two feet below ground. "The soil moisture sensors indicated quickly-drying soils within the prescribed burn area in late July that began to translate to a dropping water table," notes Ellenburg. "This provided an early warning for conditions to come." The safety of its firefighters and the public is the Alabama Forestry Commission's priority. The thresholds set by the organization consider not only how dry soils are but also wind speed, rain, and humidity that has occurred over the prescribed burn site. "The data that UAH provided gave us a two-week heads-up of what conditions on the ground were and allowed us to plan accordingly as the window for the burn approached," says Ethan Barrett, Alabama Forestry Commission Fire Analyst. UAH will continue its partnership with the Alabama Forestry Commission. Subsequent research will improve scientists' and fire analysts' understanding of fire behavior and secondary fire effects, such as tree mortality and impacts on wildlife.

U.S. ARMED FORCES AND DEPARTMENT OF DEFENSE LEADERS TO BENEFIT FROM UAH CYBERSECURITY RESEARCH AND EDUCATION CENTER

The Griffiss Institute Inc (GI) awarded UAH's Center for Cybersecurity Research and Education Center (CCREC) a grant of $1,495,406 for the VICEROY program (Virtual Institutes for Cyber and Electromagnetic Spectrum Research and Employ). The program will support a virtual institute at UAH to develop foundational expertise in critical cyber and electromagnetic spectrum operational skills for future military and civilian Armed Forces and DoD leaders. UAH is the lead institution partnering with Alabama A&M University and the Alabama School of Cyber Technology and Engineering.

UA RESEARCH RANKED NO. 2 IN GROWTH AMONG PEERS

Powered by mostly external funding, spending on research and development activities at UA more than doubled over five years, placing UA's growth rate second among top research institutions, according to an analysis of a survey of universities by the National Science Foundation. UA's expenditures on research grew 105% from $63.3 million spent in 2017 to $129.5 million spent in in 2021, the latest year national comparisons from the NSF Higher Education Research and Development Survey can be made. That is the second biggest increase among the 146 universities granting doctoral degrees designated in the "Very High Research Activity," or R1, category by the Carnegie Classification of Institutions of Higher Education.

NEW DIRECTOR FOR WATER RESEARCH

Matthew Womble joined UA as the executive director of the Alabama Water Institute in fulfilling UA's commitment to be a premier research and education institution around water-related issues. Womble comes to UA from Saildrone, a company based in California that designs, manufactures and operates wind- and solar-powered autonomous surface vehicles that provide cost-effective ocean data collection.

COMPUTING CENTER EXPANDS INNOVATION OPPORTUNITIES

The University of Alabama System Board of Trustees recently provided Stage 1 approval for construction of the High Performance Computing and Data Center on the eastern edge of campus. It allows the campus to host a large, connected computing system that will be the fastest in the state and on par with peer research institutions. The facility will enable UA to attract first-rate faculty members who strengthen instruction and co-curricular activities for students and recruit more high-achieving students. The HPC center positions UA for more industrial, government and peer partnerships that enlarge economic development and intensify discovery particularly in the areas of water, transportation, cybersecurity and human well-being.

POOR TIME MANAGEMENT CAUSES POOR SLEEP FOR COLLEGE STUDENTS

Dr. Adam Knowlden, associate professor of health science with the UA College of Human Environmental Sciences, investigated time management and how it influences sleep health in full-time college students in the areas of setting goals and priorities, mechanics of time management, and preference for organization. According to Knowlden, more than 65% of college students describe their sleep quality as poor. The study, which was recently published in the "American Journal of Health Education," found the three factors associated with time management significantly influenced the overall sleep quality of college students. Knowlden reported that time management explained around 20% of the sleep quality outcomes measured.

NEWS ABOUT DEVELOPMENT

Ms. Barbara M. Wadsworth donated stock valued at $255,571 to establish the William Henry McMullen III Chemistry Teaching Laboratory, $1,020,985 to establish the William Henry McMullen III Distinguished Graduate Fellowship, and $740,495 to establish the William Henry McMullen III Chemistry Laboratories Fund.

The Boeing Company has given $75,000 in support of various programs at UAH, including the Boeing Business Annual Scholarships at $10,000, the Boeing Engineering Annual Scholarships at $18,000, the Boeing Computer Science Annual Scholarships at $8,000, various Engineering Student Organizations, IPT Program, Boeing New Venture Challenge, and the Dean's Excellence Fund for future curriculum enhancement.

The Jane Lowe Charitable Foundation has given $50,000 to support the maintenance of the UAH Lowe House.

Ms. Angela C. Shih donated $50,000 to the Cornelius and Angela Shih Graduate Student Scholarship Fund.

The Alabama Nurses Foundation has given $25,000 to support the Alabama Nurses Foundation Scholarship.

An anonymous donor has provided $25,000 to support the UAH Last Mile Scholarship Fund.

An anonymous donor has provided $25,000 for the Diana and Leland Sisson Scholarship.

The Leidos Corporation has given $25,000 in support of the College of Engineering.

Ms. Judy K. Teague donated $25,000 to the Women's Basketball Locker Room Project.

ENDOWED SCHOLARSHIP FOR COMPUTER SCIENCE STUDENTS

NaphCare Charitable Foundation, Inc., gave $26,000 to create an endowed scholarship for computer science students in the College of Arts and Sciences.

GENTILE FAMILY ENDOWED SCHOLARSHIP

Zachary and Dana Gentile have given $25,000 to create the Gentile Family Endowed Scholarship in Engineering in the School of Engineering.

ENDOWED SCHOLARSHIP FOR UAB SCHOOL OF DENTISTRY

Dr. Jim and Melinda Phillips have given $25,000 to create an endowed scholarship in the School of Dentistry. Preference will be given to students from a rural area of the state or from disadvantaged backgrounds. The university agreed to a funding match for a total endowment of $32,500.

CONFERENCE/SYMPOSIA/PROGRAMS

UAH RESEARCH IS FEATURED ON CBS NEWS SUNDAY MORNING

Lightning research and its rich history at the University of Alabama in Huntsville was featured on the CBS News Sunday Morning national television program on August 27, 2023, on both CBS and the video-streaming service Paramount+. The special feature spotlighted UAH's Department of Atmospheric & Earth Science Associate Professor, Dr. Phillip Bitzer. Dr. Bitzer discussed how the department, in conjunction with UAH's Earth System Science Center lightning researchers and its collaborators, has played a pivotal role in developing ground-breaking lightning instrumentation and advancing lightning research. "My hope is that the public will take away a bit of what we do every day here at UAH and how the goal of our research is to keep everyone safe from thunderstorms," said Dr. Bitzer.

CENTER FOR CYBERSECURITY RESEARCH AND EDUCATION (CCRE) HOSTS CYBER CAMP FOR HIGH SCHOOL STUDENTS ON THE AUTISM SPECTRUM

In support of inclusivity and cybersecurity education, UAH's CCRE hosted the Limitless Cyber Camp for high school students on the autism spectrum. Held at UAH on September 8, this one-day camp offered tailored activities in cryptography, steganography, ciphers, computer building, and a culminating activity that integrated all the skills learned throughout the day. Aligning with UAH's commitment to diversity in STEM, this event was funded by CCRE and utilized presentations and activities modified for this specific audience.

OFFICE OF SERVICE LEARNING AND UNDERGRADUATE RESEARCH TO HOST FALL EXPO

UAB will host its 2023 in-person and virtual Service Learning and Undergraduate Research Expo from Monday, Nov. 27, through Friday, Dec. 1. The expo seeks to highlight and celebrate excellence in research, creative activity and scholarship by showcasing the academic ventures of undergraduate students.

VIVA HEALTH GALA "A NIGHT OF THE ARTS" SUPPORTS UAB'S ARTS ORGANIZATIONS

On Friday, Oct. 6, the VIVA Health Gala, an annual black-tie event and fundraiser at UAB, debuted a new format this year with "A Night of the Arts." Guests were immersed in a full night of arts experiences while raising vital funds that directly support UAB's arts organizations Abroms-Engel Institute for the Visual Arts, Alys Stephens Performing Arts Center, ArtPlay Community Education and Arts in Medicine.

PSYCHOSOCIAL ONCOLOGY TRAINING ACADEMY FALL 2023 WORKSHOPS

UAB's Center for Palliative and Supportive Care is hosting a training and development opportunity for

health care professionals this fall. The Psychosocial Oncology Training Academy is an innovative and trailblazing training initiative that equips health care professionals with practical skills to ensure improved access and enhanced quality of care for breast cancer survivors, and their loved ones.

35TH ANNUAL MOUNDVILLE NATIVE AMERICAN FESTIVAL

The University of Alabama Moundville Archaeological Park became a "City of Life" as it celebrated the cultures of Southeastern Native Americans at the 35th annual Moundville Native American Festival Oct. 4-7. The festival is one of the largest celebrations of Native American communities in the state of Alabama. It is a unique experience where students and families alike can learn from First Americans, gaining new perspectives about our world. The festival doesn't just include people whose ancestors built Moundville, but all Native American communities that call Alabama their homeland.

CAMPUS HIGHLIGHTS

UAB NAMED AMONG GREAT COLLEGES TO WORK FOR®

For the first time, UAB has been recognized by the Great Colleges to Work For® program with strengths identified in shared governance, faculty experience, job satisfaction, confidence in senior leadership, and diversity, inclusion and belonging, among other areas.

The Great Colleges to Work For® program was designed to recognize colleges that have been successful in creating great workplaces and to further research and understand the factors, dynamics and influences that have the most impact on organizational culture in higher education.

MAGIC CITY DATA COLLECTIVE SELECTED FOR BEST PRACTICES AWARD

The Magic City Data Collective has been presented a Governor's Work-Based Learning Best Practices award under Alabama Works. Founded by UAB, the Birmingham Business Alliance and Birmingham Education Foundation, the public-private partnership, housed in the UAB Department of Physics, serves as a training network for undergraduate, graduate and local professionals seeking knowledge and career development in the data industry. MCDC seeks to establish and maintain an infrastructure for data professions and opportunities in data science, computation and STEMM (science, technology, engineering, mathematics and medicine) fields in the Birmingham region.

UAB PROGRAMS CONTINUE TO RISE IN US NEWS RANKINGS

UAB has been recognized once again by U.S. News & World Report as a Best College, ranking No. 142 out of 435 measured schools in their 2023 Best Colleges list. This ranking serves as a testament to the university's continued growth and national exposure as a competitive and attractive university. UAB also had the highest sub rank (No. 36) of all Alabama schools for the new Bibliometric ranking metric, which measures faculty performance through research publications.

FREE APP WEEK OFFERED TO FIRST-TIME FRESHMAN, TRANSFER, ONLINE STUDENTS

Entering first-time freshman, transfer and online students applied at no cost to the UAB during "Free App Week," Oct. 16-20. In an initiative that UAB hoped would provide increased access to prospective students who are seeking higher education, both in- and out-of-state students were eligible to submit applications with no associated fees during this week.

PROFESSIONAL LEADERSHIP ACADEMY UNDERWAY IN HUNTSVILLE

The Office of Professional and Continuing Education launched its Leadership Accelerator Academy. The first cohort has 18 participants from UAH and the Huntsville community. The professional

leadership program was designed for early or mid-level career managers to expose them to diverse ideas and methods on topics that complement and enhance their organization. Participants will go through the 10-month program to develop greater self-awareness and strengthen their leadership style and effectiveness; build trust and confidence with superiors, employees, and peers; create high-functioning teams; establish standards for productivity, processes, quality, conduct, and timeliness; and identify and resolve conflict using standard approaches and best practices.

FILM FESTIVAL FOCUSES ON COMMUNITY HEALTH

The UAH Humanities Center hosted its second annual Huntsville Human Rights Film Festival in September. This year's festival theme was "Community Health as a Human Right." Films, discussions, and small workshops provided participants information about community mental health, policing, environmental health, and food insecurity. The Center's community partners included the City of Huntsville's Human Relations Commission and Office of Diversity, Equity, and Inclusion; Alabama Extension at Alabama A&M University; American Cancer Society; Cancer Action Network; United Women of Color; Southern Fried Film Fest; North Alabama Showing Up for Racial Justice; and the North Alabama School for Organizers. Campus partners were the Salmon Library and the Office of Diversity, Equity, and Inclusion.

THE UNIVERSITY OF ALABAMA IN HUNTSVILLE ACHIEVES GOLD STATUS IN HEALTHY CAMPUS CERTIFICATION

UAH is the first university in the United States to achieve GOLD certification as designated by the Fédération Internationale du Sport Universitaire (FISU) as part of the organization's Healthy Campus program. Dr. Noemi Zaharia, Clinical Assistant Professor in the College of Education's Department of Kinesiology, has spearheaded this university initiative. The FISU Healthy Campus program is an initiative to enhance student and campus community well-being by providing opportunities for all students to participate in physical activity for their health. The program scope addresses seven Healthy Campus domains: healthy campus management, physical activity and sport, nutrition, disease prevention, mental and social health, risk behavior and environment, sustainability, and social responsibility.

VITAL PART OF NEW EFFORT FOR SUICIDE PREVENTION

A substantial effort in suicide prevention across the state will be led by a partnership between UA and the Alabama Department of Mental Health. UA's VitAL program and ADMH received support from the federal Substance Abuse and Mental Health Services Administration to implement Project Zero Suicide in Alabama. The Zero Suicide framework is designed to proactively address suicide by emphasizing prevention and early intervention within healthcare facilities. VitAL will

leverage this model to ensure that multi-level, evidence-based suicide prevention practices are integrated into clinical care. The primary focus will be on adults, with a particular emphasis on rural and underserved areas.

UA EXPANDS BEHAVIORAL HEALTH SERVICES FOR RURAL ALABAMA YOUTH

UA is confronting the shortage of behavioral health services for youth in rural Alabama with more than $3.7 million in federal funding. UA's College of Human Environmental Sciences and the Center for Substance Use Research and Related Conditions in the Capstone College of Nursing are leading the program supported by the Health Resources and Services Administration. Awards from HRSA's Rural Communities Opioid Response Program – Child and Adolescent Behavioral Health support the establishment and expansion of sustainable behavioral health care services for children and adolescents aged 5-17 years who live in rural communities, and to prevent substance misuse.

UA REACHING RURAL AREAS TO IMPROVE CARDIOVASCULAR HEALTH

UA is spearheading an effort to reduce the risk for cardiovascular disease in West Alabama. With $6 million from the Centers for Disease Control and Prevention spread out over the next five years, UA faculty, staff and students will work with local health care providers to implement programs and resources designed to reduce risk factors for heart attacks, strokes and other issues stemming from poor cardiovascular health. The work will focus on nine counties around the University that include rural and underserved areas of the state.

2023-2024 RECORD ENROLLMENT

The UA record-breaking enrollment of 39,623 includes 3,184 freshmen from Alabama, representing every county in the state. This marks UA's fifth consecutive year with an in-state increase and the largest number of in-state freshmen since 2010. The University currently enrolls a record number of 1,142 National Merit Scholars, making UA one of the nation's largest enrolling institutions of National Merit Scholars.

AGREEMENT STRENGTHENED TIES WITH SHELTON STATE

UA and Shelton State Community College have signed a transfer agreement to create a seamless pathway to earning a bachelor's degree from the Capstone for Shelton State students. Representatives from both institutions signed a memorandum of understanding outlining a collaborative and seamless pathway for Shelton State students to transfer to UA while providing students with academic advising, career coaching and counseling.

GREEK ASSEMBLY HALL OPENED TO STUDENTS

Guests and members of the United Greek Council and National Pan-Hellenic Council celebrated the opening of the Greek Assembly Hall with a ribbon-cutting Aug. 29. Construction on the 12,600-square-

foot facility was complete in July and is now open to students.

UMC-LIVINGSTON TO SERVE UWA STUDENTS, EMPLOYEES

Under an agreement signed Aug. 1, University Medical Center-Livingston will be a provider of primary health care and employment health services to members of the University of West Alabama community. UMC-Livingston is part of the University Medical Center network of clinics in West Alabama, operated by UA College of Community Health Sciences.
